Mark's Remarks

Welcome to November. I hope everyone remembers to set their clocks back one hour on the first. With November comes the start of the holidays. I wish every one of you and your families a safe and joyous holiday season, whichever one you celebrate.

Someone asked me why we (the Association) require volunteer hours. We could hire people to clean the range, rake the banks, whip the weeds, etc., but that would cause us to have to raise your annual membership fees and most likely the fees for other events. Instead, we require 6 hours of your time the 1st year and 4 hours per year for the next 4 years. We want the members to take pride in their range. As **Darrin Eaton** says, "the reason the volunteer hours cannot be purchased is that we are growing a culture of members and not a fleet of customers"

Volunteer hours can be done in several ways. We have Work Parties 4 times a year. If you come to one Work Party, it is more than likely you can get all the hours you need that one day. At the Work Parties we have physical labor that needs to be done, plus we have items that can be done by people who are less physically fit. We also need coaches for our Junior Marksmanship events. Time spent coaching qualifies for your volunteer commitment. If you are unable to attend a Work Party because they are on weekends, or if you do not feel comfortable coaching the juniors you can contact **Dean Dorman**, our grounds and maintenance coordinator. He sometimes has projects that need to be done. Please remember that this is only 6 or 4 hours for the whole year.

When you complete your hours, fill out your yellow volunteer card and have an approved member sign it. I suggest making a copy of it or taking a photo of it and putting it in a safe place. You will return the card at the end of the fiscal year with your renewal paperwork. If it's lost, we don't know what hours you worked.

It doesn't take much to get your volunteer hours in, but don't wait until the last couple months to do it. We do not always have projects that need to be done at that time.

December General Membership Meeting and Holiday Party

Sunday, December 13 4:00 pm

October General Membership Meeting

Another HOT day and another low turnout for the Monthly Membership Meeting. A special Halloween guest helped **Mark Baldwin** call the meeting to order.

Among the highlights of the business portion of the meeting are the shoot chair reports. What a fun way to find out what activities are going on around the range. **Dawn Gormley** won the \$25 door prize and donated it to the Holiday Joy Drive. The \$500 Attendance Prize went unclaimed again. If your name is **Alan Winters, Jorge Ortiz, John Ayles, Michael McFarland** or **Ralph Bettencourt**, you would have taken it home.

Bud Smith, Tracie Sheldon, Mike Douglas, Paul Stanford, Mark Baldwin, Michael McKinney, Norm Porst, Bob Leider and **Mike Quadrozzi** added items to the raffle table for a fun raffle.

Don't miss the November Membership Meeting, Thursday, November 12. There is a rumor that pie will be involved. Let's find out.

Camp Pendleton JOY Drive

Escondido Fish and Game Association wants to bring JOY for the holidays to the children of our service men and women at Camp Pendleton. Linda reports that we are proceeding nicely. Please keep your donations coming. Toys and diapers can be brought to the Meeting Hall. Give cash and gift cards to **Linda Linaker** or one of the Board Members. The beautiful quilt to the right, made by **Annette Champion**, is being raffled off to benefit the Joy Drive. Tickets are \$10 each. See Annette or Linda to purchase. Let's help bring some Joy to these kids this Christmas.

Holiday Party & Cookie Extravaganza

To better accommodate our working members, we are moving our annual Holiday Party to Sunday, December 13. Come hungry and bring 2 dozen of your favorite recipe to share at the "Cookie Extravaganza". We like all goodies, sweet and savory, so bring your best. The Holiday raffle table will be full of higher value prizes plus special donations from some of you.

