## Darrin's Dissertation

Last month, we had some unusual weather. After a few weeks of unbearable heat and humidity, we had the remnants of Hurricane Kay march through our area causing havoc. At my house in Oceanside, we had a little wind, some mild and intermittent rain, but nothing major.

When I went to the Range on Saturday (after the storms), I found that Valley Center had a very different experience. There were trees knocked over, broken branches blown down, chairs and 5-stand cages scattered around, and general mayhem left behind. **Chris Cote** and **Mark Baldwin** surveyed the damage so that we had an idea of the scope of the problem.

The next morning, **Chris Cote** and I got together and used the tractor, my pickup truck, rope, chains, and some tree-cutting equipment to start clearing out the mess. It seemed like every few minutes I was dragging another branch or limb over to the open area between the Campground and the 150 Range. **Jim McKim** had just finished running the 22 Silhouette Match when he came over to find out what was going on. Now there were three of us getting the property cleared for safety and beauty. After a long day of at least getting the big chunks cleared out, we had quite a pile of brush and debris.

The next day I talked to **Dean Dorman** about what to do with that huge pile of brush and debris. At first we considered getting a large dumpster and having it hauled away but dumpsters are expensive and in short supply. The soonest that we could get one would be a week later. After some emails around to people involved, **Jim McKim** went out and hacked up the big pieces into smaller and more manageable pieces. Also, **Dean Dorman** and 'Tuck' got together and cleared more brush along the Archery Range, the Campground, and the 150 Range. Now we had a large pile of brush fire fuel and snake habitat.

I was off work the following Friday afternoon and after some brainstorming, phone calls to vendors, and discussions with some smart EF&GA members, we decided to rent a wood chipper and get it done. I picked one up in Valley Center and towed it to the Range. **Gary Fukuda** was there working on the cement forms for the Flagpole Monument and generously agreed to operate the tractor so that I could feed the wood chipper. While we were getting set up, we ran into **Linda Linaker's** adopted grandson, **Nathan Elliott (Hot Dog)** at the Pistol Range. He agreed to help feed the chipper, and in one afternoon, we ground up the entire pile of brush and debris.

When all of this started a week earlier, we identified a safety concern. We got together and addressed the problem directly. Along the way, people stepped up and helped solve the problem. Nobody complained, we just got together and got it done. I found it inspiring that members of the Association saw what was happening and wanted to be part of the solution. I consider it an honor to be part of an Association that is made up of such fine people.

# BULLET POINTS

## Flag Pole Monument

Construction of the new Memorial Flag Pole display is almost complete. Much of the cost for this project will be covered by donations. If you

would like to contribute to this project, please send your donations to EF&GA, C/O Monument Fund, P.O. Box 460506, Escondido, CA 92046.

This month we received donations for the project from the following members:

**Dennis and Susan Bailey**

**Andrew and Sandra Yancey**

**Jean Harris**

**Richard and Lynda Salg**

**Ryan and Elizabeth Glomsrud**

Thank you for your donations. They are very much appreciated.

## Monthly Membership Meeting

The September Monthly Membership Meeting was held 9/8/2022. **Patrick Russ** won the \$25 Door Prize and no one was surprised when he donated it to the Junior Marksmanship Program. **Michael Rhamy** or **Steve Baran** would have won the \$200 Attendance Prize. Unfortunately, they were not present, so the prize will grow to \$300 for next month.

**Pamela Tucker** ran the Mom's Creek/Black Diamond raffle at the General Meeting last month with the help of **Ron Bucholz**, Ray's brother. Ray was home recovering from surgery. Pamela reports that he is doing fine. The team had a Hawkins Plains Rifle to send to a new home, but unfortunately, the required 30 tickets were not sold.

And...of course, our Entertainment Director, **Bud Smith** gave us another great raffle. Other donors to the raffle were: **Fred Guse, Mark Balwin, Elvio Marchi, Lucy Nelson, Nathan Elliott, Moose Cleary, Wayne Brunner, Roy Hood, Bob Leider, Rich Oberle, Linda Linaker, Eric Elsam** and **Bud Smith**.

