STRAIGHT SHOT FROM THE PRESIDENT

Hello Everyone,

This is my first letter as your new President of EF&G Association. I look forward to the challenge of this position and ask for your support. The Board of Directors is a great bunch of guys and will prevent me from going to far a-stray.

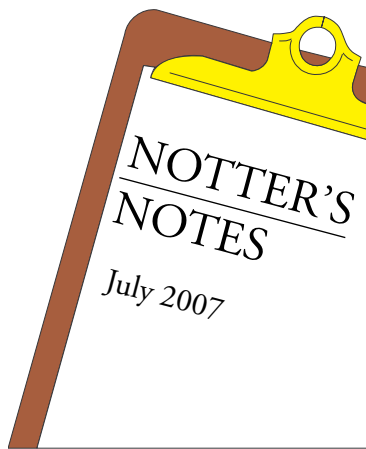

For background: I was the recording secretary for five years and on the board for two more years. I joined the Escondido Fish and Game Association back in 1972. Back then there was an 18 to 20 month wait to join because of no vacancies. (I believe membership cap was 700 or 900). I am a retired Marine Master Gunnery Sergeant (30 yrs) and also retired from the County of San Diego (13 yrs) where I worked in Animal Services in Carlsbad my last five years for the county.

The EF&GA is a great association; a place to meet new friends from all walks of life that come together for one cause – to perpetuate the sport of target shooting, rifle, shotgun, and pistol competition, and to bring the youth into the sport. I enjoy working with the Boy Scouts when they come for their merit badges for shooting and archery.

The past presidents of the association have all been great. They have led the association forward and upward. I hope I can do the same. There is a lot on the agenda and it will not all get accomplished on my watch- there is just too much. But keep in mind you don't eat the whole enchilada in one bite. It must be eaten one bite at a time. So we must take one step at a time, one project at a time and eventually all will be accomplished.

Sincerely,

Leonard

The only cost was for supplies needed to complete the project which was approximately "\$60". Our flags are proudly flying again and our thanks go out to those members who made it happen. Thanks you; Ira Bryant, Ray Bucholz, Harry Fagan, Lonnie Fowler, Denny Martin, and Smitty.

THIS AGREEMENT LIMITS THE LIABILITY OF THE ESCONDIDO FISH AND GAME ASSOCIATION, INC. AND THE CITY OF ESCONDIDO. AS A CONDITION TO GRANTING OR RENEWING YOUR MEMBERSHIP IN THE ASSOCIATION, YOU MUST READ AND SIGN THIS AGREEMENT.

TO: ESCONDIDO FISH AND GAME ASSOCIATION, INC.

