From the President's Point of View

Election Update

Thank you for the large turnout at the association elections. Linda Linaker will be your next president and Mark Baldwin will be the newest board member. Congratulations to both. I know firsthand how much of a personal commitment these positions take. Please make them feel welcome. Support your entire board of directors, but also hold them accountable. Remember they are in service to the entire association.

Clean Up & Barbecue

For possibly the first time ever, Ed Migdal was not available for the May clean up and Barbecue so Darrin Eaton put on his "inner Ed" and filled some mighty big shoes. Thanks Darrin. (Ed don't do that again.) I believe we had over a hundred folks at the clean up. Amazing. With this large turnout many smaller projects that had been passed by were added to the long list of tasks accomplished. When I arrived at the range early Sunday morning, I spent time driving around the entire range. It was absolutely the finest this property has looked. Thank you to all. Saturday afternoon it was apparent that a major rain event could affect the BBQ. The BBQ committee made the decision to have a large tent (really large) set up in anticipation of the rain. The tent did its job as we had continued rain until 4 pm Sunday. The rain may have thinned our normal crowd but the folks who showed up were treated to our always great games, food, and ceremonies. Linda and Mark were introduced for their new positions on the board. Bill Williams and Garth Warner were introduced as our newest life members. And I had the pleasure of welcoming past presidents Neil Pisk, Kurt Nelson, Denny Martin, Mike Marks, Leonard Hodges, and Frank Alessio. How many years of commitment does this group bring? I look forward to joining them.

Personal Notes

For those who have greeted me with "How are you doing?" after the election. Please know I am at complete comfort at the outcome of the election. As I have shared before, my wife and I believe in prayer and we definitely prayed over this election. We prayed for God's will. We didn't pray to win; God doesn't care about winning and losing. Many Charger fans will attest to this. My wife and I are truly blessed. God is Good, All the Time.

Thank you to the association for allowing me to serve with many hats, finishing as your president and a life membership as well. The friendships I've made, and the experiences I've had will last a lifetime. My recently retired wife and I look forward to motorhome travel and the final migration to Arizona. We are both native southern Californians but the state in many ways has asked us to leave. Prayers to all, be kind to each other and blessings on your heads.

DARRIN'S DOSSIER

disrupt a great event so we circled the wagons and came up with plans to keep the event as planned. After some discussions with Neil Pisk, I started calling various party rental companies and located a large tent that we could use for the dining portion of the event. The tent was 30 x 100 feet and covered the area between the Trap ranges and the Stage. During the Work Party, we came up with a way to put the silent auction in the Meeting Hall along with the ticket sales. We also engineered a rain-resistant tarp-pop-up-thing that made the stage stay mostly dry for the festivities and raffle drawings. As usual, Bekker's Catering did a fantastic job of preparing and serving the ribs, chicken, and beef roast. Even though we had a light turnout due to the rain, we had a great time with great food as always.

There are a lot of people to thank for the smooth operation of the Barbecue and I want to identify a bunch of them now so that you will know who to thank for such a great event. This is not a complete list and it is in no particular order but it is a start: **Ed Migdal, Neil Pisk, Roger Fannin, Garth Warner, Frank Alessio, Ren Everett, Al Anzelone, Dave Premetz, Bill Williams, Tim Hoy, Geoff Orchin, Patrick Russ, Daysha Halbert, Ken Halbert, Jay Zimmet, Dave Olmstead, Patrick Watson, Kestrin Walsh, Robert Walsh, Breda Walsh.**

