## Linda's Lines

Hooray! It's May! We have hit orange status and more expansions on the range.

We have reclaimed in excess of 165,000 pounds of lead, and we will look forward to having the crew back out in a couple of years. Great work was done to minimize impact and maximize lead reclamation.

Our barbecue is scheduled for May 16, I hope you have all bought your tickets. We are looking forward to a wonderful time. Lots of games, prizes, food and fun.

Most of our "Mother of All Projects List" items have been completed. Thanks to Darrin and all the people that helped.

May also brings elections. Be sure you have your membership card when you turn in your ballot. We hope to have a good turnout. More participation means your suggestions are easier to address.

I hope to see you at the range soon, be sure to check the website for the range schedule. Take care and have fun.

### 75th Anniversary BBQ

This year, EF&GA will be celebrating our 75th Anniversary on May 16, 2021 with a BBQ Blowout. Festivities start at 08:15 am with the wonderful events (With top category scorers receiving cash prizes). Then great food, amazing raffle prizes and a silent auction for firearms as well as other items. Most of all, a sense of camaraderie that we have all been missing.

Tickets can be purchased from the Association Clerk by using the form found in this newsletter. Walk-ins and guests are welcome as well. Ticket price is: \$25.00 (Adult), \$10.00 (Children 12 years old and under). Gun raffle tickets and regular raffle table tickets are \$1.00 each. Special Raffle tickets are \$10.00 each and are limited to 150 total tickets. Special Raffle prize is a Springfield 1911 .45 ACP Handgun.

**Remember, if you purchased BBQ tickets last year, they are accepted for this year's big BBQ Blowout.**

**The printed tickets display the wrong date (5/17/2020) but they are valid for the BBQ this year (5/16/2021).**

## COVID Update

At the time of this writing, it looks like the CDC/State/County is changing the guidelines for outdoor gatherings and mask requirements. Before we get all excited and ignore all safety measures, we need to make note of some important distinctions:

**Vaccination Requirements** – The CDC and the State of California have set guidelines for how many people can congregate at a PRIVATE outdoor event. The number of people allowed is much higher if we require proof of vaccination. However, we do not want to incur the liabilities of requiring participants to share their personal medical records with us in order to participate in an event. If you suffer from insomnia, look up HIPAA.

**Crowded Events** – The president, governor, and the CDC were very specific to state that masks are not required for VACCINATED people in OUTDOOR settings EXCEPT for situations with crowds of people. We would all love to twist this to our advantage but I don't think that we can get away with it unless we keep the social distance requirement enforced. That would make any of our shooting events impractical.

**Changing Rules** – The one thing that we have learned over the past year is that the guidelines and requirements are always changing. Hopefully, the State will announce relaxed restrictions in response to the CDC announcements. The best situation for us would be having San Diego County move to the Yellow tier so that there would be a lighter set of requirements.

In summary, it looks like we will continue to need masks for our events that have a crowd of people in close proximity. In my opinion this means that during the Work Party while everyone is spread out, this would not be an issue. However, while everyone is lined up for lunch (in a crowd), we should probably mask up. A shooting event with everyone in squads (crowds), we should probably mask up. Remaining compliant keeps us under the radar and out of the news.

## Make Time to Attend a General Meeting

Bring a friend to the next General Meeting and one or both of you could win a few bucks. At the last General Meeting, **Breda Walsh** won the \$25 door prize. Had he attended the meeting, **Patrick Dorris** would have won the \$200 Attendance Prize. Next month it will go up to \$300. The next General Meeting is 5/13/2021. If you don't show up, you can't win.

## Donor List (4/8/2021)

Thanks to all who donated to the raffle table at the last General Meeting – **Bill Williams, Bud Smith, Mark Baldwin, Steve Baran, Bob Leider, Debbie Sprfoippo, Rich Hall, Eric Elsam, Scotti Clary, Robert Reid, Rich Oberle, the Estate of Mike Marks**

## Be a Raffle Donor

Your donations help support our monthly General Meeting Raffle. Our entertainment Chairman is Bud Smith. If you have items you would like to donate to our monthly General meeting raffle, please contact Smoldering Bud at [budsmith223@gmail.com](mailto:budsmith223@gmail.com). Please consider new or used items in working order. Thanks for your support.

### Membership Renewals

Renewal notices will be mailed out soon. If you have an address change, please contact the Association Clerk at [efgaclerk@cox.net](mailto:efgaclerk@cox.net) or phone 760-432-2089.