## 100 Yard Range Project

### VOLUNTEER HELP WANTED

On Saturday, October 15 at 1:00 pm, we will be moving the firing line to its temporary location at the 25 yard line. We will need volunteers to help.

We will be doing all the work on the project ourselves. If you have construction, painter, roofer, framer, electrician or concrete finishing skills, the Project Committee would welcome your help.

Email [100Remodel@EscondidoFishAndGame.com](mailto:100Remodel@EscondidoFishAndGame.com) if you would like to volunteer for the project. If you are a new member that needs volunteer hours, this will count toward your volunteer obligation.

The range is expected to be under construction through February 1, 2023 depending upon inspections and weather. The "Proposed 100-Yard Range Remodel FAQ" is posted on the Home Page of the EF&GA website.

## Escondido Bandidos

The Escondido Bandidos were out shooting on September 3, 2022. It was another extremely hot day but 13 shooters showed up! **Clint Steele** was the top cowboy and **Lantana Lady** was the top cowgirl. There were no clean shooters this month.

The next Cowboy Action shoot is scheduled for October 1, 2022.

## Camp Pendleton JOY Drive

Hello to all of the elves at EF&GA! We are all excited to build our toy chest for delivery in December to Camp Pendleton. We are hopeful that we will exceed last years totals. We took 5 vehicles full of toys, diapers, gift cards and cash for the families of deployed service personnel. Let's keep building our "war" chest. See **Linda Linaker** 760-638-0573 for further details. Thank you all.

## Bylaws Revision Vote - Postponed

Because the mailing to the Membership of the proposed changes to the By-Laws was delayed, we have decided to postpone the vote on the proposed changes until the October General Membership Meeting on 10/13/2022. Members in good standing are encouraged to carefully read the proposed changes and vote on them at the meeting with a valid membership card in-hand.

## Upcoming Coaching Course

Don't miss the Coaches Course held on Sunday October 30th starting at 8 AM. We will be covering Rifle, Pistol, and Shotgun. Come on out and possibly learn something new, remember something that you forgot, or just reinforce what you already know and remember about the basics and fundamentals of shooting. These classes are designed to help you be a better shooter and to help you be a better coach to a shooter that you are working with, by knowing what to look for in their position, technique, etc. We hope that you will want to come out and help us coach at any of the Junior program events or at a Women On Target shoot. No sign ups are required. Email **Ren Everett** at [everettju1@cox.net](mailto:everettju1@cox.net) so he will know how many people will need the required supplies.

## Safari Park Tour

EF&GA member **Mike Romer** is the Operation's Security Supervisor at the San Diego Safari Park. Mike invited the BOD on a tour of the park last month. We had a great time and were able to see Rhinos, Giraffes, Cape Buffalo and many other animals up close. We followed the tour with a nice lunch at the Kijamii Overlook Watering Hole. A big Thank You to Mike, Mr. Robinson, Noah and Jon for their gracious hospitality.

### Letter From an Old Friend

Howdy Folks,

Just wanted to let everyone know all is well in AZ and I have survived the summer... You know its hot when your cold water tap is hotter than your hot water!

I am enjoying the shooting opportunities here and shoot Cowboy 3 times a month, Clays a couple times a month, and Trap league once a week in the early evening. The guys I shoot trap with are pretty good. I have had to learn to shoot from the 27 yard line....

I have also volunteered at Ben Avery and it's great to have no responsibilities other than "correcting stupid". I am working on them to get a taser....

# RANGEMASTER SOUND-OFF

by Gary Fukuda

Hello Everyone,

We are still talking about a few things because they are continuing to happen.

Firearms are still being left at the Range. Make sure you check the range that you were shooting on before you leave as to not leave anything behind.

Recently people have been speeding on the range. The speed limit is 5 mph. No dust please.

We have been seeing children being left in vehicles while the adults are shooting. Children at the Range should be supervised at all times.