Donations for Holiday Party Raffle

In past years some of the most popular raffle items have been treasures donated by some of our talented members. If you have a special item or a particular skill, please consider donating again this year. We have had homemade quilts, hand crocheted blankets, knitted clothing, handcrafted jewelry boxes, handmade pottery, hand carved Christmas Nut Crackers, Zoo and Safari Park passes and specialty baskets. Additionally, your employer might be willing to support your activities with a prize donation. If you would like to share your talents with the membership, contact **Scotti Clary** at newsletter@escondidofishandgame.com

Win the Quilt of Valor

The Quilt of Valor (below) made by **Annette Champion**, will go home with one lucky winner. The quilt is made with actual Navy & Marine Corp uniforms. There will be a limited number of tickets for the quilt available for \$10 each. Tickets are available on Wednesday evenings at Trap from 5 pm to 8 pm and at the Monthly General Membership Meeting. The winning ticket will be drawn at the annual Holiday Party on Sunday, December 13. The winner does NOT have to be present to win. The proceeds will be donated to the Camp Pendleton Joy Drive.

Coaches for Women on Target

Breda Walsh is requesting pistol and rifle coaches for Women on Target on Sunday, November 22nd. Coaches, please arrive between 9-9:30am. We will be done with the ranges by 11:30-12:00 and then conclude with a lunch for all students and coaches. Please contact Breda at bwalsh@escondidofishandgame.com or 619-847-9213 to let her know if you are available to coach. Your help is always appreciated.

November Work Party

Don't miss the next Work Party Sunday, November 29. Show up anytime after 7:00 am and stay as long (or as little) as you like. This is always a good one since the weather is **usually** more cooperative. The Work Parties are also a fun way for newer members to get their required volunteer hours. We get to work together with like minded members to keep the range nice. We always enjoy a complimentary lunch together, too.

We provide some tools and work gloves, but can sometimes run low. If you are able to bring your own tools and gloves, that will ensure that you get some. Especially useful are weed whackers and sometimes chain saws. A few of our dedicated members even bring their own tractors and other large equipment. These are always very much appreciated.

Roses Clinic

Our rose specialists, **Kathleen Hider** and **Barbara McFadden** will be holding a Rose Clinic at the November 29 Work Party. At past Work Parties, several members have expressed an interest in helping with the rose garden. This is your chance to become an approved member of the Rose Team. Please contact Kathleen at kjhider@gmail.com or Barbara at barbaram0817@yahoo.com if you would like to participate in the clinic and become part of the Rose Team.

Applications for the EF&GA Scholarships

If you are interested in applying for next year's EF&GA scholarships, please send your applications to **Patrick Russ** at PatrickRuss71@gmail.com. The scholarships can be applied to a University, College, Community College or Trade School. Applications and other requirement information can be found on the website under the Junior Marksmanship Program.

National Bison Month

November is National Bison Month. In celebration with our SPAR and muzzleloading contingent we always tip our hats to the noble Bison as part of our early American heritage.

In 2015 the 114th Congress passed S.2032, the National Bison Legacy Act, adopting the North American Bison as the National Mammal of the United States. November was declared National Bison Month by Presidential Proclamation.

Volunteer Opportunities New Member Volunteer Hours Available

1. EF&GA has 5 new picnic tables. They need to be assembled. Contact **Dean Dorman** at 858-231-8436 if you can help with this project.
2. Help with the Rose Garden. Contact **Barbara McFadden** at barbaram0817@yahoo.com if you would like to help with the roses.
3. Help needed with target butt replacement on the 100 yard range prior to and during the November Work Party (11/29). We will be pre-fabbing parts ahead of the Work Party, and augering holes, mixing and pouring concrete and setting the parts on the day of the Work Party. Will need help hauling long lumber and concrete pre-mix bags to the range. Construction skills and attention to detail desirable. General labor skills are useful. Teamwork is a must. Advice gladly accepted! Please contact **Jim McKim**, project lead, at 760-390-9426 or jamesemckim@gmail.com as soon as possible.

Nominations for Life Member

Nominations are now open for Life Members in EF&GA. Each year the Association can bestow Life Membership on up to two members. If you would like to nominate someone for that honor, send an email to **Patrick Russ** at PatrickRuss71@gmail.com, **Darrin Eaton** at Deaton@escondidofishandgame.com or **Jack Starlin** at JStarlin@escondidofishandgame.com. Name your nominee and explain why they deserve Life Membership. The candidates must have been a member of EF&GA for at least 7 years. The candidate should have performed outstanding service in multiple capacities throughout their 7 plus years in the Association.