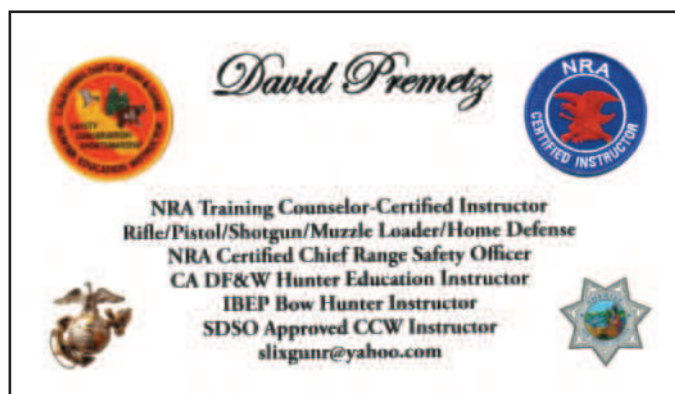

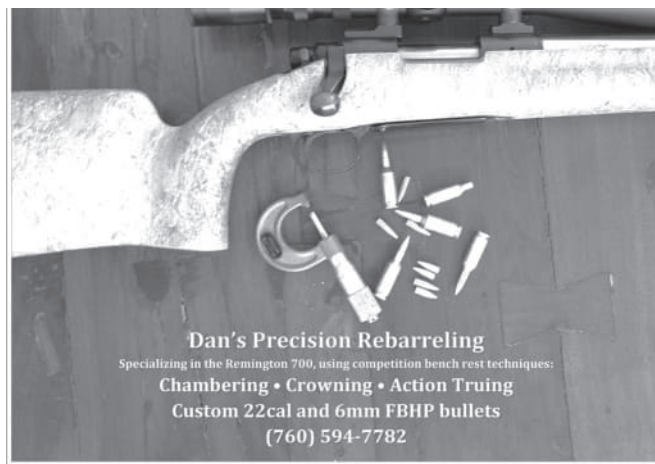

Make Time to Attend a General Meeting

Bring a friend to the next General Meeting and one or both of you could win a few bucks. At the last General Meeting, Neil Pisk won the \$25 door prize and graciously donated it to the Junior Marksmanship Program. Had he attended the meeting, Jerry Frazier would have won the \$500 Attendance Prize. The next General Meeting is 6/13/2019. If you don't show up, you can't win.

A Wet and Fun BBQ

Shortly before the Barbecue, it became apparent that there would be strong possibility of rain in the forecast for the day of the event. We were not going to let a little rain

July BOD Meeting (7/8/2019)

The Board of Directors Meeting is held on the first Thursday of each month. However, this year the first Thursday is July 4th. Because of the holiday, this meeting has been moved to Monday, July 8th.

Range Hours and Web Site Changes

The Range is open for casual shooting from 6 AM until Sunset for EF&GA members and their escorted guests. This is not new information but it is frequently the topic of discussion, specifically - SUNSET. What if it is cloudy and you can't see the sun? What about the hills that block the sun from view during certain times of the year? In order to have a common definition that removes vague interpretations of sunset, I found a way to add the NOAA (National Oceanic and Atmospheric Administration) data on the web site (<https://www.escondidofishandgame.com>) on the front page. The exact time of sunset TODAY is on the web site. It works from any smartphone as well as any PC or tablet and the content is constantly updated. While I was at it, I also got the current weather conditions for Valley Center. Best of all, it was done at no cost to the Association.

to be used for the Egg Shoot. This included painting it a patriotic red, white and blue. She also wanted to put a proper banner on it, so she designed it and we got it made for her. She was there on Saturday setting it up and attending to all the many details that come with running an event like this. Let me tell you, this young lady will out work most adults. As if that wasn't enough, she then ran the event and made sure that everyone had a SAFE and enjoyable time, even though it rained like crazy. She made sure that the concession area was staffed and running efficiently. Remember, Kestrin just turned 12 years old. I'm willing to bet that most of you reading this have not met a 12-year-old that could do what she did this weekend. If you have ever wondered what a future leader looks like, look no further than the Junior Coaches program and Kestrin "The Hurricane" Walsh.

I would also like to thank everyone that supported Kestrin and the Junior program events. This includes the Junior Coaches Daysha Halbert, Thomas Healy, AJ Wagle, Michelle Fan, Ryan Walsh and Austin Cote (who was not able to attend the Barbecue but worked all day on Saturday to help set up for it.) Additionally, I would like to thank the adults that supported these events. Ken Halbert, Daysha's grandfather and one of the people most responsible for the success of the Junior Coaching program. Mike Ward is a new member that offered to help with the Junior Events. Mike supported Kestrin and helped her with whatever she needed or asked him to do. Ken and Mike were true stand outs in an event that was full of people going the extra mile.

I also want to give a very special thank you to Robert and Breda Walsh (Kestrin and Ryan's parents). These two are not even members yet, but their support has been invaluable. Not only do they support Kestrin with all her activities at the range, but they are out there working hard to make sure that the Junior Program is such a huge success. The Junior events this weekend could be considered the Walsh family show, because they were a big reason that everything went so well.

Despite the rain, we had some great entertainment. We were honored to have Samantha Cary on our stage. She did an amazing job. For those that are not familiar with Sam, she is a Junior Coach and a very accomplished singer. Look her up on Spotify, iTunes, Amazon music and YouTube.

The 2019 Escondido Fish and Game Barbecue is in the record books. Evidently, Mother Nature has a sense of humor, because it rained during the whole event. It wasn't until the raffle was over and the closing remarks were made did the rain finally let up.

This year the Junior Coaches program was happy to run the egg shoot and the concession area. This year Kestrin "The Hurricane" Walsh was the team leader and oversaw both events. As usual when I talk about The Hurricane, she did an amazing job. Kestrin was tasked with running these events about 2 months ago. She decided that she wanted to do something a bit different this year. So, she designed and built a new stand

Finally, I would like to thank Jon Fein with Dovetail Marketing. Jon has been a big supporter of the Junior Program for the last few years. He has helped us with the new coins that we give out as trophies as well as all the shirts and sweatshirts for the Junior Program. He was also responsible for the bottled water that the Junior Coaches were selling at the Barbecue.

