Darrin's Dissertation

I started writing this shortly after the Work Party on February 24th, 2024. I was inspired by how many people showed up and cheerfully pitched in to make our ranges and the rest of the property beautiful. There were 190 people there getting it all done.

Besides the usual large tasks like cleaning the broken clay targets from the Trap Ranges and weed-whacking the berms that separate the ranges, we got a ton of the minor tasks done that just needed to get done. Things like cleaning the Junior Rifle barbecue grill and organizing the storage pens in the big shed make a huge improvement to the environment.

The concrete from the old 100 Yard Range slab was removed by Hogue Blacktop. **Kenny Hogue** donated the service, and it was greatly appreciated. He also donated the road-base around the new 100 Yard Range concrete a few months ago. His contributions have made a huge impact on the Association.

As usual, we had a fantastic lunch. I don't know why, but for some reason, hamburgers and hot dogs are delicious after a morning of hard work. I really enjoy getting to know more of the members who pitch in and have skin-in-the-game. Usually, we poke fun at each other and tell stories about what the Range was like back-in-the-day. After lunch we had the no-cost raffle, and it was fun as usual.

After the midday festivities, the few of us left went around to tie up any loose ends. We figured out that we had a lot more green waste than we had room in the big dumpster. We made a pile between the Campground and the 150 Yard Range and cleaned up the remaining piles of grass clippings, brush, and tree trimmings that were still scattered around the Ranges. At the end of it all, we were all tired but happy that we got it all done.

On Monday morning, we needed to get the remaining pile removed before the rats and snakes moved in. After getting a tip from **Jim** and **Colin McKim**, we had a green waste dumpster delivered that afternoon from a vendor that was less than half the price of the normal dumpster service. On Tuesday morning, **Tim Hoy** and **Nathan "Hot-Dog" Elliott** got together and put the entire pile into the green waste dumpster. Then a day or so later, **Gary Fukuda** and **Rick Baugh** got together and found more piles of green waste and topped off the 40 yard dumpster to capacity. On Saturday, the vendor came and removed the dumpster and our vegetation waste problem was eliminated.

The aftermath of the whole ordeal was a beautiful and safe Range. The efforts put in by the membership made it all happen. I consider it an honor to be counted among the members who participated.

The next Work Party is May 18th and it is the last one before Membership Renewals. It's a great opportunity to meet other EF&GA members and get a true sense of accomplishment from a job well done.

BULLET POINTS

February Work Party

The February Work Party was a whopping success. 190 volunteers banded together to complete an ambitious list of projects followed by our traditional Work Party lunch and raffle.

We came. We saw. We conquered....and then we had some fun.

Thank you to all who participated, with a special “shout out” to the last feet on the property.

At the end of the day, when most of the volunteers had gone, there were still piles of yard debris all over the property and the dumpster was full. **Tim Hoy** and **Jim McKim** fired the tractors back up and with the “Last Men Standing”, **Don Brunt**, **Michael Douglas**, **Darrin Eaton** and **Colin McKim**, proceeded to consolidate all the piles into one mountain in the back parking lot. When my energy finally crashed, I went back to the clubhouse and found **Lucy Nelson** there, still cleaning up the kitchen. For some members, their dedication to our Association has no limits.

BUT....It Doesn't Stop There!!

Darrin had another dumpster delivered Monday morning. Between **Tim Hoy** and **Nathan Elliott** on Monday and **Gary Fukuda** and **Rick Baugh** on Tuesday, they managed to “move the mountain” into the dumpster. Make sure you let these folks know how much you appreciate them.

March General Membership Meeting

We can't let those Work Party folks have all the fun.

The March General Membership Meeting was held on Thursday, 3/14. For anyone who ever took Geometry, 3.14 is PI π , a mathematical constant. ($C=2r\pi$) In 2019, the UNESCO General Conference designated 3/14 as PI Day- the International Day of Mathematics.

In celebration of PI Day **Annette Champion** and **Linda Linaker** baked pies for our treat. Thanks to **Terese Thomas** for a donation to help defray some of the costs. Great PI Day!!

Oh YES....Business was also conducted before all the fun. **By unanimous vote of all in attendance, it was decided to begin the General Membership Meetings at 6:30 pm going forward.**

After the briefing from all the Shoot Chairs, Chief RSO and other business, it was time for some Prizes....Lots of Prizes. **Ray Bucholz** and **Pamela Tucker** had 3 winners in the Mom's Creek and Black Diamond Raffle. **Gary Fieser** won an 1858 Remington 44 Black Powder Revolver. **Laurel Baldwin** and **Bud Smith** each won a Coin and Stamp Collection.

