December General Membership Meeting (12/12/2024)

Last year we decided to hold the December meeting on the 100-Yard Range under the new canopy. After hanging tarps around the perimeter, adding space heaters and a sound system, we were able to fit more people in the space comfortably. The one complaint that we need to address this time is getting a little more heat in there. This year we will do it again and I have a plan to address the heat issue. If anyone wants to help set up chairs, tarps, and such, please contact **Patrick Russ** and/or me.

Speaking of the December Meeting, I recommend that you make plans to be there for the event. We are doing the Cookie Extravaganza. Bring your favorite holiday treats along with a healthy appetite. The Christmas Raffle is always great fun and **Ray Bucholz** has a very special drawing planned. Don't miss it!

Joy Drive

Once again, we are collecting donations for the annual Joy Drive that was started by **Gunny Randsberger** and continues in his name. This program supports the CARES program on Camp Pendleton to benefit the families of our Active-Duty Marines and Sailors. The way that I see it, they have volunteered to protect our freedom with their lives. The least that we can do is thank them in a tangible and material way. We are collecting toys (new and unwrapped), diapers, gift cards, cash and checks payable to CARES. This year's Joy Drive will end at the General Membership Meeting (12/12/2024) so that we can deliver them to the CARES program on Friday, 12/13/2024. The Joy Drive for 2025 will start on 12/14/2024. If you can't make it to the December Meeting, contact **Linda Linaker** to get your donations in for this year's delivery.

Happy Holidays

It's that time of year again. We all need to do lots of shopping for last minute gifts and overpriced travel arrangements. We need to clean out the guest room and get the decorations down from the attic above the garage. It all seems like so much effort to gather with friends and family but at the end of it all, we don't regret any of it. If you are lucky enough to spend time with your loved ones, I encourage you to cherish these moments and make sure that your loved ones appreciate it as well. Life is short, live it well.

Merry Christmas, Happy Chanukah, have a **Fabulous Festivus!** Whatever you celebrate, I hope that you celebrate it well and safely. If you partake in any liquid cheer, remember that a limousine ride is a fraction of the cost of a lawyer – a taxi or a rideshare is dirt cheap in the grand scheme of things.

BULLET POINTS

Kenny Hogue has Left the Range

Kenny left the range last week. He and his wife Sandy were constant supporters of our junior program. They were also extremely generous with all of our building projects going back over 15 years. His passion was for trap, doubles and 5 stand. He will be missed. We extend our condolences to his wife Sandy and the rest of his family.

New Larger Flag

The new, larger 12' x 18' flag was raised on November 17 for the Junior rifle event. What an improvement to our Flag Pole Monument.

Monthly General Meeting

If you haven't already noticed, we have a lot of fun together at the monthly General Meetings. While we do get to hear everything that is going on around the range during the business portion of the meeting, it's not all business. This month we had so many donations to the raffle table that there wasn't any room left to put anything. Among the donors were **Elvio Marchi, Mark Baldwin, Therese Thomas, Bud Smith, Geoff Orchin, Moose Cleary, Bob Leider, Joanne Anderson, Hal Larsen, Leonard Hodges, San Diego Zoo and Safari Park, Patrick Russ, Rich Oberle and Darrin Eaton.**

Larry Bailey won the \$25 door prize and gave it to the Junior Program. Nobody won the Attendance Prize. **James O'Hara, Brian Misak, R. Michael Wilkinson, David Stephens and Manuel Muro** could have been \$500 richer if they had been present. The prize will roll over to the December meeting. **Daniel Ingham** won an Eisenhower silver dollar set from the Mom's Creek and Black Diamond raffle. **Ray Bucholz** and **Pamela Tucker** were also giving out buffalo nickels and hot pads to anyone that wanted them.

Ray and Bud Smith unveiled a special gift to the members of our Association. See the description on page 3 titled Black Powder Heritage.

