Annual Barbecue Get Ready to Party

This is not Darrin. The barbecue committee gave him the front page off in April (he needed the vacation). We got together to let you know some of what is going on behind the scenes.

First, it's only a few weeks until the big event. May 18, 2025 is just around the corner. Ticket prices are now \$40 each for adults, still only \$10 for kids under 12. Looking forward to **Bekker's** great food. We will have good snacks again, and are planning a "Bake Sale". A yummy treat can be purchased silent auction style, so please bring something you have made to be displayed for bids. We have commitments for a few pies, muffins and cookies already and look forward to your donations. Bring early and check in with the volunteers in the meeting hall.

Speaking of volunteers, this is almost the end of the yearly hours opportunity. We always need help on the day of the barbecue. Events, medical station, parking, set up and cleanup need to be manned. We need your help to make this another fabulous day.

We are always looking for quality donations to add to our prizes. Please contact **Linda Linaker, Patrick Russ, Annette Champion, Darrin Eaton** or a Board member if you have something you can contribute. We need these on or before May 17th. If we don't use them they can be reclaimed or reused another time. We have a large safe, 50" TV, beautiful quilts and many other items.

The "Golden Gun" this year is a Kimber 1911 in 45ACP donated by **Darrin Eaton**. Tickets for this gun are \$10 each. Where else can you get this kind of value?

We are planning some great demonstrations and displays this year as well as shooting events. Also silent auction tables will be set up. Cash and checks are accepted and we will have an ATM again this year.

Come early and plan on a fun-filled day with family and friends.

If you have questions please contact **Linda Linaker** at momma92082@gmail.com, **Patrick Russ** at patrickruss71@gmail.com, or **Annette Champion** at 760-803-7428.

Next month this space goes back to Darrin so thanks for letting us commandeer the column.

Linda Linaker

March General Membership Meeting

The Meeting began with jam packed Shoot Chair and Special Events reports. Many of those are highlighted here in the Bullet Points.

The raffle table was supplemented this month with donations from **Mark Baldwin, Bud Smith, Bob Leider, Geoff Orchin, Elvio Marchi, Michael Douglas, Leonard Hodges, San Diego Zoo and Safari Park and Chick-fil-A.**

David Burns won the \$25 Door Prize this month. He generously donated it to a special collection for **Ray Bucholz.** (see next Bullet Point)

Three names were drawn for the Attendance Prize that was at \$300 this month. You must be present to win and **Chris Nowell Riemersma, Andrew M. Yancey Jr.** and **William Harris IV** were not. The Attendance Prize will increase to \$400 for the April Meeting.

So...come to the next General Membership Meeting, April 10 for a chance to claim either prize and be involved in your Association.

Helping One of Our Own

“Our members have always been extremely generous. We give to the Juniors. We give to the military families. We give to veterans, Wounded Warriors and many others. Now it’s time to give to one of our own.” Those were the words of **Bud Smith** before he passed a bucket around the room for a stalwart of our Association, **Ray Bucholz.** Ray has been seriously ill and is in an extended care facility. He is making progress, but the bills are piling up. Bud collected \$758. Thank you to such an honorable fellowship of people.

Two New Sanctioned Events at EF&GA

Shoot Chairs **Tim Hoy** and **Rich Hall** will be hosting the .22 Pistol Poker Shoot on the 3rd Thursday of each month. The events will be on the 100 yard range. The entry fee is \$5 for members/\$10 for guests which goes to the Association plus \$5 for each poker hand you shoot which goes to the winners of that hand. Two shooters play as a team. If you don’t have a .22 pistol, that’s OK. We share.

Lou Paz will be chairing an IPSC (International Practical Shooting Confederation) sanctioned event on the 4th Saturday of each month. See Website for description.

Membership Renewals

The membership renewal notices have been mailed out. If you have not received your renewal by May 12, contact the Association Clerk at efgaclerk@cox.net or call 760-432-2089. She will mail another one to you.

