## Darrin's Dissertation

First of all, I want to call attention to the 91 people who showed up and made the Landscape Work Party a huge success on March 27<sup>th</sup>. We cleared brush, cut down dead trees, shredded and chipped a lot of material, and cut up a bunch of firewood. **Alonzo Clark** and **Breen Emery** planned the operation and **'Tuck'** did lots of preliminary work to make it all run smoothly. We all had a great lunch and finished up with some more clean-up in the afternoon. All of this effort not only made the North side of the property look great, but it also dramatically improves our posture in the event of a vegetation fire. Thanks to all who helped out and it was my honor to work among such great volunteers.

The next big Work Party is coming up on Saturday, May 14<sup>th</sup>. Every year at this event we get the entire Range ready for the annual Barbecue the following day. We will have jobs for everyone who can make it out there – young, old, big, little, athletic, and less sporty – we will have something for you to do to contribute to the event. I always enjoy these work parties because we all get so much work done in the span of just one day. I find it to be a refreshing change from my day-job (in city government) where it seems that nothing ever gets done.

On Sunday, May 15<sup>th</sup>, we will be holding our Annual Barbecue. Once again, the food will be provided by Bekker's Catering and it will be delicious like it is every year. Before the food is served, the morning is spent doing fun events like Hawk Throwing, Archery, Black Powder, 22 Rifle, Trap, Fishing Lure Casting, and Cowboy Action Shooting. After lunch, we start the Raffles. This year there are tons of prizes for all types of interests. There is also a kids table with special prizes for your younger participants. Tickets are available from **Ed Migdal** and **Mark Baldwin** as well as at Precision Arms and North County Shooting Center. There is also a form at the bottom of Page 12 of this newsletter for you to mail in a check and have the tickets ready at Will-Call.

The final opportunity for nominations of your Board of Directors followed by the elections are at the May General Meeting (5/12/2022). I always encourage as many members as possible to turn out and vote. I would not be impolite enough to tell anyone who to vote for, but I absolutely appreciate having a high turnout for every election. In my family we have a policy about political discussions – if you didn't vote, you don't get to complain about politics.

# BULLET POINTS

## Landscape Work Party

The Landscape Work Party on March 27<sup>th</sup> was a huge success. We had 91 eager volunteers that accomplished an awful lot of work.

The Landscape Committee led by **Alonzo Clark** and **Breen Emery** have been planning this event for many months. They set up teams including the Trimmers, Weed Whackers, Lumber Jacks, Skidders and Chippers. It was amazing to watch as everyone was clearing brush, dead and fallen trees from beyond the fence perimeter. The material was either thrown over the fence or skidded out with 4WD vehicles and the tractor and gators. It was taken to the Chipper/Shredder that ran constantly from about 7:30 am until 3:30 pm.

At the same time the masterful Lumber Jacks were cutting down 10-12 dead or dying trees in the campground which were either fed to the chipper or bucked into firewood sized rounds. At the May Work Party we plan to split all of those rounds for firewood. The mulch created by the Chipper/Shredder will be spread around the plants and trees all over the range.

Please join me in thanking Alonzo and Breen for their research and perseverance in setting up this Landscape Work Party. Thanks also go to all of the volunteers that gave their time and energy to make this day a success.

A special Thank You to "The Last Men Standing". The "Usual Suspects" - **Mark Baldwin, Chris Cote, Gary Fukuda, Patrick Russ, Darrin Eaton** and **Roger Fannin** stayed late into the afternoon/early evening to finish chipping all the branches and cutting up all the logs before cleaning up all the tools, etc. You gentlemen are truly appreciated.

## Monthly Membership Meeting

The April Monthly Meeting was held April 14<sup>th</sup>. Entertainment Director, **Smoldering Bud Smith**, as always, treated us to another rousing raffle. Other contributors to the raffle included **Elvio Marchi, Nathan Elliott, Eric Elsam, Bob Leider, Ren Everett** and **Rich Oberle**.

**Ray Bucholz** raffled off an 1844 Remington 44 Cap and Ball Revolver. The winner was **Leonard Hodges**. Next month Ray will have another exciting Black Powder Firearm for us to drool over.

Ray also presented the second Black Diamond Award for steadfast dedication to our range to **Ed Migdal**. Congratulations Ed.

**Roy Hood** won the \$25 door prize AGAIN and donated it to the Junior Marksmanship Program. The names of **Frederick Beechler, James Fairbanks, Christopher Sharpe** and **Bill Bell** were drawn for the \$400 Attendance Prize. They were not present so the Attendance Prize will grow to \$500 for the May 12<sup>th</sup> meeting. I can hear the drum roll already.

