Darrin's Dissertation

At the last General Meeting, we held our annual elections as defined in the bylaws. I want to publicly recognize the Election Committee, **Norm Porst** and **Breda Walsh** for doing a fine job of running the election with professionalism and honor. The results are: **Darrin Eaton** (President), **Mark Baldwin** (Vice President), **Geoff Orchin** (Secretary), **Scotti Clary** (Director), **Ren Everett** (Director), and **Leonard Hodges** (Director). It was an interesting election because we all ran unopposed. This either means that the Membership has confidence in the nominees or that nobody wants the jobs. Perhaps it's a little of both.

The Work Party on May 14th was a real hum-dinger. We had **175** people sign the green sheets and we got lots of tasks completed. We raked and shoveled broken clays, cleaned every structure inside and out, removed brush and vegetation to minimize brush fire risk, split firewood, groomed the berms on the Pistol Range, cleaned the target slots, repaired and refreshed the target frames, painted the Trap houses, and about thousand other tasks. We got a lot of work done in a short period of time. As usual, the food was outstanding and the no-cost raffle was lots of fun.

One of the tasks was to assemble the Canopy for the Stage to get ready for the Barbecue. This canopy was the brainchild of **Norm Porst** and we came in on-time and under budget with this project. It was a brilliant solution for a problem that we have fought for many years at the Barbecue. Pop-up covers worked (sort-of) but they were awkward and susceptible to problems with wind and rain. The structure that Norm came up with was simple, elegant, and very effective. It was also easy to set up and tear down. I look forward to using it for many years to come.

The annual Barbecue was held on May 15th and it was a fantastic event. During the events in the morning we had music provided by **Sam Cary** and her band and they are becoming a tradition at this event. She is a product of our outstanding Junior Marksmanship Program (a few years ago) and we all commented on how they are getting noticeably better every year. As usual, the events were all run with no safety issues and everyone had a great time. Like clockwork, **Bekker's Catering** did a fantastic job serving up excellent food quickly and professionally. They got around 500 people through the line in less than 35 minutes. The silent auctions were great as well as the Rifle Raffle and the General Raffle. At the end of the day, we were all beat but we had a great time.

I also want to take a moment to call attention to the volunteers that made this event a huge success. We had people working the Admin Tent along with the Silent Auction. We had people running every event for the entire morning without compromising safety. We had a team working the parking lot making sure that people could still leave at any time without anyone getting blocked in. We even had people making sure that all of the volunteers had water and restroom breaks. Without all of these volunteers, it would have been a really big hot mess. I want to publicly thank them all for their service to the Association.

Darrin Eaton

BULLET POINTS

May Membership Meeting

We had a big turnout for the May 12th Monthly Membership Meeting. Elections were held for your Board of Directors and Officers. Candidates for all open positions were unopposed, so no

vote was necessary. The returning Officers will be **Darrin Eaton** as President, **Mark Baldwin** as Vice President and **Geoff Orchin** as Secretary. The Directors for this 2 year term will be **Scotti Clary**, **Ren Everett** and **Leonard Hodges**. The Board of Directors will be sworn in at the next General Membership Meeting on June 9, 2022.

Ray Bucholz holds a raffle each month for the Mom's Creek Rose Garden and Black Diamond Recognition. Ray presented the third Black Diamond Award for steadfast dedication to our range to former President, **Linda Linaker**. Congratulations Linda.

Bud Smith won a Ruger 45 Black Hawk black powder revolver and **Robert Walsh** won an 1860 Colt, 36 caliber black powder revolver. **Ren Everett** won a National Parks uncirculated proofs quarter set.

Gene Demnianiuk won the \$25 door prize and donated it to the Junior Marksmanship Program. Five names were drawn for the \$500 Attendance Prize: **Christopher Hillesheim**, **Gary Dexter**, **Joel Everson**, **Frederick Beechler** and **James Fairbanks**. They were not present so the Attendance Prize will remain at \$500 for the June meeting.

