Mark's Remarks

ATTENTION! Be aware that this month's (December) General Meeting date and time has been changed. It is going to be on Sunday, December 13 at 4 PM. The annual Christmas Party will begin immediately following the business portion of the meeting. There will be no meeting on Thursday, December 10.

Website Calendar

With winter coming on, days being shorter and the chance of rain, I just want to reemphasize to always check the website calendar before heading up to the range. Make sure that the event you are going to is still going on or the range you want to use is still available.

Speaking of Events

The Association offers many different events that are not only open to members but are also open to the general public. If you or any of your friends or relatives are interested in one of these events you can go to the website. On the top of the website is a blue header. The first thing on it is "Events". If you hover over it with your mouse, you will open a blue box with .22 Rimfire, Pistol, Muzzle Loader, Rifle, and Shotgun. If you click the little arrow next to the discipline, it will open up another box that tells you what events we have in that category. If you click on the event, it will give you a description of the event, what you need to shoot in it and the cost. Members always pay less than non-members.

Have a joyous and happy holiday.

Remember to have fun and respect your fellow members.

Mark L Baldwin

Christmas Party & Cookie Extravaganza

As you are, hopefully, already aware, the Association Christmas Party and monthly meeting will be on Sunday, December 13 instead of the usual Thursday.

What hasn't changed is the **"Cookie Extravaganza".** Please bring 2 dozen or so of your favorite recipe to share. Bring homemade cookies, brownies, fudge, pie, candy or whatever concoction you want to show off.

Christmas Party Raffle - Donations Welcome

The Christmas raffle is going to be humongous with $3000 worth of higher value prizes supplied by the Association and unique prizes donated by **Dawn and Tim Gormley, Darrell Brinkmeier, Michael Douglas, Annette Champion, Scotti Clary, Bud Smith, Jack Starlin and the San Diego Zoo and Safari Park.** Have you ever seen a tequila hat? Or a "Pop up Gun Safe"? Or a black powder derringer? Have I piqued your curiosity, yet?

If you have something that you would like to donate to the raffle, contact newsletter@escondidofishandgame.com.

Quilts by Annette

Annette Champion has made two gorgeous quilts for a couple of lucky winners. The winning tickets will be drawn at the Christmas Party, Sunday, December 13. The winners do not need to be present to win.

The **Quilt of Valor** is made from actual Navy & Marine Corp uniforms. A limited number of tickets are available for $10 each. Proceeds from the sale of this quilt will be donated to the Camp Pendleton Joy Drive.

Tickets for the second quilt, the **Freedom Quilt**, are also available for $10 each. The proceeds from this quilt will go back to your Association for various projects.

A huge Thank You to Annette for sharing her time and talent with us.

Camp Pendleton Christmas Joy Drive

The Joy Drive heads into its final few weeks for 2026. **Linda Linaker** has collected $4325 so far. Please keep your donations coming. Toys and diapers can be brought to the Meeting Hall. Give cash and gift cards to Linda or one of the Board Members. Checks should be made out to CARES. Linda has worked very hard again this year to bring a little joy to the families of our service men and women. Let's make her proud.

November General Membership Meeting

The November Membership Meeting was held Thursday, November 12 in the Meeting Hall. If you have never been to a Membership Meeting, you may not realize that it is not all business. We also have fun, food and enjoy the company of like minded people.

November's meeting had an extra bonus. **Mia Moreno, Ella Rhinehart** and **Eislee Rhinehart**, distinguished members of our Junior Marksmanship Program, presented a Veterans Day tribute to our Military and First Responders. They emphasized honor and respect for those who gave of themselves so that we could enjoy the lives we have.

