Darrin's Dissertation

Happy New Year!

Here we are again, starting another new year. We are looking forward to getting off on the right foot and getting a fresh start. We all hope to avoid repeating any mistakes from last year by learning from them and figuring out creative ways of avoiding them this time around. Sometimes they are missed opportunities and other times they are decisions that cost us time and money. Either way, we all want to do it better this year.

Flagpole Monument Progress

At the time of this writing, the concrete has been squared up and smoothed out. The bronze plaques have been placed and the top coat of finish will go on next. While all of this is going on, we are working on getting the top half of the flagpole scheduled and installed. It is really starting to look great as we head down the home stretch. Many thanks to those who donated time and money to make this happen. If you want to contribute to the project, it is not too late. Contact **Patrick Russ** for more information about how to be part of the project.

Special Thanks to the Unsung Heroes

When I participate in many of our events, people frequently thank the Board members and me for making things happen and running smoothly. The fact of the matter is that we really don't deserve much credit for most of our success. At every event, there are Association Members who step up and ask what can be done to help out. In my opinion this is what makes the distinction between a 'member' and a 'customer'. Someone who is a 'customer' will show up, pay their money, receive the product, and go home. A 'member' shows up, sees what is going on and looks for a way to help out, and takes ownership of the Association. The Work Parties are full of these 'members'. Not only do they offer labor for the grunt-work, but they also offer ideas and ways to execute the projects better and faster.

The other group of Unsung Heroes are the ones who step up and make the Association events excellent and consistent month after month, year after year. The shoot chairs put in countless hours preparing for the events always striving to improve the events and keep them safe and fun. During the events, they are assisted by 'members' to make it all come together.

I am surrounded by many of these 'members' who truly make our Association something special. I consider it an honor to be associated with such wonderful and selfless individuals.

Darrin Eaton

BULLET POINTS

We did about the same as last year and Camp Pendleton personnel were thrilled. I know many families had a much happier holiday because of your generosity. I hope you all stay safe and enjoy your New Year celebration.

Linda and the "delivery elves" **Chris, Mark, Laurel, Don and Lucy.**

Flag Pole Monument Donations

This month we received donations for the Flag Pole Monument Project from the following members:

Dorothy (Dottie) Ransberger

Michael & Margaret Walsh

Randall Granaas

Thank you for your generous donations.

Traditional Archery (aka Archers of the Lake)

Interested in traditional archery? If so, come check out the traditional archery event on the first Sunday of each month at 10:30 am.

Traditional archery uses primitive bows, long bows and recurve bows for its events. No compound bows.

For more information, contact **David Premetz** at slixgunr@yahoo.com.

Make a Life Member Nomination

Each year up to 2 members are granted Life Membership to EF&GA. Candidates for Life Membership shall have been regular or senior members of the Association for at least seven years and must have performed outstanding service for the Association.

If you would like to nominate a member for this prestigious honor, please submit your nomination in writing by March 31, 2023.

December Meeting/Christmas Party

The December General Meeting was called to order on 12/8/2022 with a "Full House". We did not wait for the business to be concluded before the fun began.

Roy Hood won the \$25 door prize and donated it to the Junior Program. **James O'Hara, James Gordon, Robert Lampert, Marc Reno** or **Douglas Holgate** would have won the \$500 Attendance Prize had they been present. Since they weren't, the members in attendance voted to donate the \$500 prize to the **Christmas Joy Drive**. Two names were drawn from all those who had donated to the Joy Drive. **Todd Ellerby** won a bottle of Jack Daniels and **Joanne Anderson** won an ivory necklace.

On behalf of Mom's Creek Rose Garden and Black Diamond Awards, **Ray Bucholz** and **Pamela Tucker** recognized **Thomas Arendell** as a valued member of our association. Thomas will be receiving a complete buffalo nickel set. **Robert Read** won a complete set of Eisenhower dollars and **Dawn Gormley** won a complete set of US nickels from 1866 – 2006. Several Birthday coin sets were also given away to those participating in the Mom's Creek and Black Diamond raffle.