Members bringing guests need to have the guest(s) with them at all times except for when using the restrooms.

The Green Sheets. If you sign any of the Green Sheets and there is not a Date and Range filled in, can you fill in the Date and Range? There are Green Sheets being turned in with no Date and Range information filled in.

All shooters remove your targets from the target backers and return the target frames back to the designated area.

Make sure that what you bring with you to the range, you also take back home with you.

If you have any comments, concerns or questions please feel free to contact me at 760-420-7488 or [Gfukuda@escondidofishandgame.com](mailto:Gfukuda@escondidofishandgame.com)

Be safe and try to participate when you can.

Thanks,  
Gary Fukuda

## InterClub

10/22/2022

The next InterClub Shoot will be held at the Lakeside Sportsmans Club on Saturday, October 22<sup>nd</sup>, 2022. The match consists of 100 targets, 50 @ 16 yds., 50 @ handicap. Sign-ups are at 8:00 am and shooting starts at 8:30. Lunch is included. These events are always great fun and we always have a great time. The property is in Boulevard, east of San Diego. The road to the Lakeside Range includes some travel on dirt roads so choose your vehicle carefully. If you get there early, they will be serving breakfast starting at 7:00. For driving directions, carpool, and/or caravan information, please **contact: Darrin Eaton** at [deaton@escondidofishandgame.com](mailto:deaton@escondidofishandgame.com)

## Keeping It All Together

At the Range, we have three regular Trap machines in the bunkers and ten other machines used for 5-Stand. Many of us have helped set them up, tear them down, and load them with targets. Have you ever considered what it takes to keep them all operational? After dealing with a few issues and assisting in some repairs, I have come to the conclusion that they were originally designed by Rube Goldberg. They carefully remove a clay target from the bottom of the stack and on command throw the target at speeds up to 60 miles per hour without breaking the targets. With all of the moving parts like motors, hydraulic pumps, valves, sensors, cams, elevators, rubber bands, other widgets, there is a lot that can go wrong. So, constant maintenance is required.

**Bill Sargent** maintains the three Trap machines in the bunkers. At his day-job, he owns a fabrication company that uses precision CNC machines. His understanding of hydraulics, circuitry, and experience with these machines made him a great fit to keep them going. He is also an excellent Trap and Pot shooter.

**Carlos Torrez** is an electrician by trade and loves 5-Stand. After working with him a bit I have learned that he has the brain of an engineer. He cleaned up a lot of obsolete and unnecessary wiring from the trailers and also resolved mechanical issues with the 5-Stand machines with no manuals or documentation on the machines. He also has a knack for designing different and interesting 5-Stand courses adding variety in how the game is played.

The fact that both of these gentlemen are willing to do the work along with their unique skills results in a fleet of operational Trap machines. If you see them on the Range, be sure to thank them for their efforts to make our Trap, Pot, and 5-Stand reliable, safe, and fun.

# Junior Corner

by Patrick Russ

The Escondido Fish and Game Association Junior Marksmanship Program is very proud to announce that our own **Ella Gatien** graduated Marine Corps Boot Camp on September 2<sup>nd</sup>, 2022. **Private First Class Gatien** graduated with Platoon 2142, Golf Company from MCRD San Diego. **PFC Gatien** is currently attending Marine Combat Training (MCT) on Camp Pendleton, CA. Once finished she will move on to Pensacola, Florida for Aircrew training. Ella has been a part of our own Junior Marksmanship program for many years. We wish her the best of luck in her new career.

## *Semper Fidelis*

With all the craziness going on in Sacramento with AB2571 and AB160, we have had to put our Junior program on hold. Please keep an eye on our website for updates. With any luck AB160 will be signed and we can start up the program again.

As many of you have noticed, we are working on the new monument/flagpole. We are currently about halfway finished. It has taken a lot of work to get to this point. I would like to thank **Gary Fukuda, Jack Starlin, Chris Cote, Rick Baugh, Nathan Elliot, Todd Ellerby** and **Austin Ellerby**. These guys have been working hard to get this project done properly. When I first looked into doing this project, I had no idea how much work that it would take, but these guys have been getting it done.

