Darrin's Dissertation

Well, July is here again and it's time to celebrate our Independence. We are celebrating the anniversary of the signing of the Declaration of Independence. I used to think of it as sort of a break-up type of letter to the king of England, but it is so much more than that. When Jefferson wrote the famous sentence:

"We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness."

He was speaking of how illogical it was to be subjects of the crown without representation. Following that chain of logic, the only remedy for the injustice of the situation was for the American people to have the right to self-govern. He continued to support that assertion with what was considered an indictment of King George III and how he mistreated the Americans. The list is long and includes no opinions or subjective statements. They were all specific and concise facts that could not be denied.

During the battles of the Revolutionary War, the officers in the Continental Army, Navy, and Marines would read the document aloud to their troops to increase morale and motivate them to continue. Learning about this made me take the time to read the document again to remind me of what it was all about.

Imagine being a soldier in a militia group fighting against the most powerful military in the world and getting frustrated with the conditions and what appears to be a losing battle. Hearing the Declaration of Independence read aloud by a leader would be a great reminder of why it is all worth it. I'm sure that when they got to the list of crimes of the crown, the troops would shout and cheer confirming its validity.

The next great document that affects us all is the Constitution. This was written to define how we govern ourselves. It defines our three equal branches of government with checks and balances in place to keep it on track. It has had a few tweaks and changes along the way starting with the Bill of Rights. Without those amendments, the Constitution would never have been ratified by all 13 States.

The point of all of this is that the Declaration of Independence defined **why** we should govern ourselves. Later, the Constitution defined **how** we would do it. I feel very blessed to inherit the society that we live in thanks to the sacrifices and fortitude of our founding fathers. When I hear people complain about our internal political issues, it reminds me of what my mother used to say- **We have the worst form of government in the world, except for all the rest of them.**

Be safe, shoot straight, and appreciate your freedom.

Left the Range

Fellow shooter, **Eric Elsam**, has left the Range. Eric has been a member since 7/28/2016. He left us 10/16/23.

William Arnswald has also left the Range. William became a member 10/06/2022. We do not know when he passed away.

Farewell to both our friends.

June Membership Meeting

The June Membership Meeting was held Thursday, June 13. The 2024-2025 Board of Directors for our Association was sworn in by former president, **Linda Linaker**. The new Board consists of **Tracie Sheldon, Jack Starlin, Leonard Hodges, Patrick Russ, Ren Everett**, secretary **Chris Cote, Rich Hall**, vice president **Mark Baldwin, Carlos Torrez** and president **Darrin Eaton**. **Therese Thomas** gave handmade EF&GA camo bags to each of the Board members and the retiring Board Members.

Geoff Orchin was recognized for his 14 years of dedicated service as the Association Secretary. Don't worry. Geoff will still be a prominent figure around the range.

Speaking of prominent figures around the range, it was great to see **Garth Warner** back in action, sporting a scar and proudly showing pictures of his new grandson. He was ready to take the helm at Black Powder again just in time for the annual Rendezvous.

Ren Everett won the \$25 door prize. The \$500 Attendance Prize has yet to be claimed. **Peter Jalagas, John Brennan, Mark Sutherlin, Gary Von Tungeln** and **Jeffrey Harrison** each had a chance to win the prize, but they skipped the meeting. The Attendance Prize will remain at \$500 for August.

Ray and **Ron Bucholz** raffled off a new Black Powder 1871 Colt 44. The lucky winner was **Jonathan Sander-Caceres**. Two second place prizes of a Jefferson Nickel Westward Ho Collection went to **Bud Smith** and **Michael Douglas**.

And Finally....**Bud Smith** was back at the wheel for the main raffle. His prize selection was supplemented with donations from **Fred Willis, Bob Leider, Roy Hood, Elvio Marchi, Mark Baldwin, Ren Everett, Michael Douglas, Steve Baran, Donald Brunt, Rich Oberle, Drake Duplessis** and **Bud** himself.

