## Darrin's Dissertation

### Happy New Year

Well, here we are again. It is always a comforting thought that we get to start over at the beginning of the year with a fresh start and another chance to get it right this time around. We are starting off another year and we all have plenty of hope that we will succeed with our resolutions. We have many projects in the pipe for this year and they will all need lots of volunteer help. If you want to participate in any of them, simply contact any Board member and he/she can get you connected with the right people to get you involved.

### Cowboy and Combat

This month the Cowboy Action and the Combat Match are both scheduled for New Year's Day. Both of these events are going to continue as planned. I always celebrate New Years at home in Eastern Time so that I can go to bed early and not have to deal with drunks on the streets.

### Work Party 1/30/2022

I went to my first Work Party on 2/19/2012 and I have not missed one to this day. At my first Work Party, I had a fantastic time for numerous reasons. First of all, we got a lot of work accomplished in a very short period of time. I also noticed that we were all in this together. Nobody was any better than anyone else. I met many other members that told me about other events that I had not attended before and they made me feel welcome when I went to those events later. Before that day I was more of a CUSTOMER of EF&GA. After that day, I felt more like a MEMBER of EF&GA. The more that I have been involved in our fine Association, the more I feel like part of a community and a family.

The next Work Party is on January 30th, 2022. If you want to join in the fun, just show up. Some of us get there as early as 7 AM but there is no specific start time. Some may arrive after going to church in the morning and that is just fine too. There are plenty of jobs that need to be done for people of all ages. There are jobs that will get your heart rate up and give you a good workout and other tasks that don't require heavy lifting.

Lunch is always great (probably because we work up a good appetite) followed by a no-cost raffle. There are usually odds & ends that need to be finished up after lunch, so if you get there late and want to put in more hours, we can make that happen.

# BULLET POINTS

By Scotti Clary

## Record Turn out for the November 27th Work Party

We had a record turn out for the November Work Party. 145 Volunteers participated in many projects around the range. We had a delicious lunch together and a no cost raffle afterward. Your dedication to the range is very

much appreciated. The next Work Party is scheduled for January 30, 2022. For new members that need volunteer hours, this is one of the best opportunities to complete those hours. We have a lot more projects for you, so don't miss out.

## Membership Renewal

Renewal notices will be mailed the end of April. If you have an address change, please contact the Association Clerk at [efgaclerk@cox.net](mailto:efgaclerk@cox.net).

If you are a new member, plan ahead to complete your required volunteer hours. Your yellow card with confirmation of your hours completed will be submitted with your renewal. If you have not completed your hours, your membership will not be renewed.

## Make a Life Member Nomination

Each year up to 2 members are granted Life Membership to EF&GA. If you would like to nominate a member for this prestigious honor, please submit your nomination in writing by March 31, 2022.

## The December Christmas Meeting 12/9/2021 was a Blast

We didn't let the rain dampen our Christmas Spirit. There was plenty of both. We topped that off with prizes, prizes and more prizes.

This month's \$25 door prize went to **Dottie Porst**. She donated the money to the Junior Program. If **Joel Broida** had been present, he would have won the \$500 attendance prize. Since he was not present 2 more names were drawn, **Rajiv Maan**, and **Ralph Laird**. Neither was present so it was moved that the \$500 be donated to the Joy Drive for Camp Pendleton families. The membership present voted to confirm that donation.

Everyone that donated to the Joy Drive, had a chance to win 1 of 2 Gentlemen Jack (**Jack Daniels**) Gift Sets or a Champaign and cheese Gift Pack. The winners were: **Tracie Sheldon, Scotti Clary and Ren Everett**. Please see Linda's Lines – Special Edition for her heartfelt Thank You to all those who gave so generously.

Our entertainment Chairman, **Bud Smith** outdid himself with 6 tables full of great raffle prizes. **Linda Linaker** helped him out by purchasing some items that the ladies would appreciate. Thanks to several others who also donated to the raffle tables: **Breda Walsh, Bill Williams, Bud Smith, Jim Walker, Wayne Brunner, Rich Oberle and Chuck Russell**. The winner of the 50" TV was **Rhyan Walsh**.

Every year some of our vendors and advertisers donate gift certificates that we award at the Christmas Meeting. If you attended any meeting throughout the year you were eligible to win one of these gift certificates. The winners and the businesses are:

<b>Kaz Lewak - Duncan's Gunworks</b>	.....\$200
<b>Gene Demnianiuk - North County Shooting Center</b>	.....\$200
<b>Bill Williams - Costco</b>	.....\$200
<b>Ed Migdal - Precision Arms</b>	.....\$200
<b>Robert Reed - Cal Customs</b>	.....\$200
<b>Scotti Clary - Duncan's Gunworks</b>	.....\$50

The Escondido Fish and Game Association is grateful to these businesses for their generous support of our Association.