Entertainment Director, **Smoldering Bud Smith**, as always, treated us to another rousing raffle. Other contributors to the raffle included **Charles Daugherty**, **Mark Baldwin**, **Breen Emery**, **Jim Rolfes**, **Bud Smith**, **Bob Leider**, **Joanne Anderson**, **Rob Johnson**, **Eric Elsam**, **Al Anzelone**, **Doug Michtal**, **Rich Hall**, **Rich Oberle** and **Leonard Hodges**.

Life Members Honored

Every year, up to 2 EF&GA members are honored with Life Member status for continued service to our association. This year **Chris Cote** and **Mark Baldwin** were recognized for their many contributions. We have noted before that these 2 dedicated members are usually among the last men standing when there is work to be done for our association. Congratulations and thank you, Chris and Mark.

New Casual Shooting Rules

The new Casual Shooting Rules are now posted on the EF&GA Website and in binders at each of the range kiosks. These rules supersede all previous rules and signage on the range. We will be updating the signs in the near future. **Please go to the web site and review the updates.** All members and guests are responsible for knowing and following the new Casual Shooting Rules.

May Work Party

WOW!! We had 175 volunteers turn out for the May Work Party. We were able to complete every project on our list for that day and then set up for the BBQ for the following day. Thank you to everyone that participated. You were amazing. An extra Thank you to **Ben Schiebel** and **Dave Robertson** who, again, volunteered their tractors and their time for the Work Party. Thank you to **Ed Migdal** for organizing the event.

Fantastic BBQ

Darrin and Patrick have reported on the BBQ elsewhere in this newsletter so we won't duplicate that here, except to say that it was a huge success. We sold 475 adult tickets plus the kids. A special thank you to **Ed Migdal** who planned and organized the entire event this year. See Junior Corner and Darrin's Dissertation for more details about the BBQ.

Escondido Fish & Game Association
P.O. Box 460506
Escondido, CA 92046
Pub. Monthly, Vol. 25, Issue 6

Bullet Points continued on pg. 3

In the Beginning...

The 1st meeting of the Escondido Fish and Game Association was held December 4, 1946 at the Escondido Chamber of Commerce Building. There were approximately 40 members at the time with a balance in the treasury of \$134. The new association elected its 1st Board of Directors that night. **William Bevan** was elected President and **J. Lee Woolsey** was elected Vice President. The Secretary/Treasurer was **Al Hubbard**. The Directors at Large were **Earl Shidner** and **Capt. Ward**. 21 new members signed up that evening.....and so we began.

NRA Membership Renewal Through EF&GA

Escondido Fish and Game Association is a National Recruiter for the NRA. In that capacity we get a rebate on all renewals that go through us. Those rebates represent part of our annual budgeted income. In fiscal year 2021-2022 we received \$2275 in rebates from the NRA for our NRA membership renewals. Additionally, the renewal through EF&GA is less expensive for you at \$10 annually or \$45 if you want the magazine.

EF&GA Membership Renewal

Renewal notices were mailed out the end of April. You should have received your renewal paperwork by now. If you have not received your renewal paperwork please contact the association clerk at efgaclerk@cox.net. Your new renewal sticker will be mailed out to you the end of June.

Diapers and Toys for Camp Pendleton

Diapers and toys are constantly being collected at the range to be taken to Camp Pendleton. When you drop something off please put your name and phone number in the green book by the fireplace. You will be entered into a drawing to be held later this year. I'm always trying to do better than the previous year so please give generously. Thank you all. **Linda Linaker**

Maintenance Employee Wanted at EF&GA

EF&GA is looking for a Maintenance person. The position is approximately 20 hours/week. If you are interested in the Maintenance position, contact **Darrin Eaton** at Deaton@escondidofishandgame.com for a complete job description.

Junior MuzzleLoading

Junior MuzzleLoading is back! Come out and learn how to shoot the same firearms that were used in the Revolutionary War and the Civil War. Experience a little part of history. Mark it on your calendars now. Please email **Ren Everett** in August at everettju1@cox.net so that he will have an idea how many are going to attend.

