From the President's Point of View

Shoot Chair Shout Outs

Board Member Chris Cote has completed meetings with all of the shoot chairs. The meetings get everyone on the same track and update everyone to any updated requirements. Until you sit down with these folks or attend their events it's hard to imagine how much work is involved. The Board requires a lot from these volunteer positions. And it's done because of their commitment to the Association and love of their sport. I personally want to thank all of them. Here's a thought, I know many of you help out these chairs, and that's much appreciated. Maybe once in a while buy their lunch after the shoot. Let them know you appreciate their commitment.

Life Membership Nominations

The current life member committee, Jay Zimmet, Bud Smith, Ren Everett, and Norm Porst, is accepting nominations for life membership.

Life Member Candidate Requirements per EF&GA Bylaws

Must have been a Regular or Senior member for at least three years and must have performed "outstanding service" for the Association. This "outstanding service" must have been performed over a period of time and must consist of more than a single act. It must be of such a nature that it can be documented by the Committee for presentation to the Board of Directors. candidates have performed Directors. It is desirable that outstanding leadership such as an Officer, Board Member or Chairperson of the Association in a satisfactory manner.

If you know of someone worthy of this honor, please submit your letter of recommendation and documentation to a committee member. The committee will present their recommendations to the Board of Directors, and the Board of Directors will announce any approvals at the April 2019 Board of Directors and general meetings.

Final Notes

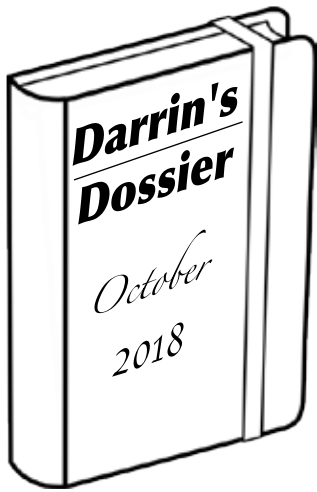

The feedback on my last View was very positive even though it had some negative thoughts. A member thought long term notice for the clean ups would help families plan ahead. In all newsletters and the web site you will find all the clean ups planned for a year in advance. Great suggestion. A word of caution - if you use the clean ups to get your provisionary hours don't wait until the last moment, because life happens.

Norm Porst

Calling all member / contractors. We have many electrical, carpentry, and plumbing projects we need to catch up on. Association will pay for materials and labor if needed. Give me a call or email if you can help out.

Upcoming Work Parties

December 8th, 2018, February 17th, 2019, May 18th, 2019, August 18th, 2019.

New Member Sponsorship

We all know that we have a long waiting list for membership. When people ask about the process of getting on the waiting list, the topic of finding a standing member to sponsor an applicant comes up. If you sponsor an applicant, you are vouching for the character and firearms experience of the applicant.

I have had people ask me to sponsor them via email when I had never met them in person. If I have not stood on the firing line with someone and/or do not know him/her beyond a casual acquaintance, I will not put my name or signature on their application. If someone asks you to do the same, remember that you are putting your reputation on the line as well. Just something to think about.

Make Time to Attend a General Meeting

Bring a friend to the next General Meeting and one or both of you could win a few bucks. At the last General Meeting, Geoff Orchin won the \$25 door prize. Had he attended the meeting, John Rowe would have won the \$500 Attendance Prize. The next General Meeting is 10/11/2018. If you don't show up, you can't win.

Donor List (9/13/2018)

Thanks to all who donated to the raffle table at the last General Meeting – **Smoldering Bud Smith, Bill Williams, Joyce and Frank Alessio, Mark and Laurel Baldwin, Neil Pisk, Wayne Brunner, Craig Rogers, Larry Mayer, Dana Christensen, Bob West, Pam Tucker, Ray Bucholz, Al Anzelone, Ed Migdal**

Be a Raffle Donor

Your donations help support our monthly General Meeting Raffle. Our entertainment Chairman is Bud Smith. If you have items you would like to donate to our monthly General meeting raffle, please contact Smoldering Bud at budsmith223@gmail.com. Please consider new or used items in working order. Thanks for your support.

