## Mark's Remarks

Well, it's that time of year when we start thinking about the annual BBQ. This year it is going to be a special one. It's our 80<sup>th</sup>. It will be catered by Bekker's Catering again. We are going to have the usual events and maybe some new ones. We are also going to have a bake sale. If you are interested in donating to the bake sale, contact one of the BBQ committee members (**Linda Linaker** at [momma92082@gmail.com](mailto:momma92082@gmail.com), **Annette Champion** at [trapchick@cox.net](mailto:trapchick@cox.net) or **Patrick Russ** at [PatrickRuss71@gmail.com](mailto:PatrickRuss71@gmail.com)).

The raffle tables will be done like last year with your name printed on the ticket, so you won't have a lot of tickets to look through. If you have any ideas of things you would like to see on the raffle tables or if you would like to donate new items for the raffle, contact the BBQ committee.

As always, we are in need of volunteers to help before, during and after the BBQ. If you are one of those procrastinators and haven't completed your required hours, this is a good way to get your hours. Tickets are available. Prices are \$40 for adults until April 1<sup>st</sup>. Then they go up to \$45 in April and \$50 the day of the event. Children's tickets are \$15 for ages 2-12. Tickets can be purchased from **Linda Linaker, Patrick Russ, Ren Everett, Mark Baldwin**, on the website or the form on page 4.

Now for some house cleaning items. We are still finding shotgun hulls in trash cans on the range. This is a NO NO. If the County comes by and finds them, we can receive a hefty fine and closure of the range. So, please remember to take them home with you.

### February Work Party - 2/22/2026

**Save the Date:** Sunday, February 22 is the next Work Party. There is only one more Work Party (in May) before Membership Renewal time. Come and share some quality time with fellow members. Clean up the range and have a nice lunch together. If you have your own garden tools and work gloves, please bring them. We have some available, but we sometimes run low. Extra **weed whackers** are always welcome. **Chain saws** may be needed this time around, too. Show up any time after 7:00 am and stay only as long as you like. See you on Trap Pad #2.

### January General Membership Meeting

What a pleasant way to start off the 80<sup>th</sup> Anniversary of Escondido Fish and Game Association – A fun get together with friends. During the business portion of the meeting we were updated by many of the shoot chairs on their particular events. Additional updates were provided including many of the Bullet Points on these 2 pages.

**Scotti Clary** won the \$25 door prize and donated it to Defensive Pistol. The attendance prize started over at \$100. **Charles Henry** would have won it, but he wasn't present. The prize will grow to \$200 for the February meeting. You must be present if you want to walk out with the cash. The raffle table was supplemented with a lot of member donations this month. Among the donors were **The San Diego Zoo and Safari Park, Michael Douglas, Bud Smith, Elvio Marchi, Mike Quadrozzi, Therese Thomas, Bob Leider, Daniel Ingham and Jim Kelley**. We all enjoyed donuts and coffee together before heading back down the hill for the night.

### Camp Pendleton Activity Continues

**Linda Linaker** announced last month that we collected over \$13,000 for the Camp Pendleton Joy Drive last year. But... The activity continues. She is still collecting diapers that will be delivered to Camp Pendleton in March. March is the "Month of the Military Family". Please see page 12 for a copy of the gracious thank you letter from **Vicki Miller**, Founder and Executive Director of the C.A.R.E.S. program at Camp Pendleton.

### Range Rules Forum - All Members Invited

Do you have questions about any of the rules? Do you want to make sure you understand them clearly? All EF&GA Members are invited to a Range Rules Forum on March 21 from 8:00 am to 12:00 in the Meeting Hall. Our Chief Range Safety Officer, **Gary Fukuda**, will host the forum where you can discuss anything related to the rules or range safety. A safe range is a happy range. Hope to see you all there.

### EF&GA 80<sup>th</sup> BBQ Update

Plans for the EF&GA 80<sup>th</sup> BBQ are well under way. The big event will be Sunday, May 17.