Drake Duplessis won the $25 door prize and donated it to the CARES Joy Drive for the children of our Camp Pendleton families. The $500 Attendance prize went unclaimed once again. **Miguel Trujillo, Warren McLaren, Arthur Barnhart, Joseph Claiborne** and **Albert Bates** all had their chance, but they weren't present. The $500 will roll over to the December Meeting and Christmas Party which will be held Sunday, December 13 at 4:00 pm on the 100 Yard Range. When closed off that pad makes a great party room.

After the business portion of the meeting, we enjoyed some pumpkin and apple pie while we jumped into the monthly raffle. Extra donations to the raffle table came from **Elvio Marchi, Mark Baldwin, Bob Leider, Michael Douglas, Jeanine Cleary, Therese Thomas, Bud Smith** and **Mike Quadrozzi.** Thanks to all the donors and participants. It was a lot of fun.

Life Member Nominations

Each year up to two members are granted Life Membership to EF&GA. If you would like to nominate a member for this prestigious honor, please submit your nomination in writing to **Patrick Russ** at pruss@escondidofishandgame.com, **Jack Starlin** at engrjack@cox.net, or **Darrin Eaton** at Deaton@escondidofishandgame.com by March 1, 2027.

Linda's Lines

Merry Christmas to all! It's that time of year, cooler weather, family gatherings, carols and way too much food. Also, it's time to dig deep and support our Christmas Joy Drive. Toys, cash and gift cards are all appreciated, also any check made out to CARES . The gifts will be delivered to Camp Pendleton the week of December 13, after our holiday extravaganza. Be sure to attend that very special meeting 12/13/2026 starting at 4:00 pm. Don't forget to bring your special goodies for our dessert room (Trap Ramada). Hope to see all of you there!

EF&GA Junior Program Graduate Bags an Elk

Kasey Nelson Holm got an elk again this year. A graduate of EF&GA Junior Marksmanship Program and a Distinguished Expert in Rifle, Kasey is also the granddaughter of our amazing Treasurer, **Lucy Nelson**.

BBQ Chairmen Have Stepped Up

Tracie Sheldon and **Patrick Russ** have agreed to be the Co-Chairs for the 2027 BBQ Committee. They are already in full swing with the planning. Patrick and Tracie are looking for immediate volunteers. They are going to need all of our help, so please join the team. They are also starting to gather new items for the BBQ raffle and silent auction. Contact Patrick at PatrickRuss71@gmail.com or Tracie at TSheldon@escondidofishandgame.com if you would like to participate.

Membership Renewals

It's almost that time again, renewals are just around the corner. The renewal notices will be mailed out the end of April. Renewal notices are sent out in the mail, not via email. Make sure the Association Clerk has your current address. If you have an address change, please contact the Association Clerk at efgaclerk@cox.net with your new address. You will be expected to send in your completed yellow card with your renewal paperwork.

JUNIOR CORNER

by Patrick Russ

Our final Junior Rifle event of 2026 took place on November 15. I know many people would agree with me when I say it was one of the best junior events we can remember. With perfect weather and 69 shooters, we had plenty to celebrate!

We started the morning with a sleepy **Olivia Collins** waking up just in time to deliver a great safety brief. We were short on adult coaches, but our junior coaches stepped up and saved the day. They carried that same commitment into the second relay, helping our shooters and keeping things running smoothly. Seeing these young people take on responsibility and support one another was something special.

After the second relay, and before lunch, we held our annual Veterans and First Responders Appreciation event. We began with introductions and recognition of all the veterans and first responders in attendance, followed by speeches from **Mia Moreno, Ella Rhinehart** and **Eislee Rhinehart.**

These young ladies wrote their speeches themselves and put a great deal of time and effort into preparing them. Despite being nervous, they stood up and delivered heartfelt words of appreciation. They also attended our General Meeting on Thursday to share their speeches with everyone there. I could not be more proud of all three. It takes courage to stand in front of a crowd, and their willingness to do so made our recognition event especially meaningful. See the photo from their General Meeting presentation on page 3.

We closed the ceremony with the Pledge of Allegiance and a final thank-you to those who have served and continue to serve our communities and country.