HURRICANE'S VIEW By Kestrin Walsh

As many of you probably know, the annual barbecue happened recently, and it was amazing! It all ran very smoothly thanks to the gigantic tent. All the events were very fun, especially trap. You also may have noticed the egg shoot and merchandise stand, which was run by the junior coaches. I was mostly at the egg shoot and it was super cool. When someone shot the egg with an air rifle, it exploded into a splatter of yolks and shell. Overall, the egg shoot and merchandise booth ran very smoothly throughout the day. And it was thanks to *Mike Ward, Daysha Halbert, Thomas Healy, Aj Wagle, Rhyan Walsh, and Michelle Fan*. Thanks to all of you.

RANGEMASTER SOUND OFF

By: Jay Zimmett – CRSO • crsojay@escondidofishandgame.com

I am writing this the day after the EF&GA annual Barbecue which was not as enjoyable as some others I have worked due to the torrential rain we received during the day...

What I do want to make you aware of is the volunteers and association that made this happen. At the best of times and in good weather putting this event together is a lot of work...

With the awful weather we had it could have turned into a disaster. At great cost to the association they brought in a large "circus" type tent to cover a big section of the event. They didn't have to do that, but they did and a big thanks. Also, a bigger thanks to those of you standing out in the COLD & RAIN to make sure this was still a great time; except for the raffle, they need to get someone who can call the correct (my) numbers!

So where this is all leading is to acknowledge all the "Volunteers" that make things happen at the Range. The association allows the Range Safety Officers to have our own event called RMAD (Range Master Appreciation Day) which is similar to the annual picnic but on a much smaller scale.

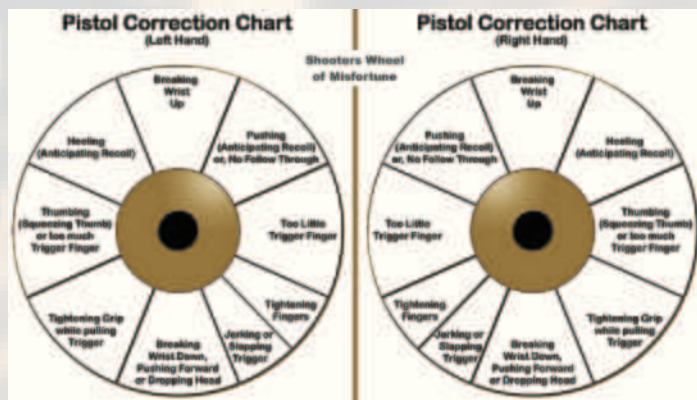

It is the CRSO and BOD way of acknowledging the "Volunteers" that run the shooting activities, instruct classes and keep the range safe (RSO). This is an invitation only event and is extended to those who volunteer their time, energy and sometimes sanity to make this a great association.

RMAD this year is Saturday, August 31 and I will be sending out invitations in late June and it better not rain...!!! Get involved at the range and "Volunteer" and you may also get invited to this event where we can break all the rules and you are not there to see us... :-)

Note: I would also like to give a big Cowboy/Cowgirl thank you to the Bandidos that came out with their firearms and in costumes to run the "YeeHaa Shootem' up" event!

Another Note: Ed, there were no Cowboy firearms on the raffle tables. I am sure that was an oversight and I won't have to file a discrimination lawsuit this year!

Shooting Wheel

I have this chart on the back of my Range Business card and have been asked to share it with all of you.

Work Party (5/18/2019)

As usual, we had a work party the day before the annual Barbecue. This year we had a great crowd of over 100 volunteers that came together and made it happen with the additional challenge of preparing for a rainy barbecue. We had a great time working together and finished with a great lunch and a raffle. Not only did we have a lot of people, we also had a lot of creativity, knowledge, and passion to make the Range a beautiful place. If you know anyone on the list below, please make time to thank them for the effort that was put into the Association:

