Darrin's Dissertation

Happy Holidays

So, when I sat down at my computer to write this, I checked my email and found that more pistols have just been added to the California Handgun Roster (<https://www.oag.ca.gov/firearms/certified-handguns/recently-added>). In fact, at the time of this writing, they have added 9 new models in the past 30 days. Perhaps it's a Christmas miracle. Now, if any of my local firearms retailers have any of these models in stock, it will be a merry Christmas indeed.

During this holiday season, I also get lots of questions from people who are new to shooting sports about what to buy and where to find it. I always advise these people to start with some good, solid, organized training. I recommend taking classes to get comprehensive information. I also advise people to try out numerous makes and models to find out what fits their hands, needs, and checkbooks. When they combine good training with a variety of firearms to try out, they are more likely to have a good, safe experience without wasting time and money on something that is not a good fit.

It's that time of year again. We all need to do lots of shopping for last minute gifts and overpriced travel arrangements. We need to clean out the guest room and get the decorations down from the attic above the garage. It all seems like so much effort to gather with friends and family but at the end of it all, we don't regret any of it. If you are lucky enough to spend time with your loved ones, I encourage you to cherish these moments and make sure that your loved ones appreciate it as well. Life is short. Live it well.

Merry Christmas, Happy Hanukkah, Have a Fabulous Festivus! Whatever you celebrate, I hope that you celebrate it well and safely. If you partake in any liquid cheer, remember that a limousine ride is a fraction of the cost of a lawyer. A taxi or a rideshare is dirt cheap in the grand scheme of things.

BULLET POINTS

November General Membership Meeting

The November General Membership Meeting was held November 9. **Ray Bucholz** won the \$25 Door Prize. Five members missed the chance to win the \$500 Attendance Prize. **Michael Shaw, Bill Abii, Daniel Bucci, Joshua Malo** or **Everett Siehe** only needed to be present to cash in on the prize. The prize will remain at \$500 for the December Christmas Meeting.

The raffle table was full, full, full. The prizes purchased by **Bud Smith** and **Mark Baldwin** were supplemented by donations from **Elvio Marchi, Dave Chmielewski, Michael McKinney, Linda Linaker, Jim Rolfes, Leonard Hodges, Geoff Orchin, Therese Thomas, Bob Leider, Wayne Brunner, Hank Beck, Bud Smith, Rich Oberle, Mark Baldwin, Tracie Sheldon** and **Moose Cleary**.

AND....They turned the tables on **Ray Bucholtz**. After months upon months of Ray recognizing numerous members for their various contributions to the Association, **Michael Maury** and his guest and aspiring member, **Sean Heath**, honored Ray with "The Buffalo Head". Mike and Sean won the Buffalo Head in the raffle. After noticing the affection that Ray has for our National Mammal, they gave the Buffalo Head to Ray. This gracious act exemplifies the spirit of this Association.

Sean Heath

The Mom's Creek and Black Diamond Raffle featured an 1858 Remington .44 revolver with 3 cylinders and seven other bonus prizes. **Tracie Sheldon** walked away with the revolver. **Larry Bailey, Michael Douglas, Jeanine Cleary, Rich Oberle, Mark Baldwin, Pamela Tucker** and **Bud Smith** all won the bonus coin prizes.

Don't forget that the "BIG" Mom's Creek and Black Diamond Christmas giveaway of "7 Magnificent Guns" will be held at the December Membership Meeting and Christmas Party on December 14. The Christmas Meeting will also host a giant raffle, gift certificate drawings, home baked cookies, cookies and more cookies and a lot of fun and friendship. See you there.

Life Member Nominations

Each year up to two members are honored with a Life Membership to EF&GA. If you would like to nominate a member for Life Membership, please submit your nomination in writing by March 31, 2024 to:

Geoff Orchin at Gorchin@escondidofishandgame.com

Mark Baldwin at Mbaldwin@escondidofishandgame.com

Merry Christmas!!! And Happy Joy Drive!!!

