### PRESIDENT'S VIEWPOINT

Hello Everyone,

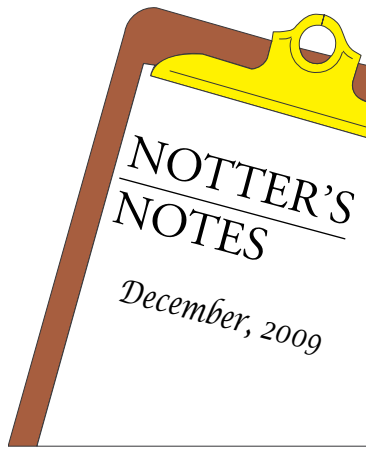

Looking around at the range you may not notice much progress as far as the Range Enhancement goes. However, we are making progress as far as the design of submittals for final review are concerned. The other day, a member asked me if we had upset someone at the City or the County. Of course it was not put that way but that is how you are going to hear it from me. Please remember that whenever plans are submitted, it is inevitable that you will be required to make corrections. One of the stipulations is that they want stamped drawings from an architect and structural engineer. Even though this building was pre-engineered, it doesn't matter. We did not upset anybody. These entities are accountable to someone and they have to make sure everything is constructed by code. When we re-submit, and have met their requirements, it will move much quicker. Please be patient. It is not easy for us either.

This past weekend was the annual Turkey Shoot. Lonnie assures me that everyone had a great time and the club made a small profit. However, this past weekend was not just about good things. Someone broke into most of the buildings sometime Saturday night. They did not take anything of great value because we do not store valuable merchandise at the range. They did cause a lot of damage to the storage buildings which probably will end up costing the club about \$1,000.00. I want to thank Kurt and Bud for looking into this for me since I was on the third tee when Kurt called me. Also, Vinnie and Doug Mitchell were summoned to re-secure the buildings and did a great job.

On a final note, you will not be getting a message from me until after the holidays. So, I want to wish all of you a Happy Thanksgiving, Merry Christmas, and joyful New Year.

Thank you all for everything you do to help our association.

Denny

Warren Hill won the twenty-five dollar attendance prize.  
Trevor B. Highfill would have won One hundred dollars  
had he been present.

## "TOYS for TOTS"

Escondido Fish and Game Association hosted 4 sharp-  
looking Marines (all Expert Marksmen) decked out in  
their dress blues at the November 12 general meeting.  
We welcomed Staff Sergeant Jeremy Smith (4th Tank  
Battalion), Sergeant Darcy Darrow (4th Medical  
Battalion), Corporal Nicholas Kasprinski (4th Tanks),  
and Private First Class Mitchell Tani (MWSS-473).  
Extra thanks to PFC Tani for leading us in the Pledge of  
Allegiance. They collected \$696 plus 17 toys in our "Toys  
For Tots" fundraiser! Thank you to all members for your  
generosity! All donations are kept in San Diego County  
and help children in our own community.

We have invited more Marines to come as guests for our  
December 10 general meeting to collect toys again. They  
will accept new, unwrapped toys for infants through  
teenagers, OR cash or checks made out to "Toys For Tots."  
Checks may also be mailed to the Association PO Box. All  
donations to "Toys For Tots" ARE tax deductible, as it is  
a 501(c)3 non-profit. Call/email Steve Prough with your  
questions @ 760-214-3502 or [steve@accidentprone.com](mailto:steve@accidentprone.com)

## MISSOURI BULLET COMPANY

The Assoc. has arranged with the Missouri Bullet Co. for a  
5% discount on orders of cast bullets. They have bullets of  
different hardness for the different shooting venues. Their  
website is [Missouribullet.com](http://Missouribullet.com). Use promo code EFGA-  
GC for the discount. They will give larger discounts for  
big orders.