Linda Linaker passed the hat around to collect donations for the Camp Pendleton Joy Drive. **Jack Starlin** vowed to match the donations received. Among the donations were \$205 in cash, \$765 from the **Escondido Bandidos**, \$500 from **Tim and Dawn Gormley** and \$400 from a donor who pleaded to remain anonymous. Linda collected cash, checks and gift cards totaling \$1870. Jack wrote a check on the spot and declared that we didn't hurt him enough, so he will match receipts again next month. Bring your big bills so Jack can "Feel the Pain".

The next Monthly meeting will be December 12 at 6:30. Join us for the Cookie Extravaganza and our annual Christmas Raffle.

Donations to Christmas Raffle

Thank you to **Rich Hall, Woody Morrison, Yosi Boubilil and Chris Cote** for donating their time and talents to provide unique prize options for the Christmas Raffle table. Rich and Yosi have donated CCW renewal classes. Woody donated 2 private pistol handling classes and Chris donated a 10 punch trap card. Bud received several other donations at the November Meeting. Thank you all. It is appreciated.

If you have new or unused items that you would like to donate to the Christmas Raffle, please contact **Scotti Clary** at lsclary@escondidofishandgame.com or **Bud Smith** at budsmith223@gmail.com before December 5. Anything received the day of the raffle will be saved for the January or February General Meeting Raffles.

Camp Pendleton Joy Drive

Merry Christmas to all !!! As we are celebrating this holiday season with gifts to family and friends, let us not forget the families that help keep us safe. Donations to the Holiday "Joy" drive are greatly appreciated. New toys, gift cards, checks (payable to CARES) or cash will all be taken to Camp Pendleton after the December meeting. We have a shot shell flag to win, tickets are \$10 each. See **Linda Linaker** 760-638-0573 or momma92082@gmail.com to enter the drawing.

Cookie Extravaganza

Don't forget our December meeting is our Cookie Extravaganza. Bring two dozen treats to share with each other. Also bring a warm jacket since we will be on the 100 yard range. Meeting starts at 6:30. Come early for a good look at the prize table.

DEADLINE for Next Newsletter:

Friday, December 13

All requests for items to appear in the monthly newsletter should be sent to:

newsletter@escondidofishandgame.com

New Speakers

We now have speakers donated by **Elvio Marchi** in the meeting hall and kitchen. Pictured below are **Darrin Eaton** and **Michael Douglas**. Missing from the photo at right is our own Chief Range Safety Officer, **Gary Fukuda**. Gary is on the other side of the hole (in the ceiling) running the electrical wires.

Membership Renewals are on the Horizon

The renewal paperwork will be mailed out at the end of April. If you have any address changes, please contact the Association Clerk at efgaclerk@cox.net or call 760-432-2089 with your change.

REMINDER TO NEW MEMBERS: When you send in your renewal paperwork, you will be required to turn in your yellow card with proof of having completed your volunteer hours. If you have not completed your volunteer hours by June 30th, your membership will not be renewed.

BBQ Planning has Begun

Your barbecue committee is working hard to make the 2025 event great. We are asking for your help. We need members to man the events, the ticket booth, and all the other places to facilitate a smooth event. We also need help with clean up after the BBQ. See **Patrick Russ** pruss@escondidofishandgame.com or **Linda Linaker** momma92082@gmail.com to get a good place to help. May 18, 2025 is the date.

Black Powder Heritage

Lee Teter Print

At the November General Meeting **Ray Bucholz** and **Bud Smith** unveiled a very special gift for the members of Escondido Fish & Game Association. One of our previous members, **Denny Martin**, had been presented with an authentic signed and numbered print titled The Defender by the artist himself. The artist, **Lee Teter** presented this print to Denny in recognition of his work in helping to establish the Black Powder Heritage programs at Escondido Fish and Game. When Denny passed away, his wife, Susie, brought back many of his items from North Carolina to give to Bud and Ray. Among them was this signed picture from the artist which will hang in the meeting hall at Escondido Fish & Game.