SDCGO is our local voice in all things 2nd Amendment. Mr. Schwartz has had face time with Sheriff Gore, has appeared on almost all the local news stations, and testified on our behalf before many different government inquiries. Come listen and get current on the things that affect us most.

🔫 Left the Range

Paul Johnson became a member of EF&GA in 2011. He passed away in July of 2018. Please remember him and his family in your thoughts and prayers.

🔫 Memorial Service (10/22/2018)

There will be a memorial service for Dick Cross on Monday, Oct. 22 at the campground from 1:00 to 4:00. This will be a celebration of life for a long time member and a great friend to all who knew him.

🔫 Archers of the Lake

Traditional archery has four classifications: Recurve, Longbow, Primitive, and Horse bow. No compound bows or crossbows are used.

Several challenging courses of fire are used throughout the season. The target selections used comply with the selected course of fire and traditional archery specifications. Target sizes and distances vary to make the courses fun, challenging, and interesting. Distance judging skills along with archery skills, some Kentucky windage know-how and pure old fashioned luck all combine to make for a fun event. AotL events are scheduled for the first Sunday of the month starting at 11:00AM. Check the EFGA monthly calendar and website for dates and listing. The Nov 4th event starts at 1pm. See the Traditional Archery listing.

If you want to get started in traditional archery, or improve your skills for that elusive Robin Hood shot, come join and get in on the fun.

🔫 NRA Metallic Cartridge Reloading Class (10/13/2018)

Although ammunition is now plentiful there are California restrictions (was Prop. 63, passed, now SB1235) that have since been generated to hinder such purchases both in-store and on-line. The opportunity to learn reloading techniques that will allow you to produce timely, consistent, accurate ammunition while receiving NRA certified reloading instruction is available on Oct 13th, 2018.

The First Part is strictly academic in structure and conducted at the EF&GA meeting hall. This session, 8A.M. on Saturday, Oct 13th, 2018 and will last until approximately 12 noon.

The Second Part is a "Hands On"

reloading bench experience. This session generates the practical, detailed experience necessary while you successfully complete a number of your personal reloads. Scheduling the second session will be at a mutually agreed to time and date. This scheduling will be completed at the 1st session.

The cost is two tiered: EF&GA members = \$100; non-members = \$110. For those individuals beginning and are without any reloading supplies (empty cases, powder, primers, etc.) a \$10 surcharge will be applied. Prior registration and a \$20 deposit is required to secure a place in this class.

Registration is necessary and limited. For more information, contact Elvio Marchi at elvio1@cox.net or 760-734-3942

NRA Certified RSO Class (10/14/2018)

There will be an NRA Range Safety Officer class on Sunday, October 14 from 08:00 - 17:00 in the Meeting Hall. The class is primarily for RSO's, Shoot Chairs and the BOD but members are more than welcome to sign up. Please email crsojay@escondidofishandgame.com for information and to register.

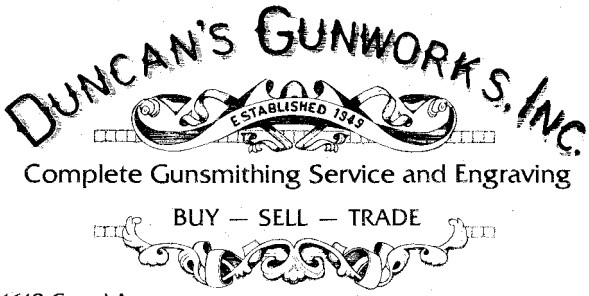

Note: There will be a cost for materials (~\$25).

Coaches Course (10/21/2008)

There will be a coaches course taught on Sunday, October 21, 2018 from 7 AM to approximately 5 PM.