### Elections (5/13/2021)

Our annual elections for the Board of Directors will be held after the May General Membership Meeting. There will be an opportunity for additional nominations from the floor during the meeting. All of the Officer offices and four Director positions are open. Anyone wanting to nominate someone outside the general meeting can contact the Election Committee chair, Elvio Marchi at [elvio1@cox.net](mailto:elvio1@cox.net). So far the nominees are:

President .....	<i>Darrin Eaton</i>
Vice President .....	<i>Mark Baldwin</i>
Recording Secretary .....	<i>Geoff Orchin</i>
Director .....	<i>Ed Migdal</i> <i>Patrick Russ</i> <i>Yosi Boubllil</i> <i>Gary Fukuda</i>

In order to cast a ballot, you must present your membership badge with the current sticker on it. Unlike other elections, we DO require proper ID to vote.

### Gate

If you have been to the Range in the past few weeks, you probably noticed that the gate looks a bit different. Well, someone was entering the facility with a long 5th wheel trailer and caught the gate with the frame of the trailer. This is not some sort of mystery who-dunnit thing that happened. The person stepped up and owned the mishap and offered to pay for the damages.

Well, we were still faced with a security problem. We couldn't remove the gate for a couple of weeks while it was getting repaired, leaving the Range open for anyone to just waltz on in. Our wonderful members came to the rescue. Dave Robertson picked up a cattle-gate and welded on a steel plate to make a temporary hinge work with the opener and badge system. With the gate removed, Mark Fusting loaded it up on a trailer and took it to his fabrication shop to weld up new parts to replace the parts that were bent up. Next, it went to Derry Allen's shop for primer and paint. Hopefully, by the time this is printed, the gate will be back in place.

### Landscape Protest (5/15/2021)

Because COVID-19 does not spread at peaceful protests, we are having another protest against messy ranges. We plan to eradicate messes and vegetation waste that could become brushfire fuel. There are many tasks that need to be done and all that you need to bring is yourself. If you want to bring more protesters, everyone is welcome to participate. Just to be safe, we will continue to practice social distancing and/or wearing of masks to properly comply with the COVID protocols of San Diego County. At the time of this writing, it is looking like the CDC/State/County guidelines may become more relaxed for outdoor events. Keep an eye on the web site for more details.

Lunch is always great at these events and the no-cost raffle after lunch has been a long-standing tradition that is always great fun. If you need volunteer hours, this is a perfect opportunity get it done in before renewals are due.

Come join us for a day of service, fellowship, exercise, and great food. I have not missed a work party since I first started going to them in 2012. I still have a great time at every one of them.

### EF&GA 75th Anniversary Barbecue (5/16/2021)

This year we will be celebrating our 75th year as an Association. If it all goes according to plan, we should be through the worst of the pandemic and we should be able to congregate outdoors again. As usual, we will have the popular and fun participation events like Black Powder, Archery, Tomahawk Throwing, 22 Rifles, Trap, and lots of other activities. This family-friendly event always has fantastic food. Yes, Bekker's is catering again this year so the food will be excellent as usual. There will also be lots of raffles, drawings, and silent auction items.

Special 75th Anniversary shirts are available in both men's and women's sizes and styles. Ed Migdal is taking pre-orders now so that we will only print as many as we need. Contact Ed for further details.

Tickets are available now. You can mail the form in to the PO Box with a check for the appropriate amount and the clerk will send out the tickets. Tickets are \$25.00 up to and including the day of the event.

### CPR and First Aid Instructors

I would like to thank Marshall Goddard for all the years that he has taught the class to our Range Officers and members, but he has finally retired and I am looking for a new instructor.

If you are certified to teach the CPR, AED and First Aid classes and would be willing to hold a class at the range please let me know. It would be much appreciated.

### High Power Rifle (5/8/2021)

Come join us for this competitive and fun shoot starting at 8:00 AM on the 100-Yard Range. This match is held on the second Saturday of odd months (January, March, May, ...) Early arrival is recommended. Any sights are allowed. Any centerfire caliber is allowed. The event consists of 4-position shooting. There will be unlimited practice rounds and then 10 rounds per position for score. One hour is the total time allowed. Members pay \$5 and non-members pay \$10. For more information, contact Paul Hendrikson at 760-522-4660

### Pistol Range Improvements

While the Range was closed for lead reclamation in March, one of the many projects that were done was extending the short-range (5, 7, & 10 yards) target slots on the Pistol Range. This popular improvement makes it possible to spread out more while others are using Range. It also adds flexibility of classes and other events.

The one issue with the short-range target slots is that when a target frame is close to you and the target is high on the frame, your bullets may impact the hill above the proper impact zone. In order to accommodate this issue, we have made numerous target frames that are about a foot shorter for use in the shot-range target slots.

If you ask any Junior Rifle/Pistol/Trap participant what Firearm Safety Rule #4 is, they will tell you - Know your target and its surroundings. As we all know, the Firearm Safety Rules are not just for Juniors, they are for everyone.