Bekkers will again feed our masses at the annual BBQ in May. BBQ tickets will be \$40 if purchased in January, February or March. The price increases to \$45 in April and May. On the day of the BBQ the tickets will be priced at \$50. Kids tickets will be \$15. The tickets include far more than just great food. Join in the games, the live music of **Samantha Cary**, the biggest raffle of the year and a silent gun auction, plus much more. **Ralph Magnus** will set up shop again sharpening knives with all donations going to the Junior Marksmanship Program. The Blacksmiths will return as well as a local Firetruck and many other displays.

### BBQ Team Meeting 3/4

A BBQ Team Meeting will be held at 5:00 pm on March 4 in the Meeting Hall. If you want to be part of the planning, we hope to see you there. We have lots of things to decide. If you are interested in being in charge of an event at the BBQ, please send your contact information to [momma92082@gmail.com](mailto:momma92082@gmail.com) along with what you need for your event. Since it is our 80<sup>th</sup> anniversary we are hoping to have a super event. Thank you for your help. **Linda Linaker**

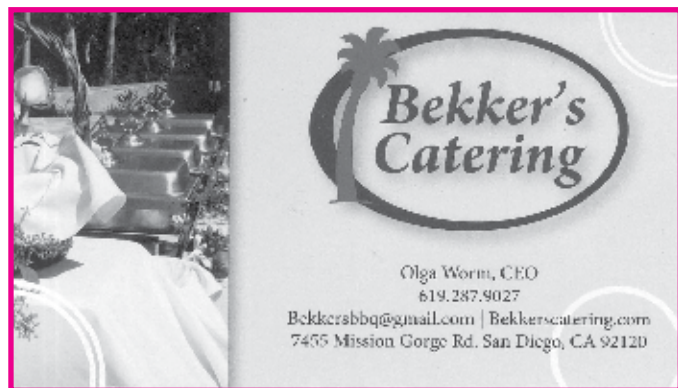

### Coaches Needed for Wounded Warriors 2/4

**Linda Linaker** is hosting the Wounded Warriors this month with a .22 Poker Shoot on Wednesday, February 4. Linda is expecting 20-25 Warriors and is requesting coaches to assist with the event. She will be providing lunch to all participants and coaches. Let her know if you can help at [momma92082@gmail.com](mailto:momma92082@gmail.com)

### Wounded Warriors Coaches Needed on 3/18

March 18 is the date for a Wounded Warrior Shotgun Event. We start at 10:00 am so if you are interested in helping please be at the range at about 9:30 am. Lunch is at about 12:30. Let me know at [momma92082@gmail.com](mailto:momma92082@gmail.com) if you are available to help. See you there. **Linda Linaker**

## Membership Renewal

Your EF&GA membership renewals will be coming up soon. The renewal notices will be mailed out the end of April 2026. If you have an address change, please contact the Association Clerk at [efgaclerk@cox.net](mailto:efgaclerk@cox.net) with your new address.

Renewal notices are sent out in the mail. They are not sent out via email. Make sure the Association Clerk has your current address. If you haven't received your renewal paperwork by mid May, contact the Association Clerk at [efgaclerk@cox.net](mailto:efgaclerk@cox.net)

If you have been a member for less than 5 years, start looking for that "Yellow Card". Send the card in with your renewal paperwork to verify that you have met your volunteer hours commitment.

## NEW MATCH - Rimfire Steel Challenge

There's a new sanctioned event, the Rimfire Steel Challenge, on the calendar at EF&GA, also called "LONG GONG". It is a mixture of NRL/PRS, Silhouette, and Benchrest.

There are 3 courses of fire:

- A. 4", 3", 2" at 150 yards
- B. 2" at 100, 125, 150 yards
- C. 2", 1-1/2", 1" at 100 yards, at 5' apart.

Shoot from the bench. Bring your 22 lr rifle, bipod and soft bag, and 2 boxes of ammo.

The event will be held on the 3rd Friday of every month beginning in February. Sign-in at 7:30 am. Practice 30 min.