Lee Teter is known primarily for his series depicting early Indian and settler life in the 1700s. The subject of this picture is **Lewis Wetzel** who became a vigilante Indian fighter in the Ohio Valley Indian wars after a Wyandot raid killed members of his family. It was said that he could load a rifle or musket with powder from a powder horn, round ball, pack it and fire with expert marksmanship while running at full speed. The Indians called him "Death Wind".

Thank you Ray and Bud for sharing this amazing gift with all of us.

RANGEMASTER SOUND-OFF

Safety First

One of the features of our Monthly Membership Meetings is that **Gary Fukuda**, our Chief Range Safety Officer, provides a safety review for the month. Areas of highest attention are negligent discharges, rules violations and any unsafe behavior with firearms.

As we have mentioned before, we are all Range Safety Officers, tasked with protecting the safety of our fellow members and their guests. Given that, it is important for all of us to help encourage each other to be responsible members when it comes to safety. Additionally, any major infractions or any accident must be reported to the Range Safety Officer or Shoot Chair on duty. If none are available, the situation can be reported to Gary (gfukuda@escondidofishandgame.com or 760-420-7488) or **Mark Baldwin**, Assistant Chief Range Safety Officer (760-715-1871 or mlbofsm@cox.net).

Every incident is followed up with an "After Action" review. Measures are taken to provide appropriate discipline or guidance to the parties involved. As we run into the end of the year, Gary has issued a 30 Day Challenge: He would like to see no reportable incidences for the next 30 days. Let's not disappoint Gary and our fellow members.

Courtesy and Range Maintenance

Two of the biggest complaints from our members involve Housekeeping and Common Courtesy. Your fellow members get tired of cleaning up after you. It is expected that you remove your targets from the target backers and take them home with you. It is also expected that you pick up your empty brass.

Did you Forget Something?

Take one last look around before you drive off. Did you forget something? Did your buddy leave his ammo can on that bench? All too frequently members leave items and then call an RSO to tell them about it. The RSOs don't live on site. If you left something behind, go back and get it. So...here's another 30 Day Challenge: 30 days with no belongings left behind.

If you have any comments, concerns or questions please contact Gary at gfukuda@escondidofishandgame.com or 760-420-7488.

TRAP CORNER

Changing Weather

Alright shooters, winter is here. No matter if you are shooting in the morning or in the evening at some point, we need to have layers of clothes on. If you are shooting with gloves and this is not how you normally shoot, please take a minute to make sure you can load, unload and fire your gun safely with the gloves on.

It is recommended that you keep an eye on the website calendar now that the weather is changing. The rain may cause some last minute cancellations to trap.

Ladies Night at Trap

Ladies, let Annette teach you how it's done. She is offering "Down and Dirty Trap 101", an Introduction to Trap for the ladies. If you are interested in learning Trap, join **Annette Champion** on the 2nd and 4th Wednesday of every month. Space is limited to five participants per night. Members will have the first priority. You will need eye and ear protection, 20-gauge ammo and cash for trap rounds. We will provide shotguns and trap pouches for the evening. RSVP to Annette at 760-803-7428 if you would like to join the fun.

JUNIOR CORNER

by Patrick Russ

I can't believe it's the end of the year, already. It literally feels like we were just celebrating the 4th of July. It feels funny to be writing the December Junior Corner, but here goes.

Today we held our last Junior Rifle event of the year. As we have done for the last 8 years or so, we started the November event with a tribute to our Veterans and First Responders. Every year that we have done this has been unique and special in its own way. This year will be no exception. This year, like last year, we had the young ladies of the **American Heritage Girls** here to help us honor our heroes. After the introductions and the recognition of our Veterans and First Responders, the young ladies presented a multipiece speech especially for this event. Here are the names of all the girls who helped in today's Veterans Ceremony: **Olivia Amash, Alessandra Harlow, Julia Harlow, Allana Kelford, Olivia Kelford, Victoria Martinez, Teagan McColl, Brooke Pastore, Evelyn Staggs** and **Lillian White**.