## New Casual Shooting Rules

The new Casual Shooting Rules are now posted on the EF&GA Website. The new rules will be posted in binders at each of the range kiosks after May 14<sup>th</sup> and will supersede all previous rules and signage on our ranges. We will be updating the signs, but that will take a little longer. Please go to the web site and review the updates. All members and guests are responsible for knowing and following the new Casual Shooting Rules.

### "A REMINDER" Board of Directors Elections at the May General Meeting

This will determine your Board of Directors for the 2022/2023 term.

Well, it's that time of the year again. Nominations for your Board of Directors started at the general membership meeting in April. At the general membership meeting on May 12, 2022 the floor will be open once again for nominations, immediately followed by the membership vote. Please remember to bring your membership card with you. You will need it to turn in your ballot.

Committee chairperson **Norm Porst** has informed the Board of Directors that along with the President, Vice President and Secretary positions, there will be three (3) Director vacancies for this year's election. If you know any responsible members that you think might be interested in serving the association on the BOD, please "DON'T HESITATE TO NOMINATE". Vote results will be announced at the end of the meeting. The new Board will be sworn in at the June Meeting.

### Update on Warrior Foundation Freedom Station Shooting Program

March 16<sup>th</sup> saw 13 shooters from Warrior Foundation Freedom Station enjoying a day at the range with us. This has become a regular event each month, with the guys and gals having a little "aroma" therapy with shotguns, rifles, and pistols. That day our association was presented with a Marine NCO sword to acknowledge our support of WFFS. This sword will be displayed in our clubhouse. We are honored to be helping these warriors as they transition to "normal" life. Thank you to all those EF&GA members joining me in this effort. **Linda Linaker**

### Diapers and Toys for Camp Pendleton

Diapers and toys are constantly being collected at the range to be taken to Camp Pendleton. When you drop something off please put your name and phone number in the green book by the fireplace. You will be entered into a drawing to be held later this year. I'm always trying to do better than the previous year so please give generously. Thank you all.

**Linda**

Hello Everyone

Rangemaster/RSOs, Members and Guests

The **Range Information and Casual Shooting Rules** (Revised: 4/15/22) are now available and posted to the Escondido Fish & Game Association web page. ## Important Dates:

Junior Trap 6/11/2022  
Junior Pistol 6/19/2022  
Junior Archery 6/19/2022  
Junior Rifle 7/17/2022

Where is this year going? I can't believe that we are in our 5<sup>th</sup> month of 2022. With the change from the 4<sup>th</sup> Sunday to the 3<sup>rd</sup> Sunday, Junior Pistol fell on Easter so we had to cancel the event. We will be making it up in December, however. The next Junior Pistol/Archery event will be June 19<sup>th</sup>. I hope to see you all there.

Let's not forget about the big BBQ this month on May 15th. We are honored to have our own **Samantha Cary** again this year. She sings a little country and rock. If you haven't seen her perform, you are missing out. I also have to mention that she was one of our own Junior Shooters.

Lastly, we have been working with the Rincon Fire Department on putting together a response plan in case anyone ever gets hurt at the range. This includes doing more Stop the Bleed type classes as well as more training on the AED (Automated External Defibrillator) machines. The idea is that we want to be as prepared as possible in case a serious injury occurs at the range. Some of the other things that we have talked about are fire mitigation measures and what we can expect if/when a major fire comes our way. Additionally, we want to know what they would need from us if the need to use the range as a rest area for fire crews. We will be posting more information in future newsletters.

### How can I get my volunteer hours?

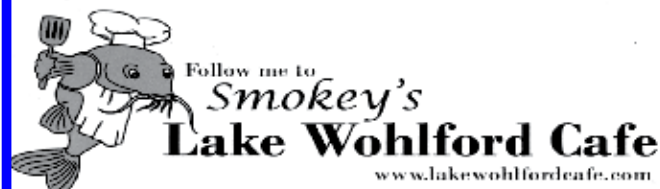

Member involvement is very important to the health and camaraderie of our Association. That is one of the reasons that volunteer hours are required as a condition of your membership. We have had many requests recently for ways to get the required volunteer hours before the renewal deadline. Here are some suggestions:

1. **Work Party on May 14**
2. **Help with a Scheduled Event:**

Check the Calendar in the newsletter or on the website. Determine if there is a scheduled shoot at a time that works for you. Contact the Shoot Chair for that event. They are all listed with their contact information on page 6 of this newsletter. In the April newsletter (Trap Corner, page 12) **Darrin Eaton** wrote an article outlining the many tasks needed to hold a good Trap Shoot. There should be something there you can help with.

3. **Help at the Bar-B-Que May15:**

Contact **Ed Migdal** at 760-752-1554 if you can help with the Bar-B-Que or **Roger Fannin** at 760-746-0943 if you can help with parking control. As mentioned in the Bullet Points for the past several months, "Your yellow card with confirmation of your volunteer hours completed must be submitted with your renewal. If you have not completed your hours, your membership will not be renewed."