John Linaker won the \$25 Door Prize and donated it to the Junior Marksmanship Program. Three names were drawn for the Attendance Prize which was then at \$300. **Nicholas Backouris**, **Franklin Lollo** and **Robert Wade** were not present to claim their prize so it will now be \$400 at the April Meeting.

Bud Smith hosted another rousing raffle. Donations from **Jim Rolfes**, **Bob Leider**, **Mark Baldwin**, **Moose Cleary**, **Dave Gould**, **Michael Douglas**, **Michael McKinney**, **Jack Starlin**, **Brad Hall**, **Bud Smith** and **Geoff Orchin** supplemented the prizes that Bud and **Mark Baldwin** had purchased for the event.

The next General Membership Meeting will be Thursday, April 11 at **6:30 pm**. We will be holding nominations for the next Board of Directors and Officers.

Phenomenal Will Power - Speaking of Pies

True Confession from RSO **Elvio Marchi**: “While I was RSO and placed my lunch in the fridge the thing that jumped out at me was 7 or 8 HOMEMADE pies in there! The temptation was terrible....who would have missed one?”

Women on Target

Linda Linaker hosted another successful Women on Target event on Wednesday March 20. Thanks to all our member volunteers who helped with coordinating and coaching the event. Without your selfless involvement the program would not be possible.

Nominating Committee – Board of Directors

The 2024 Board of Directors Nominating Committee has been assigned. If you are interested in running for the Board of Directors or drafting a fellow member, contact **Linda Linaker** at momma92082@gmail.com. Nominations will be held at the April and May General Membership Meetings with the elections at the May meeting. Bring your membership badge to vote.

What is the Fun Wagon?

EF&GA is exploring the feasibility of having steel targets on the pistol range for casual shooting. With safety being the primary concern, the concept of using a shielded enclosure to contain fragments was presented at the Dec 7, 2023 Board meeting. The concept received Board approval for initial testing and evaluation. During the initial test phase, the setup will not be available for general membership use, as the configuration will likely be undergoing some adjustments. Assuming safety requirements are met, the system would enter a public evaluation phase and would be open to members who have completed some tailored safety training.

Theoretically, the system will be installed for initial (closed) evaluation the second quarter of 2024, followed by general membership use into the third quarter provided the safety gates are cleared. The initial test system has been fabricated with donated resources at no cost to the Association. If you would like further information or would like to contribute resources to the effort, please contact **Dave Robertson** at DavidWRobertson51@Gmail.com

BBQ Update

Patrick Russ, Annette Champion and I are working to make sure we have a great event this year. May 19, 2024 is the date. Tickets are \$40.00 each, \$ 10.00 for kids under 12. You can order using the coupon on page 5 or see **Mark Baldwin** or me. Get those tickets so you don't miss the fun. Great food, great prizes, great fun! And...Don't forget to bring those diapers and toys for our Camp Pendleton drive. **Linda Linaker**

BBQ Volunteers

For those members volunteering to work at the BBQ, we will be holding a meeting on 4/28/2024 at 10:00 am to go over the responsibilities for each area. Thank you all. **Linda Linaker**

Disruptions to Classes in the Meeting Hall

Please don't disrupt the classes being held in the Meeting Hall. The Trainers have reserved the space for their class and deserve your courtesy. If you need something from the meeting hall, quietly get it and leave. If the trainer has refreshments or supplies available for his class, please respect that they are not freebies for the general membership.

NRA Grant

Each year **Ren Everett** applies for a grant from the NRA to assist with our Junior Marksmanship Program. We have received confirmation that they will be awarding Escondido Fish and Game with a grant for the following:
1 shotgun for Trap
3 cases (5000 count) of 22LR
3 cases (250 count) 20 gauge shotgun shells
1 case (250 count) 12 gauge shotgun shells
Misc items for Junior MuzzleLoading

Membership Renewals are Just Around the Corner

The renewal paperwork will be mailed out at the end of April. If you have any address changes, please contact the Association Clerk at efgaclerk@cox.net or 760-432-2089 with your change.

REMINDER TO NEW MEMBERS: When you send in your renewal paperwork, you will be required to turn in your yellow card with proof of having completed your volunteer hours. If you have not completed your volunteer hours by June 30th, your membership will not be renewed.

Complete your Volunteer Hours by June 30

Our Grounds and Maintenance Director, **Dean Dorman**, would like your help. Dean has many projects including mowing, weed whacking, repairing target backers, etc. For members who need volunteer hours Dean usually works weekdays 6:00 am – 10:00 am. **Contact Dean @ 858-231-8436** if you would like to help him with some projects.

Volunteer List with Landscape Committee??

