Darrin's Dissertation

Happy New Year

The new year is upon us and we can start fresh with a list of resolutions and expectations. For many reasons I anticipate 2025 to be much better than 2024. I plan to spend more time with family and friends and less time at work.

December General Membership Meeting

Back in 2023 we tore down and replaced the old shade structure on the 100 Yard Range with a taller, wider, deeper, and structurally better new shade structure. This new structure added four additional shooting positions, room for a Spectator Zone (behind the blue line), modern electrical infrastructure, and lighting.

After walking around in the new structure one evening with some friends, **Jack Starlin** had an epiphany – We should hold the December General Membership meeting in the new space. **Patrick Russ** and I took the idea and ran with it. We hung tarps around the exterior of the structure and put three propane outdoor heaters inside along with lots of holiday lights strung from the trusses and an improvised P.A. System. The meeting was held with 30% more space than the Meeting Hall. It went well but we identified some items to improve. The space was cold, the P.A. only put sound to the East half of the space and the entrance to the space was where two tarps came together (like an old circus tent).

This year, we improved the tarp structures at the ends of the space. We extended the distance between the P.A. systems. We added a fourth propane space heater. While **Patrick Russ** and I were standing in Lowe's, we had the idea of adding a pre-hung door to better contain the heat in the space and improve the entrance. The one thing that made the whole process 1000% better was the fact that people stepped up and volunteered to help set it all up and make it work. After the meeting was finished, more members stepped up to help tear it all down neatly and properly. I will let Scotti describe the details of the meeting itself, but the setup and teardown were also spectacular in my opinion thanks to all who participated.

New Flag for the Meeting Hall

Elvio Marchi donated a flag to the Association that we will use for the Pledge of Allegiance at EF&GA meetings for the foreseeable future. When he approached me with the idea, I was surprised and honored that he was willing to part with this piece of history. It came with a certificate of authenticity that includes the following:

*This is to certify that the accompanying flag was flown over the United States Capitol on July 31, 2007, at the request of the Honorable **Darrell E. Issa**, Member of Congress.*

*The flag was flown for Border Patrol Agents **Ramos and Compean**.*

Stephen T. Ayers, AIA

Acting Architect of the Capitol

I don't know the history of Border Patrol Agents Ramos and Compean, but I know that someone in the Association will do some digging to find out. If you are that person, please email me with your findings. In any event, I look forward to using this flag with patriotism and honor as we have with the previous flag.

May God bless America!

Darrin Eaton

BULLET POINTS

Left the Range

It seems like every month we have to say goodbye to one of our treasured members. **James Beck** left the range on November 30th. He became a member in January of 2017. Please keep his family and friends in your thoughts and prayers.

Christmas Meeting on the 100

Thursday, December 12 was our annual Christmas Meeting. It turns out that when you tarp in the new 100 yard range, add a door with a wreath, lights and some decorations...it makes quite a nice "Party Room". A heartfelt "Thank You" to those of you who spent the afternoon setting it all up. Nice Job!!!

After a brief business meeting, the prizes started to flow. There were over 50 higher value prizes on the raffle table and over \$4000 in coin sets plus an 1851 Remington Civil War replica given away by **Ray Bucholz** and **Pamela Tucker**.

Tracie Sheldon won the \$25 door prize and donated it to the Junior Marksmanship Program.

You know those red tickets you throw in the red ammo can at every monthly meeting? Three of those tickets were pulled at the Christmas Party. The more meetings you attended all year, the more chances you had. **Kathy Horn**, **Patrick Russ** and **Roger Fannin** each won \$200 gift certificates from Cal Customs Gun Shop, North County Shooting Center or Duncan's Gunworks.

We FINALLY had a winner for the \$500 Attendance prize. The first ticket pulled was for **Jeff Gross**, but he was not present. With the second ticket we had our winner, **William Quon**. Congratulations William. The Attendance prize will return to \$100 for the January meeting. (continued next column)

Linda Linaker finalized the EF&GA collection for the Camp Pendleton Joy Drive. See the Bullet Point below for the details.

The sweetest prize of the night, though, was the flag that Darrin mentioned in the Dissertation on page one. The flag that once flew over the capitol was gifted to the members of EF&GA by **Elvio Marchi**. Thank you Elvio. It will be revered.

The next Monthly meeting will be January 9 at 6:30. Let's kick off the new year with a big turn out.