Who's going to Coordinate the BBQ for 2027?

May comes quickly and we still don't have a BBQ committee. Will it be YOU? If you're good at organizational skills this project is for you. If you are interested in being on the BBQ committee, contact **Mark Baldwin** at MBaldwin@escondidofishandgame.com or 760-715-1871.

Help with New Member Interviews

On the first Thursday of every month from July until about November, we conduct personal interviews with all potential new members to the Association. The interviews begin promptly at 5:00 pm. If you are a member in good standing and would like to help with the interviews, please contact **Yosi Boubli** at 760-214-3582 or rsbiker99@aol.com. Don't worry...We don't throw you to the wolves. Ideally, there is one Board Member and two Members at Large at each interview table.

Donation of Rifle Cases

Friend of EF&GA, **Paul Stanford**, has donated over 2 dozen rifle cases to our Association. Many are in like new condition. Look for these cases on the raffle tables at the Monthly Membership Meetings until the supply is gone. Thank you to Paul for his donation.

JUNIOR CORNER

by Patrick Russ

Happy November!!!

I can't believe I just said that! Where has this year gone? It seems like we were just celebrating the New Year, and now we're already heading into the holiday season. Time sure flies when you're having fun!

We held another great Junior Pistol event in October and that other thing we do... oh yeah, Junior Archery! We had 12 pistol shooters and 15 archers come out to enjoy the day. The winds had finally died down, the weather was perfect and everyone seemed to have a great time.

Congratulations to our top pistol shooters:

- 1st Place: **Jaiden McCourt** — 331
- 2nd Place: **Mia Moreno** — 317
- 3rd Place: **Joey Geisbauer** — 315

Great shooting, everyone!

I really want to thank everyone who showed up and helped make the events possible. It never ceases to amaze me how much we accomplish at the range with the help of our dedicated volunteers. From setting up and running the events to coaching our young shooters and keeping everything safe, there is a tremendous amount of work that goes on behind the scenes. You folks make this program what it is and I truly appreciate everything you do.

Our Annual Veterans Appreciation Event

In November, during Junior Rifle, we will be holding our annual Veterans and First Responders Appreciation Event. This is one of my favorite events of the year. We invite our Veterans and First Responders to join us at the range so we can recognize them and thank them for their service. We typically begin with the Pledge of Allegiance and the National Anthem, followed by a few words from some of our junior shooters. It's not a big or elaborate ceremony, but I believe it means a great deal to those we recognize. Sometimes a simple handshake, a heartfelt thank you and a few words of appreciation can mean more than we realize. I hope everyone will come out and join us as we honor these outstanding men and women.

Happy Birthday, Marines!

As we all know, the next big holiday after Halloween is... **THE MARINE CORPS BIRTHDAY!** On November 10th, we celebrate 251 years of the finest fighting force in the world! To all my fellow Marine Corps brothers and sisters, past and present, I wish you a very Happy Birthday! Semper Fidelis! God bless America and our beloved Marine Corps!

Veterans Day — November 11th

The very next day, we celebrate Veterans Day, a day dedicated to honoring all the men and women who have served in our nation's Armed Forces. I always like to include our First Responders in my appreciation. While our military serves and protects our country around the world, our First Responders are here at home protecting our families and communities. Knowing our loved ones are being looked after back home allows our military members to focus on their missions overseas. To all our Veterans and First Responders, **THANK YOU FOR YOUR SERVICE!** Your sacrifices, dedication and commitment do not go unnoticed.

Happy Thanksgiving!

And finally, we have Thanksgiving! Food, football, family, and hopefully a little time to relax. Does it get any better than that?

As we head into the holiday season, I hope everyone takes a moment to appreciate the good things in life, especially our families, friends and the wonderful people who make our community special. From all of us at the Junior Marksmanship Program, we wish you and your families a **SAFE, HAPPY and WONDERFUL THANKSGIVING!**

TRAP CORNER

by Chris Cote & Darrin Eaton

Hello Trap Shooters.