Our juniors continued to lead throughout the afternoon. **Ella Rhinehart** delivered a great safety brief for the third relay, and **Mia Moreno** did an excellent job with the fourth relay safety brief.

A special congratulations goes to **Olivia Collins** for earning Distinguished Expert with a score of 387! What a way to finish the year!

Thank you to our adult volunteers, junior coaches, shooters and families for making this such a memorable day. From coaching and safety briefs to honoring those who serve, our juniors gave us plenty of reasons to be proud.

Please join us for our annual Christmas party on Sunday, December 13 at 4 pm! We're trying a Sunday afternoon this year in hopes that more of our families and friends can attend. We look forward to celebrating with you!

From all of us in the Junior Marksmanship Program, we wish you and your families a very Merry Christmas and a happy, healthy, and safe New Year!

TRAP CORNER

by Chris Cote

Trap & 5 stand POT shooters Casual shooters

A Couple of Housekeeping Items

Remember to take your hulls home and remind others to do the same if you see them throwing hulls into the trash cans. We have been finding hulls in the trash again. The blue bins are for cans and bottles only, not cardboard. Cardboard can go in the dumpster or trash cans.

Cold Range Lights

The cold range lights on the light poles have been wired up. Remember that when the Trap range is cold, like all other ranges, you should not be handling your shotgun.

Interclub Shoot

The Interclub shoot for 2027 has a different schedule. Each Club/Association will be hosting 2 events. Escondido Fish and Game is slated for the first event on January 30th, 2027. If you are interested in helping out, please contact our retired president **Darrin Eaton** for details.

Ladies Night Out

Ladies, you need a night out, come down and join us for Ladies night.

On the 2nd and 4th Wednesday nights we are having a down and dirty Trap 101 introduction. If you are interested in learning trap, please RSVP to **Annette Champion** at 760-803-7428. BLACK POWDER NEWS

by Garth Warner

Tis the season...**to get rained out.** Our November Muzzle Loading Bullseye event was rained out this year. Paper targets on cardboard backers just don't do very well in the rain.

As this is going to be an El Nino winter and spring, we can probably expect additional events to be impacted in the months ahead. In the event of a cancellation, I will make the call no later than 6:00 PM on the Saturday before the event. Check the Website range calendar before you leave the house in the morning.

Note: This is only for the Muzzle Loading Bullseye events. We shoot Muzzle Loading Silhouette events in the rain because the steel targets don't care. We hardy outdoor mountain men are shooting under the cover of the range house, so we don't care either.

Muzzle Loading Bullseye for Dec 6th, 2026: This will be a repeat of the team event we had scheduled for November. Trade Gun and Rifle shooters will be teamed by random drawings to compete for a team score overall. Trade Gun shooters may need to be assigned to more than one team due to lack of participants with Trade Guns. Everybody shoots 13 rounds. Your best 10 count for score. Trade Guns will shoot the Big A-43 targets at 50 yards. Rifle shooters will shoot B-19 targets at 50 yards.

Start time is 08:00 on the 150 yard range. There is a **MANDATORY** safety briefing at 07:45. If you don't make the safety briefing, you don't shoot. The entry fee is $5 for EF&GA members and $10 for Non-members.

Contact **Garth Warner** at gwarner@cox.net or 760-420-7550 for more info.

Muzzle Loading Silhouette for Dec 27th, 2026: Tired of your in-laws? Tired of Christmas? Come out to the range on Dec 27th and shoot some steel. We will be hosting a Standard Short Range Silhouette contest on the 150 range starting at 08:30. This event is for Black Powder Rifle and Pistol shooting patched round balls as well as Cap & Ball Revolver. We also shoot Black Powder Cartridge Pistol and Rifle shooting cast lead bullets. Pistol starts at 08:30 with targets at 15, 25 and 35 yards. Rifle starts at 10:00 with targets at 50, 75 and 100 yards. Non-standard Silhouette placement will be the hook for this rifle event. (No RAMS for this event). The entry fee for Pistol is $1. The entry fee for Rifle is $5 for EF&GA Members and & $10 for non-members. Contact **Ren Everett** at everettju1@cox.net or 760-432-2089 for more information.