Thank You for Donating Prizes

We had some very nice prizes on the raffle table for our Christmas party, many of them donated by your fellow members. We would like to thank all of you that donated items. **Bud Smith, Rich Hall, Woody Morrison, Yosi Boubliil, Chris Cote, Sal Paruolo, Chuck Russell, Tim Hoy, Nathan Elliott (Hot Dog), Annette Champion, Linda Linaker, Dawn Gormley, Dave Clinton, Mark Eller** and **Bill Magdych** were among the donors. I do not know who donated a few of the prizes. My sincere apology to you, but if you let me know at newsletter@escondidofishandgame.com, I will make sure to acknowledge you in the next newsletter.

Great news from the Joy Drive Front...

The total for this year was **\$10,134.00. Woo Hoo !**

Thanks to all of you. **Carylee Stone** won the Flag (shotgun shells) and the wine, **Dawn Gormley** won the booze. **Annette Champion** was a big help with everything. We tapped **Jack Starlin** for \$3700. He had committed to match donations collected in the last two monthly meetings. AND...HE DID, with a giant smile. Several others opened their wallets very generously. Trap, Cowboys and the general membership were instrumental in "paying it forward" for our service members. Many families will be enriched by the generosity of our association.

"We make a living by what we get, but we make a life by what we give." **Winston Churchill**

Magnificent 7 Christmas and New Year Gun Raffle

Mark the date on your calendar....January 9, 2025. Mom's Creek Roses and Black Diamond Awards presents The Magnificent 7 Christmas and New Year Gun Raffle. Win a fine black powder rifle or handgun. Seven outstanding guns will be awarded to the lucky ticket holders. Purchase your ticket for \$20.00 at the monthly general meetings or call **Ray Bucholz** at 760-443-1852. Ticket Sales end on 1/9/2025. You need not be present to win.

Bullet Points continued from pg. 2

Life Member Nominations

Each year up to two members are granted Life Membership to EF&GA. If you would like to nominate a member for this prestigious honor, please submit your nomination in writing to **Patrick Russ** at pruss@escondidofishandgame.com, **Mark Baldwin** at mlbofsm@cox.net or **Darrin Eaton** at Deaton@escondidofishandgame.com.

BBQ Tickets – NOW on Sale

Tickets are now available for the May 18, 2025 BBQ. Same price as last year. \$30.00 Dec-Jan, \$35.00 Feb-Mar and \$40.00 Apr-May. Kids under 12 are \$10.00. The barbecue committee is hard at work and we should have another great event. Let **Linda Linaker, Annette Champion** and **Patrick Russ** know if you have any suggestions. Contact information is on page 6. Thanks and see you at the range.

Membership Renewals are Getting Closer

The renewal paperwork will be mailed out at the end of April. If you have any address changes, please contact the Association Clerk at efgaclerk@cox.net or call 760-432-2089 with your change.

REMINDER TO NEW MEMBERS: When you send in your renewal paperwork, you will be required to turn in your yellow card with proof of having completed your volunteer hours. If you have not completed your volunteer hours by June 30th, your membership will not be renewed.

Fall Work Party

118 volunteers came out for the Fall Work Party on November 30. We hit the slope early and finished it in record time. **Rick Baugh**, with his brother **Glenn**, brought out his own tractor to help out. The extra tractor really helped move things along. We completed a lot of projects and shared a sumptuous repast together.

Water Fountain on the 100

Thanks to **Jim McKim** and soon to be member, **Phil Janikowski**, we now have a functional drinking fountain on the 100 yard range. As Jim pointed out, he is now a victim of his own success, as he has been tapped to complete the water supply on the coffee maker in the kitchen.

Representative to San Diego Wild Life Federation

Jack Starlin has been our EF&GA representative to the San Diego Wild Life Federation for several years. Jack is requesting a back up representative for when he can't be there. If you would like to help Jack represent our Association, please contact him at engriack@cox.net.

No Training without Approval

Recently there have been reports of people giving classes on the range without being a vetted EF&GA Instructor. Let me make this crystal clear. There are to be no classes being taught by anyone except the vetted instructors that are listed in the newsletter. All Instructors must fill out all the proper forms and be vetted by the Lead Instructor, **Patrick Russ**. Anyone caught teaching a class, without being vetted, will be asked to explain themselves in front of the Board of Directors. The Board will decide the consequences. This is not a joke. There is a lot of liability that goes along with teaching any kind of class. The class does not have to be in exchange for money or services, just the act of teaching a one-on-one class can be a liability. Now, bringing a guest and helping with their grip or showing them how to shoot a particular firearm is fine. If you have any questions or concerns please feel free to call or email me at 760-644-2751 or patrickruss71@gmail.com.