It was a fun meeting for all who attended. The July Meeting will be held Thursday, July 11. Hope to see you all there. Somebody needs to take home that \$500.

July Board Meeting Changed to July 5

Because of the 4th of July Holiday, the Board of Directors Meeting for July will be held on Friday, July 5.

Renewal Stickers

Renewal Stickers were sent out the end of June. If you haven't received your sticker by July 15, please contact the Association Clerk, **Juli** at EFGAClerk@cox.net. Juli will be out of town July 6 – July 20, but she will be able to respond via email. She will not be able to respond to any phone messages until she returns.

Linda's Special Projects

Thank you all again for your support of the annual BBQ. For the first time in ages we wound up in the black.

Next I'm going to remind you that we have the toy and diaper drive continuing. We hope to exceed the previous years and raise \$8000 or more. Remember that I will be selling chances for a great prize. Details will follow in subsequent newsletters. Take care and I'll see you at the range. *Linda Linaker*

San Diego County Wildlife Federation Drawing

The San Diego County Wildlife Federation is sponsoring a drawing for a Ruger American .308 Rifle with Vortex Scope, a Penn Battle II Rod and Reel Combo & Flambeau Pro Angler Backpack and a Yeti Roadie 24 Cooler. The drawing will be held November 28. See **Jack Starlin** for tickets. The cost is \$20 each or 6 for \$100.

North County Veterans Stand Down

EF&GA received a letter of gratitude from North County Veterans Stand Down for our \$1000 donation to support their 2023 event. Their October event provided the following services for 636 veterans: 54 veterans court cases processed and charges dismissed, 200 eye exams and glasses made on site, 123 dental patients served on site, with another 59 dental patients served off site, 54 dogs served with veterinarian services, food and supplies and much more. The next Stand Down is scheduled for October 17-20, 2024.

Baypoint Preparatory Academy

EF&GA also received a "Thank You" letter from the Baypoint Preparatory Archery Team in San Marcos. Our Association hosted the team in our campground for an overnight team building activity in April. Ten members of the Archery Team recently qualified for the Western National event in Sandy, UT. Only 17 kids in CA qualified and 10 of them were from Baypoint Academy. They hope to engage in another team building experience at our campground in October.

When in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

Member Donations to the Association

Our members are amazingly generous. Every year with the annual membership renewals we receive additional donations to the Association above and beyond your normal renewal fees. Unless otherwise specified, your donations go to the Junior Marksmanship Program. As of mid June, the following members had sent in an additional donation. Your donations are very much appreciated.

NRA Metallic Cartridge Reloading Class 8/3/2024, 10/5/2024 & 12/7/2024 (8 am – 12 noon)

Learn to reload your own ammunition.

Class Description:

This class will supply you with the knowledge of how to properly and safely reload your used casings into economical, effective and accurate ammunition. As you hone your new found reloading knowledge you will also improve your shooting skills.

The class is structured in two separate sessions:

1st session – This class is strictly academic and is held in the EF&GA Meeting Hall on the above dates from 8am until noon.

2nd session – This is “Hands-On” training scheduled with a mutually agreed upon time and date where you will reload your own cartridges on the reloading bench that day.

The cost of the class is \$125 for EF&GA members and \$135 for non-members. If you need supplies (e.g., cases, primers, projectiles and powder) they are available for a \$15 surcharge.

Prior registration is necessary and a \$20 nonrefundable deposit is required to secure a place in this limited class.

RANGEMASTER SOUND-OFF

by Gary Fukuda

Hello everyone,

100-Yard Rifle Range - Steel Target Enclosure

You are not allowed to bring your own steel targets to hang up to shoot at. Do not place unbroken clay targets on the ground deflection berm to shoot at. It is against the rules to shoot at any targets on the ground because a ricochet could go over the hill into our neighbor's property. You are allowed to bring your own paint to spray the targets you plan to shoot. When finished you do not need to paint any of the targets when you leave. If there are broken targets on the ground do not attempt to hang them up again.