# TRAP CORNER

by Darrin Eaton

## More 5-Stand

On the 2<sup>nd</sup> Saturday each month, we need to set up the 5-Stand machines for Junior Trap later that evening. Rather than shutting down the Ranges in the middle of Afternoon Trap, someone (**Dave Robertson**) came up with the idea of setting it up at the same time that we set up Saturday Trap (2:00). This means that on the 2<sup>nd</sup> Saturday of each month, we can make sure that the 5-Stand Course is set up properly for the Juniors and we can shoot some 5-Stand in the meantime. While this is going on, we may also recruit participants to help coach Junior Trap later that evening.

## A Rising Star

At four of the last six InterClub matches this season (Escondido, Imperial Valley, Maywood and Redlands) we had an EF&GA member bring home a trophy. **Randi Michael** has steadily and quietly dominated the Women's Division. We are all very proud of her excellence and we all look forward to her next series of trophies while representing EF&GA.

# BLACK POWDER NEWS

by Garth Warner

**Next Muzzle Loading Bullseye:** No contest in May.

**Next Primitive Archery:** Scheduled for May 1st in the Campground. Contact **David Premetz** at 760-489-1082 or [slixgunr@yahoo.com](mailto:slixgunr@yahoo.com) for more information.

**Next Muzzle Loading Silhouette:** Scheduled for May 22nd on the 150 range. This is the Super Short Course with targets at 25, 50, and 75 yards for Rifle and TRADE GUN. Single Shot Pistol and Revolver will be at the same distance.

**NOTE:** This contest is designed for the brand new or inexperienced, entry level black powder shooters. If you want to shoot your replica Hawken, or Kentucky rifle in a contest, THIS is where you start. It also allows those who shoot Trade guns a chance to compete at a reasonable distance. Knocking down steel silhouettes with a black powder rifle is fun, but can be frustrating when the silhouettes "dodge" those close shots.

You need to bring your own equipment. There will be experienced shooters competing, that can walk you through the program. We will help if you have a problem. If you have been "on the fence" about shooting your black powder rifle or pistol, this contest is for you. Both Rifle and Pistol will require up to 18 rounds to complete the course of fire.

Range setup starts at 0630. Pistol starts at 0830. Rifle starts at 10:00. Sorry, we don't shoot "In-lines". Contact **Garth Warner** for more information at [gwarner@cox.net](mailto:gwarner@cox.net) or 760-738-5070 from 9am to 8pm.

**Rifles:** Last month I talked about pistols and revolvers that could be used in Silhouette contests. This month let's look at Rifles. There are lots of black powder rifles to choose from. Do your homework before you buy.

As I said last month, you are looking for something with a slow twist barrel. Many modern manufactures are offering fast twist (1-28) barrels for Sabots in "replica" rifles used for hunting. We shoot only patched round ball. For Round Ball, look for a rifle with a twist of 1-48 OR SLOWER.

The most common pre-owned replica rifles you can find are going to be Thompson Center Hawken rifles. These most often come with a 1/48 twist barrel. Also available are Traditions, CVA, or Dixie rifles. These can be found in Hawken or Kentucky Rifle configurations. Of the above, pre-owned Thompson Center rifles can get to be unreasonably pricey. The ballpark for a pre-owned Thompson Center, in good shape, is around \$300. If you

can find a Thompson Center rifle with a Green Mountain Drop In Replacement barrel, snap it up, or be prepared to pay more. The Green Mountain barrels are 1-70 twist, and very accurate at range with the right loading.

I know some of the Traditions rifles were offered in a 1-66 barrel twist. This would be about right for Round Ball. Of all the currently manufactured rifles, I would take a look at the Lyman Great Plains Rifle (Not the Hunter or Signature Series). These can be purchased as kits, or as assembled rifles. They can be pricey at \$550 to \$750 new, or frequently less expensive if pre-owned.

Finally, Pedersoli offers a variety of black powder rifles with fast twist barrels and a shiny finish. They are VERY pricy (1K and up). With fast twist barrels, they are not suitable for the course of fire that we shoot. If you are in the market for a black powder rifle, come out to one of our contests and see what other people are shooting before you make a financial mistake.

**Caliber:** The most common rifles we see at the contests are a few 45s, a lot of 50s, and 54s. Anything smaller than this (32s, 36s, or 40s) will struggle to knock down the steel silhouettes at range. The argument about which is "best" is ongoing and never ending. Note that most of the Master Class shooters use 54's. Draw your own conclusions.

**Action:** Percussion or Flintlock? Up to you to decide. Percussion is a little easier to get started in. It can be a little more challenging to make flintlocks work reliably until you develop some skill with them. Whatever floats your boat.

**Next Time:** Support gear to make it happen. I will list what you need to get started for shooting from the bench at the range.