A new Volunteer opportunity is being developed. The new Landscape Committee will have several projects coming up. If you are interested in being on the volunteer list for the Landscape Committee, contact Woody Morrison at woodym@emorrison.net. As the Committee has projects that require "Helping Hands", they will notify this list for volunteers.

Trap Can Use Volunteers, Too:

Trap could use your help with set up, take down and scoring on Wednesdays and Saturdays. The team will show you what to do.

RANGEMASTER SOUND-OFF

by Gary Fukuda

Hello Everyone,

The **First Aid Kits** on the Pistol Range, Trap Ramada front door, 100 yard range and 150 yard range were removed and thoroughly cleaned. They were then restocked with new supplies. The combination locks have been removed. If you need to use them please make sure the door is latched and secured when you're finished.

If there are **Law Enforcement or Security** vehicles parked at the 150 yard range they are there for training. They have been approved by the Board of Directors for training including "Rapid Fire". Please do not approach or contact them to see how they are training. No spectators are allowed.

Members pay attention to your guests. You are responsible for their behavior on the property.

Blue Blinking Lights on or off applies to all ranges. If the Blue Blinking Lights are on, do not unload firearms or gear. Sign the Green Sheet and wait for the range to go hot. Then you can unload your firearms and gear.

The Green Sheets. If you sign any of the Green Sheets and the Date and Range fields are not filled in, fill in the Date and Range. There are STILL Green Sheets being turned in with no Date and Range information filled in.

All shooters **remove your targets** from the target backers and return the target frames back to the designated area.

Watch for Turkeys and Deer on the range.

Make sure that what you bring with you to the range, you also take back home with you.

Bird Shot on the Trap Range Only

This is a correction to the print version of the March newsletter. The electronic version was corrected prior to posting. Slugs can be shot on the rifle ranges, but not bird shot. If you would like to shoot bird shot, that must be done on the Trap Range. If you would like to pattern your shotgun, we have a patterning stand between the pistol range and the trap pads. There are even instructions there if you're not sure how to use it. No shot larger than #4 is permitted. While most of the Range Rules are there to protect you, a few are there to protect the equipment.

Cold Range:

- Blue Blinking Lights **ON**
- DO NOT Handle Firearms & Equipment
- Handle Targets
- Sweep Up Brass Behind the Yellow and In Front of the Red Line

OK TO GO DOWN RANGE

Hot Range:

- Blue Blinking Lights **OFF**
- Handle Firearms & Equipment
- OK to Load/Unload Vehicle
- Sweep up brass behind Red Line Only

DO NOT GO DOWN RANGE

If you have any **comments, concerns or questions** please feel free to contact me at garymfukuda@cox.net or 760 420-7488.

Be safe and try to participate when you can.

Thanks,

Gary Fukuda

TRAP CORNER

by Chris Cote

Well, we have had an interesting month. More rain caused lots of cancellations. A clean up took away a nice sunny day. Daylight savings time produced its share of challenges. I hope the sun stays out for a while to dry us up.

Reminder to the Tuesday Morning Shooters: Sunrise is close to 7 am now so be sure to adjust your arrival time to assist in setup of the range.

Range Reminders: Please pay attention to the cold range lights. When the range is cold you should not be handling your shotgun. That includes walking to and leaving the trap pad. If you are in a hurry, we welcome any and all help it takes to get the range hot.

Trap 101 for the Ladies: On Wednesday nights, our Super Star Trap Shooter, **Annette Champion** is hosting Trap 101 – a down and dirty introduction to Trap for the ladies. It is limited to 5 participants per night with members having the first priority. You will need eye and ear protection, 20-gauge ammo and cash for trap rounds. We will provide shotguns and trap pouches for the evening. Call Annette at 760-803-7428 if you are ready to learn Trap.

Members Who Need Volunteer Hours: Are you looking for an opportunity to complete your volunteer hours before the deadline? Trap could use your help with set up, take down and scoring on Wednesdays and Saturdays. The team will show you what to do.

Well, the Junior Marksmanship program celebrated St. Patrick's Day by having one of the biggest events that they have had in a long time. We started the day with 100 shooters signed up and 17 on the waiting list. We end up having 89 shooters. This is by far our largest day since before COVID. I think that we are going to see a lot more of this as the year goes on.