\$5 for members, \$10 for non-members

Shoot Chair: **Jonathan Seal** at [jonathanseal@gmail.com](mailto:jonathanseal@gmail.com)

## Check the Calendar Before You Come

Some of you have a long way to drive to get here. Even if you're relatively close, it's a big disappointment to get here and find out that you can't shoot. Check the website calendar before you come. If you're coming up for some casual shooting or personal practice, make sure that there isn't an event scheduled for the particular range you want to use. Maybe you're coming up for your favorite event. Check that calendar to make sure it hasn't been cancelled, especially this time of year with unpredictable weather.

# RANGE MASTER SOUND OFF

by Gary Fukuda

## Range Rules Forum All Members Invited

Our Chief Range Safety Officer, **Gary Fukuda**, will host a **Range Rules Forum** on March 21 from 8:00 am to 12:00 in the Meeting Hall. All EF&GA Members are invited.

Do you have questions about any of the Range Rules? Do you want to make sure you understand them clearly? Come to the Forum and discuss anything related to the rules. Ask questions about Range safety or general questions about the Range.

Our objective is a safe range that our members and their guests can enjoy. Hope to see you at the Forum.

## Unobstructed Fire Lanes

**Please leave the fire lanes unobstructed.**

On the 100 yard range, the fire lane is the sloped berm from the concrete pad to the row of California Live Oak Trees. Please don't park there.

On the 150 yard range, the fire lane is the gravel road from the edge of the concrete to the kiosk where the target frames are stored. Please don't park there.

## RSO Class

Our Chief Range Safety Officer, **Gary Fukuda**, and our Secretary and Trap Master, **Chris Cote**, held an RSO Training class on January 17 for 7 new RSOs and Shoot Chairs. While it is important for RSOs to know the Range Rules, the focus of the training was to emphasize ensuring a safe and enjoyable shooting environment. So, when you're out there for a casual shooting experience, introduce yourself. Maybe even chat a little. The RSOs are all volunteers that are there to make sure you enjoy the Range as much as they do. They may even inspire you to become an RSO, too.

## Important Dates:

**Junior Trap** 2/14/2026 & 3/14/2026  
**Junior Archery & Pistol** 2/15/2026  
**Junior Rifle** 3/15/2026  
**Junior Muzzle Loading** 3/29/2026

On January 18 we had our first Junior Rifle event of the year. The day started out a little cold but quickly warmed up by the second relay. The rest of the day was absolutely gorgeous. I saw lots of familiar faces and many new ones. There was a lot of great shooting. It looked like everyone went home smiling. We had 4 FULL relays of 20 shooters each, so we decided to run a 5<sup>th</sup> relay with about 8 shooters. It was the first time that I can remember that we have run a 5<sup>th</sup> relay in the winter. But, like we all like to say, "It's for the kids". Not only did we have a ton of shooters, but we also had a bunch of coaches show up and stay the whole day. What a great way to start the new year!!!

Congratulations to our two Distinguished Experts, **Emma "Princess" Detweiler** with a 390 and **Olivia Collins** with a 388.

Special thanks to **Alexis Taylor** for giving up her spot on 2<sup>nd</sup> relay to allow one of our younger shooters a spot. I would also like to thank the **Plascencia** family for stepping up to coach, clean up and sight in rifles. See you all next month (February 15) for Junior Pistol and Archery.

# TRAP CORNER

by Chris Cote

Wow, trap shooters, it's hard to believe we are already planning February events.

We have also had to dodge a little bit of weather. I recommend keeping an eye on the calendar if the weather looks iffy.

Going into 2026 I would like to see if we can get more participation in our InterClub shoots. The next Interclub Shoot will be at Maywood Rod & Gun Club in Riverside County. Mark the date, February 21, on your calendar.

**Darrin Eaton** leads the charge with attending the shoots on our behalf. Contact **Darrin** at [Deaton@escondidofishandgame.com](mailto:Deaton@escondidofishandgame.com) if you would like to be part of the EF&GA contingent to this shoot.