RANGEMASTER SOUND-OFF

by Gary Fukuda

Hello everyone. Welcome to the new year. As you review the range rules, you'll notice that most of them are geared toward either safety or courtesy for your fellow members. Let's start the new year off right focusing on those two concepts.

Safety

1. Do not handle or even unload firearms and gear from your car while the Blinking Blue Lights are on. Sign the Green Sheet and wait for the range to go hot. Make sure there is Date and Range information filled in on the sheet.

2. Rapid Fire and Holster Draw are not permitted during casual shooting. These activities are only allowed during sanctioned events when each shooter has a "One on One" RSO less than an arm's length away watching every move.

3. Pay attention to your guests. Make sure they know and follow all rules. You are responsible for them.

Courtesy

1. Do not shoot Birdshot or Buckshot shotgun shells on the 100 yard or 150 yard rifle ranges. It destroys the target frames and costs the members money to replace. You may shoot Slug shotgun shells only.

2. Remove your targets from the target backers and take them home with you. Do not put them in the trash on the range. Put your target frames back in the designated area.

3. Watch for wildlife on the range. We exist in a wildlife preserve. If we were to accidentally shoot an animal we risk being shut down.

For YOU

1. Look around for all your guns and gear before you leave. Last month we had a couple of incidences when the RSO found boxes of ammo left behind.

2, If you have any comments, concerns or questions please feel free to contact me at gukuda@escondidofishandgame.com or 760-420-7488.

Be safe and try to participate when you can.

Thanks,
Gary Fukuda

TRAP CORNER

by Chris Cote

Well, Happy New Year shooters. It is amazing how fast this last year has gone. My Tuesday morning shooters, hope you are all dressing warmly and the wood stove is keeping you all warm. Wednesday night, the same for you. We are getting another load of birds and rabbits before the end of the year, please invite all your friends to come out and shoot.

To all you regular shooters: I have been getting a lot of calls and inquiries about shooting at our trap and 5 stand at the range. Please be welcoming of new shooters. If we do not recruit new shooters, the sport we love may be lost.

Speaking of lost (more likely forgotten) please double check that you have everything you came with. Gun (very important), extra ammo, empty hulls (do not throw them in the trash), ammo pouch, glasses (prescription and safety) and jackets. As you can tell lots of stuff is being left on the range. The only item I am OK with you leaving is your wallet full of money.

Let's have a great 2025, shoot straights and be kind to one another. It is a small community and we should support each other.

Ladies: You need a night out. Come on down and join us for Ladies night.

On the 2nd and 4th Wednesday nights we have a down and dirty Trap 101 introduction. If you are interested in learning trap, please RSVP to **Annette Champion** at 760-803-7428. Space is limited to 5 participants per night and members will have priority. You will need eye and ear protection, 20-gauge ammo and cash for trap rounds. We will provide shotguns and trap pouches for the evening.

Wow, what a year! By the time you read this it will be 2025. I hope you had happy and safe holidays.

Well, back here in 2024, we just finished our last Junior event of the year. We had 17 shooters at December's Junior Pistol event. For anyone keeping score there were 10 girls and 7 boys today. The top 5 shooters were girls. Congratulations to our top shooter, **Miss Brinley Gomez** with a score of 374. She is an amazing shooter. She and her sister, **Avalyn**, who placed 2nd with a score of 373, just turned 18 years old.

All of the shooters and coaches did a great job as usual. Most importantly, we ended the year the way we started it, with a perfect safety record. A big shout out to **Olivia Collins** for stepping up and doing her first Safety Brief. She was asked to do it with only a couple of minutes to prepare and she knocked it out of the park on her first try. Not only that, but also Miss Olivia shot an impressive 319 to come in 5th overall. Like I said last month, keep your eye on her, I'll bet big money that we'll be seeing a lot of Olivia in the future. She is definitely a rising star. I'm also extremely proud to say that I was able to hand over the duty of calling the line to **Miss Kestrin**. (Obviously, I was still on the line supervising everything, but she made the calls. I only stepped in when needed, which was rare.) For anyone that hasn't done this before it can be stressful, frustrating, hectic and a lot fun all at the same time. With her usual grace and skill, Kestrin rose to the challenge and did an outstanding job. Like I have said many, many, times before, this is what a leader looks like.