ARCHERS of the LAKE

May 4, 2025, 10:00 am
480 Course

Board of Directors Elections

The April General Membership Meeting will be held on Thursday, April 10. We will begin the nomination process for your EF&GA Board members and officers. If you are interested in who represents you in our Association, come to the meeting and make your nominations heard or throw your own name into the hat. Nominations can also be made by contacting **Linda Linaker, Breda Walsh, Gary Fukuda, Jeanine Cleary** or **Elvio Marchi.** Nominations will continue until the May meeting when the elections will take place. You must be present and show your EF&GA badge to vote.

May is Cookie Month

Bring a couple dozen of your HOME BAKED cookies or treats to share at the meeting on May 8. We are looking forward to this sharing and seeing what goodies you come up with. While you are at it, make extra for our 1st annual Bake Sale at the barbecue!

Friends of NRA Grants

At the last Friends of NRA banquet, **Peggy Duncan** presented a check for \$2354 to **Darrin Eaton** and **Mark Baldwin** representing EF&GA. This particular grant was used to purchase 3 rifles and ammunition (3 cases .22, 2 cases 20 gauge, 1 case 12 gauge) for the Junior Marksmanship Program.

Another Friends of NRA Range Grant has also been awarded to us. This grant is for a range improvement project that will have enduring benefit to the range. We will be using those funds to Improve the walkways from the Trap Pads to the Trap Houses.

Thanks to **Ren Everett** for his diligence in procuring these grants for our Association.

Wounded Warrior Event

The Wounded Warrior Program had 9 shooters out on February 26 for a trap clinic. The Warriors had a great time as did the members that helped that day. Good food (thanks **Tracie**) and fellowship. We are planning a poker shoot on April 23 starting at 10 am. If you want to help please contact me, **Linda Linaker** momma92082@gmail.com.

Get Ready for the Barbecue

Junior Pistol and Archery Canceled for April

Junior Pistol and Junior Archery have been canceled for April. They fall on Easter Sunday.

Get your Barbecue Tickets

The barbecue is coming soon. If you need tickets contact **Ren Everett** everettju1@cox.net, **Mark Baldwin** mlbofsm@cox.net, **Patrick Russ** patrickruss71@gmail.com or **Linda Linaker** momma92082@gmail.com. The price is now \$40 per ticket. Awesome prizes and great food.

Barbecue volunteers

If you are volunteering to help with the barbecue, please come to the set up meeting at the range on May 4 at 10:00 am. We need to plug up the holes in the schedules and define responsibilities for the big day. Also if you are in charge of events or stations please plan on being there on the 4th. We need a list of your people and how many extras you will need. If you need supplies let Linda know as soon as possible.

Got Ammo?

The BBQ committee would like to have lots of ammo on the Raffle tables at the Barbecue. If you want to donate ammo please contact **Patrick Russ** at patrickruss71@gmail.com and we can arrange it. Thank you all.

TRAINING CENTRAL

Location: Escondido Fish and Game Association, 16525 Guejito Rd., Escondido CA

Red Dot Sights for Handguns Level 2 4/11/2025 & 5/25/2025 (1 pm - 5 pm)

This course further develops your red dot sight (RDS) use and handgun skills. Train to your next level by learning techniques focusing on efficiency and efficacy. Challenge your RDS capabilities by working component skills, various courses of fire and competitive standards.

Cost of this class is \$100 for members, \$135 for non-members. Requirements: Handgun with mounted red dot sight, 200 rounds of ammunition.

Reserve your space as class size is limited.

Contact: John Murakami murakamijohn@yahoo.com or 619-726-1865

NRA Basic Shotgun Course 4/13/2025, 8/10/2025, 11/9/2025 (8 am - 4 pm)

This course covers firearm safety and basic skills of Shotgunning. It is designed to train the student the proper skills required to hit a moving target. The class consists of classroom exercises and hands-on instruction including live fire exercise. Range time includes techniques required for shooting moving targets. Students will receive the NRA Basic Shotgun Certificate.

