Linda's Lines

92 people. I say again, 92 people showed up for the February cleanup. Wow! We have the best people in this association. The property looks great, roses are fed, ranges cleaned, and a new stage! Thanks to all and a special nod to the stage crew. Our 15 year old "temporary" stage is now new and safe. Darrin, Mark, Chris, Patrick and more were spearheaded by Norm and turned in a wonderful product in less than 1 day.

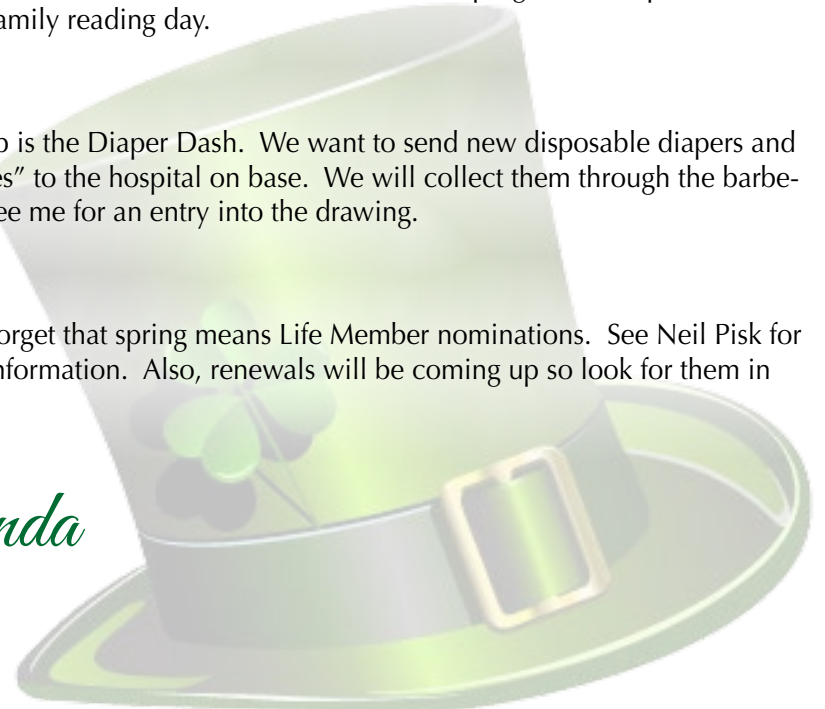

We have managed to complete two major projects at the range and are on track for a couple more. Don't forget to send your ideas for improvements.

The book drive for Camp Pendleton went very well. We were able to send lots of boxes of books and DVDs to the CARES program to help with their Dr. Seuss family reading day.

Next up is the Diaper Dash. We want to send new disposable diapers and "onesies" to the hospital on base. We will collect them through the barbecue. See me for an entry into the drawing.

Don't forget that spring means Life Member nominations. See Neil Pisk for more information. Also, renewals will be coming up so look for them in

DARRIN'S DOSSIER

All Hands On-Deck

For the past few years we have been complaining about the condition of the stage and how the wood is rotting out and getting steadily worse. We applied some band-aid fixes to get through the Barbecues without having someone

fall through it. Finally, we decided to ask the Board for the funding to just get it done. Patrick Russ, Chris Cote, and I got quotes from 6 different suppliers to get the best price and the best product.

We decided to go with J&W Lumber in Escondido because one of the guys at the store stated that he was an EF&GA member and that he was happy to help. Not only did they give us a very competitive price, they also helped us properly and accurately estimate the materials needed to do the job. If you have a similar project at home, I would recommend them as a worthy supplier.

On Sunday (2/9/2020) Chris Cote, Mark Baldwin and I got together in the pouring rain and tore apart the old stage. I only got shocked plugging in power tools twice and fell through the stage once. We got it all torn down so that we could start with a clean slate the day of the Work Party. On the following Sunday (2/16/2020), Norm Porst, Chris Cote, Austin Cote, Patrick Russ, Mark Baldwin, Yosi Boublil, and I got together to build the new structure at the Work Party. Norm was very patient dealing with all of us amateurs and we got the framework assembled and the composite decking down all in the same day. Without Norm's knowledge and expertise we would probably be still working on it today arguing about how to operate a tape measure. I also need to mention that Ed Migdal got off of the green tractor long enough to lend a hand as well. He assisted with the decking installation enough to say that he participated in the project.