Muzzle Loading BullsEye

November 1, 2026

Predicting the weather sucks. We cancelled the match due to predictions. Went up to the range to catch anybody that missed the cancellation e-mail, and to work on the target frames. There was light rain from 07:45 to about 08:15, then it STOPPED. It cleared up until about 10:00, and then started raining again.

On a side note, all of our Bullseye targets have been reskinned. **Bud Smith** has now learned how to use an angle grinder. All of the Silhouette PIGS are now, more or less, level on the bottom.

Special Thanks to **Bud Smith** and **Eric Olson** for helping on the target refresh. Many tall tales were told.

COWBOY ACTION SHOOTING

by Darrell Brinkmeier
AKA Double Diamond

The Escondido Bandidos hosted 17 shooters at the November 7th match. It was a very nice and warm day. We had 4 new shooters joining us and hope that they come back soon! November was our kick-off month in support of the Camp Pendleton CARES program (our Christmas Joy Drive) and we would like to thank everybody for their generous contributions of toys, gift cards and cash. The match was followed by an ice cream social. It was a great way to relax and welcome the new shooters to our club.

Lantana Lady taking aim with her 1873 rifle.

The targets were brought in a bit closer for a taste of the Bordertown shoot! Our top shooter was **Jus Paul** with 130.42. **Lantana Lady** was the top lady shooter. There were 5 Clean shooters: **JW Bass, JB Corn, Black Raven Bob, El Vato,** and **Wild Bill Pickles** (his first Clean match)!

We will continue collecting for the Joy Drive at the December 5th match. The match will be followed by special holiday lunch.

JB corn with his 1897 Winchester, also on his way to a clean match.

New shooter El Lobo (David Ott) breaking in his new 1892 rifle at his first match.

Wild Bill Pickles on his way to his first clean match!

Down the Rabbit Hole with Combat Handgun

by Garth Warner

Here it is....the information absolutely NOBODY asked for. Below is a rough synopsis of the Handguns used at the Oct Combat Handgun event. This will be broken down into Make/Model, Caliber, and Optic/No Optic. This is NOT intended to be an endorsement for or against any make or model. Note too, that I am not a competitive combat hand gunner, and I don't play one on TV. My opinion on anything you read here is entirely unqualified. (Read: BS)

To start with, we had about 81 shooters for this event. The information was gathered during the firearm safety check-in process. Because we did not want to compromise the safety checks, the information gathering was done rather hurriedly by scribbling on a notepad. We missed some people when it got busy. We **DID NOT** try to connect a particular firearm to any individual person.

We don't care and **it is none of our business.** For those of you with concerns, no black helicopters or hidden microphones were in use.

Optics:

To start the tally, 60 of 81 shooters used a red or green dot optic. Approximately 74% of shooters have switched to optics over Iron Sights. This trend was observed over every make and model of firearm from Micro 9s to full size service pistols. Informal Q&A leads me to believe that most people prefer Red over Green dots by about 4 to 1 (your mileage may vary). No attempt was made to record the make/model of the optics.

Caliber:

9MM dominated the field with 71 pistols chambered for this caliber. Four shooters chose 45 caliber, 2 shot 38 caliber, and 3 people shot 22 caliber.

Make and Model:

Glock: The most popular pistol by far was the Glock. Glock 17s led the field in popularity with 8 guns, Glock 19s with 4 guns, Glock 34s with 7 guns. Three other less popular models were also shot but I biffed the model numbers. Almost, but not all Glocks, had aftermarket slides cut for optics. Many featured custom mag wells, magazine releases and colored triggers.