We have done very well on diapers for the Randsberger Holiday Joy Drive. I'm still collecting toys, gift cards and money for the families at Camp Pendleton. We would like to collect wrapping paper to send along with the gifts. Any donation...partial rolls, full rolls, ribbons, bows, anything would be appreciated.

You can bring your donations to the range until December 14, 2023. I hope to have another 4 or 5 vehicles full of goodies to take out to the base to share. The people receiving the largesse show enjoyment, only surpassed by that of the folks delivering to Camp Pendleton. Help us help them and share generously. Thank you.

Linda Linaker

NOTE: At the October Membership Meeting we collected \$245. **Jack Starlin** matched that. At the November Membership Meeting we collected \$190 and **Linda** matched that. The **Cowboy Action Shooting** group of "Ruffians" collected \$645 at their November Shoot. These folks are always extremely generous.

Successful Work Party

On October 28, EF&GA held its Fall Work Party. We had an amazing turnout of 166 volunteers. A lot of projects were completed and we left the range looking beautiful. The next Work Party will be held on February 24, 2024. There will be one more Work Party on May 18, before the renewal deadline on June 30.

Scouts from Boy Scouts of America Troop 651 came out to assist in the clean up. **Devon Rogers, Nathan Miller, Marcos Soto, Elliot Richards, Preston Brown, Jamison Brown, Loudon Brown, Bennett Brown** led by their Scoutmasters **Alex Brown, Joshua Rogers** and **Noel Richards** were ready and eager to do any project we gave them. The American Heritage Girls also joined us for the day.

Bullet Points continued from pg. 2

Members with 501(c)3 Experience

Looking for an accountant/lawyer with 501(c)3 experience. Please contact **Chris Cote** at chrisc1819efga@gmail.com.

Yum Yum Yum! Cookies! Christmas Cookie Party

It's time to share those special cookies and treats with your friends at the range. We have started a Holiday Cookie Party tradition at the December general meeting. Please bring two dozen treats to share at the meeting. We love our donuts but this makes a great change. See you all there. **Linda Linaker**

Need Volunteer Hours??

Our Grounds and Maintenance Director, **Dean Dorman**, would like your help. Dean always has projects that could benefit from some member volunteers. (mowing, weed whacking, repairing target backers, etc.) Dean typically works weekdays 6:00 am – 10:00 am. Contact Dean @ 858-231-8436 if you would like to help him with some projects.

BBQ Gun Raffles

You may recall that we have several special gun raffles and a silent gun auction at the BBQ each year. We will continue that tradition this year. The **Rifle Raffle** will be \$1.00 per ticket. The Grand Prize is \$700 toward the firearm of your choice. First Prize is \$500 toward the firearm of your choice and the Second Prize is \$300 toward the firearm of your choice. There will also be a special Golden Gun raffle for a Rock Island Armory 1911 .45. Tickets for the Rock Island are \$10.00 and the winner must be present to win.

Look ahead - Annual BBQ May 19, 2024

Plans are underway for the 2024 Annual BBQ. Actually they started the day after the 2023 BBQ with "After Action" evaluations. There will be a financial advantage for buying your tickets early. Tickets purchased in December and January will be \$30. In February and March, they will increase to \$35. If you wait until April and May you will be paying \$40 per ticket. You can purchase your tickets by mail using the form below. Tickets can also be purchased at North County Shooting Center in San Marcos.

Adult Supervision for Shooters Under 18

Shooters under the age of 18 (regardless of membership status) must be supervised by an adult. This means that the adult is focused on the shooter and not also shooting in the next lane. The adult must be ready to instantly intervene if there is a problem.

Packing and Unpacking Firearms on ALL ranges.

We still have some lack of clarity on the proper protocol for packing and unpacking your firearms. Firearms should be brought to the Firing Line locked and cased. Uncase your firearms at the Firing Line only. Unlocked and uncased firearms should not be handled behind the shooting lines.