Our own **Emma (The Princess) Detweiler** had the honor of being asked to do the Invocation for the recent Young American Foundation Luncheon. There she got to meet former **Governor Scott Walker, Daniel Di Martino** and **Mark Larson**. During her introduction they mentioned her involvement with the Escondido Fish and Game Association and the Junior Marksmanship Program and her work as a Junior Coach. Unfortunately, there were no cute boys there. Great Job Emma. We're proud of you!!! The Junior Marksmanship program is proud of all our shooters and we love to share their accomplishments. These are the kinds of young men and women that this program is helping to raise in some small way.

Lastly, I'd like to recognize and thank my Co-Chairs **Breda Walsh** and **Kestrin Walsh**. Since these two stepped up to help out about 18 months ago, the program has gotten much more efficient and the program almost runs itself. The Walshes in general are just an amazing family that have volunteered a lot of time and hard work to the range over the years. Without them a lot of events and programs, including the BBQ, would not run nearly as smoothly as they do now. Its people and families like this that make EF&GA such a special place.

BLACK POWDER NEWS

by Garth Warner

January starts the reset for a new year of Black Powder Shooting. Whether you like knocking down steel or punching paper targets, we have something to offer you in 2025.

Many of you have told me that you have a Black Powder Gun that you have been meaning to shoot, but instead it has become a "Safe Queen". January is your opportunity to start at the beginning of the cycle for both steel and paper targets this year. This is where you start your journey to the "Dark Side" with Black Powder. The following is what we offer...

Muzzle Loading Bullseye: January 5th is our first ML rifle event of the year on the 150 range. It will be a **short range rifle** event. There will be two B-19 targets at 50 yards. Fire 13 round balls at each target. Your best 10 count for score. Participants shooting for score must use an original or replica rifle (flint or percussion), **firing patched round balls** with fixed open iron sights. (Adjustable open sights must be locked in place for the duration of the contest.) All contestants must use black powder or BP substitute (Pyrodex, 777, etc). All rounds are fired "Off Hand". Contestants can load from the bench. We do not use Black Powder Cartridge Rifles for this event. Subsequent events during the year will include long range rifle, short and long range pistol (flint or percussion, single shot pistol, firing patched round balls only) and Trade Gun (Smooth bore Flintlock with a bead front sight and no rear sight).

We also will schedule a Cross Stick and a Benchrest Contest during the year.

Entry for each contest is \$5 for EF&GA members and \$10 for non-members. There is a **Mandatory** safety briefing at 07:45 and the contest will start at 08:00. Check the newsletter each month for the upcoming months event category. This event runs pretty quickly so we can all go over and participate in **David Premetz's** Traditional Archery event which follows each Bullseye contest.

Contact **Garth Warner** for more information. Contact info is on page 6.

Muzzle Loading Silhouette: January 26th is our first ML Silhouette event on the 150 range. For this month we start with a "Super Short Course". Rifle targets are set at 25, 50 and 75 yards.

The course of fire requires 18 rounds for 3 relays of 3 targets. All shooting is "Off Hand". We start the morning with steel silhouette set-up starting at 06:30 .

A Pistol course is shot at 15, 25, and 35 yards starting at 08:30. We shoot Percussion revolver or Single Shot Pistol **firing patched round balls**. Following Pistol we move the steel to set up for the rifle event of the day. Each month the steel gets moved out another 25 yards. January = Super Short 25-50-75 yards. February = Standard Short 50-75-100 yards. March = Mid-Range 75-100-125 yards. Finally April = Long Range 100-125-150 yards. In May the cycle repeats. Rifle starts at 10:00 and runs roughly 2 hours. You need 18 rounds to complete the course. Rifle is fired in four categories as follows. All equipment must use Black Powder or BP substitute (Prodex, 777, etc).

Open Rifle: Any original or replica muzzle loading rifle (flint or percussion), **firing patched round balls**, any sights. Load from the bench.

Primitive Rifle: Any original or replica muzzle loading rifle (flint or percussion), **firing patched round balls**, open fixed iron sights and load from a pouch (not the bench).

Master Rifle: To shoot "Master Rifle" you need to have shot a perfect previous MLS contest or have won a "Top Gun" contest. A Master Rifle is any original, replica or home made replica muzzle loading rifle (flint or percussion), **firing patched round balls**. Open fixed iron sights are required. Load from the bench or from a pouch.