## *Monument Donations Welcome*

We are still in need of funds for the completion of the monument and flagpole at the center of EF&GA recognizing all individuals who served in any branch of the military for our country.

If you would like to be a part of showing our respect and appreciation to those that put their lives on the line for us, please help us fund the remaining need. Any level of contribution is welcome and appreciated. To be completely transparent, EF&GA is a 501c(4) non-profit organization, but not a 501c(3) non-profit. Your donations are NOT tax deductible.

You can easily donate by sending a check made out to:  
Escondido Fish and Game Association (Monument Fund)  
P.O. Box 460506, Escondido, CA 92046.

If you have any questions or concerns, please email **Patrick Russ** at [PRuss@EscondidoFishandGame.com](mailto:PRuss@EscondidoFishandGame.com) or 760-644-2751

Dedication Plaque reads:

**"The Escondido Fish and Game Association dedicates this monument to the men and women who honorably served and continue to serve in the armed forces and first responders of the United States. During times of war and peace, their courage and personal sacrifices defend and preserve our freedom and safety."**

**"Greater love has no one than this: to lay down one's life for one's friends: John 15:13"**

## *"Lest We Forget"*

Thank you for your time and consideration.

Sincerely,

Escondido Fish and Game Association Monument Committee

**Muzzle Loading Bullseye:** Scheduled for Oct 2nd is the Muzzle Loading Congress for Rifle, Pistol, and Tradegun. Contact **Patrick Watson** for details.

**Traditional Archery:** Dave has canceled this one due to the length of the Bullseye contest. Watch the calendar for updates. Contact **David Premetz** for details.

**Muzzle Loading Silhouette:** Scheduled for Oct 23rd. This should be a Standard Short Range contest with rifle targets at 50, 75, and 100 yds.  
I may be absent for this one due to health issues.

**Muzzle Loading Silhouette for November:** This will be the Shoot Chairs choice as a special event. Tasks will be announced at the Contest.

**Just a reminder** - There will be NO CONTEST in December as it falls on Christmas Day. I would go, but I would be divorced by the time I got home.....

**Colt Dragoon Pistol Contest:** If we can get 5 or more entries, **Ray Bucholz** will sponsor a unique award. Here is how it works. See Ray at the January Silhouette Contest. On entry, you will receive a paper target. You will have from the 4th Sunday in January to the 4th Sunday in March to shoot the target at your leisure. Targets must be turned in to Ray to score no later than March 26th. You MUST show possession of a Dragoon Pistol to enter.

## TOP GUN CONTEST RESULTS:

At our August contest we started the day with a Top Gun Shootout. People who won a contest in 2021 were invited to participate in an event that tested their skills from 25 to 150 yds. Each range yard line had a single frame set-up with three targets. Contestants could start with a loaded rifle, and had 7 minutes to knock down steel, one shot per silhouette. After each relay, contestants would move one frame left while the targets were reset. This continued until each contestant had a chance to shoot the whole course of fire. Congratulations to **Tom Arendell** who managed to squeak out a win, (by 5 points). (BTW Tom has won a majority of these events over the years. We keep waiting for him to get old and slow...)

## 2021 Top Gun Shoot-off Results:

Tom Arendell	14
Ren Everett	9
Alex Luz-Olson	7
Brian Kowalski	7

The Top Gun contest was followed by a regular Long Range rifle contest. True to form, if you did well in the Top Gun, you tanked Long Range. There was NO pistol contest this month due to the Top Gun.

*Relive the simpler days of Old California with us...*

*Rancho Guejito Vineyard grows its grapes in the fine soils and climates of the last remaining intact Mexican land grant in California. Our 23,000 acre ranch was established in 1845. Nearly 175 years later, we have kept the tradition of cattle ranching, agriculture, and wine making alive.*