Go to: <http://www.nra.org> Then click on the Explore icon. Then click on the Firearms Training link. Then click on the Check Out the Courses link. Then click on the NRA Basics of Shotgun Shooting link. Select the course offered through Escondido Fish and Game Association. Then click on the Enroll Today link.

Contact: David Premetz 760-489-1082 slixgunr@yahoo.com

Red Dot Sights for Handguns Level 1 4/27/2025 (1 pm - 5 pm)

This course covers fundamentals of Red Dot Sight (RDS) use on handguns. The red dot exercises, drills, and methodology were proven successful at the Federal Law Enforcement Training Center.

Cost of this class is \$100 for members, \$135 for non-members. Requirements: Handgun with mounted red dot sight, 150 rounds of ammunition

Reserve your space as class size is limited.

Contact: John Murakami, murakamijohn@yahoo.com 619-726-1865

NRA Metallic Cartridge Reloading Class 5/3/2025, 7/5/2025, 9/6/2025, 11/1/2025 (8 am - 12 noon)

Class Description:

This class will supply you with the knowledge of how to properly and safely reload your used casings into economical, effective and accurate ammunition. The class is structured in two separate sessions:

1st session – This class is strictly academic and is held in the EF&GA Meeting Hall on the above dates from 8am until noon.

2nd session – This is “Hands-On” training scheduled with a mutually agreed upon time and date where you will reload your own cartridges on the reloading bench that day.

Cost: \$125 for EF&GA members and \$135 for non-members. Supplies (e.g., cases, primers, projectiles and powder) are available for a \$15 surcharge if needed.

Prior registration is necessary and a \$20 nonrefundable deposit is required.

Contact: Elvio Marchi elvio1@cox.net 760-734-3942 or register using the link at <http://www.escondidofishandgame.com/classes/nra-basic-metallic-cartridge-reloading-course>

Hunter Education Course 5/10/2025, 7/12/2025 (8 am - 4 pm)

The Hunter Education Course is Nationally approved. Topics include basic firearms nomenclature and safe loading/unloading practices, wildlife identification, hunting ethics, hunt preparations, hunting techniques, shot placement, bag limits, tracking skills, basic survival skills, basic navigation skills, basic first aid, game recovery, field dressing, game care and more. The certificate issued is valid in all states and several foreign countries, and is good for life. No live fire involved.

Go to: www.wildlife.ca.gov/hunter-education Select ‘Traditional Hunter Education course’. Look for the course offering and select it.

Contact: David Premetz 760-489-1082 slixgunr@yahoo.com

NRA Pistol Instructor Class 5/24/2025 (7:00 am - 4:00 pm)

Class Requirements: All Instructor candidates must first complete the Basics of Pistol Shooting Course and the Basic Instructor Teaching Course prior to completing the Pistol Instructor Course as required by the NRA.

Class Description: The NRA Pistol Instructor Course is designed to provide the necessary training to become an NRA Certified Pistol Instructor.

The Pistol Instructor Course provides actual hands-on methodologies of the curriculum to provide candidates the opportunity to experience a classroom educational setting. There is a live-fire portion where candidates meet the shooting level also required to become certified instructors.

Registration for the course can be done directly through the NRA website.

For additional information, contact David Premetz, NRA Training Counselor at slixgunr@yahoo.com.

Training without Approval is Prohibited

We continue to receive reports of people giving classes on the range without being a vetted EF&GA Instructor. There are to be no classes taught by anyone except the vetted instructors above. All Instructors must fill out all the proper forms, acquire the proper instructor's insurance and be vetted by the Lead Instructor, **Patrick Russ**. Anyone caught teaching a class, without being vetted, will be asked to explain themselves in front of the Board of Directors. The Board will decide the consequences. There is a lot of liability that goes along with teaching any kind of class. The class does not have to be in exchange for money or services, just the act of teaching a class on the property can be a liability to the Association.

Rangemaster Sound-Off

EF&GA Policy Review

Periodically Escondido Fish and Game Association reviews our policies to clarify or change as appropriate. Rangemaster Sound-Off is highlighting a couple of those policies this month.

