New members

Welcome to all of our new members. Your Board of Directors is wishing the best of luck with your membership in our association and looking forward to many years of serving each other to maintain a safe and fun environment. Please plan ahead and get your six hour volunteer time done as soon as possible.

Some Reminders

Lock Door Policy - Please remember that the new closed door policy is very simple. If you open a door to any of the buildings on our property, you are responsible to close and lock that door. Do not leave the door unlocked in the hope that someone coming in after you will lock it.

Junior Member practice - The policy for junior members coming to the range for casual shooting is:

- Adult supervision is mandatory. Adult supervisors may not be shooting.
- Junior members may not bring guests to the range. (Exception is the adult supervisor)

Junior Muzzleloading

The first Junior Muzzleloading shoot will be held on March 12, 2017. This will be a great opportunity for our young people to get a little taste of firearms history, as well as learning the safe handling of black powder firearms. Pre-registration is not required but preferred. Please contact:

Have a Safe, Healthy,

&

Happy Holiday Season!

Neil Pisk

PLAY SAFE, STAY SAFE

The content below is from last December but I believe that it is still relevant this year as well.

Season's Greetings

The holiday season is upon us so I want to take this opportunity wish everyone a Merry Christmas, a Happy Chanukah, a Fabulous Festivus, or a wonderful...

whatever you choose to celebrate. It is great that we all have the freedom in this country to choose what we celebrate and how we choose to do so.

While I'm on the topic of the holiday season, please remember to practice safety with friends and family. If you have had a little too much liquid cheer, there is no reason to put yourself or others at risk. We are constantly teaching each other about personal responsibility with firearms and a vehicle can be just as deadly especially when one is impaired.

In addition to the safety and personal responsibility reasons, a limousine for an entire evening is about 1/10th the cost of a DUI if there is no damage or injuries. In those terms, an Uber or a taxi is dirt cheap. Prepare a plan before you go out to make sure that you make it home safe and sound. If you take an Uber or a taxi TO a holiday party, you won't be tempted to drive home because you won't have a vehicle with you.

Make Time to Attend a General Meeting

Bring a friend to the next General Meeting and one or both of you could win a few bucks. At the last meeting Rich Sorcinelli won the \$25 door prize. Had he attended the meeting, Scott Hodulk would have won the \$500 Attendance Prize. The next General Meeting is 12/8/2016. If you don't show up, you can't win.

Donor List (11/10/2016)

Thanks to all who donated to the raffle table at the last General Meeting – Joyce and Frank Alessio, Eugene Deminianiuk, Pamela Tucker, Ray Bucholz, Rich Sorcinelli, Bill Williams, Julie Pendzich, Wayne Brunner, Brian Rasmussen, JW Bailey, Lonnie Fowley, Eric Elsam, Robert Smith, Michael McKinney, Warren Brader, Leonard Hodges, Craig Rogers.

4. **Keep** your firearm on safe until you intend to fire.

By Patrick Russ

2016 has been a great year for the Jr Marksmanship program. We have seen a rise in popularity of many of the events. We have been seeing lots of new faces with the coaches and the shooters. We have seen huge growth in many of our coaches and shooters. Scores are improving and the fundamentals are being mastered. As always, safety remains our highest priority. We have introduced the Treat, Never, Keep, Keep concept to help the kids learn and remember the major safety rules. In September we began starting each Jr Rifle event with the singing or playing of the Nation Anthem. A very special Thank You goes out to Samantha Cary, one of our rising stars, for doing such an amazing job of singing the National Anthem, for the Jr shooters. It was truly inspirational to see so many kids with their hands over their hearts as they listened to Samantha sing. In October, we had what I hope will be the first of many Jr Marksmanship/ Joint Forces working parties. As we shared in last month's newsletter, the event was a huge success. We had 47 people show up and help clean up the pistol range. These people included Cadets from the Sea Cadets, Civil Air Patrol, Jr shooters and the parents as well as people that were not members, but wanted to be a part of such a great program. Lunch was generously donated by Major Market. Together, we got a lot done and had a great time doing it. The working party was a great way to show appreciation for everything that the Escondido Fish and Game Association do for the Jr Marksmanship program. And because of the success of this event, we will be making it an annual event, each October.