We will be covering rifle, pistol, and archery. If you have wanted to come and help at one of the Junior events but thought you didn't know how to coach then this class is for you. Besides the Junior events, the knowledge will also help at women on target and any other event that uses coaches and can maybe teach you something that you didn't know or remind you of something you perhaps forgot. Come out and join us and have a good time.

Please email Ren Everett at everettju1@cox.net if you would like to attend.

RANGEMASTER SOUND OFF

By: Jay Zimmet – CRSO • crsojay@escondidofishandgame.com

“Over the last few months some of the RSOs and I have participated in the New Members Orientation to a large and eager group of range “newbies”. I don’t necessarily mean new shooters, but new members at this range who need to learn our rules and regulations. Some have gone blind trying to read all of our signs...

So what I am asking all of you (remember you are all RSOs) is to assist our new members and your guests with learning our procedures. If you see them doing something incorrect, please introduce yourself and help them understand how not to get hollered at and tasered (one target on the short pistol range)!

I actually had someone read my article last month and he had a question regarding the Hot/Cold procedures and why I wanted the Lights Off (am I just cheap and don’t want to pay the electric bill).

The default state at the range is HOT (lights Off) – just like any firearms is always loaded until you verify otherwise.

It is an exception when the range is COLD (lights On) and everyone at that range should be cognizant that there is a cease-fire and no handling of firearms and equipment.

Cold Range:	Hot Range:
<ul style="list-style-type: none">• Blue Blinking Lights ON• DO NOT handle Firearms & Equipment• Handle Targets• Sweep up brass behind the Yellow and in front of the Red line OK TO GO DOWN RANGE	<ul style="list-style-type: none">• Blue Blinking Lights OFF• Handle Firearms & Equipment• OK to Load/Unload Vehicle• Sweep up brass behind Red line DO NOT GO DOWN RANGE

We have a lot of shooting activities at the club, but did you also know we also have a large selection of training classes (check the website and newsletter) available from some great instructors. I want to take the Women on Target class just so I can get Steve Sparks to teach me how to shoot...!!!

I have “weaseled” my way into some of these classes and will assist in teaching and imparting my Cowboy Wisdom on Safety, Shooting and having a good time as long as the other Instructors do not “hang me”.

As always I am looking for members who are interested in becoming Rangemasters (RSO) and assisting the range and other shooters. It is a great way to meet our members, keep the range safe and see some very interesting firearms that people bring out to play with. If you are interested or have any questions, please send me an email and I will contact you.

It’s that time of the year to be on the lookout for the “It’s the Great Pumpkin, Charlie Brown.

BLACK POWDER NEWS

by Garth Warner

October will usher in our next standard Short Range silhouette contest. Targets will be at 50, 75, and 100 yards. This is an excellent opportunity for another "Possible", (perfect), score for those that have refined their skills over the summer. It is NOT impossible, but can be very, very, challenging with a muzzle loading rifle. We have a special medallion to award if you can do it. We have only handed out a few of these over the years.

October also marks the 4th contest of a six contest series in our Black Diamond Silver Challenge cap and ball revolver contest. Ray Bucholz is providing a silver presentation Pietta cap and ball revolver to the person that has the top cumulative score over a six contest series. We will find out in December who wins. Ray is also willing to provide awards for a new pistol class called Cap and Ball Dragoon Pistol.

(Walker Colt or replica saddle pistols). The hitch in the git-along here is that there has to be a minimum of three contestants for the awards to be presented. As always, the pistol contests are held at ranges of 25, 50, and 75 yards.

For the remainder of the year the rifle contests will follow this course of fire. November will be an "Across the Course" contest. There will be three targets per frame from 25 to 150 yards, For December we will have a special event co test using the standard Short Range course from 50 to 100 yards. More details on the day of the event.