Come on out and join the fun on:
Sunday, August 21st, 2022

Member Donations

Every year during renewals many EF&GA members include an additional donation to the association with their renewal package. We would like to thank the following members for their generous contributions.

Ben Guthrie	Rodney Mitchell
John Starlin	Kevin Fleck
Debra Ochs	James Halcomb
Paul Varesio	Dennis Kao

Hunter Education Class

6/11/2022 & 8/13/2022 (7 am – 4 pm)

Class Description:

The Hunter Education Course is a nationally approved curriculum designed to teach hunters the knowledge, skills, and ethics to becoming safe and responsible hunters. The covered topics include basic firearms nomenclature, safe firearm loading/unloading practices, wildlife conservation, wildlife identification, hunting ethics, hunt preparations, hunting techniques, shot placement, bag limits, tracking skills, basic survival skills, basic navigation skills, basic first aid, game recovery, field dressing, game care and much more. Every state in America requires a Hunter Education certificate in order to obtain a hunting license. The certificate issued is valid in all states and in numerous foreign countries, and is good for life. No live fire involved, firearms and ammunition are not required for the course.

Register at [California Hunter Education](https://www.californiahuntereducation.com) website.

Contact: David Premetz 760-489-1082 slixgunr@yahoo.com

Pistol 1.1 Clinic

6/11/2022 (4 pm – 6 pm)

Clinic Description:

This clinic is for new shooters who have taken a basic course but have limited or no experience after that class. The clinic goals are to increase comfort, reinforce safety, and work on the fundamentals of shooting in a coached environment. If you are not currently comfortable going to the range and shooting on your own or just want to work on basic skills/accuracy this is for you. Current Ratio is 4 students per coach. This clinic is NOT listed on the calendar as we are not reserving the entire pistol range. Above time slot is for EF&GA members only. Other times and dates can be made available to adapt to demand. Cost is \$5 per member.

NRA Basic Shotgun Class

6/12/2022 (8 am – 5 pm)

Class Description:

This class covers firearm safety and basic skills of Shotgunning. It is also designed to train the student with the proper skills required to hit a moving target. The NRA Certified Shotgun Course teaches stance, gun ready position, swing to target, trigger pull and follow through. The class consists of classroom exercises and hands on instruction including live fire exercise through which students will learn and demonstrate safe and proper shotgun shooting procedures and technique. Hands on range time will include techniques required for shooting moving targets (Trap). Upon successful class completion students will receive the NRA Basic Shotgun Certificate. Classes are limited to 12 students and a deposit is required to secure registration.

NRA Basic Pistol Class

6/18/2022 (7:30 am – 3 pm)

Class Description:

This course is geared toward those who are new to pistol shooting or those familiar with handguns but desire structured training on the fundamentals. This is a full day NRA Instructor led pistol course. It includes classroom instruction and hands on instruction. The hands on range time will include live fire exercise through which students will learn and demonstrate safe and proper procedures and technique.

NRA Metallic Cartridge Reloading Class

7/2/2022, 8/6/2022, 9/24/2022 & 11/5/2022

Class Description:

This class will supply you with the knowledge of how to properly and safely reload your used casings into economical, effective and accurate ammunition. As you hone your new found reloading knowledge you will also improve your shooting skills.

The class is structured in two separate sessions:

1st session – This class is strictly academic and is held in the EF&GA Meeting Hall on the above dates from 8am until noon.

2nd session – This is “Hands On” training scheduled with a mutually agreed to time and date where you will reload your own cartridges on the reloading bench that day.

The cost of the class is \$125 for EF&GA members and \$135 for non-members. If you need supplies (ie: cases, primers, projectiles and powder) they are available for a \$15 surcharge.

Prior registration is necessary and a \$20 deposit is required to secure a place in this limited class.