BPCR = Black Powder Cartridge Rifle: This is any original or replica Black Powder Cartridge Rifle with any sights. Load on the line. This could be a Sharps, a Henry, a Winchester, Cowboy Action Rifle, etc. **COWBOY ACTION GUYS - COME OUT AND SHOOT "slowly" at MORE THAN 10 FEET - You might like it.**

Any ML Rifle firing Conicals will shoot in BPCR class.

Entry for the Pistol contest is \$1 for EF&GA members and \$2 for non-members. Entry for the Rifle contest is \$5 for EF&GA members and \$10 for non-members.

Contact **Ren Everett** for more information. Contact info is on page 6.

Also in January:

Jan 5th Traditional Archery: Join the "Archers of the Lake" for their first Traditional Archery contest of the year. Start time is 10:30 "ish" following the ML Bullseye Event. We will be on the Archery Range wrestling gophers.

There are a variety of bow classes including Recurve, Long Bow, Traditional Bow, etc. Contact **David Premetz** for more information. Contact info is on page 6.

Jan 18th SPAR Camp: The Society of Primitive American Riflemen will host a Winter Camp in the Campground on Jan 18th. Period correct clothing is requested. Events will include a primitive skill class and a Hawk and Knife throwing event. Start time is 09:00. Contact **Garth Warner** for more info (and if you want to teach a primitive skill). Contact info is on page 6.

Previous classes have included Fire Starting, Flint Knapping, Firearm Browning, small and large game trapping, knots and orienteering (How to get really lost with a compass).

COWBOY ACTION SHOOTING

by Darrell Brinkmeier
AKA Double Diamond

The Escondido Bandidos hosted 28 shooters at the December 7th match. It was a beautiful day for the final match of the year! Thanks to everyone for pitching in and making it all happen.

California champion, **Clint Steele** was our top shooter. **Lantana Lady** was the top lady shooter. We had four clean shooters having no misses with 120 shots: **Clint Steele, JW Bass, Big Horn Bari and Duck and Cover.**

We also hosted a holiday lunch that followed the match. Congrats to **Sassy Kitty** who won the holiday prize.

The next match will be held on January 4th. If you think that you might like to try **Cowboy Action Shooting**, but are not sure if you have the right equipment, please give me a call with any questions.

A very nice time was had by all.

Clint Steele was our top shooter.

A small turnout today with only five participants. This was a Trade Gun contest, but only three attendees had Trade Guns. Two shooters elected to shoot Rifle for a chance to improve their overall average score for classification.

Overall it was a bad day for Trade Guns as only one shooter survived to the end of the contest, while two others **Did NOT Finish**. The results were as follows:

Trade Gun	
Brad Speer	40 + 83 = 123
Garth Warner	81 + 8 = 89
	DNF (FF exceeded FF)
Mark Cederquist	51 + 0 = 51
	DNF (Trade Gun succumbed to Entropy)
Rifle	
Ren Everett	85-1x + 73 = 158-1x
(never adjust your sights DURING the contest)	
Erik Olson	90-1x + 68 = 158-1x

Muzzle Loading Silhouette 11/24/2024

This started out as a rain day event as the rain was coming down light, but steady between 06:00 and 7:30 am. November 24th was listed as a "Fun" shoot. That means the Shoot Chair can think up evil ways to confuse and challenge the shooters.

Pistol targets were set out at 15, 25 and 35 yards. Rifle targets were set out in reverse, non-standard order. Rams were set up at 55(ish) yards on the left. Standing Bears were set up at 70(ish) yards in the center. Pigs were set up at 45(ish) yards on the right.

Because of the low light conditions (rain), we started out with White Rams, but switched to Black as the clouds cleared and the sun came out (briefly). Southwest wind at 8 to 10 MPH came up by 10:00.

Turnout was pretty good as we had several shooters, who have been absent for awhile, come out to get back into the sport. **Ray Bucholz** was able to provide Muzzle Loading catalogs with 10% discount coupons for the winners in each class.

Special thanks for everybody who helped set up and tear down the event as my back decided to check out for the day.

On that note, **Ren Everett** has agreed to take over Muzzle Loading Silhouette from me starting in January. I will continue to run the Muzzle Loading Bullseye program.

Thank you, **Garth Warner**

Relive the simpler days of Old California with us...

Rancho Guejito Vineyard grows its grapes in the fine soils and climates of the last remaining intact Mexican land grant in California. Our 23,000 acre ranch was established in 1845. Nearly 175 years later, we have kept the tradition of cattle ranching, agriculture, and wine making alive.

Visit us every weekend for hayride tours, live music, and wine tasting.