## Linda's Lines Special Edition

I'm writing to express my thanks and blessings to all who participated in the "Randsberger Memorial Holiday Joy Drive". As an association we were able to gift over \$8000.00 in cash, gift cards, toys and diapers to the CARES program at Camp Pendleton. This was an all time record for us.

Darrin, Mark, Chris, Lucy, John and I took the items to the hospital on base on 12/10/2021. Vicki and the Navy Corpsmen who accepted the donation, were thrilled with the generosity of our members and asked that I extend a very heartfelt thank you to everyone from EFG&A. Thanks to your giving so unselfishly, more than 100 families will have a wonderful holiday season.

It's hard for me to adequately express my gratitude to all of you. You make my organizing of this "Joy" drive easy.

Thank you for everything.

# BLACK POWDER NEWS

by Garth Warner

**Last Contest:** Our last contest of the year for 2021 was held on November 28th. This was billed as a **Neil Pisk Black Diamond Memorial** contest in memory of the recent passing of our friend. **Ray Bucholz** sponsored a variety of awards, including Bison trophies with gold or silver coins, US quarter collecting sets, Buffalo blankets and Bison artwork. The course layout was set up for "Stupid Super Short Range" for pistol. Targets were placed at 15, 25, and 35 yards. Following the regular pistol contest we had a "mano e mano" Shooting Tree event with Percussion Revolvers. Firing black powder the shooting tree tended to disappear in the smoke from time to time. **Kazik Lewak** managed to peer through the smoke to get 5 of 6 shots on the tree for the win.

Rifle was set up on the same course, minus the tree. In all, we had a good turnout of eccentric black powder shooters you wouldn't want to meet in the backwoods.

**December Contest:** The December contest was canceled due to personal health concerns and projected low turnout anticipated for Dec 26th.

**January MuzzleLoading Bullseye Contest:** This is scheduled for January 2nd on the 150 range. As of this writing it should be a Short Range Rifle contest. Two targets at 50 yards with 13 shots each. Your best 10 shots on each target count for score. Safety Briefing begins at 07:45. Shoot starts at 08:00. **Contact Patrick Watson** for details.

**January Traditional Archery:** This is scheduled for January 2nd, starting about 10:00 ish, following the above black powder shoot. This will be held in the campground. **Contact David Premitz** for details

**January MuzzleLoading Silhouette Contest:** This is scheduled for January 23rd on the 150 range. This will be a Super Short Range contest with targets at 25, 50, and 75 yards for rifle. Setup begins at 06:30. Your help in setting up would be appreciated. Pistol starts at 08:30 and Rifle starts at 10:00. If you want to learn to compete in Black Powder sports at our range then this is the best time of the year to start. The ranges will only get longer each month and we progress through the year.

Congratulations to all who won awards at the **Neil Pisk Black Diamond Memorial** contest. Here are just a few of the winners.

## THE CLASS IS BACK!

### NRA METALLIC CARTRIDGE RELOADING COURSE

2/5/2022, 3/5/2022, 5/7/2022, 7/2/2022 (1st Session 8 am – Noon)

#### Class Description:

Did anyone expect this ammo shortage to last this long and affect us so seriously? Need or want ammo but can't find any? You're left with an old American skill; self-sufficiency and creativity...Make your own!

This class will supply you with the knowledge of how to properly and safely reload your used casings into economical, effective and accurate ammunition. As you hone your reloading knowledge you will also improve your shooting skills.

#### The class is structured in two sessions:

**1st session** – This class is strictly academic and is held in the EF&GA Meeting Hall.

**2nd session** – This is "Hands On" training scheduled with a mutually agreed to time and date where you will reload your own cartridges on the reloading bench that day.

The cost of the class is \$125 for EF&GA members and \$135 for non-members. If you need supplies (cases, primers, projectiles and powder) they are available for a \$10 surcharge. Prior registration is necessary and a \$20 deposit is required to secure a place in this limited class.

**Contact:** Elvio Marchi 760-734-3942 [elvio1@cox.net](mailto:elvio1@cox.net) or register using the link at <http://www.escondidofishandgame.com/classes/nra-basic-metallic-cartridge-reloading-course/>

## NRA BASIC SHOTGUN CLASS

1/9/2022 (8 am – 4 pm)

#### Class Description:

This class covers firearm safety and basic skills of Shotgunning. It is also designed to train the student with the proper skills required to hit a moving target. The NRA Certified Shotgun Course teaches stance, gun ready position, swing to target, trigger pull and follow through. The class consists of classroom exercises and hands on instruction including live fire exercise through which students will learn and demonstrate safe and proper shotgun shooting procedures and technique. Hands on range time will include techniques required for shooting moving targets (Trap). Upon successful class completion students will receive the NRA Basic Shotgun Certificate. Classes are limited to 12 students and a deposit is required to secure registration.

