## Linda's Lines

Happy President's Day! Happy Valentine's Day! Happy Groundhog Day!

Spring is just around the corner and we are really looking forward to it. We have gotten several things done around here and have several more scheduled. It's so great to have members that are invested in our association. Members that are ready, willing and able to do so many things to improve the property and the general operations of our facility.

We are starting to get some ideas for projects around the range. If you are interested in joining the construction projects committee please let the BOD know. We can't do everything, but want to keep improving the range, so let us know.

The different shoots are going well. I get awesome reports on their operations. It seems like the attendees are really enjoying themselves.

We are collecting books and DVD's to go out to camp Pendleton this month. Also, our diaper drive is starting. This year we are adding onesies to our pile. You can drop off your donations at the clubhouse. I will be coming up with some kind of drawing and will let you know how to take part.

Don't forget to come out to the work party this month. Busy hands make all of us better.

See you around the range!

Linda

# DARRIN'S DOSSIER

by volunteering their time and talents to make the events and/or the property and facilities better.

Last month I put a blurb in the newsletter requesting someone to do some drywall repair in the Big Shed. **Eric Thaenum** and **Bruce Darrow** stepped up to the plate and jumped in with both feet. In a few days the work was completed and it looks great.

I was amazed by the fact that they both decided that they wanted to contribute to the Association with their skills and personal time and just made it happen. This saved the Association time and money. Because they are members of the Association, we did not have to coordinate someone to escort an outside contractor onto the property and into the Big Shed.

If you know either **Eric Thaenum** or **Bruce Darrow**, please be sure to thank them for their service to the Association.

## Make Time to Attend a General Meeting

Bring a friend to the next General Meeting and one or both of you could win a few bucks. At the last General Meeting, Robert Reed won the \$25 door prize and generously donated it to the Junior Marksmanship Program. Had he attended the meeting, Richard Arguilez would have won the \$500 Attendance Prize. The next General Meeting is 2/13/2020. If you don't show up, you can't win.

## Donor List (1/9/2020)

Thanks to all who donated to the raffle table at the last General Meeting – Bill Rowland  
Bud Smith, Bill Williams, Lucy Nelson, Mark and Laurel Baldwin, Bob Leider, Rooster Daugherty, Joyce and Frank Alessio, Neil Pisk, Wayne Brunner, Eric Elsam, Pam Tucker, Ray Bucholz

## Be a Raffle Donor

Your donations help support our monthly General Meeting Raffle. Our entertainment Chairman is Bud Smith. If you have items you would like to donate to our monthly General meeting raffle, please contact Smoldering Bud at budsmith223@gmail.com. Please consider new or used items in working order. Thanks for your support.

## Left the Range

**Frank Holgate** passed away on January 3rd, 2020. He will surely be missed by his family and friends. He enjoyed Tuesday Trap and pistol events. He became a member in 2008. Please remember him and his family in your thoughts and prayers.

## Awesome Volunteers

Our Association has many customers that come to events, pay their money to participate and then go home after a great time at the events. We also have many members that participate in the events and also contribute

### Smallbore Silhouette match (1/12/2020)

By Jim McKim

Eleven shooters kicked off the year at the first Smallbore Rifle Silhouette match on Sunday, 1/12. There was frost on the target racks when we were setting up and it was still a bit chilly when the photo was taken just before we started the match but it turned into a gorgeous day for shooting offhand at small metal targets (referred to by some as "tiny"). It was a bit of a family affair, with one husband and wife pair, a father/daughter pair and a father/son pair. Congrats to Kestrin Walsh for hitting some targets on her very first time shooting silhouette. (Both offspring out-shot their dads.) Rifles at the match included several Ruger 10/22s, CZ452s and 455s and a few others. A good time was had by all, and a big THANK YOU from this shoot chair to these folks for all the help they provide setting up and tearing down the course each month.

Front row: **Larry Stainbrook, Bill Townsend, Kestrin Walsh, Robert Walsh, Cathy Tormey, Jon Kagimoto**

Back row: **Larry Mora, Tim Zaspal, Patrick Tormey, Colin McKim, Jim McKim (SC)**

### Poker Shoot

EF&GA has a new shoot event "THE POKER SHOOT" starting January 23, 2020. The Shoot Chairs are Rich Hall and Al Anzelone. The shoots are scheduled for the 4th Thursday of each month from Noon to 4:00 on the 100-Yard Range. This shoot is for 22LR rifles ONLY and is a two-person team event.