After the meeting, **Bud Smith's** Super Christmas Raffle and **Linda Linaker's** "Cookie Smorgasbord" began. Our Entertainment Director, Bud had over \$4500 in prizes, supplemented by donations from **Gerry Graf, Patrick Russ, Nathan Elliott, Jim Rolfes, Bob Leider, Wayne Brunner, Eric Elsam, Michael McKinney, Tracie Sheldon, Darrin Eaton, Bud Smith, Duncan's Gun Works** and the Estate of **Neil Pisk**. Linda had organized a massive Cookie and Treats Feast for everyone.

The following five Christmas Grand Prizes of \$200 gift certificates were won by:

Precision Arms	Robert Walsh
Costco	Lucy Nelson
Duncan's Gun Works	Bud Smith
Cal Customs Guns	Ren Everett
North County Shooting Center	Dave Premetz

A special treat was the auction of a \$200 bottle of Jameson Distillery Edition Irish Whiskey customized for Escondido Fish and Game Association that **Darrin Eaton** brought back from Ireland. **Mickey Booher** won the right to take the bottle home. Of course he would have shared it with all of us if it weren't for our "No Open Alcohol" commitment.

The next General Membership Meeting will be held January 12, 2023.

100 Yard Range Project Update

The 100 yard Range Project was temporarily stalled due to illness. Our primary project coordinator, **Jack Starlin**, was down and out for 5-6 weeks. In an attempt to get the range remodel back on track, Jack would like to have an organizational meeting early in January. The purpose of the meeting will be to make sure that we have all the bases covered and a schedule we can commit to. We could still use some more volunteers. Sturdy backs are as welcome as those with construction skills and experience.

If you are interested in helping, please contact Jack at 100Remodel@escondidofishandgame.com, engrjack@cox.net or 619-840-7990.

Jack expressed his sincere apologies for the delay.

Women on Target 12/18/2022

One of the special services EF&GA provides to our community is the NRA Women on Target Program. In December our Women on Target Shoot Chair, **Breda Walsh** (and her entire family), hosted another successful clinic. Twenty seven ladies, most of whom had little or no experience with firearms, had the chance to shoot pistols and rifles under the watchful eye of one on one coaches. **Patrick Russ** and **Jim McKim** coordinated the coaches at these live fire exercises. Emphasis at the clinics is always on safety and fundamentals. **Dave Premetz, Ed Migdal** and **Breda** also led discussions about firearms ownership and responsibility. **Mary** and **Gemma** from the **Lake Wohlford Cafe** provided a delicious lunch for the ladies and all of the volunteer coaches. A sincere thank you to all of the volunteers for making this a successful day.

NRA Metallic Cartridge Reloading Class

1/7/2023, 3/4/2023 & 5/6/2023 (8 am – 12 noon)

Class Description:

This class will supply you with the knowledge of how to properly and safely reload your used casings into economical, effective and accurate ammunition. As you hone your new found reloading knowledge you will also improve your shooting skills.

The class is structured in two separate sessions:

1st session – This class is strictly academic and is held in the EF&GA Meeting Hall on the above dates from 8 am until noon.

2nd session – This is “Hands On” training scheduled with a mutually agreed to time and date where you will reload your own cartridges on the reloading bench that day.

The cost of the class is \$125 for EF&GA members and \$135 for non-members. If you need supplies (ie: cases, primers, projectiles and powder) they are available for a \$15 surcharge.

Prior registration is necessary and a \$20 deposit is required to secure a place in this limited class.

RANGEMASTER SOUND-OFF

by Gary Fukuda

Hello everyone,

Entering and Exiting the Front Gate at the Range:

Hopefully, when you arrive at the front gate to the range you have your Range ID Badge so you can swipe your Range ID Badge and enter the range. After entering the front gate pull forward to the stop sign located on your right hand side. Wait for the gate to close before proceeding on. If someone comes in behind you, make sure they show you their badge. The speed limit on the range is 5 miles per hour which is a dustless speed. When exiting the range pull forward past the gate and up to the road, stop and wait for the gate to close.