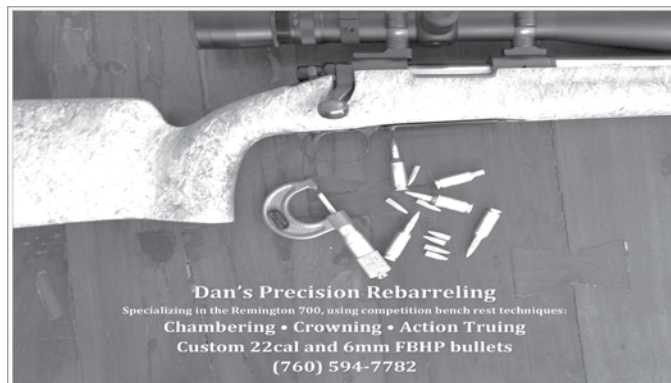

There were a few others whose names I don't remember right now that heled as well. If you are one of those, I apologize for not getting your name out there publicly. As a team, we all pitched in and got it done.

This kind of barn-raising community effort is the type of thing that makes me so proud to be a member of EF&GA. Rather than standing around complaining about it for another year, we got together and got it done.

Make Time to Attend a General Meeting

Bring a friend to the next General Meeting and one or both of you could win a few bucks. At the last General Meeting, Bob Leider won the \$25 door prize. Also, Lucy Nelson won the \$200 Cumulative Attendance Prize. The next General Meeting is 3/12/2020. If you don't show up, you can't win.

Work Party (2/16/2020)

So, we had another fabulous Work Party and once again, we had a great turnout. 92 people showed up and pitched in to get stuff done. I mentioned the new stage project on page 2 but there were a lot of other tasks that were completed as well. The Junior Cage in the big shed was organized and cleaned. New EXIT signs were installed with emergency lighting in the big shed. Broken clay targets were raked and shoveled up on the Trap Range. The Pistol Range was groomed and cleaned. Lots of tallgrass and weeds were trimmed and cleaned from the berms and hillsides. Lots of landscaping projects were tackled as well. It was a very productive day and I consider it an honor to have my name among the 91 others that put forth the time and effort to make the day a great success.

As usual, I want to identify all 92 of the volunteers publicly. If you know anyone on this list, please be sure to thank him/her for the service to our Association. If your name is on this list and it is misspelled, please be sure to print your name clearly on the green-sheet at the next Work Party. **Ed Migdal, Garth Warner, Peter Jalajas, Joseph Clairborne, Logan Clairborne, Gary Walker, Derry Allen, Tim Allen, Salvador Serreto, Darrin Eaton, Norm Porst, David Kiser, Chris Cote, Austin Cote, Yosi Boubilil, Dave Shlager, Steve Tye, Mike Northcatl, Bud Olivira, Jeff Yates, Chris Stevens, Rick Baugh, Breen Emery, Eric Schofield, Dave Schward, Robert Brewer, Ren Everett, Rolf Steveson Jr, Craig Tuthill, Ben Gutherie, Erik Olson, Ying Chen, Kevin Jasper, Ed Snyder, Jack Shelton, Bib Leider, Paul Trubey, Dette Trubey, Dave Olmstead, Richard Gustine, Tom Jardel, Micheal Marks, Julie Marks, Linda Linaker, David Bowers, William Quon, Nick Quon, Steve Peak, Sean DePreist, Haynes Kendall, Daniel Field, Jay Zimmet, Patrick Watson, Julie Olmstead, Geoff Orchin, M Lanyuey, Gary Despan, Brian Finnerad,**

JUNIOR CORNER

by Patrick Russ

RULES TO LIVE BY

1. **Treat** every firearm as if it were loaded
2. **Never** point your firearm at anything you don't intend to shoot
3. **Keep** your finger straight and off the trigger until you intend to fire
4. **Know** your target and the surroundings

On February 23rd, 2020, we had our first Junior Pistol Event of the 2020 season. Due to the recent rains it was a bit on the chilly side but still a great day for shooting. Despite the chilly weather we had 23 highly motivated shooters. Being the first event of the new year, we wanted to set the tone for the rest of the year. We started with the Pledge of Allegiance, followed by an outstanding safety brief by one of our newest Junior Coaches.

Wanting to start out on the right track, I was looking for bad trigger discipline. Try as I might, I couldn't find anyone putting their finger on the trigger before they were ready to fire. My plan was to find a shooter, or two, with bad trigger discipline, call a "Cease Fire" then go over trigger discipline with everyone. I watched every shooter. If I saw anything that was even close to poor discipline the coach would jump on it before I even had a chance to say anything. This was especially evident with the Junior Coaches. These young adults never cease to amaze me. I attribute the overall success of this event to the safety briefs as well as the outstanding coaching.

