PRESIDENT'S MESSAGE

Dear Members,

This will be my first letter to you, the members, who have made this association what it is....

"Nothing less than great." You, the members, make this association one of the best in the state. We can be extremely proud of what and

where we are today. I take my hat off to the outgoing Board of Directors with a sincere "job well done." You have diligently stood together during tough and enduring challenges. I welcome the new BOD members and feel very confident the entire BOD will excel in directing EF&GA to new horizons. As you know, we are working on many new projects which will greatly enhance our range. We will not be able to achieve these goals unless you, the members, step forward and help complete these projects. I am asking each and every one of you, if you are able, to step up and volunteer a little time assisting Denny Martin and the Improvement Committee in completing these projects. Enough said.

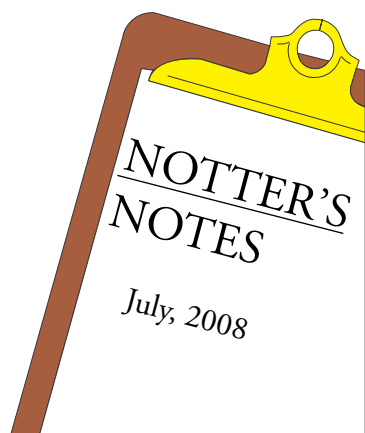

A little history of myself, I am a former U. S. Marine Corp Gunnery Sergeant from Viet-Nam era, and a retired Fire Captain from San Marcos Fire Department. I currently work at Mission Hills High School in San Marcos as a Campus Supervisor and Assistant Wrestling coach. I joined this great association in June 1989 and served as your Treasurer for approx 13 years. I am extremely proud of what this Association stands for and has accomplished.

I would once again like to recognize Dave & Dottie Ransberger and Ed Migdal for the extraordinary job they have done on the Annual BBQ. My apologies if I have failed to mention other members who have contributed in making our BBQ another successful event. In addition, when visiting at the range, took a good look at the new name for the Meeting Hall and the stage directly next to it. These gentlemen Frank Alessio, Denny Martin & Milt Johnson, have done an extraordinary job and volunteered countless hours making this Association a better place. I realize there are many other people who have spent countless hours contributing to the enhancement of this Association. To all of you, Congratulations, and thank you from the BOD and Officers.

In closing, I wish each and every one of you the best health and good fortune. "God Bless America" and long may she wave.

Respectfully,

Michael R. Marks

CAN'T GET IN THE GATE?

The combination was changed on July 1. If you have not renewed, you do not have access to the range. The renewal form can be found elsewhere in the newsletter.

Renewal applications postmarked after July 31st will be subject to the \$60 late fee. Please remember to SIGN the waiver and include proof of current NRA membership expiration date. A significant number of our members are forgetting to do this, and it will delay their renewals significantly.

Some days we're getting up to 30% of our members not signing the waiver, so it's not only a waste of our time, but it's consumed a significant amount of postage to mail it back.

CMP (DCM) CLASS OFFERED

Kevin Miller will hold a class for those interested in shooting the National Match course and acquiring an M-1 Garand. The class will be on Friday evening, August 1. If you are interested in attending, you must call Kevin @ 760-480-7267 by July 25 in order to attend the class. You will learn the course of fire, how to use the sling, get into position, etc.

TARGET FRAMES

Due to the cost of supplying frames (the frames are shot up faster than they can be made), the Board of Director's have decided to phase out supplying frames. You must build and bring your own frame (the way it used to be). Doug Mitchell (760-630-0468) will build a simple frame (like the range frames) for \$5. He will

build a collapsible frame if you desire (cost contingent on design). If you build your own it must comply with Range Standards. Any Director can supply a sketch.

JUNIOR RIFLE SHOOT JULY 20

Everything the Junior needs to shoot is supplied – ear/eye protection, the rifle, ammunition and lunch. All kids are welcome (member/non member). Coaches are always needed, call Ren Everett to volunteer – 760-432-2089.

JUNIOR PISTOL SHOOT JULY 27

The Association supplies eye/ear protection, pistols, and ammunition. Coaches are always needed. Call Craig Rogers to volunteer – 760-751-8544.

JUNIOR TRAP IS THE SECOND SATURDAY OF EVERY MONTH

Bring those kids, grandkids, etc. to Junior Trap. The Association has the shotguns and eye/ear protection. You will have to supply shells. Call Bob Griffith with questions @ 760.755.841.