Members: You are responsible for your guests.

Pay attention to your guests. Make sure they are complying with all the rules.

Blue Blinking Lights

Blue Blinking lights on or off applies to all ranges. If the Blue Blinking lights are on, do not unload firearms or gear. Sign the Green Sheet and wait for the range to go hot. Then you can unload your firearms and gear.

The Green Sheets

When you sign any of the Green Sheets make sure the Date and Range information is filled in. If it is not, please fill it in.

Clean Up After Yourself

All shooters remove your targets from the target backers and return the target frames back to the designated area. Take a look around. Make sure you have all of your gear when you leave.

Respect the Wildlife

Watch for Turkeys and Deer on the range. Call a "Cease Fire" when wildlife is on the range.

If you have any comments, concerns or questions please feel free to contact me at 760-420-7488 or gfukuda@escondidofishandgame.com.

Be safe and try to participate when you can.

Thanks,

Gary Fukuda

Cold Range:

- Blue Blinking Lights **ON**

TRAP CORNER

by Chris Cote & Rich Davis

Well, the Annual BBQ was a hit. Trap was manned by an outstanding team yet again. Thank you to **Dan Dorman, Dean Dorman, Eric Schoelkopf, Carlos Torrez, David Yamashiro, and Doug Layland**. Next time you see these folks say thank you for volunteering for the day.

I would also like to thank the team that volunteered their time in the First Aid room. Yup, we have a dedicated space for First Aid in case you did not know. It was such a great success we did not need to use its services for the entire day. Thank you to **Tim and Dawn Gormley, Yosi Boubilil, Bud Smith, Mark Baldwin, Dan Durkovich and Alonzo Clark**.

Notes from Rich Davis

The EF&GA is motivated by a strong group of volunteers that seems to get things done when needed. Here are some things that should be considered when helping on trap days.

Loading the House:

The targets should be handled like they are eggs when you load them in the carousel, if you drop a stack down to fill, they will fracture and/or crack. When the arm follows through to launch, you will get a broken target out of the house. 99% of broken targets are from rough loading on the stack.

The full boxes set outside the house for the next fill should be set back inside far enough so they cannot be seen from the trap line. To some it is a distraction to see the box and/or a blowing box flap while trying to shoot.

Scoring:

If you haven't scored a lot of trap, it can be a little confusing at first, but it is not difficult. When you give the unload and move command, it would be nice if you read the shooter's score on that post from 0 to five. We are not shooting to win the car to drive home in, but everyone is trying to break as many targets as they can. If a shooter disagrees with your call, they must clear it up before the next shot is fired. Also, if a target comes out of the house broken or other debris comes out with the target, the target should be shot again even if the shooter hits the broken target.

Carry Enough Ammo:

There are reasons to have a couple extra shells on your person when shooting. If you must reshoot for a broken bird out of the house, a shooter has a bad shell or the wad stays in the barrel, the shooter gets to shoot at another target and will need another round. Here is another scoring tip. If the wad clears the barrel, the shot is scored "dead" if the clay is broken or "lost" if it is missed.

These small things will help save broken targets and make the shooting a bit more fun.

Another Junior Pistol and Junior Archery event is in the books. It was Father's Day, the weather was perfect and there was a lot of great shooting going on. **Avalyn** and **Brinley Gomez**, who we have missed the last couple months, came back to take the first and second spots. Even with some time off, their shooting didn't seem to suffer. Well done, ladies. As usual I would like to thank **Kestrin Walsh** for making everything happen on the line. Thanks also to **Mark Baldwin** and **Tracie Sheldon** for running the show in the club house. We also want to mention all of the coaches that come up to work with the shooters. This is an amazing program because of people like these who generously give their time and effort so that these kids get a great experience.