Contact: Elvio Marchi elvio1@cox.net 760-734-3942
or register using the link at <http://www.escondidoishandgame.com/classes/nra-basic-metallic-cartridge-reloading-course/>

Bow Hunter Education Class

7/9/2022 (7:00 am – 3 pm)

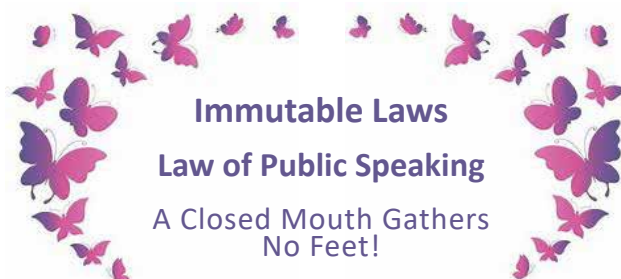

Class Description:

The Bow Hunter Education Course is a nationally approved curriculum designed to teach bow hunters the knowledge, skills, and ethics to becoming safe and responsible archery hunters. The covered topics include basic bow and arrow nomenclature, safe bow and arrow carrying practices, distance-judging techniques, wildlife conservation, wildlife identification, hunting ethics, hunt preparations, hunting techniques, tracking skills, shot placement, basic survival skills, basic navigation skills, basic first aid, game recovery, field dressing, game care and much more.

Most states in America require a Bow Hunter Education certificate in order to obtain an archery hunting license. The Bow Hunter Education Certificate does not replace the regular Hunter Education Certificate. Both are required in states that require them. The certificate issued is valid in all states requiring it, and is good for life. The Bow Hunter Course includes 3-D archery field shooting at various targets and distances, including using a ground blind and tree stand. Bring a bow, arrows and quiver. Traditional and compound bows are acceptable. Use field tips on the arrows, no broadheads for the course targets.

Register at [California Hunter Education](http://CaliforniaHunterEducation.com) website.

RANGEMASTER SOUND-OFF

by Gary Fukuda

Hello everyone,

I would like to address some issues with targets this month. At no time during Casual Shooting is shot allowed on the pistol, 100 yard or 150 yard ranges. If you need to pattern check your shotgun, there is a pattern stand at the end of the wall between the Pistol Range and the Trap Field. When shot is used on the ranges it damages the target frames. A lot of time and effort goes into maintaining the target frames and backers, not to mention association funds, which could be used elsewhere. Also, to the person using blue tape, the association rules are do not leave your targets in the trash cans. Take them home with you and dispose of them in your trash cans. I would ask that all shooters remove your targets from the target backers so the next person does not have to.

If you are the last person on one of the ranges make sure the "Blue Blinking Lights" are turned off.

Make sure that what you bring with you to the range, you also take home with you.

If you have any comments, concerns or questions please feel free to contact me at garymfukuda@cox.net or (760) 420-7488.

Be safe and try to participate when you can.

Thanks,

Gary Fukuda

Cold Range:

- Blue Blinking Lights **ON**
- DO NOT Handle Firearms & Equipment
- Handle Targets
- Sweep Up Brass Behind the Yellow and In Front of the Red Line

OK TO GO DOWN RANGE

Hot Range:

- Blue Blinking Lights **OFF**
- Handle Firearms & Equipment
- OK to Load/Unload Vehicle
- Sweep up brass behind Red Line

DO NOT GO DOWN RANGE

JUNIOR CORNER

Important Dates:

by Patrick Russ

Junior Trap 6/11/2022, 7/9/2022
Junior Pistol 6/19/2022
Junior Archery 6/19/2022
Junior Rifle 7/17/2022

If you missed the BBQ, you missed a lot. This year's BBQ was by far the best I've seen since I became a member 10 years ago. With just a few little exceptions, the event went off perfectly. The small issues that did come up were quickly and easily taken care of.