Welcome to fall. We have already had our first rain out of the year. As a reminder, let's all keep an eye on the calendar before coming up to the range for any event and not just trap. Time change is coming on November 1st this year so be ready for it to be dark earlier.

At the request of a few members, I hired the trap machine mechanic from Redlands Shooting Park to come down and give our machines a good once over. We learned a few things and confirmed a few things we are doing right. Overall, our machines are running well.

TURKEY SHOOT

Reminder: We have our annual Turkey Shoot coming November 21st. Shooting starts at 8 am. If you have never shot the Turkey Shoot, it is a whole bunch of fun. We play several games. Each game is played with 10 shooters on the line. You will pair up with a shooter at each station and shoot 2 birds at each station for a total of 10 birds. The shooter with the highest score wins the turkey, second place is stuffing or some delicious canned cranberry sauce. If there is a tie for first or second, we have a shoot off moving you back on the trap pad and right or left. The games we usually play are 16 yard trap, 20 yard wobble, and 25 yard handicap. Cost will be coming soon. We need to see how expensive turkeys are.

Ladies Night on the Trap Pads

On the 2nd and 4th Wednesday nights we are having a down and dirty Trap 101 introduction. If you are interested in learning trap, please RSVP to **Annette Champion** at 760-803-7428. Space is limited to five participants per night and members will have priority. You will need eye and ear protection, 20-gauge ammo and cash for trap rounds. We will provide shotguns and trap pouches for the evening.

BLACK POWDER NEWS

by Garth Warner

November is a busy time for us in the Black Powder community. Besides Thanksgiving, we also celebrate National Bison Month, and the memory of our past Association president **Neil Pisk**.

As part of this effort, I will again be sponsoring three complete Turkey dinners at the Silhouette Contest. All you need to do to win is enter in either a pistol category, or a rifle category. Entrants will receive one (1) ticket for a drawing to be held after the gear is put away at the end of the rifle match.

The dinners will include a precooked frozen turkey breast, Instant mashed Idaho potatoes, instant stuffing, a can of cranberry sauce and your choice of either a homemade pumpkin pie, or pecan pie. Everything will be kept cold in Ice chests in the back of my truck. You're on your own to get it all home. Hard to go wrong here as my wife makes killer pies. Ask **Geoff Orchin**.

Muzzle Loading Bullseye November 1st, 2026: This is set up as an individual/team event for Rifle and Trade Gun. If you have a Trade Gun, please bring it.

Teams will be formed by random drawing so each team has one Rifle shooter, and one Trade Gun shooter. Below is **Tom Arendell's** description of the event.....

Our November event will be an attempt at something a little different. I will refer to it as the Long Gun Invitational. There will be 2 targets for each shooter. For those who have trade guns, the target will be A21 at 50 yards, shooting 13 shots with the 10 best to count for score. Those shooting rifles will have target B19 at 50 yards, best 10 of 13 shots. The thing that should make this more interesting is that we will shoot those first targets as teams. Each trade gun shooter will be teamed with a rifle shooter. Teams will be determined by a blind drawing of names from the entry list. The team with the highest aggregate score wins the team competition. There will probably be an uneven number of shooters from the 2 categories, so some shooters may be on more than one team.

The scores from the first target will also be listed for the individual competition and the second target can be used as a way to pad your score from the first, or team round. That also means that if you want to shoot both rifle and trade gun, you can do it by shooting your second target with a different type of long gun than you used during the team round. It isn't some earth-shattering change, but it might add an element of interest to the morning. With us shooting 2 simple targets, we should finish fairly quickly and then those of us planning to shoot in the Traditional Archery Tournament can head over to participate in that.

Since there are a limited number of trade gun shooters, I am encouraging all of you who have those types of long arms to come out and support this unique event.

Start Time is 08:00 on the 150 Yard Range. There is a **Mandatory** safety briefing at 07:45. Entry is \$5 for EF&GA Members and \$10 for non-members.

Contact **Garth Warner** at gwarner@cox.net or 760-420-7550 for more information.

Traditional Archery November 1st, 2026: We have missed several of these events this summer because of debilitating heat. Dave is chomping at the bit to get us out to the Archery range to poke some targets.