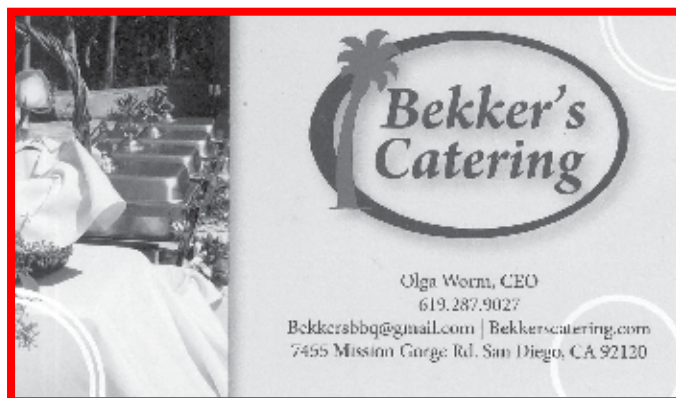

Wait for the Gate to Close

When entering and leaving the range, please wait for the gate to close before proceeding on your way. We don't want non-members wandering onto the property behind you.

Blue Recycle Bins – Cans & Bottles Only

The Blue Recycle Bins are for cans and bottles only. Our treasurer, Lucy, recycles the cans and bottles. She has found everything from targets and ammo boxes to food and even dirty diapers in the Blue Recycle Bins. Your targets must be taken home with you along with shotgun hulls per HAZMAT requirements. As for food and dirty diapers...

Bow Hunter Education Class

12/9/2023 & 3/9/2024 (7:00 am – 4 pm)

Class Description:

The Bow Hunter Education Course is a nationally approved curriculum designed to teach bow hunters the knowledge, skills and ethics to becoming safe and responsible archery hunters. The covered topics include basic bow and arrow nomenclature, safe bow and arrow carrying practices, distance-judging techniques, wildlife conservation, wildlife identification, hunting ethics, hunt preparations, hunting techniques, tracking skills, shot placement, basic survival skills, basic navigation skills, basic first aid, game recovery, field dressing, game care and much more. Most states in America require a Bow Hunter Education certificate in order to obtain an archery hunting license. The Bow Hunter Education Certificate does not replace the regular Hunter Education Certificate. Both are required in states that require them. The certificate issued is valid in all states requiring it, and is good for life. The Bow Hunter Course includes 3-D archery field shooting at various targets and distances, including using a ground blind and tree stand. Bring a bow, arrows and quiver. Traditional and compound bows are acceptable. Use field tips on the arrows, no broadheads for the course targets.

NRA Metallic Cartridge Reloading Class 1/6/2024 & 3/2/2024 (8 am – 12 noon)

Need or want ammo but can't find any? MAKE YOUR OWN!

Class Description:

This class will supply you with the knowledge of how to properly and safely reload your used casings into economical, effective and accurate ammunition. As you hone your new found reloading knowledge you will also improve your shooting skills.

The class is structured in two separate sessions:

1st session – This class is strictly academic and is held in the EF&GA Meeting Hall on the above dates from 8am until noon.

2nd session – This is “Hands-On” training scheduled with a mutually agreed upon time and date where you will reload your own cartridges on the reloading bench that day. The cost of the class is \$125 for EF&GA members and \$135 for non-members. If you need supplies (e.g., cases, primers, projectiles and powder) they are available for a \$15 surcharge.

Prior registration is necessary and a \$20 deposit is required to secure a place in this limited class.

RANGEMASTER SOUND-OFF

by Gary Fukuda

Hello Everyone,

As you read the Rangemaster Sound-off each month, you may notice some redundancy. That's because the same infractions continue to occur. If you want to stop reading about them, we suggest you stop doing them. First and foremost, we are ALL RSOs and responsible for keeping a safe range for each other.