The targets are 2-sided and you shoot at the back side of the target. When the targets are retrieved, you get to see the cards that you have drawn for your Poker Hand.

Optics and iron sights ARE allowed. Any use of artificial support (including sleds) is strictly forbidden. All rules will be made available at the Shoot.

Member fee-\$2.00 and Non-Member fee-\$3.00.

Awards will be given for the best poker hand.

**COME JOIN US FOR A RIP ROARING GOOD TIME!**

### Work Party (2/16/2020)

We are having a party and YOU are invited. Bring a friend. Get a good workout. Have a great lunch. Everyone is welcome, young, old, large and small. There are many tasks that need to be done. Some jobs require a strong back and a weak mind and others do not. We will remove the broken clays from the Trap range as well as cleaning of the Pistol and Rifle ranges. The Landscape Committee is going to be doing lots of work in and around the Campground area. After lunch there is always a great no-cost raffle with great prizes for everyone. If you can't make it for the event, be sure to thank the people who make the time to make a difference.

by Patrick Russ

## RULES TO LIVE BY

1. **Treat** every firearm as if it were loaded
2. **Never** point your firearm at anything you don't intend to shoot
3. **Keep** your finger straight and off the trigger until you intend to fire
4. **Know** your target and the surroundings

consistently works hard for the program, doing whatever needs to be done. She leads by example and always strives to be the best at everything she does. Congratulations Daysha, We're very proud of you.

The Junior Coaches also presented plaques for the Coaching Coordinators Award for Excellence to Kestrin "Hurricane" Walsh, Michelle Fan, and Austin Cote for outstanding work for the Junior Marksmanship Program and going above and beyond our expectations. These young adults represent the best of the Junior Marksmanship Program. Special thank you to Austin Cote. Austin is the Squad Leader for the Junior Coaches. Over the past year, I have seen him develop into a strong leader that leads by example and puts the needs of his Junior Coaches above his own needs. I know that we will see great things from Austin in the future.

The Junior Coaches Program also awarded plaques for Recognition of Dedicated Service to the Junior Marksmanship Program. The awards went to Kim Everett, Ren Everett and Patrick Russ. Kim is the one that runs the sign-in table at the Junior Rifle events. Ask anyone, Kim is the biggest reason that the program runs as smoothly as it does. The kids, parents, and coaches all love her. She is a true asset to the program. As for Ren and Patrick, they technically run the program, but everyone knows that Kim is the boss.

The Junior Coaching Program is proud to welcome our newest coaches Lorena Gonzalez and Maria Gonzalez. These girls are great shooters and show great potential as coaches. We look forward to working with them.

## A Great Start to a Great Year

On January 19, 2020, the Junior Marksmanship program held the first Junior Rifle event of the year. The weather was perfect for a long day of shooting. We had over 60 shooters including many first-time shooters. The event was a huge success as everyone shot well. We also had 5 Distinguished Experts, a new record. They included Brayden Stansel - 397 with 37 X's, Maria Gonzalez - 396 with 37 X's, Daysha Halbert - 391 with 31 X's, A.J. Wagle - 389 with 29 X's, and Michelle Fan - 386 with 30 X's. Congratulations!!!

### **Empty Hands**

By Chris Cote

Friends, We all believe in the God given right to protect ourselves. Many of us practice with our firearms regularly. Are you really comfortable and confident in your empty handed skills?

I am looking to gather interest from folks who may be interested in learning and practicing empty handed skills. Please let me know if you are interested and what frequency you would be interested in. This training would be off the range at a school some place local so some cost would be involved. All ages and abilities welcome.

If you are interested, please shoot me an email

### **5th Saturday Fun Steel Match (2/29/2020)**

Our Range Calendar is always filled with many events especially on the weekends. I especially enjoy the Combat Match on the first Saturday, the AR-15 Steel Match on the third Saturday, and the Junior Trap event on the Second Saturday. It seems like the only day that is not packed with events is the fifth Saturday. Perhaps because there are usually only three or four occurrences of a fifth Saturday per year.