American Heritage Girls' Veterans/First Responders Day Speech 2024

Part 1:

Ladies and gentlemen, today we gather to pay tribute to two groups of remarkable individuals who have given their all for the safety and freedom of our nation: our first responders and our veterans. In addition, we commemorate the history of Veterans Day, a day of great significance.

Part 2:

Our first responders and veterans have displayed immense courage and sacrifice in their service. They have faced danger and adversity, risking their lives to protect ours.

Part 3:

True heroes are those who show exceptional bravery in their everyday duties. Our first responders and veterans embody this heroism, dedicating their lives to the well-being and security of their fellow citizens, while sacrificing their own.

Part 4:

Behind these heroes stand their families, providing unwavering support. Their sacrifices are often unseen, but their love and strength are invaluable.

Part 5:

The debt we owe to our first responders and veterans is immeasurable. Their dedication ensures that we can live in a land of liberty and opportunity, and we must remember this every day.

Part 6:

Veterans Day has its origins in the armistice that ended World War I on November 11, 1918. Originally known as Armistice Day, it was a day to commemorate the end of that horrific conflict and honor the veterans who had served in it.

Part 7:

In 1954, the name was changed to Veterans Day to recognize and pay tribute to all veterans who have served our nation in times of war and peace. It is a day to honor the sacrifices of all those who have worn the uniform.

Part 8:

Our first responders are the lifelines in our communities. They rush toward danger when others flee, providing aid and comfort during our darkest hours.

Part 9:

Our veterans are the guardians of our nation's freedom. Their service has safeguarded our way of life and shaped the world in which we live.

Part 10:

As we honor our first responders and veterans today, let us pledge to remember their service, sacrifices, and the history of Veterans Day. Let us express our deepest gratitude, support policies that ensure their well-being, and ensure their sacrifices are never forgotten. Thank you, first responders and veterans, for your unwavering commitment to our safety and freedom. You inspire us all.

What made this speech even more special is that many of the young ladies were only 6-10 years old. Afterwards I asked how many of them were nervous or scared to make the speech in front of so many people. Every one of them raised their hand. I told them that we were proud of them for sacrificing their comfort to do something nice for the Veterans and First Responders just like they sacrificed their comfort and much more to protect you and your family. I went on to tell them that their sacrifice will not be forgotten just as the sacrifice of our Veterans and First Responders will never be forgotten. I think that in a small way they started to understand that what they did was more than reading some words from a piece of paper in front of a bunch of people and that what they did today actually meant something to many people, me included.

The event itself went really well. We had 69 shooters. **Olivia Collins** took Top Shooter with a 377. I also have to give Olivia some kudos. I called her out unexpectedly during our safety brief to help me, I don't think that she was happy with me, but she did a great job and took it all in stride. I have watched Olivia progress rapidly over the last couple years to become one of our top shooters. She has also become an outstanding coach. I'm sure I'll be writing a lot more about her in the future.

As usual, we couldn't do this without the help of our amazing kitchen crew, the guys in the Armory and the many coaches and helpers. The is a big event with many moving parts. Many of these people are here every month doing the dirty, but necessary work. Ren and I can plan but we couldn't do any of this without all our amazing volunteers.

The Junior Marksmanship Program would like to wish everyone a very SAFE Merry Christmas and a Safe and Happy New Year. We look forward to seeing all of your smiling faces next year.

BLACK POWDER NEWS

Black Powder News for Dec 2024

Muzzle Loading Bullseye - Dec 1: We have typically skipped an event in December, but this year we will have a make up Trade Gun event. One A-21 target at 50 yards, 13 rounds, best ten are scored. One B-19 target at 25 yards, 13 rounds, best ten are scored.

I realize that we have very few Trade Gun shooters left in the group so I will open this up to Short Range Rifle shooters as a separate category. Two B-19 targets at 50 yards, 13 rounds at each, best ten are scored. Mandatory safety meeting at 07:45. First rounds out at 08:00.

Traditional Archery: The season is over and year end awards were handed out in November. You can shoot bow on the Archery Range after the Bullseye event, but you may be lonely.