Archery Policy

Recurve, Longbow, Compound, and Crossbows are permitted on the Archery range with field/target tip arrows only.

RSO Requirements and Obligations

An RSO must be a Member of EF&GA for at least one year. They must perform five hours of range duty per month. They must have an NRA Basic Range Safety Officer Certificate of Completion. The NRA Basic Range Safety Officer Course will be offered for \$150. A red RSO hat is \$25 and a red RSO shirt is \$25. If the RSO completes twelve months of RSO duties they will be refunded \$200 for the course, hat and shirt. Members with an NRA Basic Range Safety Officer Course Certificate will be charged \$25 for a red RSO hat and \$25 for a red RSO shirt and will be refunded \$50 for twelve months of service. RSOs will receive reward credits for twelve months of service. RSOs must perform twelve months of service to be an active EF&GA RSO.

New Policy for CA CCW Holders at the Pistol Range

For reasons of safety and practical application of a standardized procedure, the following policy was put in place by the Board of Directors:

Drawing from a holster and firing is prohibited during casual shooting. A shooter that has a valid California CCW may unholster a firearm from concealment on the firing line and must immediately clear the firearm (remove the magazine and clear the chamber of any ammunition while the firearm is pointed downrange) before engaging in casual shooting. When the casual shooting session is completed, the shooter may reload and re-holster the firearm safely at the firing line before leaving the Range.

During casual shooting, the CCW holder must continue to follow all casual shooting rules (no rapid fire, no drawing and firing, etc...). The above policy only applies to retrieving and stowing the firearm.

Members are RSOs

Every Member of our Association is an RSO. If you witness behavior that is inconsistent of our rules and policies, you have the authority to address it. If you would like the Chief RSO to follow up on the violations, please include the name of the person and the date and time of the incident. Also specify... what transpired.

TRAP CORNER

by Chris Cote

Hello Shotgun Enthusiasts

Two things for this month's newsletter.

First: We experienced our first bout of bad weather mid-March. We had four trap days canceled due to rain/bad weather. I recommend everyone keep an eye on the calendar. Give it a quick check before you head to the range if the sun is not out. Hate to have you drive all that way to find out it was canceled.

Second: It is time to vote for the new Board of Directors. Without people willing to step up and take a leadership role our Association runs the risk of becoming stagnant or being brought in a direction you may not like. So, if you have thought about running for the Board or want to vote for someone you think would be an asset to the Board come on out. At the April General Meeting we nominate for the Board, and in May we nominate and then vote. You must show your membership ID card to vote.

Ladies Night

Ladies, you need a night out. Come on down and join us for Ladies Night.

On the 2nd and 4th Wednesday nights we offer a down and dirty Trap 101 introduction. If you are interested in learning trap, please RSVP to **Annette Champion** at 760-803-7428. We limit the space to five participants per night and members will have priority. You will need eye and ear protection, 20-gauge ammo and cash for trap rounds. We will provide shotguns and trap pouches for the evening.

March Junior Rifle

3/16/2025

It was a great day for Junior Rifle with lots of fun and lots of sun. We had 78 shooters. We were still shooting late into the afternoon. Congratulations to **Kaya Bagalzo Wong** for taking the top shooter spot with a score of 375.

Our own **“Hurricane Kestrin” Walsh** turns 18 this week. We made sure to sing Happy Birthday to her and we got her a sash and tiara to wear all day. I can’t begin to tell you how proud we are of her. She represents all of the best things that the Junior program hopes to achieve.

COWBOY ACTION SHOOTING

by Darrell Brinkmeier
AKA Double Diamond

As the SASS (Single Action Shooting Society) World Championship drew to a close in Phoenix, it was reported to be a challenging match due to the 40+ mph winds that blew the fronts off of several stages! Congratulations to all of the contestants that attended the “End of Trail”.