Gary Fukuda has decided to step up to the plate and run a Pistol event on those fifth Saturdays. This will be similar to the Combat Match in that there will be steel targets shot with pistols but Gary is planning to make it a bit more interesting. Instead of a "Virginia-Count" (no makeup shots) timed event, this will be a "Com-stock" style event with unlimited shots at each course of fire. Gary is also planning to have some different target scenarios will be challenging and fun.

The cost for the event is \$5 for EF&GA members and \$10.00 for guests. The mandatory safety briefing will be at 8:00 AM and if you miss the briefing, you don't get to shoot.

# TRAP CORNER

## TRAP STRAIGHTS

### InterClub Trap Shoot (2/8/2020)

Imperial Valley Rifle & Pistol Association will be hosting the next InterClub Trap event. These events are always a lot of fun and we get a chance to see the Trap shooters from around the Southern California in a fun and friendly competition. There are categories for top Man, Woman, and Junior shooters. For carpool and/or caravan schedule information, please contact me at [deaton@escondidofishandgame.com](mailto:deaton@escondidofishandgame.com)

### A Good Day or a Great Day

When someone else get their first 25 straight we all get together, put 4 birds in his/her hat and then wrap it with duct tape (or whatever is handy). Next, we all line up with our shotguns, the honoree throws the hat over us, and we all blast the heck out of it. The shooter then gets to wear the shot-up hat and there is no better fashion statement.

When I first started shooting Trap, I considered it a great day if I shot more than 15 out of 25 birds. Over time and with lots of coaching and help from other Trap shooters, the bar was raised to the level that if I shot less than 20 out of 25, I was having a good day (because I got to shoot) but not a great day. Eventually, I got my first 24-Dammit patch. That was a heck of a milestone but it took a lot more practice before I finally shot all 25. That day we shot my hat after I finished my happy-dance and other embarrassing celebrations. Today that hat sits in a glass case in my office at home. I have shot a few more 25 straights since then and a few 50 straights as well but the joy of shooting your hat is hard to beat.

## How to place a classified ad in the newsletter

Please help to keep the classified section easy to read and well organized. There is no cost as long as you are an EF&GA member in good standing. Classified ads run for ONE newsletter (one month). If you want to repeat an ad for another month (with price adjustments, etc...) simply re-submit the ad request via e-mail.

Please submit requests for classified ads via email to [newsletter@escondidofishandgame.com](mailto:newsletter@escondidofishandgame.com) and be sure to double-check for spelling and grammar errors.

**Members Only** are allowed to submit Classified advertisements. Your Membership Number must be included with any advertisement request so that we can properly vet the submission before it is published. The Membership Number will NOT appear in the advertisement. Your Membership Number is on your membership badge on the same side as your photo.

**No Illegal Transactions** may be advertised in this newsletter. It is now illegal to sell ammunition in California without either going through an FFL or a licensed ammunition reseller. EF&GA cannot facilitate any illegal commerce of a state regulated commodity. This is also why firearm sales should include a phrase similar to Buyer pays DROS when advertising the sale of a firearm.

It may sound obvious but requests for classifieds are frequently received with not enough information to be useful to a reader.

**There are 5 main components of a classified ad:**

**Category** – Most classifieds fall into one of 3 categories, 'For Sale', 'Wanted', or 'Lost & Found'.

**Subject/Title** – This will appear in bold in the advertisement. This should be short (2 or 3 words) and concise.

**Description** – This is the body of the advertisement and can be a few sentences but not more than a paragraph. Abbreviations appear cryptic and are not recommended unless they are well known acronyms.

**Price** – A specific dollar amount as well as qualifiers give the reader important information. For example, "\$600 or Best Offer, Buyer pays DROS, Will consider trades"

**Contact Info** – This should be a name AND a phone number (including area code) and/or an e-mail address.

### **National Match Course & As-issued Military Rifle match (1/5/2020)**

By Jim McKim

Twelve shooters kicked off the year at the first National Match Course and As-issued Military Rifle matches on Sunday, 1/5. After a chilly start it turned into a gorgeous day for a match. It was a bit of a family affair, with two pairs of brothers and one pair of sisters along with their dad coaching. Rifles in attendance ran the gamut from an M1903 to ARs, with multiple M1s and an M1D and a few others in the mix. A good time was had by all.