Post Script: If you look at the August scores they look pretty low compared to shorter range contests this year. Keep in mind that these folks are shooting at a football size target, with patched round balls, from a muzzle loading rifle, with fixed iron sights, at ranges from 100 to 150 yards, OFF HAND! That makes Tom Arendell's score of 11 pretty impressive when you realize that he is standing on the line, and loading from a bag, to get these scores.

Thank you
Garth Warner

TRAP CORNER

Volunteers Needed

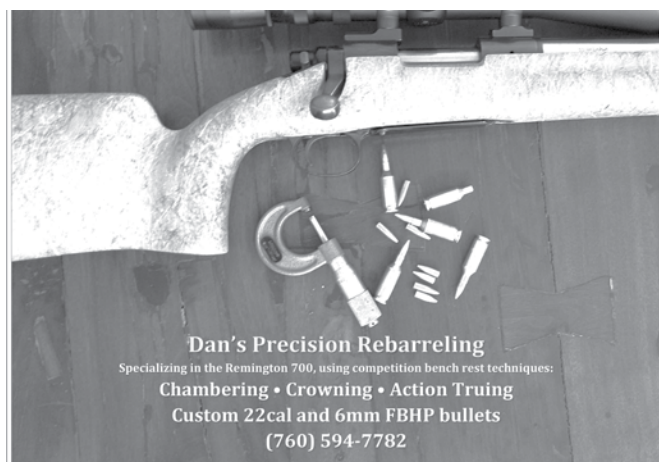

Our shotgun program is growing and changing and we are always looking for more people to volunteer to keep the program going. Helping to load the target machines and helping to keep score are great ways to keep the events moving smoothly and minimizes interruptions in the events. Showing up for a Work Party is also greatly appreciated. I have had to run numerous events and I can speak from experience when I say that when more people step up and help out, everyone is more involved and there is a lot less waiting around for your turn to shoot.

New Trap Machine

The manual clay target launcher was replaced at the last Work Party and it is a great success. It is easy to operate and it launches the clays much further than the old antique machine that it replaced. Please be sure to cover the machine when you are done using it. If you want instruction on how to operate it, please contact me or any other Trap Master.

InterClub Shoot (10/20/2018)

The next InterClub Shoot will be held at the Lakeside Sportsmans Club on Saturday, 10/20/2018. The property is in Boulevard, east of San Diego. \$30.00 for 100 targets, 50 @ 16 yds., 50 @ handicap. Lunch is included. For driving directions, carpool, and/or caravan information, please contact Darrin Eaton at deaton@escondidofishandgame.com

How to place a classified ad in the newsletter

Please help to keep the classified section easy to read and well organized. There is no cost as long as you are an EF&GA member in good standing. Classified ads run for ONE newsletter (one month). If you want to repeat an ad for another month (with price adjustments, etc...) simply re-submit the ad request via e-mail.

Please submit requests for classified ads via email to newsletter@escondidofishandgame.com and be sure to double-check for spelling and grammar errors.

It may sound obvious but requests for classifieds are frequently received with not enough information to be useful to a reader. **There are 5 main components of a classified ad:**

Category – Most classifieds fall into one of 3 categories, 'For Sale', 'Wanted', or 'Lost & Found'.

Subject/Title – This will appear in bold in the advertisement. This should be short (2 or 3 words) and concise.

Description – This is the body of the advertisement and can be a few sentences but not more than a paragraph. Abbreviations appear cryptic and are not recommended unless they are well known acronyms.

Price – A specific dollar amount as well as qualifiers give the reader important information. For example, "\$600 or Best Offer, Buyer pays DROS, Will consider trades"

Contact Info – This should be a name AND a phone number (including area code) and/or an e-mail address.

DEADLINES!!