We're still being contacted about members and their guests casing and uncasing firearms from the rear seating benches (Pistol, 100 yard range and 150 yard range) and middle tables (Pistol range). Walking around behind the yellow line with an open firearm is a safety hazard. Do not use the rear seating benches or middle tables. Use the firing line shooting benches only. This applies to the Pistol, 100 yard and 150 yard ranges.

Members are allowed to bring two guests to the range. They are your responsibility so pay attention to them. Make sure they understand the safety rules and follow them.

Blue Blinking lights "ON" or "OFF" applies to all ranges. If the Blue Blinking lights are "ON" do not unload firearms or gear. Sign the Green Sheet and wait for range to go hot (lights OFF). Then you can unload your firearms and gear. The "Cold Range/Hot Range" box to the right in every newsletter is an easy reference guide to help clarify what's expected when the lights are "ON" and "OFF".

When you sign the Green Sheets, please make sure the date and range information is filled in at the top of the sheet. There are Green Sheets being turned in without date and range information.

All shooters are expected to remove their targets from the target backers and take them home. HAZMAT requirements do not allow us to dispose of the targets here at the range. Don't forget to return the target frames back to the designated area.

Watch for Turkeys, Deer and any other wildlife on the range. The range is a wildlife preserve. If wildlife is present, call a "CEASE FIRE" until the range is clear. Shooting at wildlife or shooting to scare it away is unacceptable and grounds for immediate dismissal and may result in loss of membership.

Make sure you pack up all your gear and take it home when you leave. While it's nice of you to donate your hard earned stuff to the range, we pretty much have everything we need already.

Cold Range:

- Blue Blinking Lights **ON**
- DO NOT Handle Firearms & Equipment
- Handle Targets
- Sweep Up Brass Behind the Yellow and In Front of the Red Line

OK TO GO DOWN RANGE

Hot Range:

- Blue Blinking Lights **OFF**
- Handle Firearms & Equipment
- OK to Load/Unload Vehicle
- Sweep up brass behind Red Line Only

DO NOT GO DOWN RANGE

If you have any comments, concerns or questions please feel free to contact me at 760-420-7488 or garymfukuda@cox.net

Be safe and try to participate when you can.

Thanks,
Gary Fukuda

Hulls, Dumpsters and Recycling Bins

We need to review a couple of items. Please everyone make sure new shooters are taking their hulls home. I have multiple instances where hulls have been found in the trash. Speaking of trash, the blue bins are for bottle and can recycling only. If you want to recycle your boxes, please put them in the cardboard dumpster, do not put them in the blue bin.

Shotgun Patterning Stand

We seem to be going through a lot of paper in the shotgun patterning stand. I think this is a good thing, but I need to know when it is all used up. So, if you use the last of the paper please send me a note so I can refill it for the next person who would like to pattern their gun.

Potential Weather Cancellations

As we move into the winter, we will be looking at potential weather cancellations. Please keep an eye on the website calendar. Do not expect an email from me. I will do my best to give as much notice as possible.

Ladies Night

On Wednesday night we are going to be starting a down and dirty trap 101 introduction. If you are interested in learning trap please RSVP to **Annette Champion** at 760-803-7428. We are going to limit the space to 5 participants per night and members will have first priority. What you will need: Eye and ear protection, 20-gauge ammo and cash for trap rounds. We will provide shotguns and trap pouches for the evening.

Members who need volunteer hours

Trap is looking for folks to help with set up, take down and scoring on Wednesdays and Saturdays. The trap team will show you what you need to know.

JUNIOR CORNER

by Patrick Russ

On November 19, 2023 we held our annual Veterans and First Responders Appreciation Ceremony before the Junior Rifle event. For the first time it was held at our new flag pole and monument. The event started out with Kestrin Walsh asking all of the veterans from the different branches and the first responders to come up to the monument. Next the girls from the American Heritage Girls spoke about why it is important to remember our veterans and first responders. They gave each one a small American flag as a thank you for their service. Finally, Kestrin lead us in the Pledge of Allegiance.