**February 23rd, 2020** marks the 75th anniversary of that iconic flag raising on Mt. Suribachi on Iwo Jima. We have all seen the famous image that was taken by Joe Rosenthal, but few people know anything about it. The image has been published millions of times of the years and has become one of the most recognizable images of WWII, the Pacific Theatre, and possibly of all time.

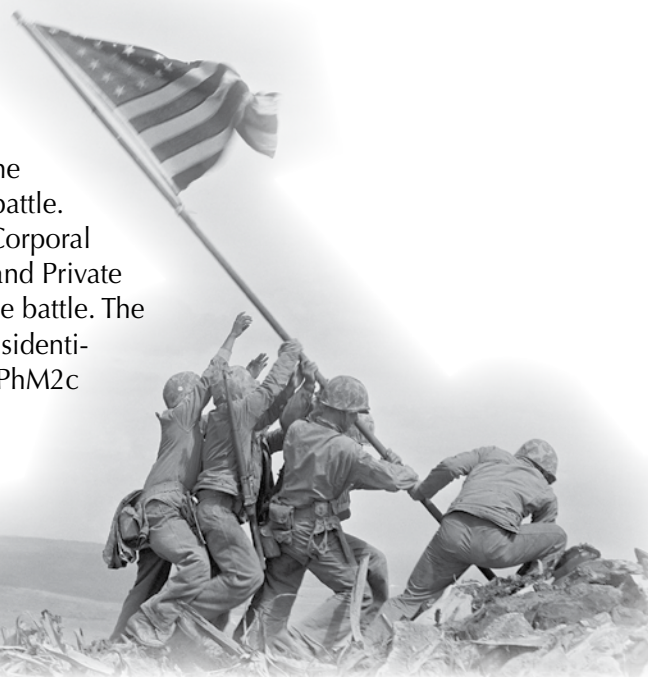

The famous image was of the second flag that was raised that day. After seeing the first flag raised, the commander of the 2nd Battalion, 28th Marines regiment, 5th Marine Division, ordered a larger flag be taken to the top of the mountain and raised.

After seeing the first flag raised, Forrestal remarked to Smith: "Holland, the raising of that flag on Suribachi means a Marine Corps for the next five hundred years".

Over the years there has been a lot of confusion about who actually raised the flag that day. Of the 6 that raised the flag that day, only 3 would survive the battle. Three of the Marines that raised the flag included Sergeant **Michael Strank**, Corporal **Harlon Block** (misidentified as Sergeant **Hank Hansen** until January 1947) and Private First Class **Franklin Sousley** were killed in action over the next few days of the battle. The remaining flag-raisers that survived were Private First Class **Harold Keller** (misidentified as **Rene Gagnon** until October 2019) **Haraold Schultz** (misidentified as PhM2c **John Bradley** until June 2016) and **Ira Hayes**.

The flag was raised on February 23rd, 1945 but the battle wasn't over. The island was not declared secure until March 26th, 31 days later.

# RANGEMASTER SOUND OFF

By: Jay Zimmet – CRSO  
[crsojay@escondidofishandgame.com](mailto:crsojay@escondidofishandgame.com)

There are two types of shooting at our range; Casual shooting, which is what I usually write about and Organized shooting activities. The shooting range rules are different between Casual and Organized shooting.

A lot of our rules are directed towards the Casual shooter as they are mostly unsupervised (by range personnel) and we need to make sure that all skill levels are considered.

Organized (match) activities are approved by the Board of Directors and are monitored by the Range Safety Officers. It is a requirement that the Shoot Chair be an EFGA Range Safety Officer (we also encourage NRA RSO certification) and he/she goes through a short training session on what we expect. In addition to the Shoot Chair, there are usually a large contingent of RSO's shooting the match.

As I mentioned, the range rules are different between the two types of activities. For example, there have been times with Junior Rifle that we have so many kids that we put some of them on the Pistol range with Rifles. The Match has permission to do so, but it is not OK for a Casual shooter to use a Rifle on the Pistol range.