THIS AGREEMENT LIMITS THE LIABILITY OF THE ESCONDIDO FISH AND GAME ASSOCIATION, INC. AND THE CITY OF ESCONDIDO. AS A CONDITION TO GRANTING OR RENEWING YOUR MEMBERSHIP IN THE ASSOCIATION, YOU MUST READ AND SIGN THIS AGREEMENT.

TO: ESCONDIDO FISH AND GAME ASSOCIATION, INC.

I hereby acknowledge that at all times hereafter when I enter upon the property and facilities (the "Property") leased, owned and/or operated by the ESCONDIDO FISH AND GAME ASSOCIATION, INC., a California nonprofit corporation (the "Association"), I shall do so voluntarily. I acknowledge that I am aware that the Association is leasing the real property on which the Association's property and facilities are located, from the City of Escondido, a municipal corporation (the "City"). I further acknowledge that I have been advised and am aware that there is a handgun/pistol firing range, a rifle firing range, a shotgun/'trap' shooting range and an archery range (collectively the "Ranges") on the Property, and that arrows and live ammunition are used and discharged on the Ranges. I have read and am familiar with the rules (the "Rules") for the Ranges published by the Association and agree to fully abide by and adhere to the Rules. I represent and warrant to the Association that I have not previously been barred by the Association from using the Ranges. I hereby waive, disclaim and abandon any right I may now have, or hereafter may acquire or have, to bring any action, lawsuit or other proceeding against the Association or the City by reason of any injury I may incur, or as a result of damage to any property I may own or possess, while on the Property, unless such injury or property damage is caused by the gross negligence or willful misconduct of Association or City. Without limiting the generality of the foregoing, I voluntarily assume any and all risks that may be inherent in, exist by reason of, or arise out of the existence of the Ranges on the Property. I further agree to indemnify and hold harmless the Association, the City and their respective successors, assigns, owners, employees, agents, servants, officers, directors, stockholders, shareholders, partners, members, trustees, attorneys, sureties, elected officials and other affiliated personnel (the Association, the City and all such personnel being referred to herein collectively as the "Indemnitees"), from and against any and all liabilities, damages, judgments, costs, fees, expenses, charges, bond premiums, accounting fees, expert fees and attorneys fees, directly or indirectly relating to, or arising out of or by reason of, any act, omission, failure to act, willful misconduct or negligent conduct, whether active or passive, on my part, or on the part of any dependent or guest of mine under the age of 21 years of age, while I or any such dependent or guest is on the Property. I intend to provide the Indemnitees with the broadest possible scope of indemnity and, therefore, I agree that my duty to so indemnify the Indemnitees shall arise regardless of whether willful misconduct or negligence on my part, or on the part of any such dependent or guest, is established, as long as the injury or damage arises out of, or is in any way connected with, my act, omission, or failure to act while I am on the Property. I intend that the Association be the direct recipient and beneficiary of this Agreement and that the other Indemnitees, jointly and severally, be third party beneficiaries of this Agreement. I understand that but for my execution of this Agreement, neither the Association nor the City would allow me or any such dependent or guest to enter upon the Property. This Agreement shall apply on the date hereof and anytime thereafter that I am on the Property. I HAVE READ AND UNDERSTOOD THE TERMS OF THIS AGREEMENT AND AGREE TO BE BOUND BY ITS TERMS.

WOMAN ON TARGET WAS A SUCCESS

Twenty-three women came out to learn to shoot pistol and rifle. They all shot well and had a good time. Thanks to all the mentors who were there to help the ladies.

DOVE SEASON IS JUST AROUND THE CORNER

Tuesday morning & Wednesday night trap is a good way to brush up on your shotgun skills. Start practicing now, don't wait until August.

RSO CLASS SEPTEMBER 7

The RSO class is scheduled for Sunday,

September 7th from 8am till 4pm. Contact Frank to sign up ASAP 760-743-8718 or gunshooter@pacbell.net.

New Picnic Grounds

The new picnic grounds are almost 100% complete. We have 27 campsites with 9 BBQ's and tables. We have an Eagle Scout, Ben Sherman, working on the entry way and that will make the area complete.

There seems to be some confusion about who can use this campsite. It is our campsite. It belongs to the Association and its membership. You can schedule to have overnight camping, daily picnics, or whatever you want.

The rules are that you can drive in on the gravel road in the middle of the campsite and unload but cannot leave a vehicle there. The City insisted that it be a primitive campsite. In other words, no vehicle camping inside the fenced area. You can bring your motor home and park outside the fence. There are no hookups for these vehicles yet.

Please clean the BBQ's when you are finished and pick up your own trash and put it in the Association dumpsters.

Notify a board member or officer if you want to use this for a major event.

We hope you all can take advantage of this wonderful addition to our facility.