## THE TURKEY SHOOT WAS A GREAT SUCCESS!

Counting the nice extra donation from Mike Sorchy  
and a few others the total amount collected for Toys  
for Tot was \$475.00. I want to thank all that came  
out and participated. Every one had fun and a lot of  
turkeys were taken home. All this would not have  
happened without the help of: Bob and Barbara  
Griffith for computer work, Annette, Allen Sr., Junior,  
Big Tom, and Ira! Most of all Layne and Sandy  
Kuhlman who really made an old man look good!  
Thank you one and all and Happy Holidays, Lonny  
Fowler.

### **TAKE YOUR OLD FURNITURE TO THE DUMP**

The range is not a depository for your unwanted sofa, desk, recliner, etc. If you have decent furniture that you no longer need, give it to the Goodwill, Amvets, etc. If it is past its prime, dispose of it properly.

### **HUNTING REPORT**

Paul Jones shot a nice 3X3 in the Ranchita area. He says it is the heaviest bodied deer that he has seen in the county. He used a Remington 700 in 7MM Mag.

On October 24th, 2009 @ 6:30am – Kevin Frazier (member), father Wayne Frazier (member) and brother, Nathan Frazier, attended the 2009 DFG Family Heritage Pheasant Hunt at Rancho Jamul, following a successful lottery tag drawing. The event was top-flight, and the DFG was very helpful, and well prepared. The hunt is afforded by the purchase of Upland Game Stamps – and it was the first time the Fraziers was able to hunt pheasant. What a treat for a son to be able to take his father afield for his first ever pheasant hunt! It was a great day. They said it was a great hunt and they all took their two rooster limit.

Marines attended our November meeting to promote "Toys for Tots"

### **JOIN THE CALIFORNIA OUTDOOR HERITAGE ALLIANCE**

EF&GA has affiliated with this group that is working to preserve our outdoor traditions. Look at their website – [www.outdoorheritage.org](http://www.outdoorheritage.org). I believe that you will discover their goals regarding hunting, fishing, guns, etc. are the same as yours.

By Bud Smith

Members and Range Officers,

Many of you who shoot on the 150 yard range have noticed that the last three positions on the west side of the range, the lake side, are closed and taped off. This is temporary while the Board of Directors researches several approaches to extending the backstop to the west and raising the backstop the entire length of the berm. The east berm between 150 yard and 100 yard will also be raised on the south east end. We are also placing numbers corresponding to the shooting lane numbers on the outside of the roof so members placing their target frames downrange can see their lane and their shooting position. Shooting out of lanes has become a serious problem and a liability for the Association. Effective immediately, only one target frame per shooting position is permitted during casual shooting. Sorry for the inconvenience, please respect this decision.

Mark your calendar for the December 10th General Meeting. We always have great prizes and lots of fun for all attending. This is the month to donate that special collectable for the table raffle; you know something special that has been in the garage for years, or even something you just went out and purchased. Don't forget to bring an unwrapped toy for Toys for Tots.

December is also the month we have our Range Officers yearly drawing in thanks for all the volunteer hours our range officers donate to help keep us all safe. Active Range Officers work a minimum of one shift per month or twelve shifts per year. The more shifts you work the more tickets you have in the hopper. This year, three Range Officers will win. Sorry, only (1) one win per Range Officer. The prizes are a Lyman black powder rifle and pistol and a spotting scope from Alpen Optics. Good luck.

Please remember to sign up for duty posts as far in advance as possible. The 2010 sign in folders are on top of the green box in the trap ramada. They are picked up by the 20th of every month for publication.

I have missed mentioning the range officer of the month for the past two month for this reason. We have so many special men and women donating their time it has become impossible to single out a member every month. Instead I want to say thanks to all our range officers and in my book you are all range officers of the month every month. Without you we would be deep in the soup.

New members, we need you to join our elite team of range officers. A commitment of one shift per month is required. The next Range Safety Officers class is scheduled for Saturday January 30th 2010. Please sign up in advance so we know how many books to order. Sign up before January 10th 2010 with an email to me: buckshotbud@cox.net. The cost is \$50.00. My goal is to have all EFGA Range Officers certified Range Safety Officers.

Lee Allen and Tom Kendall and I wish you all a Merry Christmas and a Happy New Year. Be Safe.