Volunteers Make it Work

by Patrick Russ

The Junior Marksmanship program, at the Escondido Fish and Game Association is comprised of many different parts. You have the shoot chairs and assistant shoot chairs that are responsible for the overall event including setting the dates, preparing and bringing all of the firearms and ammunition that are required for the event and solving problems as they arrive. Then you have your volunteers. These are the people that really make a difference in the event. These are the people that really make the event happen. To run a Junior Rifle event, Ren Everett

needs a minimum of 33 dedicated volunteers. From cooks and kitchen staff and IT staff to people to score the targets, run the armory, run the firing line and actually coach the kids. To run a Junior Pistol event, I need a minimum of 20 enthusiastic volunteers. The Junior program is extremely lucky in the fact that we have a small group of volunteers that are at every event. While I know I will miss a bunch of them, I would like to mention some of the standouts that are there early, every month. The first would be Tony Pendzich, Tony has been running the armory for at least the last two years. He and his group of helpers ensure that each child is given the proper rifle and that any issues with the firearms are handled quickly, in order to keep the child on the firing line. He is also my backup on the radio and another set of eyes on everything that happens behind the firing line. He literally has my back since I am generally focused on the shooters. Tony has helped streamline the process and is a big part of why these events are so successful. The next is one of my absolute favorites. As Ren will be the first to say, Kim Everett, his daughter, is the brains and organization of the program. She, with the help of a Junior Coach, are responsible for signing in the shooters, assigning them to a relay and making sure that the firing line and the armory have up to date rosters. This is no small task and must be a lot like herding cats in a hurricane, but she does it and she does it extremely well. She is truly the lynch-pin in the program and we are very lucky to have her. This is not a complete list; this is just a couple of the many outstanding volunteers that have devoted themselves to the program.

The Jr program is always looking for more coaches and other volunteers. If you want to have a great time and love to see children doing great things; I promise that you will not be disappointed. And if you don't think you know enough to be a coach, we have the solution. On October 28th, Ren Everett will be holding a coaches class. This class will cover rifle, pistol and archery shooting. It's a great class and you will learn a lot. And guess what, the following Sunday you can use your new found knowledge in the Junior Pistol event. The main focus of a coach for the Junior program is SAFETY followed by fundamentals and enjoyment.

I would like to remind everyone that October is Breast Cancer Awareness month. I would love to see as many people as possible wearing pink to the Junior Pistol event on October 28th, to support some of our own that have been diagnosed with and have beaten this horrible disease.

Escondido Fish and Game would like to thank the following Marines of 1st Light Armored Reconnaissance Battalion "Tip of the Spear", for their incredible assistance with the Junior Rifle competition on September 16th. Cpl Wyatt Pankowski, Cpl Omar Silva, Sgt Camilo Simmons, LCpl Dustin Rodriguez, Cpl Demaroes Boquet, PFC Kenneth Bear, Cpl Dominique Caallium, LCpl Daniel Fallgaiter, LCpl Andre Jalloh, LCpl Lucas Murphy, PFC Connor Terrell, SSgt John Renner. Your outstanding willingness to help in all areas has made a huge difference. I am proud to see the dedication of these Marines to the program. I have seen them do amazing things with the kids. I know that many of the kids like to brag about being taught how to shoot by a United States Marine. Semper Fi, Marines!!!

Pictured above is a typical Southern California Coyote. They live in rural and most rural/urban areas. Coyotes are most often seen very early in the morning or during the evening hours. Coyotes feed on small mammals and birds. They can be opportunistic feeders in an urban environment and small pets can be at risk. It IS NOT NECESSARY to call 911 if you spot a coyote in your neighborhood. Only call 911 if the following Coyote behavior is observed....

- Carrying any product by ACME
- Carrying an Anvil
- Wearing a Rocket Pack and Roller Skates
- Carrying any box marked "TNT"
- Moving directional Road Signs
- Building a Catapult
- Loitering in the back of a retro 1970s Plymouth dealership
- Wearing a gold "Gangsta" medallion spelling "Whyil-E"
- Loitering in the back of a "Chick-fil-A"