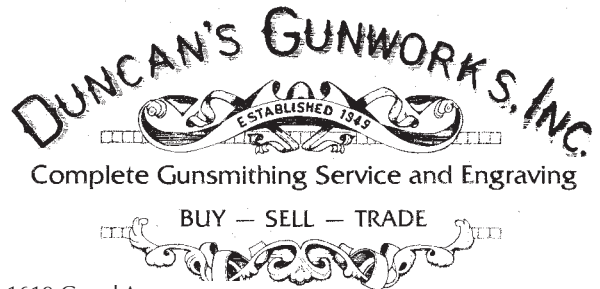

2017 promises to be a great year as well. There are lots of great events planned for next year, this in-

cludes more fun shoots for the Jr Pistol shooters and we will be introducing Jr Muzzle Loading to the list of Jr Marksmanship events. We will also be doing a Safety Rules Art contest; the details will be in the January newsletter.

I would like to thank everyone that helps make sure that the Jr program keeps getting better and better. That includes the Chairmen of each of the events and well as the many volunteers that are there every month. They are truly the unsung heroes of the program.

On behalf of the Jr Marksmanship program, I would like to wish everyone a very Merry Christmas and the happiest and safest of New Years. I look forward to seeing everyone next year.

RANGEMASTER SOUND OFF

By: Tim Geiser – CRSO • crsoTim@aol.com

I have a tendency to mention on a regular basis that there is a sign one passes upon entering through the main gate. It says STOP. I am beginning to believe that many of our members think that it might be written in a foreign language and simply do not know what it means. So let me be perfectly clear and interpret it for them. It means that you do not move beyond that point until the gate closes behind you. All too often an unauthorized vehicle will attempt to follow you in to gain access to our range. It is each and every member's obligation to make certain that this does not happen. If you do not stop, do not be surprised when an RSO requests that you return to the gate and practice the proper procedure!

Note: There will be a mandatory meeting for all RSOs on December 11th from 0900 to noonish. The meeting is a semi-annual meeting where we will try to cover a number of issues that arise. I am always trying to clarify rules and procedures that come up periodically. The more uniformly we enforce the association rules, the better we all will be. Please bring any discussion items with you. We will also be going over the sign-up procedures so bring with you a cell phone or whatever device you normally use.

Has anyone else noticed that the pistol range seems to be accumulating a lot of .22 cartridges? Granted, it is pretty hard to reload them and once fired many people seem to consider them to be worthless. Well a gum wrapper may be worthless also, but that doesn't mean you throw it on the ground. There are trash containers and there are also containers for spent cartridges. In fact, far from being worthless, spent brass of any kind has value. Any brass that is not reloaded can be sold for scrap....the money received goes into our youth fund. Neither trash nor your spent brass needs to be left on the ground!

When one looks at the range bulletin RSO calendar it looks as if an RSO is needed for virtually every time slot. Fortunately, the guys (and ladies) know that an open time slot means that all they need to do is to show up and assume the watch. It is not the most efficient method of covering the range, but it is all we have for now. Change is in the works in the near future. Stay tuned.

Gun owners were not particularly good at preventing state anti-gun legislation from being passed in November. I am hopeful that court action will reverse some of it, but this is California and forewarned is forearmed. Place your ammo orders early and quickly. Life for us who use the range on a regular basis is about to get sticky!

STAY SAFE, SHOOT STRAIGHT

Life Member Nominations

Each year the Board of Directors may vote in up to two members to receive the honor of EF&GA Life Membership. This is an excerpt from the EF&GA bylaws:

Candidates for Life Membership shall have been Regular or Senior members of the Association for at least three years prior to their candidacy for Life Membership and must have performed "outstanding service" for the Association. This "outstanding service" must have been performed over a period of time and must consist of more than a single act. It must be of such a nature that it can be documented by the Committee for presentation to the Board of Directors. It is desirable that candidates have performed outstanding leadership such as an Officer or Board Member or Chairperson of the Association in a satisfactory manner.

If you know someone that you think meets the criteria and you feel strongly that he/she should be nominated, please write a letter to the nomination committee for consideration. Nominations must be submitted in writing before April 1st, 2017. Nominations may be submitted via e-mail to the Committee at LifeMembership@escondidofishandgame.com. That will pass it on to all of the committee members – Geoff Orchin, Ren Everett, and Ed Migdal.