I hereby acknowledge that at all times hereafter when I enter upon the property and facilities (the "Property") leased, owned and/or operated by the ESCONDIDO FISH AND GAME ASSOCIATION, INC., a California nonprofit corporation (the "Association"), I shall do so voluntarily. I acknowledge that I am aware that the Association is leasing the real property on which the Association's property and facilities are located, from the City of Escondido, a municipal corporation (the "City"). I further acknowledge that I have been advised and am aware that there is a handgun/pistol firing range, a rifle firing range, a shotgun/'trap' shooting range and an archery range (collectively the "Ranges") on the Property, and that arrows and live ammunition are used and discharged on the Ranges. I have read and am familiar with the rules (the "Rules") for the Ranges published by the Association and agree to fully abide by and adhere to the Rules. I represent and warrant to the Association that I have not previously been barred by the Association from using the Ranges. I hereby waive, disclaim and abandon any right I may now have, or hereafter may acquire or have, to bring any action, lawsuit or other proceeding against the Association or the City by reason of any injury I may incur, or as a result of damage to any property I may own or possess, while on the Property, unless such injury or property damage is caused by the gross negligence or willful misconduct of Association or City. Without limiting the generality of the foregoing, I voluntarily assume any and all risks that may be inherent in, exist by reason of, or arise out of the existence of the Ranges on the Property. I further agree to indemnify and hold harmless the Association, the City and their respective successors, assigns, owners, employees, agents, servants, officers, directors, stockholders, shareholders, partners, members, trustees, attorneys, sureties, elected officials and other affiliated personnel (the Association, the City and all such personnel being referred to herein collectively as the "Indemnitees"), from and against any and all liabilities, damages, judgments, costs, fees, expenses, charges, bond premiums, accounting fees, expert fees and attorneys fees, directly or indirectly relating to, or arising out of or by reason of, any act, omission, failure to act, willful misconduct or negligent conduct, whether active or passive, on my part, or on the part of any dependent or guest of mine under the age of 21 years of age, while I or any such dependent or guest is on the Property. I intend to provide the Indemnitees with the broadest possible scope of indemnity and, therefore, I agree that my duty to so indemnify the Indemnitees shall arise regardless of whether willful misconduct or negligence on my part, or on the part of any such dependent or guest, is established, as long as the injury or damage arises out of, or is in any way connected with, my act, omission, or failure to act while I am on the Property. I intend that the Association be the direct recipient and beneficiary of this Agreement and that the other Indemnitees, jointly and severally, be third party beneficiaries of this Agreement. I understand that but for my execution of this Agreement, neither the Association nor the City would allow me or any such dependent or guest to enter upon the Property. This Agreement shall apply on the date hereof and anytime thereafter that I am on the Property. I HAVE READ AND UNDERSTOOD THE TERMS OF THIS AGREEMENT AND AGREE TO BE BOUND BY ITS TERMS.

Rattlesnake Alert: With the summer months upon us, we need to be a more vigilant while working and walking around the property. This is rattlesnake season. Please try to stay on the established pathways as much as possible. Remember, at night, the snakes will huddle around rocks and any other objects that have been heated by the sun during the day to keep warm.

There has been poison oak spotted along the perimeter of the property, so please be careful when walking around the tall brush.

Members: Remember, the gate combination has been changed for the new year. Remember to have your new membership card and photo i.d. with you at all times when on the Association property.

Safety: We have observed of late that many of us have forgotten that the handling of **firearms or any equipment** while people are down range is strictly forbidden. This is a serious violation of Association safety rules and is non-negotiable. Anytime someone is down range, immediately make your firearm safe and step back behind the yellow safety line with empty hands.

We are aware of the shortage of target frames at the different ranges. We are currently in the process of remedying this condition. Please have a little patience.

While we are on this subject, let's give a huge thanks to Chester Nowicki for supplying the target frames in the past. Unfortunately, Chester can no longer do this service for us. If you or someone you know can do this type of woodwork, please have them contact Ray, Neil or any Board member.

This is the time of the year when the need for more range master hours becomes crucial. Daylight savings time means longer range hours. Please sign up for a post by using the range master schedule sign up books located in the trap ramada first aid box. Just a couple of hours would be an enormous help. Thank you.

The Range Masters want to thank Denny Martin for his years of accident free service. We are all looking forward to some great times ahead under the leadership of newly installed President Leonard Hodges.

Our best wishes for a speedy recovery go to Bob Hohberg. We miss you up here. Hurry up and get well and get back to work.

Range Master of the Month: Annette Champion, avid trap shooter and owner of Champions Restaurant is this month's Range Master of the Month. You can usually find Annette on Tuesdays and Wednesdays. When you're up at the range and you see Annette, be sure to give her a big thanks for making it a little safer for all of us.

The National Rifle Association's Women on Target program, the San Diego County Gun Rights Committee, and the Escondido Fish and Game Association are sponsoring a Rifle and Pistol Shooting Clinic in Escondido, California. The goal of the WOTM Women on Target program is to introduce women to shooting sports and provide them with the opportunity to meet other women interested in learning how to safely and effectively use a firearm. All women are welcome to these outings. (Hunter ID requires a legal guardian be present throughout the clinic.)