### Some Very Welcome Guests

About a year ago, the Sea Cadets came to the Board and asked for use of the Campground and parking area behind the big shed for their training events. Their normal location has a construction project and is unavailable. We agreed to let them use the space and they have been fantastic guests.

They have shown up and participated in numerous work parties. They did not just show up and walk around, they worked hard. They set up small teams to execute numerous projects excellence and enthusiasm. When a task was completed, they came to us asking for more projects to execute.

They have provided Colors, raising our beautiful flag while playing the National Anthem followed by the Pledge of Allegiance at multiple events. They will also provide Colors for the Barbecue on the 16th.

If you happen to see them while you are at the Range, be sure to thank them and their leadership for contributing so much to our fine Association.

### NRA Blended Pistol Class

This course is geared towards those who are new to pistol shooting, or those familiar with handguns but desiring structured training on the fundamentals.

This version consists of two Phases: Phase I is self-paced, on-line instruction through the NRA website; Phase II is the actual range portion following the completion of your on-line training. You will need to register & complete the Phase I portion prior to conducting the Phase II hands-on range portion.

#### Class Schedule – Phase II (8 am – 1 pm)

- June 23      • October 19
- August 25    • December 15

Please contact Dave Premetz, Jay Zimmett or sign up at the NRA training website.

### NRA Basic Metallic Cartridge Reloading Course

Who figured this existential event would effect us so seriously? Need or want ammo but can't find any and the powers that be won't allow mailing? You're left with an old American skill; self-sufficiency and creativity... Make your own!

This class will supply you with the knowledge of how to properly and safely reload your used casings into economical, effective, and accurate ammunition. As you hone your reloading knowledge you will also improve your shooting skills as well.

#### The class is structured in two sessions:

**1st session** - This class is strictly academic and is held in the EF&GA Meeting Hall on May 8th, 2021 from 8 AM until noon.

**2nd session** – This is “Hands On” training held at the reloading bench scheduled for a mutually agreed to time and date. You will reload your own cartridges and produce ammunition that day.

The cost of the class is \$125 for members and \$135 for Non-members. If you need supplies (cases, primers, projectiles, powder) they are available for a \$10 surcharge. Prior registration and a \$20 deposit is required to secure a place in this class. Registration is necessary and limited. For more information, contact Elvio Marchi at [elvio1@cox.net](mailto:elvio1@cox.net) or 760-734-3942 or register using the link at <https://www.escondidofishandgame.com/classes/nra-basic-metallic-cartridge-reloading-course/>

# TRAP CORNER

## Uncommon Occurrence

So, I was at work on a conference call and I got a call from my friend, Mark Baldwin. I had to send it to voicemail because I was doing work stuff so I sent him a text – “I’m tied up on a conference call. What’s up?” He replied with “I have a photo for the newsletter. An entire squad just shot 25”. Later he sent me a photo of the score sheet (below). All 5 shooters shot 25 strait.

This is not something that happens every day. I had to mute myself on the conference call while I started talking to myself. Did this really happen? Why was I stuck at work instead of the Range to be part of it

Congratulations to these fine shooters. George Plante, Breen Emery, Roger Moynihan, Clyde Ewin, and Rich Davis. You guys knocked it out of the park!

# RANGEMASTER SOUND OFF

by Jay Zimmett

The Sun is shining, it's warm out and I am not grumpy today so no yelling or lecturing about range safety.

As a long time Cowboy shooter, I have had the privilege to shoot with many fine Cowboys and Cowgirls. The Single Action Shooting Society (SASS) is much more than a shooting organization, the people make it one big family. You can go to any club and you will be welcomed as a long lost relative.

SASS is family oriented with Mom, Dad and the Kids all shooting. We have one such family at EFG&A. They are known as Double Diamond, Lantana Lady and Diamondback Dree aka the Brinkmeiers.

I believe when I first meet Diamondback Dree she was around 11 or 12 years old. She was shooting in the same category as Bonnie McFarland who made grown men cry (she beat them so bad) and became a World Champion a few years later. Tough act to follow at each match, but Dree always persisted and

improved. She started beating Mom and Dad!

Fast forward to today; We have just returned from the SASS California State Championship. The main match is shoot over two days with six stages (scenarios) each day. This is using two single action pistols, lever action pistol caliber rifle, and shotgun. The round count is 120 pistol, 120 rifle and about 50 shotgun. Over those two days, Dree had no misses, but on the last stage one "aw shucks" for a 10 second penalty. That one penalty can knock you out of the running, but I am happy to say Dree prevailed.

Please congratulate Diamondback Dree the 2021 California State champion - Cowgirl!!