Due to the fact that we had many more shooters than expected, we had a very hard time getting enough coaches. But in normal Junior Marksmanship program fashion, we found a way to make it happen. I would like to thank the many people that stepped up to coach. **Johnny Sheldon** just happened to be at the range but he stepped in to help us out. **Jake Detweiler** stepped up and also became our newest Junior Coach. **Sheridan Abrajano**, who has been MIA for about a year, showed up to shoot on 1st relay. She shot an unbelievable 379. Sheridan saw that we were in serious need of coaches and decided to stay the rest of the day to help us out. **Lennox Roulett** just showed up on the scene a few months ago and has already made a huge impact on the program. This young man shows up to help wherever he is needed, that's it. He just wants to help. He is an outstanding coach and I know that we will be seeing and hearing a lot about him in the future. There were also a ton of adults that stepped up to make sure that we had enough coaches. Special Thanks to our own **Kestrin Walsh** for stepping up and doing the morning class for the new shooters. The class was a huge success and yet another example of Kestrin's ability as a leader. I'm not kidding when I say that we couldn't have done it without these people and many more like them.

Ren stated: "This last shoot was a perfect example of why it is so important to have an outstanding group of people working with you. I had COVID and was unable to be there, I want to thank all the people who helped me with the shoot. I wouldn't be able to do it without you."

The Junior Marksmanship Program would like to congratulate our newest Distinguished Shooter, **Olivia Collins**. Olivia earned the very rare ranking by shooting an unbelievable score of 385. I'm not sure but I believe that Olivia is our youngest shooter to obtain this ranking.

BLACK POWDER NEWS

by Garth Warner

Congratulations to Jerry Straus:

For winning the Mike Fink Whiskey Bottle Shoot on March 3rd. Jerry was the closest to the center of the bottle at 25yds.

Muzzle Loading Bullseye:

Sunday, April 7th will be a Bullseye Pistol Long Course on the 150 Yard Range. This event is for single shot pistols firing patched round ball. There will be one target at 25 yards to be shot

one-handed (duelist). There will be one target at 50 yards to be shot two-handed. Both targets get 13 rounds. Best 10 on each count for score. Safety Briefing at 07:45. Contest begins at 08:00 sharp. You MUST be present at the safety briefing to shoot this event. Contact **Tom Arendell** for more information. tarendell@sbcglobal.net

Traditional Archery: Sunday, April 7th (following the pistol contest at 10:00 ish) This will be a FITA* Round. This event will be on the archery range. Contact **David Premetz** for more information. slixgunr@yahoo.com

SPAR Spring Camp: Saturday, April 13th in the campground. Events include Archery, Hawk & Knife throwing, and Primitive Rifle (when the range becomes available). SPAR members are reminded that this will be a period correct costume event. Start time will be 09:00. Contact **Tom Arendell** for more info.

Muzzle Loading Silhouette: Sunday, April 28th on the 150 yard range. This is a Long Range Rifle shoot with targets at 100, 125, and 150 yards. This is a true test of a mountain man's accuracy and stamina. Pistol will start at 08:30 with targets at 25, 50 and 75 yards. (Because this is a LONG RANGE event we are going to shoot the old spacing on the pistol targets. Please remember to bring your shooting tables for set-up in the field on the 75 yard line.) Rifle starts at 10:00.

A REMINDER! If you are shooting OPEN, PRIMITIVE, OR CARTRIDGE class, you can use X-Sticks to shoot at 100 yards +. (That means 125 and 150.)

Immediately following the Silhouette event we will have the second round of the X-Sticks series. For this event it will be banks (3 targets per bank) of silhouettes set up at long range distance - with 1 shot on each target in the bank of 3. So, 3 shots at 100 on pigs, 3 shots at 125 on turkeys, and 3 shots at 150 on rams - for a total of only 9 shots.

NOTE from Garth: I may NOT be in attendance for this event. I have a Grandson due at the end of April in **IDAHO**. In my absence **Tom Arendell** will run the event.

COWBOY ACTION SHOOTING

by Darrell Brinkmeier
AKA Double Diamond

Howdy Pardners!

While the Bandidos match was cancelled in March due to rain and gloom, there was plenty of sunshine in Arizona! The SASS (Single Action Shooting Society) World Championship, known as "End of Trail," was held in Phoenix during the last week of February. Over 600 shooters from around the world met to determine who were the best shooting Cowboys and Cowgirls.

We were fortunate that one of our favorite cowboys stepped up to represent the Escondido Bandidos. **Brad Hall** (aka **Buckaroo Garrett**) shot well for 3 days of the competition to emerge as the First Place World Champion! Please join us in congratulating **Buckaroo Garrett!**

The Escondido Bandidos shoot the 1st Saturday of each month, with the next match on 4/6/24. Hope to see you there sometime!

Relive the simpler days of Old California with us...

Rancho Guejito Vineyard grows its grapes in the fine soils and climates of the last remaining intact Mexican land grant in California. Our 23,000 acre ranch was established in 1845. Nearly 175 years later, we have kept the tradition of cattle ranching, agriculture, and wine making alive.

Visit us every weekend for hayride tours, live music, and wine tasting.