Holiday Goodies

Each holiday season there are many people who receive something awesome from Santa, the Great Pumpkin, or an awesome wife/husband. If it is something that a shooter is not experienced with, he/she may need assistance operating it properly. If it is a firearm, start with the basics. Be positive that the ammunition matches the cartridge identified on the barrel of the firearm. If you are unsure about operation of a firearm, consider taking a class on its operation. There are many NRA certified instructors listed in this newsletter that could help direct you to an upcoming class. It would be cheap insurance to prevent possible issues. As we all know, improper operation of a firearm can not only cost a lot of money in repairs, it can cause serious injuries.

No Junior Pistol or Archery in December

Junior Pistol and Junior Archery are typically held on

the 4th Sunday of even numbered months (February, April, June, August, October, December). However, the 4th Sunday in December is the 25th. Because there is so much holiday travel and family plans we will not be holding these events on Christmas day.

No National Match Course in January

The NMC event is are typically held on the 1st Sunday of the month. Due to the fact that the 1st Sunday in January is New Year's Day, the event is cancelled for January of 2017.

NRA Concealed Carry Class (1/28/2017 & 1/29/2017)

This class includes a full day on the range with exercises that provide increasing challenges through advanced drills that demonstrate principles of concealed carry, the draw, defensive shooting, movement, single, multiple and moving threats, use of barriers, and awareness of situations that may be encountered. The classroom session includes review of the course textbook, flashlight techniques with laser trainers, and other important information to compliment and reinforce the range sessions and the essentials of concealed carry. This class includes both the Basic and Advanced NRA Certificates upon successful completion.

TRAP CORNER

EF&GA Prevailed at the Lakeside Inter-Club Trap Shooting Event (10/22/2016)

Avenging our loss at home in August, EF&GA hammered out a win over the Lemon Grove Rod & Gun Club at the Lakeside Sportsmen Club hosted Trap Inter-Club event in late October. With 13 of the 34 participating shooters overall coming from EF&GA, we took seven of the top ten spots (Butch Smallenberger top Escondido shooter) including Women's division winner Reynalou Linamen (9th overall). Nathan Lucio (EFGA) took the honors in the Junior's division with Brook McCarthy right behind. Way to go EF&GA!

The next Inter-Club event will be held in Imperial Valley On Saturday February 5, 2017

(Check with Barbara Griffith-Team Captain or Mark Eller-Trapmaster to be sure)

5TH Saturday Fun Shoot Results (10/29/2016)

28 shooters enjoyed our second 5TH Saturday Shotgun Fun Shoot of 2016 on October 29th. Singles, Wobbles, Doubles and Handicap events were contested with Jim Crayton winning a tie breaker with Butch Smallenberger in the A division. B division was won by Kathy Cortopassi with Darrin Eaton one point behind.

We want to thank Major Market (again) for the great sandwiches, chips, tater salad and drinks that we enjoyed for lunch on this beautiful day. Thanks also to the Trap Event Crew. You are great to donate your time and energy, and it is very much appreciated. See you September 30, 2017 for the next scheduled 5th Saturday Shotgun Fun Shoot!! Mark Eller, Shoot Chair

How to place a classified ad in the newsletter

Please help to keep the classified section easy to read and well organized. There is no cost as long as you are an EF&GA member in good standing. Classified ads run for ONE newsletter (one month). If you want to repeat an ad for another month (with price adjustments, etc...) simply re-submit the ad request via e-mail.

Please submit requests for classified ads via email to newsletter@escondidofishandgame.com and be sure to double-check for spelling and grammar errors.

It may sound obvious but requests for classifieds are frequently received with not enough information to be useful to a reader. **There are 5 main components of a classified ad:**

Category – Most classifieds fall into one of 3 categories, 'For Sale', 'Wanted', or 'Lost & Found'.

Subject/Title – This will appear in bold in the advertisement. This should be short (2 or 3 words) and concise.

Description – This is the body of the advertisement and can be a few sentences but not more than a paragraph. Abbreviations appear cryptic and are not recommended unless they are well known acronyms.

Price – A specific dollar amount as well as qualifiers give the reader important information. For example, "\$600 or Best Offer, Buyer pays DROS, Will consider trades"

Contact Info – This should be a name AND a phone number (including area code) and/or an e-mail address.