I would like to thank everyone who helped organize the event and make it possible. Representing the American Heritage Girls Troop CA4112 were **Ellie Amash, Olivia Amash, Anprina Arevalo, Evalynna Arevalo, Emma Detweiler, Mary Lambert** and **Evalyn Staggs**. Their leaders are **Brooke Amash, Rose Arevalo, Shannon Detweiler** and **Daniel Lambert**. I would also like to thank **Kestrin Walsh** for taking the lead on the event and making sure that everything went off without a hitch. Kestrin made sure that the make shift stage was set up and that everyone was briefed on how the event was supposed to go. Additionally, after the ceremony she went down to the 150 yard range and made sure that everything was ready to go for 1st relay, while I thanked everyone involved with the event and took care of a few loose ends.

By the time I got to the range Kestrin had finished the roll call and safety briefing. All that I had to do was make sure that everyone was in their place and that all the safety protocols were set. She is one of those people who make things happen and we are truly lucky to have her as part of our program.

The one down side to the event was that we barely had enough coaches to hold the event. Please, if you have ever thought about or have ever wanted to coach, please come out and give it a shot. I promise that you will love it. Thank you to all the parents that stepped up and coached on a moment's notice. Without you, many of the kids would not have been able to shoot.

American Heritage Girls Troop CA4112, as part of their oath to "Honor our Country and serve in our community" will be laying wreaths on the graves of our fallen veterans at Miramar National Cemetery on December 16, 2023. They honor the fallen every December. They lay the wreath, salute each veteran, "say their name" so that they are not forgotten, and say a prayer for their family. We are so grateful for the freedom that they have provided. If you would like to sponsor a wreath for the troop to lay, please click or type the following link into your browser [HTTPS://www.wreathsacrossAmerica.org/pages/159887/overview](https://www.wreathsacrossAmerica.org/pages/159887/overview)

The Junior Marksmanship Program would like to wish everyone a very SAFE and Merry Christmas and a very SAFE and Happy New Year.

BLACK POWDER NEWS

Muzzle Loading Silhouette for December:

Our next contest will be on December 24th, the day before Christmas. If you need to get away from your in-laws or out-laws for a little bit, this will be the contest for you. For this event, if you enter either pistol or rifle, you will receive a FREE raffle ticket. I will be giving away three complete Christmas dinners to include pre-cooked frozen turkey, instant mashed potatoes, cranberry sauce, and a homemade pie. The drawing will be held immediately following the breakdown at the end of the contest. Oh Yeah.....the contest will be a standard short course with cross-sticks. Targets will be at 50, 75, and 100 yards.

You can shoot off hand OR from cross-sticks at all ranges. (No perfect score medallions and no advancement to Master class will be issued for this event as it is a Non-Standard event). If you don't know what a cross-stick is then call me. Starting in 2024 we will be hosting regular cross-stick events so you might want to check this out in December in preparation for the upcoming season.

Ladder Test for Round Ball:

Last month we talked about experimenting with different ball and patch combinations to determine what works best in your rifle. Once you find a combo you like (smallest group size), here is the next step. You need to determine the velocity "Sweet Spot" for your barrel. To do this set a target out at least 75 yards. From the bench, shoot a group at a powder charge of 50 gns. Measure the group size, and patch the target. Shoot a group at 55 gns. Measure the group size, and patch the target. You should see your group size getting smaller, up to a point, and then starting to get bigger.

As you increase your powder charge the point of impact on the target will start to rise. Somewhere along this journey you will find the "Sweet Spot" where you discover at what powder charge your rifle is most accurate. When you recover your target back to the bench, you can turn it over and look at the back. You should see something like an hourglass shape of climbing groups from large to small to large again. Depending on your barrel twist this may be a "short wide" hourglass, or a "tall thin" hourglass. I have no way to prove it, but I believe that a slow twist barrel is more accurate over a greater span of powder charges than a fast twist barrel (i.e. Narrow hourglass over a Wider hourglass).