Brian Lamb, Joel Vexler, Jerry Heitschmidt, Charles Young, Rowan Cote, Tim Hoy, Chris Cote, Austin Cote, Paul Henderson, Darrin Eaton, Jim Schaible, Randy Gompers, Bill Williams, Tom Lightner, Jeff Yates, Mark Baldwin, Chris Stephens, Tim Oglivie, Bob Easter, Walter Grunenburg, Ralph Laird, Randi Michael, Clive Peters, Chris Peters, David Kennock, Roger Moynihan, Clyde Ewin, Mike Marks, Julie Marks, Linda Linaker, Ronnell Hovden, Hitomi Hovden, Robert Walsh, Breda Walsh, Garth Warner, Alonzo Clark, Breen Emery, Burdett Streeter, Jim McKim, Jon Prentice, Betty Prentice, Janet Jenkins, Larry Jenkins, Dave Robertson, Rick Tullis, Rob Davis, Greg Newman, Suzanne Newman, Thomas Jensen, Bill Townsen, Roger Fannin, Scotti Clary, Haynej Kendall, Ed Govoni, Jeff Brooks, Herb Smith, Tom Rhatyan, Wells Peck, Joe Jensen, Michael Sullivan, Gary Nordby, Ashley Begnand, James Braxmeyer, Paul Varesio, Dennis Wahlen, Rick Bough, David Pendergrass, Atakan Ciftci, Fritz Bleechler, Jay Zimmet, Ken Halbert, Daysha Halbert, Alan Anezalone, Rich Hall, Vince Torti, Martha Martinez Reyes, Ernesto Reyes, Joanne Anderson, Paul Shields, Jerry Straus, Mark Ruhm, Ben Guthrie, Oliver Lewak, Kazik Lawak, Eugene Demnianiuk, Leonard Hodges, Gary Cunningham, Erik Olson, Alex Laz-Olson, Neil Pisk, Tony Stalk, Jim Preston, Rhyann Walsh, Kestrin "the Hurricane" Walsh, Jack Bryson, Luke Ferguson, Matt Leonard, Pete Olson, Ray Bucholz, Pam Tucker, Patrick Russ, Frank Alessio

How to place a classified ad in the newsletter

Please help to keep the classified section easy to read and well organized. There is no cost as long as you are an EF&GA member in good standing. Classified ads run for ONE newsletter (one month). If you want to repeat an ad for another month (with price adjustments, etc...) simply re-submit the ad request via e-mail.

Please submit requests for classified ads via email to newsletter@escondidofishandgame.com and be sure to double-check for spelling and grammar errors.

Members Only are allowed to submit Classified advertisements. Your Membership Number must be included with any advertisement request so that we can properly vet the submission before it is published. The Membership Number will NOT appear in the advertisement. Your Membership Number is on your membership badge on the same side as your photo.

No Illegal Transactions may be advertised in this newsletter. It is now illegal to sell ammunition in California without either going through an FFL or a licensed ammunition reseller. EF&GA cannot facilitate any illegal commerce of a state regulated commodity. This is also why firearm sales should include a phrase similar to Buyer pays DROS when advertising the sale of a firearm.

It may sound obvious but requests for classifieds are frequently received with not enough information to be useful to a reader. **There are 5 main components of a classified ad:**

Category – Most classifieds fall into one of 3 categories, 'For Sale', 'Wanted', or 'Lost & Found'.

Subject/Title – This will appear in bold in the advertisement. This should be short (2 or 3 words) and concise.

Description – This is the body of the advertisement and can be a few sentences but not more than a paragraph. Abbreviations appear cryptic and are not recommended unless they are well known acronyms.

Price – A specific dollar amount as well as qualifiers give the reader important information. For example, "\$600 or Best Offer, Buyer pays DROS, Will consider trades"

Contact Info – This should be a name AND a phone number (including area code) and/or an e-mail address.

BLACK POWDER NEWS

By Garth Warner

This will be a short column this month. I am going to give up space to include a complete scoring rundown of everyone that participated in the 40th Anniversary Muzzle Loading Silhouette Shoot. Let me also say a sincere "THANK YOU" to everyone that participated in this event. My special thanks to the three volunteers that showed up to assist in visual calling on the long range targets. This was, by far, the best contest we have held in the last couple of years. It would not have happened without your support. Thank you also to Ray, for the special awards, and Pam, for all the photos.

Next Contest: will be on June 23rd. This is the Top Gun contest starting at 08:00. Shooters eligible for the Top Gun contest are as follows. **Craig Rogers, Elwanda Hannah, Rex Nielson, Ren Everett, Elvio Marchi, Dan Hannah, Chris J. (Sorry Chris, but you handwriting is atrocious), Tom Arendell, Joe Jelinek, and Garth Warner.** There will be NO PISTOL contest in June. The Top Gun contest will be immediately followed by a standard Short Range rifle contest with targets at 50, 75, and 100 yards. Estimated start time is 9:30 ish. I will bring 40th Anniversary pictures to the June contest for those who are interested.

The Black Diamond Six Month Rifle Challenge will conclude with the June rifle contest. This is your last chance to get a ticket to win a muzzle loading rifle. The drawing will be held immediately following the contest. Tell Ray Bucholz "Thank You" for providing this prize.