If you are a Junior trap shooter and you would like to get involved, please reach out. We can help you get started.

We have introduced a new shotgun game on the 2nd and 4th Wednesdays. Cosmic Trap. The trap lights will be turned off, and we will be using black lights to light up the birds. Yes, they do glow in the dark. Shoot time will 6:30 pm till 8 pm. You do not need anything special, just your ammo and a gun.

# BLACK POWDER NEWS

by Garth Warner

## Muzzle Loading Bullseye on Sunday Feb 1st:

This will be a Short Range Pistol Event held on the 150 yard range. You will shoot at two NRA B-19 targets set at 25 yards. All shooting will be done "off hand", which means "One Handed Duelist style". You will be able to shoot 13 balls at each target with your best ten on each target counting for score.

This event is intended for Single Shot Muzzle Loading Pistols, Flintlock or Percussion, firing patched round balls, using Black Powder (or BP substitute) as a propellant. If you want to participate and have a Cap & Ball revolver, you can shoot in the event. Your score will NOT be counted against the Single Shot Guys.

This is a pretty "Laid Back" event and you DO NOT need the reflexes of a rattlesnake on crack to compete. If you have won one of **Ray's** guns this is a great place to start. If you have the gear, we will take the time to walk you through the event. It is also great practice for the BP Silhouette event next month.

There is a MANDATORY safety briefing at 07:45 and the contest will start promptly at 08:00. The entry fee is \$5 for Association Members and \$10 for Non-Members. Contact **Garth Warner** at 760-420-7550 for more info. Please DO NOT try to use my email address shown in the newsletter, as I am in the middle of installing a new computer and I tend to biff the install at least once.

**Traditional Archery on Sunday Feb 1st:** If you have an interest in breaking into casual competitive archery, then THIS is where you start. Currently this is the ONLY archery contest held at the range. If you have the gear, we can help you get started. If you don't have the gear, we can point you in the right direction. For Juniors who have participated in the Junior Archery Program, this is the next step in developing your archery skills. Again, this is CASUAL competition with a variety of archery classes using mostly low cost equipment.

The Archery contest starts AFTER the Bullseye Event listed above at 10:00 (ish) and is located on the archery range to the left of the pistol range. This event is hosted by **David Premetz**. Contact David at [slixgunr@yahoo.com](mailto:slixgunr@yahoo.com) or 760-489-1082 for entry fee and equipment requirements.

## Muzzle Loading Bullseye January 4, 2026

This was a short range rifle contest with two targets at 50 yards. 13 shots at each target. Best 10 count for score.

Tom Arendell	79- 70 = 158
Mark Cederquist	72- 80 = 152
Brad Speer	78- 70 = 148
Brian Kowalski	68- 68 = 136
Jerry Strauss	69- 59 = 128
Ren Everett	69- 53 = 122
Mike Sykes	42- 79 = 121
Vlad Baker	37- 52 = 89

(Juniors shooting from the bench)

## Muzzle Loading Silhouette on Sunday, Feb 22nd: **CANCELLED!**

This date has been chosen for a Range Clean Up. **Regular BP Silhouette Contests will return starting March 22nd.** This **was** an event where we shoot steel silhouettes at a variety of distances. For February, we **will not be** shooting a Standard Short Range rifle course of fire. Rifle targets will **not** be set at 50, 75 and 100 yards. Preceding the Rifle event we will **not** hold a Pistol event with targets a 15, 25 and 35 yards.

**When we are NOT cancelled,** we offer a variety of both Pistol and Rifle classes to compete in. While this event was originally intended for replica Black Powder Muzzle Loading firearms, we have opened up new categories in **Black Powder Metallic Cartridge Revolver and Rifles.** The only restriction is that you need to use cast lead bullets and Black Powder (or BP substitute) propellant.

In a direct dig at the Cowboy Action guys, if you want to shoot at further than 10 feet, then this is the place to give it a try. Also, if you want to hone your long range RIFLE skills, then you can do that here. The Pistol event **would have** started at 08:30, Rifle at 10:00. The Member entry fee is a whopping \$1 for Pistol and \$5 for Rifle. Double that for Non-Members. If you have one of **Ray's** rifles, then this is the event for it. If you have the gear, we will coach you to get started.