Springfield Armory: The next most popular make of firearm was Springfield Armory with 9 handguns. These were spread out between the XD models, Pro models, Echelon and Hellcat Pro. The SA pistols exhibited less aftermarket custom work than the Glocks.

Sig Sauer: Sig was represented by 7 pistols including the Sig 320 (2), Sig X5 Legion (2), Sig 226 (2) and Sig 365 (1). Relatively few mods (excluding optics) were noted for these pistols.

CZ: CZ was represented by the CZ Shadow (or variants), with 4 total. Aftermarket bling was noted. (Things were getting busy and my notes suck.)

Canik Firearms: Canik included a TTI Combat (3), as well as one other model I did not record. Pretty nice looking handguns.

Smith & Wesson: Smith & Wesson showed up with M&P and the M&P 2.0.

Beretta: Beretta made a showing with 3 different variations of the 92F platform, two of which were cut for optics.

Staccato: Staccato made an appearance with an HD 3.5. $$$$ smelled like Money.

Girsan: Girsan MC 3.5 was identified, but I may have biffed the model number.

Walther PPQ: Walther PPQ in 9mm was also part of the mix. (And I want one)

Brands I am not familiar with including a Jacob Grey, an Atlas, a WT DEMO Ranch (2011), a Statin**,** a Fusion, and a Dark Forge Reaper (2011).

Solid standbys included several variants of the tried and true 1911 as well as several variants of the 2011 as noted above but in 9mm.

Wheel guns were represented by Dan Wesson and Ruger GP100 both in 38 caliber.

Finally, we had 3 people shooting 22s. One Colt Woodsman and two Browning Buck Marks.

If anybody cares, I may try to record the make and model of the optics at the next handgun match for a future newsletter article.

SMALLBORE RIFLE SILHOUETTE

by Jim McKim

Had a great Smallbore Rifle Silhouette Match in November. Beautiful weather (after getting rained out in the prior month). We had 9 scores with 6 people because three of us shot two different categories. **Tom Urbach** would have shot twice, like he normally does, but he had just moved his CZ 457 to a new chassis and didn't have things dialed in yet for the little 1/5-scale targets.

Rob Davis borrowed my new CZ 452 Ultra Lux and shot *significantly* better with it than I did. I was hitting everything, including turkeys, during warm-up but tanked during the match, missing ALL TEN turkeys and getting only two rams. And that was with Rob trying to find the 125 meter sight setting I told him to use for rams. Surprise- it doesn't have one! So, he started with the 100 meter setting and kept working up until he hit one, and he still got half of them. It took zero arm twisting to get him to shoot my rifle, as he has been looking for one of those models.

With only a little arm twisting, I got **Alex Luz-Olson** to shoot my "new" (70 year old) Marlin 39A. With less than ten practice shots, maybe only five, he came away with a 26/40 including all ten pigs! He said he loved the sight picture on the pigs. Everything was "just right".

Fortunately, my ego is such that I don't care if people shoot better with my own rifles than I do. I'm just happy that they're shooting my event, having fun and bringing in a little more revenue to bolster my budget.

CZ RIMFIRE CHALLENGE

by Jonathan Seal

October 23rd was the inaugural match of the CZ Rimfire Challenge, a seven match combination of ARA Benchrest, and Rimfire Steel Challenge, both regular EF&GA monthly matches. Some serious rain caused a lighter turnout than first expected, but some excellent shooting occured nonetheless. Wind and 150 yards with a .22 rimfire made for some interesting results. EF&GA's man about the garage and workshop**, Dean Dorman**, took first with a borrowed rifle. CZ ballcaps to all participants! The second match of the CZ Rimfire Challenge was ARA Benchrest on Saturday, 11/14.

Additional matches in the CZ Rimfire Challenge are Nov 27, Dec 12, Jan 9, Jan 22 and the final double points match on Jan 30.