After the formal event, we decided to hold a fun shoot for the kids. Here we set up targets at different distances as well as the dueling tree. We also invited the parents to come out and shoot. For many of the parents this is one of the first opportunities they have had to see what their kids do at

these events. It also gives them a greater respect for the skills needed to shoot some of these amazing scores. It was great to see the Junior Coaches step in to help some of the adults. As usual, I was extremely proud of our Junior Coaches as well as our Junior shooters. This is what a future leader looks like.

Additionally, I want to give some recognition to Austin Cote. For those that don't know, he is a Squad Leader for the Junior Coaches. Over the years, I have seen him come a long way.

That has been very evident during the last few months. Many times, when a person is put into their first leadership role, there tends to be a lot of "bossy" behaviors, but not with Austin. He leads by example. He's never disrespectful. He gets the Junior Coaches to work as a team to get things done around the range. He also looks out for the new shooters, many times putting their needs above his own.

I like to say that this is what a future leader looks like, but Austin has been proving that he can be a leader today.

The Junior Marksmanship program would like to wish everyone a Happy St. Patrick's Day. Everyone is Irish for the day. Be safe!

Life Member Nominations

Nominations for life membership are being accepted currently. The deadline for nominations is March 31, 2020. All nominees must comply with the requirements of the Association By-Laws as follows:

ARTICLE III, SECTION 8 (In Part)

Candidates for Life Membership shall have been Regular or Senior members of the Association for at least three years prior to their candidacy for Life Membership and must have performed "outstanding service" for the Association. This "outstanding service" must have been performed over a period of time and must consist of more than a single act. It must be of such a nature that it can be documented by the Committee for presentation to the Board of Directors. It is desirable that candidates have performed outstanding leadership such as an Officer or Board Member or Chairperson of the Association in a satisfactory manner.

Nominations must be submitted in writing {Emails will be accepted} and must contain the reasons you think the person deserves this honor.

Nominations can be submitted by either:

1. Sent to the Association P.O. Box {Att: Life Member Committee}.
 2. Email to a Life Member Committee member.
 3. Hand delivered to a Life Member Committee member.
- Life Member Committee members are: Neil Pisk {Chair}, Geoff Orchin and Mike Marks.

Elections

Our annual elections for the Board of Directors is coming up soon. Nominations from the floor will be held during the April general meeting with additional nominations and the actual election during the May general meeting. All of the Officer offices and three Director positions are open.

Anyone wanting to nominate someone outside the general meetings can contact the Election Committee chair, Jack Bryson at jackbry2@att.net

TRAP CORNER

Check the Web Site

Many of us have a long drive to the Range. I drive out from Oceanside and on Wednesday nights after work, the traffic is usually pretty bad. Even without traffic, it is a long drive. Occasionally there are reasons to cancel an event like rain, power outages, equipment problems, etc... When this sort of thing happens, the shoot chairs call me and I change the web site to show it as [CANCELLED]. This process takes me about 2 minutes and I can do it from my smartphone. The point of this is that before you make a long drive to the Range, it would be a good idea to check the web site to make sure that the event that you are going to is not cancelled for some reason. I recommend this over calling the shoot chair because the shoot chair can only handle so many phone calls at once.

Time Change (3/8/2020)

Daylight Saving Time begins on Sunday, March 8th and we set our clocks ahead an hour. This means that we will have more sunlight later in the day. This also means that regular Saturday Trap will begin at 4 PM instead of the winter start time of 2 PM. Because of the warmer weather and more sunlight, Saturday Trap will run until 9 PM as long as we still have people that want to shoot. Because of the later start, we will be starting up the Trap Card Shoot (1st Saturdays) and the Century Shoot (2nd Saturdays) at 1 PM. Check the web site under Events for more information.

RANGEMASTER SOUND OFF

By: Jay Zimmett – CRSO
[crsojay@escondidofishand-
game.com](mailto:crsojay@escondidofishand-game.com)

Our Casual Shooting Rules are not just guidelines, they are Rules for how to act and shoot at our range and just because a specific use-case is not described in the rules does not mean it is OK to do it. Remember, I have talked about using Common Sense.

It is **NOT OK** to shoot behind the yellow line; especially if people are shooting in front of you on the actual firing line!

It is **NOT OK** to drive your vehicle down range to change your target; especially if you have not notified the other shooters!

It is **NOT OK** to park your vehicle in the Fire Lane or in front of a Shooting range. Unload your vehicle and park it properly.

It is **NOT OK** to sweep other people with your firearm(s) and the excuse, it its unloaded, is **NOT OK**.

It is **NOT OK** to leave the Blue range lights on when you leave the range – Please turn OFF the lights!

It is **NOT OK** to ignore our range rules just because no one else is on the range with you.

If you believe you have a “special case” that warrants an exception, please contact me to discuss it, before I find you, and we discuss it...