RULES TO LIVE BY

1. **Treat** every firearm as if it were loaded
2. **Never** point your firearm at anything you don't intend to shoot
3. **Keep** your finger straight and off the trigger until you intend to fire
4. **Know** your target and the surroundings

On a different subject, we talk a lot about safety. We all know, or should know, and follow the four safety rules. We've talked about the dangers of ignorance and complacency with firearms. There is another important aspect to safety that I talk about in my classes, but you don't hear much about it anywhere else. That is attitude or mindset. Google defines mindset as "a habitual or characteristic mental attitude that determines how you will interpret and respond to situations". When you get ready to go shooting or even just pick up a firearm, are you aware of your mindset. Are you sleepy? Are you upset? Are you distracted? Can you focus on the task at hand? Do you have the proper safety mindset to be handling firearms today? These are all questions that you need to be asking yourself BEFORE you pick up a firearm. If you are not 100% sure, keep the firearms in the safe and do something else. I write this because I think it's important to understand more than just the safety rules. We need to understand what causes firearm accidents. Firearm safety does not start when you get to the range, it starts when you start planning your trip to the range.

-That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed.

SAFETY IS OUR FIRST PRIORITY.

BLACK POWDER NEWS

by Garth Warner

Muzzle Loading BullsEye: July 7th will be a Tradegun and Rifle Short Course concurrent on the 150 range. Tradegun if you have one, or shoot rifle to better your YTD average.

Traditional Archery: July 7th Olympic Elimination Round, (On the Archery Range) (Course instructions given in WW II, B-movie French) Oui !

Spar Camp: July 13th in the Campground. Archery, Hawk & Knife games, plus a primitive rifle event if a range is open. Please wear primitive clothing if you have it. Yah can't tell the pilgrims from master trappers without the clothes.

If you can train a skill, please contact me to schedule it for the camp.

Muzzle Loading Silhouette: Scheduled July 28th on the 150 range. This will be a Mid-Range event for ML and BP Cartridge Rifle. Rifle targets at 75, 100 and 125 yards.

Pistol, (single shot and revolver) at 15, 25, and 35 starts at 08:30. Rifle starts at 10:00.

July X-sticks Round #3: Starts immediately after the above. Long range contest using wooden cross-sticks from the sitting position. I have a limited supply of loaner sticks.

Top Gun Announcement: Top Gun this year will be August 25th. **If you won a contest in 2023 in a rifle category, you are eligible to enter.** You will have 3 targets at 25, 50, 75, 100, 125, and 150 yards. More detail to follow next month.

BPCR winners from 2023 are welcome to enter but the awards are reserved for ML Rifle contestants only. Note: winning this contest automatically moves you into MASTER category.

For more information please contact **Garth Warner** at gwarner@cox.net or call at 760-420-7550 at some reasonable hour. (I am a grumpy old man.)

Rendezvous

During the Fur Trade era, Trading Companies would establish a time and place for a Rendezvous each year. The Rendezvous would provide for resupply of goods not available in the Rocky Mountains. This might include replacement firearms, powder, shot, clothing as well as other manufactured goods. Recreational beverages and women of negotiable virtue were frequently present as well.

This last weekend of June 15th and 16th we held our annual Guejito Rendezvous at the range. (Sorry, but no recreational beverages or professional women showed up.) This contest is a two day endurance test (mostly for the shoot chair). We began Saturday morning with a nine target walk-thru event for Muzzle Loading rifle. All targets were at an "unknown" distance (as long as you didn't look too closely at the range markers) and our Mountain Men could shoot twice at each target. Actual distances were roughly 25 to 125 yards with one point per hit and 18 points possible. After rifle, we moved on to Single Shot Pistol (with targets moved to a shorter distance). Actual distances were 15 to 60 yards. Following Pistol we moved to the campground to make 10 throws with a Tomahawk, and 10 throws with a Knife. Sticking the Hawk or Knife earned you 1 point. In the center of the target was a printed playing card. If you hit the card it was worth 3 points. Finally, for Saturday we had a fire starting contest. Traditional Flint and Steel were used to ignite a small birds nest of flammable bark and lint. Winning times were in the 9 to 16 seconds range.