### NRA BASIC PISTOL CLASS

1/15/2022 (7 am – 4 pm)

#### Class Description:

This course is geared toward those who are new to pistol shooting or those familiar with handguns but desire structured training on the fundamentals. This is a full day NRA Instructor led pistol course. It includes classroom instruction and hands on instruction. The hands on range time will include live fire exercise through which students will learn and demonstrate safe and proper procedures and technique.

### NRA WOMEN ON TARGET

1/23/2022 (7 am – 2 pm)

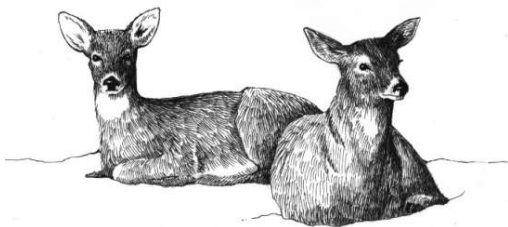

#### Class Description:

Women On Target® clinics are available only to women. You will learn how to shoot rifles and pistols. You will learn safe firearms handling and how to store your firearms safely. No experience or equipment is necessary to participate. Pre-registration is required on the NRA Training website.

Cost: \$35.00 for members and \$40.00 for non-members, payable on the morning of the course in cash or check. Fee includes: Range use fee, all firearms, all ammunition, snacks and lunch, eye and ear protection, and an NRA Women On Target gift bag.

Please wear outdoor closed toe shoes and avoid lower-cut necklines to reduce the risk of getting burned by hot brass in areas where you don't want them.

# RANGEMASTER SOUND OFF

by Jay Zimmet

I am almost packed and ready for my move to a more friendly firearms state (AZ). I have already picked out my "can't get it in CA." pistol which will be a Kimber Micro 9 (so many choices)!

The Bandidos now have a new match director, **Double Diamond (Darrel Brinkmeier)** with assistance from his wife **Lantana Lady (Linda Brinkmeier)**. You may have seen them running the Cowboy event at the picnic with their daughter **Diamondback Dree** - two time California Cowgirl state champion!

This year the Bandidos raised \$1200 and a big pile of toys for the Camp Pendleton Marines - Yeehaaaa. To help start the fund for next Christmas I have donated the proceeds (\$230) from the NRA RSO class that I just held.

The Association also has a new Chief Range Safety Officer (CRSO) **Gary Fukuda**. Gary is an awesome person and contributes a significant amount of his time and energy to EF&GA.

I am confident that Gary will do an outstanding job with all of your assistance and support. If you give Gary a hard time I will come back with my own taser.

There are a lot of people to thank at EF&GA and I have learned a lot; especially patience.

There is one person I would like to thank that made a difference - **Dave Premetz**. He counseled me in my journey to become an NRA Instructor (Pistol, Rifle, Shotgun) and to teach, not just collect certifications.

As comeuppance for leaving I am sure my name will be called for the \$500 attendance prize right after I move.

# JUNIOR CORNER

by Patrick Russ

Welcome to 2022. The last 2 years have been crazy to say the least. I hope and pray that 2022 brings less craziness and more freedom from restrictions. The Junior Marksmanship program is looking forward to a full year of events. Starting this year, the Junior Pistol events will move from the 4th Sunday to the 3rd Sunday of the even months (February, April, June, August, October, December). We're doing this to make it easier to remember which weekend the events are held.

As we start the new year, I want everyone to stop and remember our priority at the range. The first priority is now and will always be SAFETY. Let's all renew our commitment to having the safest range anywhere.

For all of you that missed the Christmas Party, you really missed a great time. It was wet and rainy but a great time was had by all. Thanks to **Bub Smith** for doing a great job on the raffle. As usual, the food from Bekkers catering was awesome. I'm very proud to say that the range collected over \$8000 in donations for our military on Camp Pendleton. This does not include the truck load of diapers for the families with young children. This is an awesome thing that the folks at EFGA do for our military. It means more to them than you will ever know and truly something that we should all be proud of.