As I have mentioned before we are all Range Safety Officers regardless of the Red Hat. If you see something that is not right speak up or at least get the details and let me know.

I have had several individuals come up to me to discuss range safety issues with no names or weeks later. I really don't like to hear that several people and RSO's witnessed an issue and did nothing about it. I need your help to correct these safety problems and without dates, times, pictures and names the incident did not happen!

On a positive note the Del Mar Gun Show is back on March 14-15 and I encourage everyone to stop by and support them – even if you just get some beef jerky.

Our annual picnic is coming up in May and I am looking for RSO volunteers to work the event. Please let me know if you are available to keep the shoot chairs and their events safe.

As always I am looking for Range Safety Officers who would like to volunteer to make EFG&A the best range anywhere! Please contact me if you are interested.

Cold Range:

- Blue Blinking Lights **ON**
- **DO NOT** handle Firearms & Equipment
- Handle Targets
- Sweep up brass behind the Yellow and in front of the Red line

OK TO GO DOWN RANGE

Hot Range:

- Blue Blinking Lights **OFF**
- Handle Firearms & Equipment
- OK to Load/Unload Vehicle
- Sweep up brass behind Red line

DO NOT GO DOWN

BLACK POWDER NEWS

By Garth Warner

Last Contest: January 26th Started our contest season with a Super Short Range event. Seventeen shooters showed up for the challenge. The top three places in each category are listed below.

This was a weird contest. We experienced Lake Effect Fog and cold wind from the west. The 75yd targets were pretty much at the limit of visibility for most of the contest.

Next Silhouette Contest: March 22nd will be a Mid-Range event with targets at 75, 100, and 125 yds. I will not be present for this one. My wife is dragging me kicking and screaming over to Arizona for some R&R. Ren Everett will be hosting the event in my absence. Please show up early and help him set up. Stick around after the contest and help him tear down. It's a lot of work hauling steel, running the contest, scoring and breaking down. Thank you Ren. The Pistol portion of the contest will start at 08:30 following the Safety Briefing. Rifle will start at 10:00 "ish" following the Safety Briefing.

Next BullsEye League Contest: March 1st is our Long Range Rifle course. One target will be at 100 yds, and one target at 50 yds. You fire thirteen rounds at each target with your best ten counting for score. Contact Patrick Watson for details, (found on the contact page under "Shoot Chairs" of the club website). Safety Briefing at 07:45. The contest starts promptly at 08:00.

Next Primitive Archery Contest: March 1st is our next arrow slinging event. David told me this was going to be the long range course of fire, with targets out to 50 yds. The contest includes categories for recurve, primitive, longbow, and horsebow shooters. This event will start immediately after the BullsEye event above. Say somewhere about 11:00 "ish". For more information contact David Premetz at 760 489-1082 for more information.

2019 TOP GUN: will be held on April 26th starting at 07:00. If you won a muzzleloading rifle category in 2019 you are invited to enter this contest. NOTE: Because of time constraints there will not be a pistol event on this date.

Eligible Top Gun Shooters: Tom Arendell, Ten Everett, Bud Smith, Dan Hannah, Joe Jelinek, Brian Kowleski, Smitty S, Tim Morrow, Brad Speer, Dan Crane, Elwanda Hannah, Kazik Lewak, Garth Warner.

Pro Tip for the Month: If you're going to show up first in line to sign up for an event at the range, HAVE EXACT CHANGE. Shoot chairs are not a bank, and we don't have small bills to hand out to people who should know better.

Shout Out: to John of J&B Plumbing & Drain. During a recent city inspection following a Solar install at my house, it was pointed out that my cold water shutoff valve in the garage was about to oxidize off the copper pipe. John came over on short notice and fixed me up. Thanks John.

NRA Basic Shotgun (3/8/2020)

The NRA Basic Shotgun Shooting Course introduces students to the knowledge, skills and attitude necessary for owning and using a shotgun safely. Through this course students will learn about shotgun parts and operation, ammunition, gun safety, shotgun shooting fundamentals and activities. The Basic Shotgun Shooting Course will also help prepare the student for participation in other NRA courses. The course consists of classroom discussion and Trap shooting at our range. We provide shotguns if you need one. For more information and registration, email Bud Smith at budsmith223@gmail.com or Dave Premetz at slixgunr@yahoo.com. You can also register on the NRA website or follow the link on the EF&GA web site under Training -> NRA Basic Shotgun.

NRA Metallic Cartridge Reloading Class (4/25/2020)

Although ammunition is now plentiful, there are California restrictions (such as Prop. 63, passed, now SB1235) that have since been generated to hinder such purchases both in-store and eliminated on-line. This obstacle can be overcome through acquired skills and knowledge.