MuzzleLoading Silhouette 10/27/2024

Hello all.

Pretty good turnout for October, both Pistol and Rifle. Weather was OK and we were able to shoot at the modified Standing Bear target as a test. (Rear 1'X1"X6" trimmed off) Seems to work really well and I have contacted the volunteer that did the work to go ahead and modify the remaining 9 silhouettes. **Erik Olson** showed up with surplus percussion caps he picked up from Graf and Sons. Limited availability, but at a reasonable price. Keep your eyes open on their website as they go pretty quickly.

On a personal note, I had my eyes examined today. I have pretty bad cataracts in both eyes. I will tentatively have eye surgery on two dates in December. This may affect both the MuzzleLoading Bullseye and MuzzleLoading Silhouette contests for December. I will know more in a couple of weeks when they confirm the surgery dates.

Mountain Man Joke of the Day: When crossing the plains to get to the Rocky Mountains, do NOT pet the fluffy cows. It really annoys them, and makes the Native Americans nervous...

Muzzle Loading Silhouette: Tentatively scheduled for Dec. 22nd. I say tentatively because I have eye surgery scheduled for Dec. 19th. For a couple of days after I can NOT bend over below the waist, pick up more than 10lbs or sing Soprano in the Opera. That being the case I WILL show up to run the contest if we have people that are willing to set up and tear down the targets, frames and tables. As I have done in the past, I will have three complete Christmas Turkey dinners to award by blind drawing from the entries that show up.

This will include a frozen precooked turkey, canned gravy, mashed potatoes, cranberry sauce, and a home made pie. (Pecan, and/or Pumpkin pie- depending on what my wife wants to make). The drawing from all entrants will occur as soon as all the gear is stowed away. Range setup starts at 06:30. Pistol starts at 08:30. Rifle starts at 10:00. We should be done by noon.

Percussion Caps: are starting to be available at Graf & Sons and from Mid-South Shooting Supply. When they get them in stock they sell out quickly, so watch their web sites.

Jan 2025

January starts our regular rotation of Black Powder contests. We shoot 4 courses of fire during the year. January is Super Short Range. This is where you want to start if you won a gun from Ray's Muzzle Loading Gun Raffle. Targets are at 15, 25, and 35 yards for pistol, and 25, 50 and 75 yards for rifle. For February, March and April, the targets get moved out 25 yards each month. If this sounds like fun, then come on out on the 4th Sunday of each month to shoot or watch.

MuzzleLoading Bullseye 11/3/2024

This event was scheduled as the Lee Allen Memorial Benchrest contest for Muzzle Loaders. Contestants shot 13 rounds at an NRA A-21 target, at 150 yards. Your best 10 rounds were scored. Weather was cool but calm. Immediately following the Benchrest contest we held a Hawk Throw in the Campground. The target was a Palm round, with a playing card painted in the middle. Sticking the hawk was worth 1 point. Sticking the card was worth 3 points. Everyone got 10 throws for score. Naturally, the guy with the least experience won.

Good Job for **Mark Cederquist** in his first Tomahawk contest.

ARCHERS of the LAKE

BLACK POWDER NEWS

Volunteer Corner

Special Thanks:

To **Joel Keown** for the steel work he recently completed on some of our Black Powder Silhouette targets. Joel was able to trim a 1'x1"x9" piece of steel off the base of ten, (10) Standing Bear targets we use in the BP Silhouette contests. Previously these had been somewhat challenging to knock down as the base was too heavy and any hits below the center of the target resulted in a "Ping" and no knockdown. Joel is an amateur blacksmith and metal worker and received volunteer hours for the work completed.

If you need some work done, look him up. Thank you Joel.

Relive the simpler days of Old California with us...

Rancho Guejito Vineyard grows its grapes in the fine soils and climates of the last remaining intact Mexican land grant in California. Our 23,000 acre ranch was established in 1845. Nearly 175 years later, we have kept the tradition of cattle ranching, agriculture, and wine making alive.

Visit us every weekend for hayride tours, live music, and wine tasting.