Responsible for Your Guests:

Members bringing guests need to have the guests with them at all times except for when using the restrooms. You are responsible for your guests. You must make sure they understand the rules.

Safety Down Range:

Be aware of the activity on other ranges. If you are far down range on any of the shooting ranges, you could be in the line of fire from the other ranges. Always coordinate "Cold Range" protocols with shooters on the other ranges if you must go far down range.

The Green Sheets:

There are Green Sheets being turned in without "Date" and "Range" information. When you sign the Green Sheet make sure the "Date" and "Range" are filled in. Sign the Green Sheets as soon as you arrive at the range, before you unload your equipment.

Target Clean Up:

When you are finished shooting, please remove your targets from the target backers and return the target frames back to the designated area. Take your used targets home with you. Current Hazmat rules do not allow us to put them in the trash cans at the range.

Lost and Found is Growing:

As you leave the range, look around and make sure that you are taking everything home that you brought with you.

Comments, Concerns or Questions:

If you have any comments, concerns or questions please feel free to contact me at gukuda@escondidofishandgame.com or 760-420-7488.

Be safe and try to participate when you can.

Thanks, **Gary Fukuda**, Chief Range Safety Officer

Trap Master Appreciation Day

Earlier this month we had the Trap Master/Trap Assistant Appreciation Day. This day was a thank you to the awesome team of people who, week after week, volunteer their time to help the trap program run smoothly. The team met in the clubhouse where I was able to see everyone's faces, we covered some housekeeping items I wanted to cover and opened the floor for Q & A. After our meeting we wandered out to the trap fields to do what we liked best and shoot some Trap and 5 Stand. To cap off the day we were treated to some fantastic BBQ from **Dan Dorman**, our Assistant Trap Master. I am very sure everyone left full and in need of a nap.

If you are interested in learning to shoot Trap or 5 Stand we have some incredible shooters, members and volunteers who would love to coach you. The Trap schedule is Tuesday mornings, Wednesday evenings, and Saturday afternoons. You will probably find me on the range Wednesdays and Saturdays. I still have a JOB so Tuesdays are out for me.

Members who need to get their volunteer hours in or who are interested in becoming a trap assistant please reach out and let me know. I can be contacted via email at chrisc1819efga@gmail.com or text at 847-224-6898.

A note from the Trap Master: Like all services and materials these days, the cost of birds, electricity and transportation has gone up. Effective immediately our trap prices have gone up, too.

JUNIOR CORNER

by Patrick Russ

Important Dates:

Junior Trap 1/14/2023

Junior Rifle 1/15/2023

Welcome to 2023

Let's pray that this is better than the last couple years. We weren't quite able to get a full year of Junior events. With any luck we will be able get through the year without any further nonsense. I'm looking forward to seeing everyone this year. Hopefully, we'll see a lot of new faces, too.

As we start this new year, I want to again remind everyone of our commitment to safety and making sure that we run the safest Junior Program possible. Safety is not something that we do occasionally. Safety is something that should be front and center in our minds. It doesn't matter what we are doing... **Safety Comes First**

RULES TO LIVE BY

1. **Treat** every firearm as if it were loaded
2. **Never** point your firearm at anything you don't intend to shoot
3. **Keep** your finger straight and off the trigger until you intend to fire
4. **Know** your target and the surroundings