Presented is the opportunity to learn basic reloading techniques that will allow you to produce timely, consistent and accurate ammunition while receiving NRA certified reloading instruction is available on April 25th, 2020.

The First Part is strictly academic in structure and is conducted at the EF&GA meeting hall. This session, 8A.M. on Saturday, April 25th, 2020 and will last until approximately 12 noon. The Second Part is a "Hands On" reloading bench activity. This session generates the practical, detailed experience necessary while you successfully complete a number of your personal reloads. Scheduling the second session will be at a mutually agreed to time and date. This scheduling will be completed at the 1st session.

The cost is two tiered: EF&GA members = \$110; non-members = \$120. For those individuals beginning and are without any reloading supplies (empty cases, powder, primers, etc.) a \$10 surcharge will be applied. Prior registration and a \$20 deposit is required to secure a place in this class. Registration is necessary and limited. For more information, contact Elvio Marchi at elvio1@cox.net or 760-734-3942

How to place a classified ad in the newsletter

Please help to keep the classified section easy to read and well organized. There is no cost as long as you are an EF&GA member in good standing. Classified ads run for ONE newsletter (one month). If you want to repeat an ad for another month (with price adjustments, etc...) simply re-submit the ad request via e-mail.

Please submit requests for classified ads via email to newsletter@escondidofishandgame.com and be sure to double-check for spelling and grammar errors.

Members Only are allowed to submit Classified advertisements. Your Membership Number must be included with any advertisement request so that we can properly vet the submission before it is published. The Membership Number will NOT appear in the advertisement. Your Membership Number is on your membership badge on the same side as your photo.

No Illegal Transactions may be advertised in this newsletter. It is now illegal to sell ammunition in California without either going through an FFL or a licensed ammunition reseller. EF&GA cannot facilitate any illegal commerce of a state regulated commodity. This is also why firearm sales should include a phrase similar to Buyer pays DROS when advertising the sale of a firearm.

It may sound obvious but requests for classifieds are frequently received with not enough information to be useful to a reader.

There are 5 main components of a classified ad:

Category – Most classifieds fall into one of 3 categories, 'For Sale', 'Wanted', or 'Lost & Found'.

Subject/Title – This will appear in bold in the advertisement. This should be short (2 or 3 words) and concise.

Description – This is the body of the advertisement and can be a few sentences but not more than a paragraph. Abbreviations appear cryptic and are not recommended unless they are well known acronyms.

Price – A specific dollar amount as well as qualifiers give the reader important information. For example, "\$600 or Best Offer, Buyer pays DROS, Will consider trades"

Contact Info – This should be a name AND a phone number (including area code) and/or an e-mail address.

CLASSIFIEDS

All sales must comply with Federal and State laws!

WANTED – Older model Smith & Wesson 38 Caliber Revolver – Small frame M&P with a rounded butt. Any condition but it must be complete.

ACTIVE DUTY MAKING EF&GA BETTER

Sailors from the 1st Marine Division Second Class Petty Officers Association have partnered with the Escondido Fish and Game Association to provide range coaches for Junior Rifle competitions. The effort began late last summer and is part of the SCPOA's broader efforts to impact the community in and around the Camp Pendleton area.

"There are many ways to reach youth," said Petty Officer Second Class Ryan Yohn, SCPOA President. "This is a great way to teach a skill, foster responsibility, and grow self-confidence."

To date, the SCPOA has lent more than 50 volunteers and donated more than 400 hours of service to the EF&GA. The volunteers are paired with a youth and guided through firearm safety, marksmanship basics and range protocols.

Since the partnership, the SCPOA and EF&GA have built a relationship that focuses on making a positive impact on the youth who attend EF&GA's shooting competitions. That focus falls right in line with the SCPOA's mission, which allows active duty E-5 members to spearhead missions in the community and effect positive change.

In the case of their time at EF&GA, that means focusing on safety and proper handling of firearms.

"It helps show the youth and the parents the importance and discipline required when near a firearm," said Petty Officer Second Class Jose Caballero, SCPOA Assistant Secretary. "On top of that, the staff, youth, and parents are all extremely approachable and friendly. It makes you feel at home."

That feeling of home is one reason why the partnership shows no signs of slowing down. The SCPOA plans to continue its involvement with the EF&GA in the future and has garnered more support from outside of its association.

Said Chief Petty Officer Stephen Massey, who also volunteers with the SCPOA: "I wish facilities and programs were set up like this when I was a child."

Fortunately, Chief Massey's wishes are a reality for the youth at EF&GA.