Meanwhile, the Escondido Bandidos hosted 20 shooters on March 1st, 2025. The top shooter was **Black Raven Bob** (177.4) and the top Lady shooter, and 3rd overall, was **Lantana Lady** (196.5). There were 3 “Clean” shooters: **JW Bass, Eeyore, and Sea Soldier**.

The next Cowboy match will be on April 5th, 2025. If you have any questions about how to get started in Cowboy Shooting please contact **Double Diamond** at dbrinkmeier1@cox.net or 760-745-9249.

Rudy-Boy using his original 1894 Marlin.

Lantana Lady tossing those empties!

Cap-N-Ball Turmoil shooting his black powder open-tops.

JB Corn working his 1897 Winchester.

BLACK POWDER NEWS

by Garth Warner

Muzzle Loading Bullseye: On April 6th. This will be the Pistol Long Course. One target at 25 yards one handed. One target at 50 yards two handed. 13 balls at each. Your best ten count for score.

This event is for Single Shot Percussion or Flintlock Pistol firing patched round balls. You can enter and shoot Revolver but your score will not count.

There will be a mandatory safety meeting at 07:45, and the contest will start promptly at 08:00. Entry Fee is \$5 for members and \$10 for non-members.

Contact **Garth Warner** for more info at gwarner@cox.net

Traditional Archery: On April 6th. Immediately following the Pistol contest we will hold a Traditional Archery contest on the Archery Range. Dave won't tell me what the course of fire will be, so bring plenty of arrows and bow string wax. Start time is 10:00 (ish).

Contact **David Premetz** for more info at slixgun@yahoo.com.

SPAR Camp: On April 19th. The Society of Primitive American Riflemen will hold a camp event (in the campground) starting at 09:00. Events will include a Primitive Archery event (Long Plates on the Archery Range) starting at 10:00. **NOTE: I will be OUT OF STATE from April 8th thru the 23rd. Tom Arendell will be present and indicates that he will have several programs available to share.**

Time, range, and weather permitting we will also hold a "Treed" shooting event on the 150 range. From behind a barrier (roof pole) one shot standing offhand at a 75 yard B-100 target. Reload standing up. Shot #2 will be kneeling using the barrier for support. Reload kneeling. Shot #3 will be sitting using the barrier for support. Reload sitting. Shot #4 will be prone using the barrier for support. Reload while prone. Shot #5 will be prone, using the barrier for support.

NOTE: I will be OUT OF STATE from April 8th thru the 23rd. I need a SPAR member to step up and run this event.

Muzzle Loading Silhouette: On April 27th. **This is our Annual TOP GUN contest. There is NO PISTOL EVENT THIS MONTH.** If you have won a contest in 2024, in the category of Open, Primitive or Master you are eligible to enter this event. There is a list of names to the right (in no particular order) of all the qualified potential entrants I can identify. Winning this contest moves you into Master Category. There is a mandatory safety briefing at 07:15. The contest will start at 07:30. Starting positions will be established by a random draw from a hat by all contestants.

There will be 3 silhouettes at each range from 25 to 150 yards. Starting with a loaded rifle, you have 3 shots to knock down 3 silhouettes within 7 minutes. Once the 7 minutes are up, the targets are reset and you move to the next distance. This repeats until all shooters have shot the course. You get 1 point per silhouette knocked down. Once you shoot **and miss** a silhouette, it is a zero for that shot (e.g. If you shoot at # 2 silhouette and both #1 and #2 fall down, you only get one point for #2. You already missed #1.) Ren will explain the course of fire before the event. **NOTE:** This event is for replica percussion or flintlock rifles firing patched round ball ONLY. If your name is included to the right as a BPCR class winner you can shoot the event, BUT your score will not count. You can shoot and have fun, but not win competing with BPCR rifles against replica round ball rifles. There is NO entry fee for this event. First place wins a Trophy and a promotion to Master Class.

Muzzle Loading Silhouette Contest Results: 2/23/2025

This was a standard Short Range Rifle setup with targets at 50, 75 and 100 yards. Weather was cool, (39f) in the morning, increasing to 81f by noon with some wind from the SW.