Typically, I will get the most positive comments about Bekker's and the food. While the food was amazing as usual, this year most of the comments were about **Samantha Cary** and the band (**Nicole Duran** on guitar, **Joe Town** on bass and **Danny Dietz** on drums.) With a mix of country, rock and some of their own creations, they had the place rocking. Samantha pointed out that she grew up on our range in the Junior Marksmanship Program. I am happy to say that we have already booked them for next year. If you want to hear more from Sam Cary, look her up on Spotify and iTunes.

RULES TO LIVE BY

1. **Treat** every firearm as if it were loaded
2. **Never** point your firearm at anything you don't intend to shoot
3. **Keep** your finger straight and off the trigger until you intend to fire
4. **Know** your target and the surroundings

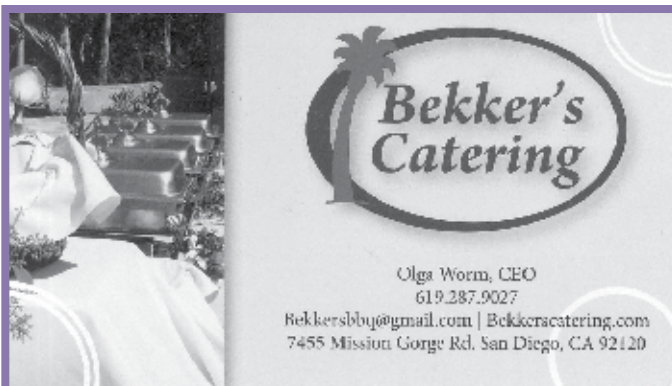

Kestrin Walsh coaching Elaine Westerhold

Predictably, the Junior Coaches program was responsible for the egg shoot, merchandise sales and the bounce house. **Kestrin Walsh** ran the egg shoot for the 3rd year in a row. She uses a stand that she designed and built. Merchandise sales were run by **Shelby Ellerby**. This was her first year overseeing it and she did an amazing job. She took the job seriously, kept track of everything that was sold. Additionally, Shelby took the initiative to help us out on stage while we were calling out raffle ticket numbers and handing out prizes. Shelby has been a part of the Junior program for about 10 years now. We've seen her come a long way and we are very proud of her. The bounce house was run by **Johnny Sheldon**. This was a last-minute task, but Johnny accepted the job and did his best to ensure that everyone was safe and happy. If you haven't seen the craziness that happens at the bounce house, it's not a job for the weak. Johnny took charge and kept everyone safe. Johnny is one of our newest Junior Coaches and he has already proven himself to be a great addition to the team. This is what future leaders look like.

I would also like to mention the countless number of members and non-members that stayed after the BBQ to help with the clean-up. It took 2 days to set up and thanks to everyone that stuck around, it only took a few hours to get it cleaned up.

Lastly, I want to mention **Ed Migdal**. He and **Neil Pisk** used to plan and organize the BBQ together. Sadly, we lost Neil last year, but Ed was able to take over all the prep for the event. He has been working diligently on the BBQ for several months. There is no one at the range that works harder than Ed to ensure that things go well. Neil was missed, but I believe that we made him proud.

BLACK POWDER NEWS

by Garth Warner

June is Black Powder Month at the range. If Black Powder is your “Thing”, then we have a variety of things to do, and to shoot at, this month. Come on out and make some smoke.

Muzzle Loading Bullseye: June 5th will be a “One Gun” for Rifle. Start Time is 0800. Contact **Patrick Watson** for Details. Patwatson1969@hotmail.com

Primitive Archery: June 5th immediately following the Bullseye contest (10:00 ish). Contact **David Premetz** for details. Sixgun@yahoo.com

Rendezvous: June 11th and 12th. YES! a two day contest. This will be a “Walk Thru” type contest at “Unknown” distances, at steel. Participants will be shooting replica single shot rifle, single shot pistol, and Trade Gun over two days. Load from the pouch or load from the bench. Period correct clothing is encouraged but not required. There should be some primitive archery and hawk action thrown in somewhere. You don’t have to sign up for every event. Just shoot rifle or pistol, or all three. Setup will be in the campground, (for overnight camping if desired). All shooting will be done on the 150. Contact **Patrick Watson** for details. Patwatson1969@hotmail.com