Dave did not share with me what he has planned, but he had that look in his eye that leads me to believe that he has something evil planned. This contest will be on the Archery Range immediately following the above Bullseye event. 10:30 (ish). Bring your gear and ALL of those shiny unused arrows that have been sitting in your closet all summer. Contact **David Premetz** at slixgunr@yahoo.com or 760-489-1082 for more information.

Muzzle Loading Silhouette November 22nd: We are scheduled for a Mid-Range Rifle event, but I suspect Ren is going to mix it up for us. We will start the event with a pistol contest at 08:30. This will include Single Shot Percussion or Flintlock Pistol, Cap & Ball Revolver, as well as Black Powder Cartridge Revolver firing **Cast Lead** bullets. The Rifle event will start at 10:00 with target distance TBD. Rifle is open to Single Shot Percussion or Flintlock Rifle and Black Powder Cartridge Rifle firing Cast Lead bullets.

NOTE: There are **Mandatory** safety briefings 15 minutes prior to the start of each event. As stated above, we are having a Turkey dinner raffle immediately following the rifle event. See paragraph 2 at the top of the page.

Contact **Ren Everett** at everettju1@cox.net or 760-432-2089 for more information.

COWBOY ACTION SHOOTING

by Darrell Brinkmeier
AKA Double Diamond

There was no Cowboy shoot in October as we all headed out to the annual Old West Regional Shootout held at the World Famous Double R Bar Ranch. This ranch used to be owned by **Roy Rogers** and comes complete with a very nice old west street lined with a saloon, livery shop, undertaker, courthouse, hotel, and more. There is nothing better than shooting a cowboy match on an old western street!

There were 97 shooters competing in this match and **Lantana Lady** was able to secure 2nd place Cowgirl! **Double Diamond** completed the match with no misses (out of 288 shots)!

The Escondido Bandidos will return to the range on Saturday, November 7th, and will kick off our annual drive for support of the CARES program (**EF&GA Camp Pendleton Joy Drive**).

We are offering a free shoot to all shooters donating to the Marines at Camp Pendleton. The match will be followed by an ice cream social. We hope to bring many new visitors to the range in November and December.

This contest fell on one of the hottest days of the year, with temps reaching 105 F, with a Santa Ana wind from the East. Overall the conditions were NOT favorable to precision shooting. The contest consisted of multiple targets for pistol, rifle, and trade gun. As the day wore on, multiple shooters dropped out due to heat related fatigue. Below is a breakdown on the aggregate scores for Pistol and Rifle. Sorry I don't have the Trade Gun or Overall results as the heat was getting to me. I will post the final results next month.

TRADITIONAL ARCHERY

by David Premetz

The next Traditional Archery Event is Sunday November 1st. We will start at approximately 10:30am on the archery range. The start time varies slightly to accommodate the Bullseye Rifle shooters. Primitive, Long Bows and Recurve Bows are acceptable, no compound bows.

This is a FITA II event with double points. Each archer will shoot 5 ends on the 60cm target at 25 yards.

Come join in, meet some great archers, and have fun slinging arrows.

The December 6th event is the **Mike Marks Memorial Classic**, which has the same Olympic style elimination.

Smallbore Rifle & Smallbore Rifle Silhouette

by Jim McKim

Smallbore Rifle Schedule Change

Smallbore Rifle (50 yd 4-position & 100 yd prone) has been moved to 2nd Saturday, same time, same range, starting in November. This will be a much quieter environment than shooting on the same day as the AR match, and any of those shooters can now attend both! No more conflicts with the Turkey Shoot and spring BBQ cleanup. Yea!

Smallbore Rifle is a great discipline in which to develop and improve your rifle shooting fundamentals beyond shooting from a bench or other rest or before progressing to high power rifle with the recoil, noise and more expensive ammo. It's the next step for Junior Marksmanship participants who want to take their shooting up a level. We can supply loaner equipment and coach as desired. Want to learn how to use a sling for support? Got you covered! Want to learn to use the prone, sitting, kneeling and standing positions? Ditto! See <https://escondidofishandgame.com/events/smallbore-rifle/> for a description and contact me with any questions.