Pistol		Rifle	
Single Shot Pistol:		Open Rifle:

Geoff Orchin	8	Mark Cederquist	3 (DNF)
		Master Rifle:	
		Garth Warner	15
		BPCR	
		(Black Powder Cartridge Rifle)	
		Erik Olson	12

Following the Top Gun shootout we will hold a regular LONG RANGE rifle shoot. Targets will be set a 100, 125, and 150 yards. Entry fee for this will be \$5 for members and \$10 for non-members. Start time will be approximate, somewhere between 09:30 and 10:00 as determined by the shoot chair. Contact **Ren Everett** for more info everettju1@cox.net

NOTE: If you are LATE fulfilling your Volunteer Hours for the Association, you can get those hours by helping to set up and run this event. Set up starts at 06:30 am, and the contests will last until 12:00. Contact Ren Everett for more information. Bring gloves and water.

Thank you
Garth Warner

Modern Military Rifle Added to CMP Match

by Jim McKim

Since 2017 we have been running an **As-issued Military Rifle** match on the morning of the 1st Sunday of every month. This match follows the rules and course of fire of the Civilian Marksmanship Program (CMP) Games Rifle Competition rulebook, and is limited to U.S. and foreign military service rifles of the WWII era and before. That same rulebook covers a **Modern Military Rifle** match as well, and I've had requests to include that category. It falls into a category that is broader yet, called **Special Military Rifle**.

Modern Military Rifles, as defined by CMP Games rules, are semi-automatic military rifles of U.S. or foreign manufacture or commercial rifles of the same type and caliber or commercial variations of military-type rifles. There are three categories, described to the right. Common key rules are:

- a) The exterior configuration of the rifle must be similar to that of the original military or military-type rifle.
- b) The trigger pull may not be less than 4.5 lbs.

U.S. Modern Military Rifles must be:

- a) based on the M-16 rifle or be based on an AR design.
- b) manufactured by a USA manufacturer.
- c) equipped with issue-type metallic front and rear sights.
- d) chambered for the 5.56x45 mm or .223 Remington cartridge.

Standard Modern Military Rifles:

- a) may be manufactured in another country.
- b) must be equipped with issue-type metallic front and rear sights.
- c) may be chambered for any cartridge not exceeding 8 mm.

U.S. Modern Military Rifles:

Either of the above except they may have optical sights (reflective sights are considered optical sights) with a maximum magnification of 4.5X installed on the receiver.

The course of fire for Modern Military Rifle is the same as that for As-Issued except 60 seconds for rapid fire prone instead of 80 seconds: 5 sighters, 10 slow prone, 10 rapid prone, 10 offhand (standing). See the website <https://escondidofishandgame.com/events/as-issued-military-rifle-match/> for more details and contact info if you have questions.

AS-ISSUED MILITARY RIFLE MATCH NEWS

M1917 and M24/47

by Jim McKim

Rifles and cartridges used by the participants in the February and March matches were: US M1, M1903, and M1917, .30-06; Yugoslavian M24/47 and M48, 7.92x57mm (8mm) Mauser; Swiss K31, 7.5x55mm; and British Lee-Enfield No. 4 Mk I, .303 British.

The "show and tell" in February, presented by **Colin McKim**, was on the United States Rifle, cal .30, Model of 1917, which also goes by M1917 Enfield, P17, and "American Enfield". It was an American modification and production of the British .303 caliber P14 rifle, developed and manufactured during the period 1917-1918. When the British Empire entered World War I, it had an urgent need for rifles and contracts were placed with companies in the United States. In the case of the P14 rifle, Winchester and Remington were selected. When the U.S. entered the war, it had a similar extreme need for rifles. Rather than re-tool completely, the factories, under the close supervision of the US Army Ordnance Department, altered the design for caliber .30-06. Winchester produced the rifle at their New Haven, Connecticut plant and Remington at their main facility at Ilion, New York and at a new plant in Eddystone, Pennsylvania. (The Eddystone plant was built by the Baldwin Locomotive Works to produce P14s and converted for their use after the war ended.) More M1917s were produced at Eddystone than at New Haven and Ilion combined. And even though the M1903 was the official service rifle of U.S. forces, more M1917s were produced and used than M1903s. By the time of the Armistice in November, 1918, about 75% of American Expeditionary Forces were armed with M1917s. The rifles were re-issued in WWII to troops in certain occupations.