Muzzle Loading Silhouette: June 26th will be a standard “Short Range” contest for Rifle and Pistol. Pistol targets at 25, 50, and 75 yds. Rifle at 50, 75, and 100 yds. Take what you learned in the Super Short contest last month and stretch it out to longer range for this event. Setup starts at 0630 if you would like to help an old man setup steel on the 150. Pistol starts at 0830. Rifle starts at 10:00 ish. Contact **Garth Warner** for Details. Gwarner@cox.net

Support Gear: Over the last few months I have talked about what kind of shooting equipment is required for the type of shooting we do at EF&GA contests. This month let’s talk about what you need for support gear at the range on contest days. Excluding the Rifle or Pistol we will break this down into “Need This Item” and “Nice To Have”. This is totally subjective and based on my experience. Your mileage may vary.

Black Powder News Continued on Page 13

MEADIOCRITY

SAN MARCOS TASTING ROOM NOW OPEN

www.meadiocritymead.com
[@meadiocrity.mead](https://www.instagram.com/meadiocrity.mead)

1365 Grand Avenue, Suite 100,
San Marcos, CA 92078,
Located off Las Posas in San Marcos

10% off for Law Enforcement, Fire Fighters, EMT Personnel,
Active, Reserve, and Retired Military,
and Active Escondido Fish and Game Members

International Award Winning Meads • Made with local San Diego honey
Naturally gluten free • 5 - 12% ABV • Varieties for wine, beer, & spirit lovers

You Need These Items:

Round Balls: 20 balls minimum for each Silhouette contest. Don't leave your balls at home. We will tease you endlessly....

Percussion Caps: or priming powder (spare Flints if you're one of "those guys").

Flintlock Priming Tool: Even if you don't shoot a flintlock this is handy to clear dry-balls.

Adjustable Powder Measure: (because you NEVER pour powder directly from the can into your firearm)

Powder Can, Powder Horn, or Flask of Black Powder: Containing a minimum of 1600 gns.

Shooting Patches: (pre-lubed by you if possible). Minimum 20 patches per Silhouette contest. Add a Patch Knife if you're cutting your own patches as you load.

Patch Lube: Your choice, liquid or grease. (Whole different discussion topic)

Cleaning Patches: (not the same as above) (Rec Pro-Shot 2-1/2" round cotton)

Cleaning Solvent: (not really cleaning, just softening the fouling between shots. Clean it at home.)

Ramrod/Cleaning Rod: You can use the one that came with your gun or buy a separate cleaning rod. (Makes life WAY easier).

Short Starter: (to start the ball/patch down the barrel).

Burlap Bag, Possibles Bag, or Tackle Box: to carry all this junk in. (If it is too heavy to pick up, then you have too much junk).

C-Clamp and wooden "fork": to secure your rifle upright to a bench for loading. Not needed if loading from a bag. Small carpet sample to rest the butt of the rifle on the ground if bench loading.

Pistol Loading Stand: If pistol is your thing, one of these will help in loading and/or securing the pistol between relays.

A couple of old towels: to wipe your equipment and your hands between shots. BP shooting is MESSY.

Percussion Nipple Wrench or Flintlock Pick/Brush/Knapping Hammer: for when you need to clear an ignition problem. (And you WILL)

Nice to Have Item:

Dedicated Loading/Cleaning Rod: Yes I know, I listed it twice. Buy one longer than you need so you have some room to get a grip on it. These are also available with "T" handles.

Extra Cleaning/Loading Jags: Yes, they come unscrewed down in your barrel and you will have to shoot it out.

An Extra Powder Horn: One for 2f rifle powder and one for 3f pistol powder. Mark which is which.

A small powder funnel: Nothing is more fun than trying to fill a 1/4" flask or horn opening from a 1" powder can opening. Screw-on spouts are also available for powder cans.