I shoot a Green Mountain Barrel with a twist rate of 1 in 70. My very best groups are shot at 70 gns of powder. Butt, Butt, BUTT...The rifle will hold minute of Ram accuracy at 85 gns out to 150 yards, and minute of Pig accuracy down to 50 gns at 25 yards. Specifically my rifle has acceptable accuracy from 50 to 85 gns of powder while still being "Best" at 70 gns. My experience with 1 in 48 twist barrels (TC) has been that they are best at 50 to 55 gns. The groups became unacceptably large above 70 gns of powder (i.e. a shorter wider hourglass on our test target). This might be attributed to spinning an unbalanced round ball at a higher rotational velocity, OR, it could be totally my prejudiced imagination. Your mileage may vary. In any event, you should do your own testing and evaluation, and make up your own mind.

Black Powder Silhouette Match 10/22/2023

Halloween Special Targets

For the 1st relay, targets #1, #2, and #3 were hand drawn paper targets in support of the Halloween narrative event, which went down as follows: The evil **Snide-Lee Whipleash** once again seized **Dud-Lee Doo-rite's** girlfriend **Polly Pureheart**. In doing so, he fractured the time continuum barrier releasing a band of **Mary Tyler Moore-Locks** into Canada. Dud-Lee, on finding out the situation, decided he was tired of continually rescuing Polly, and made the following mid-life decision. Dud-Lee decided to change his pronoun to "**Stallion**", and ran off to Eastern Manitoba with his horse **Nell**. Unfortunately, upon arrival they discovered that the Canadian Prime Minister, **Justin True Fool** had declared a national glue shortage. Dud-Lee's horse, Nell, was immediately seized and thrown into the rendering pots. Dud-Lee became inconsolable and threw himself into the rendering pot with his horse. (That's why to this day, Buffalo stamps from Eastern Manitoba have a special "tang" when you lick the adhesive on the back).

Meanwhile back to the chase. Snide-Lee was tracked down and eliminated for good by the rescue party.

After dispatching all but the last Moore-Lock, the rescue party cornered him holding Polly. The Rescuers had to make a tricky shot to shoot the Moore-Lock, without hitting Polly.

To the horror of all, upon dispatching the last enemy, it was found that Polly had been bitten. Polly was transformed into a Zombie, and had to be put down with a head shot. Rescue party member **Brad Speer** was able to put a round directly between her eyes..... thus ending the saga.

Traditional Archery - Mike Marks Bare Bow Classic

The **Mike Marks Bare Bow Classic** traditional archery event will be held on Sunday December 3rd starting at 9am. This competition, which is not a part of the AotL (Traditional) Archery League, will have 2 classes, the Open Class for recurve and long bow archers, and the Primitive Class for those shooting primitive bows. We will follow the standard rules pertaining to equipment for those classes and we will incorporate the format used to contest the Bare Bow National Championships.

All shooting will be done from a 20 yard distance on a 40 cm target. Following a 12 arrow round to determine seeding, a single elimination shoot-off between 2 archers will be used until we reach the final 4 competitors in each class. At that time the competition will be determined by a "King of the Hill" format. The winner of a round will continue to shoot against the next higher ranked opponent until a champion is decided. Each round will be 4 ends of 3 arrows each, shot in alternating order. We are planning to offer awards, and this event will be open to anyone interested in shooting. AotL membership is not required.

Relive the simpler days of Old California with us...

Rancho Guejito Vineyard grows its grapes in the fine soils and climates of the last remaining intact Mexican land grant in California. Our 23,000 acre ranch was established in 1845. Nearly 175 years later, we have kept the tradition of cattle ranching, agriculture, and wine making alive.

Visit us every weekend for hayride tours, live music, and wine tasting.