What a great way to end the year. The Junior Marksmanship program and Escondido Fish and Game Association hosted a special day for the Sea Cadets. We had 13 Sea Cadets show up as well as a couple special guests. As many of you know, the Sea Cadets have put a lot of time and effort into the range. They usually have a large number of Cadets show up for the Work Parties. These Cadets are always the first to volunteer. They take the initiative to get things done and they are always extremely polite and respectful. So, to show our appreciation for everything that they have done for us, we decided to host a special day of shooting for them. The day started out with an in depth safety discussion as well as a class on the basics of pistol shooting. The Cadets were attentive and participated in the class. Next, we put the new skills to work on the pistol range. We had a number of first time shooters as well as a few experienced shooters. Everyone did a great job putting their new found knowledge to work. Personally, I was impressed with how everyone paid close attention to the safety aspects. They had great trigger finger discipline and muzzle awareness. Next, we had lunch and went into a class on the basics of shooting trap followed by live fire on the trap

range. Again, the Sea Cadets proved that they deserved this day. After shooting was over they helped clean up and left the range cleaner than when they got there.

It was a great day. The Cadets left with a better understanding of pistol and shotgun shooting and we left with even more respect for these young men and women.

I would like to thank everyone that made this day happen. We had a great turn out of coaches and helpers. I would like to especially thank our Junior Coaches that showed up. They got up early, worked hard and taught well. Honestly, this was yet another event that could not have happened without our Junior Coaches. I would also like to thank the **Walshs (Robert, Breda, Kestrin and Rhyan)** for helping out. This family is amazing. They are always willing to help wherever they are needed. They jump in and make things happen.

# AROUND THE RANGE

## As-issued Military Rifle Match News

by Jim McKim

Rifles and cartridges used by the participants in the November match were: US M1903-A3, .30-06; Japanese Arisaka Model 38, 6.5x50mm; British Lee-Enfield No. 4 Mk I, .303 British; and US M1 Carbine, .30 Carbine.

The topic of historical discussion this month was the Russian Model 1891/30, presented by Mark Dambkowski. The Model 91/30 was an updated and improved version of the Model 1891 and was the main battle rifle used by the Soviets in WWII, or the “Great Patriotic War” as they called it. The M1891 was adopted by tsarist Russia as their first “modern” infantry rifle utilizing a smokeless powder cartridge in 7.62mm (.30 cal), or “3-line caliber” as they referred to it in the measurement system in use in Russia at the time, where one line equaled 1/10 of an inch. It was first used in combat in the Russo-Japanese War (1904-1905), in which it proved to be sturdy and reliable.

The Models 1891 and 1891/30 are commonly referred to in the West as the “Mosin-Nagant” rifle. Sergei Ivanovich Mosin was a Russian small arms factory director and army captain. Leon Nagant was a Belgian weapons designer. Both submitted rifle designs to the commission that was responsible for selecting a repeating rifle that would keep Russia at least even with the rest of Europe and Asia. The design ultimately decided upon was a blend of the two submissions: Mosin’s rifle with Nagant’s feed system.

Production of the two models, plus various sub-models and foreign variants spanned from 1892 to the 1960’s. The Mosin-Nagant is one of the most mass-produced military bolt-action rifles in history, with over 37 million of them having been made. During WWII alone, the Soviets made more than 20 million of them. The basic design has been manufactured in Russia, China, Poland, Hungary, France, Finland, Czech Republic, Romania, and the USA! (Russia could not produce them fast enough during WWI, so contracts were let to Remington Arms and New England Westinghouse, which came to a grinding and financially-damaging halt by the 1917 October Revolution.) As such, and despite millions of them being lost on the battlefields of two wars, it may be the most commonly owned mil-surplus rifle in civilian hands, not that long ago being sold in retail sporting goods stores for well under \$100.

The Models 1891 and 91/30 fire the 7.62x54R cartridge, where the “R” stands for “rimmed”, not “Russian”. Originally using a 210 grain round-nosed bullet, it was updated in 1908 to use a 148 grain silver-tip “light” spitzer bullet, much like how the US .30-03 was updated to the .30-06. The 7.62x54R is used in numerous other small arms and machine guns even today, and is the second-oldest cartridge still in regular combat service, being only two years younger than the .303 British. Performance-wise, it is quite similar to the 7.62x51 NATO M80 round. There is also a 174 grain yellow-tip “heavy” version, akin to the NATO 175 grain M118. Your shoulder will certainly know the difference between a silver-tip and a yellow-tip!

*Relive the simpler days of Old California with us...*

*Rancho Guejito Vineyard grows its grapes in the fine soils and climates of the last remaining intact Mexican land grant in California. Our 23,000 acre ranch was established in 1845. Nearly 175 years later, we have kept the tradition of cattle ranching, agriculture, and wine making alive.*

*Visit us every weekend for hayride tours, live music, and wine tasting.*