A small Dial Read Micrometer: For measuring patch material thickness. Also works with ball diameters if you make a mistake and dump two different ball sizes into the same box by mistake. Harbor Freight carries cheap mechanical ones from China. Do NOT buy the battery powered Micrometer as the batteries will ALWAYS be dead when you need to use it.

A Snail Type Percussion Capper: Or make one out of leather, (see homemade ones at the field). Tie it to a thong around your neck and never misplace it. (Bend the clasp on a snail capper to prevent dumping your precious caps out on the ground.) (Forget to put it away and drive home with it around your neck.)

A decent "dedicated" Tackle Box/Tool Box: To carry all this stuff. Not too big, Not too small. Clean it out periodically to get rid of the "stuff you don't need" items.

Spotting Scope or Binoculars: For the Bullseye (paper target) contests, and for sighting in at range. Being able to see where you hit, shot to shot, is a pretty big advantage. Whatever you use must be able to "See " 1/2" holes at 100 yards. Buy something nice if you can afford it. The resale value on glass is high.

Extra Patch Lube and/or Cleaning Solvent: Balls, Caps, and Powder- Rule of Thumb: You will always run out in the middle of the contest.

That's all I can think of for now. If I forgot something, I am sure that somebody will point it out to me after reading the newsletter..... Your preferences may vary.

TRAP CORNER

by Darrin Eaton

Trap Projects at the Work Party

At the Work Party on May 14th we got a lot of jobs done. With the number of people available, things moved quickly. Besides cleaning up the broken clays, we cleaned out all three of the Trap bunkers.

After cleaning the bunkers, we decided to power wash and paint the bunkers. Unfortunately, the power washer died but that didn't stop us. We marched on and got it done. It's amazing how much a coat of paint improves the appearance of the bunkers.

We also replaced some rollers on the #3 Trap House to make the lid open and close more easily. There is another plan to make that even better but at the time of this writing, it is still in the research and purchase parts stage.

The other feature that we worked on was the Downrange Safety Lights. The electrical parts were assembled and tested.

Dave Robertson, Gary Fukuda and Darrin Eaton completed the project the following weekend. We now have blinking blue lights on all three houses connected to switches on the light poles (up-range) so that the Range will be Cold BEFORE people walk downrange to service the target machines.

Dave Robertson engineered the switch system to be simple and effective. Also, while the lights are flashing, the release mechanism is disabled on the three Trap machines. This means that targets won't be launched while the Range is COLD. This does NOT include the 5-Stand machines. This introduces a new safety feature to the Range without making its operation more difficult or inconvenient.

InterClub (6/11/2022)

Lemon Grove Rod & Gun Club will be hosting the first InterClub of the new shoot year on June 11th. Registration will open at 8:00 AM with the first squad out by 9:00 AM. 50 targets at 16 yards and 50 handicap targets based on your 16 yard score. Only the top five scores from each club determine the winning club. Tie breaker is the club with the most attending members, so support your club and make the drive. Top Gun award categories- Men, Women, and Juniors (17 and under). For carpool and/or caravan information, contact **Darrin Eaton** at deaton@escondidofishandgame.com.

How to place a classified ad in the newsletter

EF&GA Members in good standing may submit Classified Advertisements to the newsletter at no cost. E-mail to newsletter@escondidofishandgame.com by the 18th of each month. Include your Membership Number from your membership badge with your request. It will NOT appear in the advertisement.

Classified Ads run for ONE month. If you wish to repeat an ad for another month re-submit the request by the 18th.

No Illegal Transactions may be advertised in this newsletter. It is illegal to sell ammunition in California without going through an FFL or a licensed ammunition reseller. Firearms Ads must also include a phrase similar to "Buyer pays DROS".

Please include the following in your Classified Ad:

Subject/Title — This should be 2-3 words and will appear in bold.

Description — This can be a few sentences but no more than a paragraph. Abbreviations are not recommended unless they are well known acronyms.

Price - A specific dollar amount and any qualifiers.

Contact Information — This should be a name AND a phone number and/or an e-mail address.