The M1917 has a two-lug cock-on-closing bolt and a stripper clip fed magazine that will hold six rounds, rather than the typical five, because the .30-06 Springfield cartridge is smaller in diameter than the .276 Enfield that its predecessor was originally designed around. The sights consist of a fixed post front sight and a rear receiver aperture battle sight calibrated for 400 yards with an additional ladder aperture sight that could be flipped up and was calibrated for 200-1,600 yards. The ladder aperture sight moves vertically on a slide and is not correctable for wind drift. The M1917's barrel had a 1 in 10 in. twist rate and retained the 5-groove left hand twist Enfield-type rifling of the P14, in contrast to the 4-groove right hand twist rifling of the M1903 Springfield and other US designed arms. The M1917 had a 26-inch heavyweight barrel compared to the lighter 24-inch barrel of the M1903 Springfield. With the longer sighting plane, the M1917 proved generally more accurate at long distances than the M1903, at the expense of greater weight.

Interestingly, since the M1917 was never adopted as the standard-issue rifle by the U.S. Army (the M1903 being succeeded by the M1 and M1903A3), and despite the quantity built and used, the Civilian Marksmanship Program (CMP) Games rulebook does not have a separate competition category for them, instead lumping them in with U.S.-issued Krag and foreign military rifles.

The "show and tell" in March was on the Yugoslavian M24/47. Yugoslavia emerged as an independent state following the fall of the Austro-Hungarian Empire after WW I and adopted the M24 rifle, a "knockoff" of the Gewehr 98 built by Mauser for Germany. M24s were built by the Kragujevac Arsenal (now renamed "Zastava") beginning in 1924. The M24/47 rifle is a bolt-action carbine produced by the Kragujevac Arsenal after WWII by rebuilding older M24 rifles with new, shorter barrels and new stocks.

The M24/47 has a Mauser-style action with a straight bolt handle, a three position safety and a tangent rear sight graduated from 200 meters to 2000 meters. It is chambered in 7.92x57mm (8mm). It features a five-round, fixed, internal magazine that can be fed with stripper clips. The stock has a semi-pistol grip, upper hand guard and sling swivels on the rear barrel of the butt rather than on the side like German K98s. A cleaning rod is stored under the barrel.

Most M24/47s saw no service use, as they were immediately replaced by the M48. After being in storage for decades, many were imported to the U.S. in the late 1990s and early 2000s and sold through surplus arms dealers and outlets such as Big 5.

CLASSIFIEDS

All Firearms, Powder and Ammunition sales must comply with local, state and federal laws.

CAESAR GUERINI Magnus Trap Combo. 12 gauge Shotgun.

Includes one 32" over-under barrel and one 34" under-single barrel (it is a dual set of barrels, both with high ribs). Includes original components, custom factory case, barrel and stock sleeves, tools, 5 original chokes plus 2 extra skeet chokes, and the factory DTS internal kinetic balancer recoil reduction system. The trigger, comb, and barrel rails are adjustable to suit one's desired fit and the stock is cast for right-handed shooters. The wood is exceptionally beautiful, and the receiver is engraved case colored with gold inlaid birds. \$7500. Buyer pays DROS/transfer costs.

Relive the simpler days of Old California with us...

Rancho Guejito Vineyard grows its grapes in the fine soils and climates of the last remaining intact Mexican land grant in California. Our 23,000 acre ranch was established in 1845. Nearly 175 years later, we have kept the tradition of cattle ranching, agriculture, and wine making alive.

Visit us every weekend for hayride tours, live music, and wine tasting.