Monument Update

Unfortunately, due to the recession, inflation and labor shortages, our major donor has had to back out. This was not an easy decision for them. The business is owned and run by Veterans, many of whom have lost friends to war. I know for a fact that they did everything that they could to honor their commitment. The donor had committed to paying \$15,000. I'm not going to lie. This one hurt us as we were relying on that donation to help us finish the monument. Going forward we are looking for new potential donors. I have contacted some of the local VFW posts as well as other organizations that may be interested in donating to the monument fund. If anyone has any ideas about who to talk to about getting some donations, please contact me at pruss@escondidofishandgame.com. Additionally, if anyone would like to donate to the monument you can send a check to EF&GA c/o Monument Fund, P.O. Box 460506, Escondido, CA 92046. Once it is completed, we will be working on having a proper dedication ceremony. Please help us say thank you to all the men and women who have served, are currently serving and all that will be serving in our armed forces or as first responders. Without them, we would not be able to enjoy the freedoms that we do. Because of them, we are able to shoot at our range knowing that if something happens, they will do everything in their power to help us.

Well Deserved Recognition - Kestrin Walsh

Everyone knows that I love to brag about my Junior Coaches. Today is no exception. We just finished doing Junior Pistol and Women on Target and I couldn't be more proud of **Kestrin Walsh**. She's 15 years old and has been a part of the program for 6 years. What I witnessed today was above and beyond anything that I have seen so far. Today, I watched Kestrin literally run the show. Not just do a bunch of stuff, but actually take control of the situation and direct all the helpers, including many adults, on what needed to be done and how to do it. She took the initiative to get the range set up, to make sure that the firearms were out and ready to go, and that the Coaches were ready.

During the event she directed the adults on what needed to happen. As if that wasn't enough, she did an outstanding job coaching. She coached a couple Junior shooters that are typically tough to coach. She took care of a safety issue, like a seasoned instructor. Her calm demeanor and focused confidence made the shooter more comfortable. I have been doing this for many years and I have rarely seen the natural leadership ability and ability to connect with people that I see with Kestrin. I would like to say that this is what a future leader looks like, but I can't say that because Kestrin is leading today.

BLACK POWDER NEWS

by Ren Everett & Pamela Tucker

The **Neil Pisk Black Diamond Memorial Contest** was held on 11/27/2022. **Ray Bucholz** presented a variety of awards to the top shooters. These included Bison trophies in honor of National Bison Month, an American Indian beer stein and numerous other Bison related prizes.

As Garth would say, "We had a great turnout of eccentric black powder shooters you wouldn't want to meet in the backwoods".

Congratulations to all who won awards at the
Neil Pisk Black Diamond Memorial Contest.

COWBOY ACTION SHOOTING

by Darrell Brinkmeier

Cowboy Action Shooting Orientation Day

January 28, 2023

We have scheduled a new shooter's orientation for anyone interested in shooting Cowboy Action Shooting (SASS). The orientation will be held at the 150 yard range and begins at 8 am. We can accept up to 20 shooters. The cost will be \$10/person.

What is **SASS**? The **Single Action Shooting Society** is an international membership formed in 1987 to preserve and promote the sport of cowboy action shooting. SASS serves as the governing body ensuring safety and consistency in the sport. SASS members share a common interest in preserving the history of the old west and competitive shooting in a safe, fun, family friendly environment.

You do not need all of the required equipment for this orientation. If you already have SASS approved firearms, ammo, leather, etc., please bring them. We will have an assortment of pistols, rifles, shotguns, and ammunition commonly used in SASS.

This orientation will prepare the new shooter to be able to successfully shoot a SASS match at any of over 350 national locations as well as 14 other countries. We will cover choosing a shooting category, selecting the appropriate firearms and ammunition, clothing or costuming requirements, leather requirements and more. Each new shooter will have an opportunity to shoot a "match stage" beginning at the loading table, to the firing line, to the unloading table and back to gun cart.

Please come prepared in jeans, long-sleeved shirt, boots, eyes and ears. A (cowboy) hat is highly recommended.

To view cowboy action matches and much more, please check out "jediTV" on Youtube.

To reserve a spot, or for any questions, please contact the shoot chair: **Darrell Brinkmeier** at dbrinkmeier1@cox.net or 760-745-9249.