-That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.

Sunday the 16th opened with a Trade Gun contest. Trade Guns are Smoothbore Flintlocks of 60 to 70 caliber. They have a bead front sight and NO rear sight. Five steel targets were set up from 15 to 45 yards with one point per hit and 10 points possible. Finally, with most of the gear put away and the 150 range opened back up, we moved on to the Archery Range. Targets were standard Paper Plates with a 2" black dot in the middle. You score 1 point for hitting the plate and 2 points for hitting the black dot. Scoring was from 18 to 36 points possible. Distances were 10 and 20 yards.

As most of our Mountain Men are getting on in years, attendance was down this cycle. Some of us fell out along the way due to family commitments and other range events. Winners in each category received a dog tag medallion. The overall winner received a small Trophy. Scores are listed below...

1st Place: **Garth Warner** - 56 points
(Won Rifle, Trade Gun, Archery)

2nd Place: **Brad Speer** - 47 points
(Won Pistol, Fire Starting, Hawk & Knife)

3rd Place: **Jerry Straus** - 38 points

4th Place: **Dan Hannah** - 24 points

COWBOY ACTION SHOOTING

by Darrell Brinkmeier
AKA Double Diamond

The Escondido Bandidos hosted their annual match on June 1, 2024. It was a nice sunny day and it was great to have visitors from afar and some friendly faces that we haven't seen for a while.

Buck Garrett continues his lead as top shooter with **Lantana Lady** leading for the women. There were 3 clean shooters this month: **JW Bass, Buckhorn, and Sea Soldier.**

Thank you to all who were able to help set up and break down the steel. We could not have done it without you! We all hope that you enjoyed the ice cream social that followed.

Our next match will be held on Saturday, July 6, 2024.

Ice cream social following the match.

Yes, 1911's can be used in SASS.

DEFENSIVE PISTOL

You're at a restaurant taking a bite of a delicious muffin when a cadre of vicious terrorists pour through the door. Or...you're unloading the groceries with your baby grandson, Mobie, in one arm and a bag of groceries in the other when a group of armed robbers grab grandma and start shooting. I'm pleased to report that at Defensive Pistol, despite the cost of food, everyone dropped the groceries and held onto "Baby Mobie". Firing one handed they successfully fought off the savage attackers. Only one participant killed grandma. May she rest in peace.

These two Defensive Pistol stages were designed by **Catherine McDaniel** for **Steve Baran's** Defensive Pistol Shoot. This shoot is open to members only with some pistol and holster experience. Refer to the Website Events description for requirements. This shoot is held the 2nd Sunday of each month. Check the Website Calendar for potential cancellations.

How to place a classified ad in the newsletter

EF&GA Members in good standing may submit Classified Advertisements to the newsletter at no cost. E-mail to newsletter@escondidofishandgame.com by the 15th of the month. No tables or spreadsheets please. Just text. Include your Membership Number from your membership badge with your request.

Classified Ads run for ONE month. If you wish to repeat an ad for another month (with a maximum of 3 months), re-submit the request by the 15th.

No Illegal Transactions may be advertised in this newsletter. It is illegal to sell ammunition in California without going through an FFL or a licensed ammunition reseller. Firearms Ads must also include a phrase similar to "Buyer pays DROS".

And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

Relive the simpler days of Old California with us...

Rancho Guejito Vineyard grows its grapes in the fine soils and climates of the last remaining intact Mexican land grant in California. Our 23,000 acre ranch was established in 1845. Nearly 175 years later, we have kept the tradition of cattle ranching, agriculture, and wine making alive.

Visit us every weekend for hayride tours, live music, and wine tasting.