Smallbore Rifle Silhouette Update

About a year and half ago, we added an Open Sight Sporting Rifle category to this event that uses half-scale targets- 2.5X the size of the targets used for scoped rifles. See page 13 of the March '25 newsletter: https://escondidofishandgame.com/docs/Newsletters/2025-03_EFGA_Newsletter.pdf. We have been using a single target of each animal with flashing hit indicators. Now we are transitioning to 10 knockdown targets for each shape as construction time and the budget permits. With help from **Tom Urbach** and **Erik Olson** we figured out there was enough width on the range to set up 1/5 and 1/2 scale target racks simultaneously. The rack for chicken targets has been completed. The one for turkeys should be done by the November match with the pig and ram racks to follow. Hitting a target and watching it fall over is surprisingly more gratifying than seeing a flashing light! Don't miss out on the fun. Dust off that open-sight .22 and join us. **But a warning:** You gotta know where to aim for the different distances!

Jim McKim, Shoot Chair

Assistance Requested = Assistance Given

In the September newsletter I ran a request for help fabricating target stands for Smallbore Silhouette. I'm pleased to report I received several offers. **Charlie Hull** offered his business's services to cut the pieces and drill the holes. **Alonzo Clark** offered the use of some tools. **Tex Barnhart** sent me the name of a commercial welder he has used. **Chris Comorat** earned his new member service hours for the year drilling holes and generously offered more time if needed. My son in Idaho, **Stuart McKim**, did the welding while we were visiting him and his family (new granddaughter!). Thank you all!

The stands are now in the final cleanup and painting stage. If you bring your open-sight smallbore (.22LR) rifle and a box of ammo to the next match (11/8) you can be among the first to try them out. Contact me at jamesemckim@gmail.com or 760-390-9426 for more info.

ARA PRECISION BENCHREST

by Bret Rotheram

Mesa Trip: Great Ammo, Great People, Great BBQ

A group of 15 ARA Precision Benchrest shooters made our annual pilgrimage to the Lapua Ammo Testing Center in Mesa, AZ in October. Each of us ran our rifles through about 16 different lots of Lapua .22LR to see which one printed the tightest groups. Ammo from the lot that works best for you is then shipped to your local California retailer. In my opinion, it's still the best and cheapest way to buy truly great ammo for your .22LR rifle.

After Monday's testing wrapped up, folks from both the Monday and Tuesday groups met up at Famous Dave's for an excellent BBQ dinner. Half the group had spent the day testing, while the other half was traveling in for Tuesday's session, making it a perfect chance for everyone to catch up before the second day of shooting.

All in all, a successful trip with good results and good memories.

CZ RIMFIRE CHALLENGE

by Jonathan Seal

The CZ Rimfire Challenge is now underway. The first match in the series was the Rimfire Steel Challenge on October 23. The next match will be the ARA Rimfire Benchrest match on November 14, followed by the 2nd Rimfire Steel Challenge on November 27.

The Grand Prize for this event series is a CZ 457 American .22LR rifle donated by CZ Firearms. The lucky winner will be determined by accumulating points for placing in each of the 7 matches in the series. The first 10 places in each match receive points beginning with 25 points for a first place finish, down to one point for a tenth place finish. The point table will be adjusted downward if there are only 7 shooters or less in a match. So, dust off your .22 rifle and join the Challenge.

Please scan the QR Code for all match information, rules and scoring. If you have any questions, call **Jonathan Seal** at 909-262-6476.

The background is a lush green field with trees in the distance under a clear blue sky.

RANCHO GUEJITO BEEF

The logo is circular with a bell icon at the top. It says "GRASS-FED • GRASS-FINISHED" at the top, "RANCHO GUEJITO BEEF" in the center, "ESTD 1845" on the sides, and "ALL-NATURAL*" in a banner across the middle. Below the banner, it says "100% PASTURE RAISED AT RANCHO GUEJITO" and "NO ANTIBIOTICS • NO ADDED HORMONES" at the bottom.