## Cold Range:

- Blue Blinking Lights **ON**
- **DO NOT** handle Firearms & Equipment
- Handle Targets
- Sweep up brass behind the Yellow and in front of the Red line

**OK TO GO DOWN RANGE**

## Hot Range:

- Blue Blinking Lights **OFF**
- Handle Firearms & Equipment
- OK to Load/Unload Vehicle
- Sweep up brass behind Red line

**DO NOT GO DOWN RANGE**

There is a tradition in the family that the loser cleans guns — Double Diamond is going to be busy for a while...

**Note:** The Cowboy event at the picnic will be run by Double Diamond and Lantana Lady. Stop by and say Howdy.

## Attention Rangemasters

A lot of you have not been working due to the Plague and I completely understand - hopefully you have or will be able to get inoculated soon. Please come out and start working shifts; the range needs you! For those of you that do, I appreciate it!

If you are available to help with the BBQ on May 16, please let me know.

# JUNIOR CORNER

by Patrick Russ

## RULES TO LIVE BY

1. **Treat** every firearm as if it were loaded
2. **Never** point your firearm at anything you don't intend to shoot
3. **Keep** your finger straight and off the trigger until you intend to fire
4. **Know** your target and the surroundings

I cannot believe that I am writing the Junior Corner for May already. I swear we were just collecting toys for the Joy Drive. It seems like this year is flying by.

Well, April saw another Junior Pistol event. This was the 2nd event of the year. We had 18 shooters, many being first time shooters. Due to the Covid-19 restrictions we ran 3 relays. While all shooters did well, Kestrin shot a 362. Austin Cote made his debut in the distinguished ranks with a score of 387 that includes a 199 in slow fire and a 188 in rapid fire. Daysha Halbert continues to defy belief with her score of 396 out of 400 with a 200 (perfect score) in slow fire and a 196 in rapid fire. Kestrin "Hurricane" Walsh and Daysha Halbert did an outstanding job with the safety briefs before each relay. If you have not seen them do a safety brief, I highly recommend it. I will put these young adults up against any adult. Special thanks to all the coaches that showed up to help. This program could not be the huge success that it is, without the folks that volunteer to teach our Junior shooters.

If you have not heard, the Annual BBQ will be held on May 16th. This year we will be celebrating our 75th anniversary. This year's event will be amazing. I know that Neil Pisk and Ed Migdal have been working hard to make this the best BBQ yet. I am proud to announce that Samantha Cary and her band will be providing live music for the event. She did a solo event, in the rain, for our last BBQ. Colors will be presented by the Sea Cadets. We will also have a jump house and face painting for the kids. The Junior Marksmanship Program will be running the egg shooting booth and well as selling t-shirts and other goodies. They will also be answering questions about the Junior Marksmanship and Junior Coaching Programs. We look forward to seeing you there.

## DEADLINES!!

Items For the Next Newsletter are Due

**Tuesday May 18th**

Any and all requests for items to appear in the monthly bulletin should be routed through

[newsletter@escondidofishandgame.com](mailto:newsletter@escondidofishandgame.com)

## How to place a classified ad in the newsletter

Please help to keep the classified section easy to read and well organized. There is no cost as long as you are an EF&GA member in good standing. Classified ads run for ONE newsletter (one month). If you want to repeat an ad for another month (with price adjustments, etc...) simply re-submit the ad request via e-mail.

Please submit requests for classified ads via email to [newsletter@escondidofishandgame.com](mailto:newsletter@escondidofishandgame.com) and be sure to double-check for spelling and grammar errors.

**Members Only** are allowed to submit Classified advertisements. Your Membership Number must be included with any advertisement request so that we can properly vet the submission before it is published. The Membership Number will NOT appear in the advertisement. Your Membership Number is on your membership badge on the same side as your photo.

**No Illegal Transactions** may be advertised in this newsletter. It is now illegal to sell ammunition in California without either going through an FFL or a licensed ammunition reseller. EF&GA cannot facilitate any illegal commerce of a state regulated commodity. This is also why firearm sales should include a phrase similar to Buyer pays DROS when advertising the sale of a firearm.

It may sound obvious but requests for classifieds are frequently received with not enough information to be useful to a reader.

**There are 5 main components of a classified ad:**

**Category** – Most classifieds fall into one of 3 categories, 'For Sale', 'Wanted', or 'Lost & Found'.

**Subject/Title** – This will appear in bold in the advertisement. This should be short (2 or 3 words) and concise.

**Description** – This is the body of the advertisement and can be a few sentences but not more than a paragraph. Abbreviations appear cryptic and are not recommended unless they are well known acronyms.

**Price** – A specific dollar amount as well as qualifiers give the reader important information. For example, "\$600 or Best Offer, Buyer pays DROS, Will consider trades"

**Contact Info** – This should be a name AND a phone number (including area code) and/or an e-mail address.