**Special Note:** This event is very labor intensive to set up in the morning and take down about mid-day. If you're a new member and need volunteer hours, then this event is a good place to find the time you need.

Contact **Ren Everett** at [everettju1@cox.net](mailto:everettju1@cox.net) or 760-432-2089 for details and classifications.

# COWBOY ACTION SHOOTING

by Darrell Brinkmeier  
AKA Double Diamond

Happy New Year to all of the Cowboys, Cowgirls, Gamblers and Gunfighters!

Although the Escondido Bandidos had to cancel the Jan 3<sup>rd</sup> match, we are eagerly awaiting our next scheduled match on February 7<sup>th</sup>, 2026.

This year marks a celebration year for **SASS** marking 40 years of the **Single Action Shooting Society** and the 45th anniversary of **End of Trail** where our story began.

This year, **End of Trail** will be held at the Ben Avery Shooting Center (Phoenix, AZ) from February 22 through March 1, 2026.

The **SASS California State Championship** will be held from April 30 through March 3, 2026 at the Route 66 Shooting Park (San Bernardino, CA).

I have been asked many times "Why join **SASS**"? It is an interesting question with many answers. The top responses include:

1. Support of shooting sports
2. Support for the 2<sup>nd</sup> Amendment of The Constitution of the United States of America
3. Interest in the preservation of the Old West Heritage and Western lifestyle enthusiasts
4. Firearm enthusiasts and collectors of western and antique firearms
5. Family oriented competition and camaraderie.

If you are interested in shooting Cowboy Action, please contact me. From new shooter clinics to seasoned advice concerning many of the choices that are available, I am confident that we can help with nearly any request.

## *Caring, Assistance & Resources in Emergency/Everyday Situations (C.A.R.E.S.)*

Vicki K. Miller, Founder & Executive Director

30 December 2025

Dear Escondido Fish & Game members:

On December 16, 2025, we received many boxes and bags full of children's toys, books, & games, stuffed animals, and bikes & trikes that your group donated for our military families for the 35<sup>th</sup> Annual Toy & Food Drive coordinated and sponsored by C.A.R.E.S. Along with that, we also received \$420.00 in gift cards, and \$9,700.00 in cash and checks for C.A.R.E.S. The love and passion for helping others is something we appreciate so much. We appreciate your group's continued support with the most recent gifts from EF&G Association.

Gifts from individuals, churches, businesses, and local communities have uplifted many spirits as we assist families of men and women serving in our Navy and Marine Corps. Throughout the year, our chaplains, case managers, Hope & Healing counselors, and Social Workers speak and counsel with many American Heroes. They assess those needing assistance and C.A.R.E.S. offers food and gift cards for local stores to help during the family's financial struggles. Donations such as yours help us to help them. The gift cards and toys are most welcome each year as we do our annual Holiday Food and Toy Drive. After depositing the cash and checks I was able to purchase additional Commissary gift cards for the young families that weren't originally on our nomination list we got back in October – some just checking onboard and others adding newborns. Your donations are such a blessing!

I extend my gratitude to you for brightening the lives of our military during the trying times they are facing. They appreciate knowing they and their families are supported and appreciated. We ask that you keep them all in your thoughts and prayer as we face the new year of challenges and changes.

May you all have a blessed 2026!

**Ruger Alaskan Super Redhawk 454 Casull - 45 LC Revolver.**

Fires both 454 and 45 Colt ammunition from the same cylinder, 2.5 inch barrel, SS with Hogue Tamer Grip, 6 round capacity. In great condition with original case, manual, a holster, and some extras. If you reload, I'll include a fair amount of 454 brass at no extra charge (454 brass should reload using most 45 Colt dies - not included, but confirm this yourself). It fires 454 well with satisfaction, and 45 Colt provides for a bit easier experience. \$1000.