While the range rules may be different for matches, there is no change in Safety requirements. I hold the Shoot Chair responsible for the Safety of their match and their shooters. I do stop by and sometimes participate in our matches to ensure that proper Safety procedures are being followed. Just so you know, everyone is treated the same in regards to following our Safety rules and Shoot Chairs and the BOD do not get a free pass (I really get on them)!

As some of you may know my sinister alter-ego is "Rustler" and I am the Shoot Chair for Cowboy Action shooting. I would like to take a moment and describe how our matches handle Safety.

Cowboy Action (SASS) is a four gun sport; rifle, shotgun and a pair of single action revolvers shooting on steel targets (lead ammo only). Our matches are usually 6 stages with usually 10 rifle, 10 pistol and 4-6 shotgun per stage. A match will usually use about 120 rifle/pistol rounds and 25-30 shotgun shells. We also have categories for Black Powder (yeehaaa). We usually have between 30 – 50 shooters at a match.

How do we handle that many shooters, firearms and rounds going down-range safely? We follow SASS (Single Action Shooting Society) rules that govern our sport.

## Basic Tenants:

- Cold Range no loaded firearms behind the firing line
- When ready to shoot  
Bring firearms to the loading table which is monitored by the Loading Officer to insure the proper amount of rounds are loaded in each firearm, especially the Pistols (we only load 5 and require the hammer to be over an empty chamber)
- When the firing line is ready, the next shooter is called by the Timer Operator (RSO). The shooter is now under control of the RSO who is at arms length to stop the shooter if necessary. Three spotters watch the shooter looking for misses, correct target sequence and safety issues.
- After shooting the scenario, the shooter is directed to the Unloading table. The shooter unloads all firearms while the Unloading Officer inspects that all firearms are clear.
- There are harsh penalties and/or expulsion for Safety violations.

By following these rules conscientiously at every match, regardless of the club you are shooting with, has ensured that there have been no major issues that I am aware of in over 20 years of shooting SASS.

Shoot Chairs, it's a new year and I will be visiting your shoot soon.

## Cold Range:

- Blue Blinking Lights **ON**
- **DO NOT** handle Firearms & Equipment
- Handle Targets
- Sweep up brass behind the Yellow and in front of the Red line

**OK TO GO DOWN RANGE**

## Hot Range:

- Blue Blinking Lights **OFF**
- Handle Firearms & Equipment
- OK to Load/Unload Vehicle
- Sweep up brass behind Red line

**DO NOT GO DOWN RANGE**

# BLACK POWDER NEWS

By Garth Warner

**Last Contest**, December 22nd: We had an excellent turnout for what was a Long Range contest, only three days from Christmas. Fourteen rifle and Nine pistol/revolver shooters showed up to play in the cold. Scores were predictably low. Dan Hannah managed to squeak out a 13 for the overall win in rifle. Everyone who entered received a raffle ticket. Three winners walked away with a complete Turkey Christmas dinner, including a homemade Pumpkin pie. One winner also picked up a \$50 bottle of fine Champagne. Primitive shooters have an excellent sense of taste.

**Next Contest** - Bullseye League: The February 2nd contest will be Short Range Pistol. Targets will be at 25yds "duelist" style. Thirteen shots at two targets. Your best ten shots are counted for score on each target. Contact Patrick Watson for details, [patwatson1969@hotmail.com](mailto:patwatson1969@hotmail.com) or 760 522-3912. The contest will start promptly at 08:00.

Following the pistol contest there will be a Primitive Archery contest at the campground. Start time is 11:00 "ish".

## NRA Basic Shotgun (3/8/2020)

The NRA Basic Shotgun Shooting Course introduces students to the knowledge, skills and attitude necessary for owning and using a shotgun safely. Through this course students will learn about shotgun parts and operation, ammunition, gun safety, shotgun shooting fundamentals and activities. The Basic Shotgun Shooting Course will also help prepare the student for participation in other NRA courses. The course consists of classroom discussion and Trap shooting at our range. We provide shotguns if you need one. For more information and registration, email Bud Smith at budsmith223@gmail.com or Dave Premetz at slixgunr@yahoo.com. You can also register on the NRA website or follow the link on the EF&GA web site under Training -> NRA Basic Shotgun.