The December Match was held on December 3, 2022.

All of the other reindeer used to laugh and call him names

The next match will be held on January 7, 2023 followed by a potluck social.

AS-ISSUED MILITARY RIFLE MATCH NEWS

by Jim McKim with Alex Luz-Olson

Japanese Arisaka Rifles

The topic of historical discussion this month was winter-useability features or adapters for various military service rifles. This was spurred by someone sending me a link to a video showing the M1 Garand Winter Trigger <https://tinyurl.com/p55zjmja>. This is a bell-crank device that pivoted in a hole in the rear of the trigger guard and put the shooter's point of contact under the pistol grip rather than inside the trigger guard. This was developed during the Korean War when American forces encountered frigid conditions but at least were issued cold-weather clothing, unlike in WWII. (The M1 trigger guard is not big enough to accommodate a heavily gloved finger.) Astute observers will quickly realize that the rifle now has a completely unguarded trigger, and being a semi-automatic, things could get interesting really fast! Since the safety on the M1 is at the front of the trigger guard and requires the shooter to insert his finger into the guard to push it forward to the "FIRE" position, it's difficult to see how this "winter trigger" had any practical application. The CMP considers them an "interesting historical novelty but HIGHLY DANGEROUS".

Other colder climate countries had implemented features much earlier on their service rifles that facilitated operation with gloved hands. Swiss rifles, from the 1889 Schmidt-Rubin to the K31, employed a large ring pull-and-twist safety. The Japanese Arisaka Type 30 used a similar, but hook version. Later Arisaka Type 38s and 99s have large knurled push-on/pull-off safety knobs designed after soldiers complained that in the autumn and winter conditions in Eastern Russia in the Russo-Japanese War (1904-05) the Type 30 safeties were too difficult to operate with gloves. Russian Mosin-Nagant M1891 and derivatives employ a similar knurled safety knob but must be turned 90° like the K31. They also have a trigger guard with a generous amount of space for a gloved finger and controls that are easy to operate with gloved hands, as does the SKS carbine (1945). Examples of these rifles were on hand for match participants to see and compare the different approaches, but since the day was warm and sunny no one did any testing in cold-weather gear!

M1917 Enfield w/Reloading supplies: Made by Winchester in 1918. The stamps are still very strong, with the stock and bluing in very good condition, along with the bore. The barrel is dated October of 1918. Will include 30-06 brass, ammo, and dies. \$1450

Reenactment grade No1 MK3: Made in Enfield in 1916(18? hard to tell). The bore is OK. Action and bolt are matching, with trigger guard, buttstock, and rear handguard being original to the British rifle. Repaired using DP rifle parts, and as such the wood and magazine still have some dp paint. Would make for a good project shooter/reenactment piece. \$500

Type 56 SKS: Made in the /26\ arsenal, with a very good bore. Has cleaning rod. Functions very reliably. \$595

Norwegian Krag Carbine in 6.5x55: model 1912 updated in 1922. All matching, has a good, strong bore and shoots quite well. Will provide load data that got the most accuracy for me out of this rifle. \$1995

Precharged pneumatic airgun; CZT200/Air Arms T200 in .177. A quality, versatile precharged pneumatic airgun. Original 2 piece wood stock variety. Comes with 1/2 UNF thread adapter, original open sights, 10 shot magazine adapter, single shot tray, stock disassembly tool, and filling adaptor. \$575 (+100 for Hill Mk4 Hand Pump w/box and accessories)

Various 308 cal projectiles: 50 projectiles per box, most boxes unopened and still sealed. Ask for details.

Relive the simpler days of Old California with us...

Rancho Guejito Vineyard grows its grapes in the fine soils and climates of the last remaining intact Mexican land grant in California. Our 23,000 acre ranch was established in 1845. Nearly 175 years later, we have kept the tradition of cattle ranching, agriculture, and wine making alive.

Visit us every weekend for hayride tours, live music, and wine tasting.
