Mark's Remarks

The first thing I would like to do as your "New President" is to thank **Darrin Eaton** for his years of service to the Association as our President, Vice President, and Board of Directors member. I would like to thank **Chris Cote** for serving as the Recording Secretary this last year. I would also like to thank the Directors, who have served us for the last two years, **Jack Starlin** and **Rich Hall**.

Welcome to the new 2025/2026 Board of Directors, Vice President, **Jack Starlin**, Recording Secretary, **Breen Emery**, Board members serving the second year of their current term, **Leonard Hodges**, **Tracie Sheldon** and **Carlos Torrez**, reelected members **Ren Everett** and **Patrick Russ** and our newly elected members **Ralph Magnus** and **Mark Oakley**.

While we are on the range, I hope we are all thinking about gun safety and our own safety. We also need to think about the safety of the ranges and our fellow members. Too many times, I have seen people driving in and out of the main gate and not waiting for it to close. This has the possibility of letting unauthorized people in. Another thing is that the speed limit on the range is 5 miles an hour. There are two reasons for this. First, we don't raise dust and second, you never know who's going to be stepping out from behind a building. I have also noticed people parking in the fire lanes. These are there for the safety of our members. They are on the 100 yard range and on the 150 yard range. On the 100 yard range it is from the edge of the pad to the trunks of the trees. On the 150 yard range it is from the edge of the pad to the target frame hut.

A few more reminders, when you are done shooting trap whether at an event or shooting on your own, you must take your hulls home with you. The same goes for paper targets from any of the ranges. DO NOT throw them away at the range. If the County comes in and finds them we are subject to heavy fines and the possibility of being shutdown.

If anyone wants or needs to put anything on the Agenda for either the Board of Directors meeting or the General Membership meeting please contact **Breen Emery** (the recording secretary) at least a week before the meeting.

I look forward to serving you as the President.

Mark Baldwin

Work Party - Save the Date

The next Work Party is coming up in August. Save the Date – August 24. Just show up any time after 7:00 am and stay as long as you like. We will have some garden tools, rakes, weed whackers and work gloves

available, but if turn out is high we often run low. So...bring your own if you are willing. As always, we will share a fabulous feast together at lunch time.

General Membership Meeting

The monthly Membership Meeting was held Thursday, June 12. The new Board of Directors was sworn in by **Darrin Eaton**.

From left to right the Directors are:

Ralph Magnus, Mark Oakley, Patrick Russ, Tracie Sheldon, Carlos Torrez and Ren Everett followed by President **Mark Baldwin**, Secretary **Breen Emery** and Vice President **Jack Starlin**.

In other business, **Mark Oakley** won the \$25 door prize and donated it to the Junior Marksmanship Program. The attendance prize, now at \$500, remains unclaimed. **Parker Harlson, Gary Chlopek, Charles Ruby, Dan Selis or Mark Bentley** could have won the prize if they had been present, but they weren't. The prize will remain at \$500 for the July meeting.

After the Shoot Chair Reports and the Chief Range Safety Officer Report, the raffle swung into action. **Michael Douglas, Griff & Vanessa Peters, Steve Baran and Erik Olson** all donated additional prizes to the raffle table.

The next Membership Meeting will be held Thursday, July 10. Hope to see you then.

Friends of NRA Banquet

Escondido Fish and Game sponsored a table at the latest Friends of NRA Banquet. Our table won three 20 gauge pump shotguns and a Henry lever action rifle. These firearms will go to next year's Silent Auction at the annual BBQ.

Wounded Warrior Cracker Shoot

We will host a Wounded Warrior Cracker Shoot on Friday, July 18. See you there to cheer them on. I'll be making lunch so let me know if you will be there. **Linda Linaker**

New Precision Pistol Target Turners:

All new stainless steel turning target frame holders were recently installed on the pistol range, enabling up to sixteen participants for Precision Pistol (formerly known as Bullseye Pistol) matches. New frames were assembled for both 25 yard and 50 yard distances with bulls at standard height from shooting positions. All firing is done standing in the off-hand (one-handed) position without artificial support. Two 900 point rounds are held on the second Saturday of each month. Participants can utilize .22 rimfire, centerfire handgun, and/or .45 caliber pistol. The new turning target system and frames conform to NRA standards and can host Excellence-In-Competition (EIC) matches sanctioned by the Civilian Marksmanship Program (CMP), potentially attracting competitors from throughout the southwestern states. For more information, or to RSVP to an upcoming match, please contact **Kevin Cooper** thekelpcrawler@yahoo.com or 760-310-8333.

Annual Joy Drive

Time to start collecting for our annual "Joy" drive. Thank you Squirrel (**Jeanine Cleary**) for starting us off. Diapers, toys, gift cards or money are appreciated. Our military families deserve all we can do to support them. They are there to keep us safe, we need to be there to help them and their families. Thank you all. **Linda Linaker**

JUNIOR CORNER

by Kestrin Walsh

A Note of Gratitude

Most high school seniors around college application times struggle to find a topic to write their college essays about. I knew exactly what I wanted to say for mine. I wanted to describe the program that built me into a strong leader, dedicated citizen, and active public speaker.

While Patrick likes to brag about how much I give to this program, I really want to convey how much this program has given me. The opportunities have helped me grow into a very confident individual who stands out wherever I go. This is one of my favorite things about myself, that I'm not afraid to be the commander in the room and direct people to get the job done. Had I not joined the junior coaching program at 10 years old, I never would've been exposed to this kind of leadership. (Yes, that's right, I've been coaching for 8 years.) I would've never been pushed out of my comfort zone and presented safety briefs. I would've never had the amazing experiences with each and every wiggler I coached. This program pushed me toward a position where I direct people not with force, but with my energy. If I'm positive and also helping out, then I've found that others will follow my lead. Even when I wasn't the head junior coach, I was able to lead others without authority through my work ethic and energy.

I didn't expect to become the face of this program but I am immensely glad that I did. One of the things I talked about in my college essays was inspiration. I remember being inspired by some of our great shooters and I wanted to become involved in that. Somewhere along the line, I became the inspiration. I refined both my shooting and my leadership to become someone who was looked up to. I feel truly honored that I get to represent a program that has given me amazing life skills. The community that the range has provided for me has allowed me to grow into the person I am today. All the members at the range aren't afraid to give tips and pointers to help everyone succeed. It was in this supportive program that I was really allowed to flourish. I took in the feedback from all that would give it to me and melded them into my own toolkit of skill and confidence.

As I head into college on the east coast, I want to thank this Association for the support of this invaluable program and for allowing me to grow into a leader. I will carry with me the skills I have learned from this community and I hope to continue to make an impact on every community that I'm part of.

Thank you all for everything,

Kestrin "Hurricane" Walsh

TRAP CORNER

by Chris Cote

Hello Shotgun shooters,

Wow has the weather turned hot. Seems just a few weeks ago we were dodging rain drops in our long underwear. Now we can fry eggs on the trap pads. With that we must remember to keep hydrated and watch out for each other. The trap program will be putting out a cooler with some bottled water. Please drink something before you run into a problem.

Trap/5 stand/POT shooters/ Casual shooters

A couple of housekeeping items: Remember to take your hulls home and remind others to do the same if you see them throwing them into the trash cans. We have been finding hulls in the trash again. The blue bins are for cans and bottles, not cardboard. Cardboard can go in the dumpster or trash cans.

Cold Range Lights

The cold range lights on the light poles have been wired up. Remember that when the trap range is cold, like all other ranges, you should not be handling your shotgun.

Interclub Shoot

The Interclub Shoot will be held on August 30. If you are interested, please contact our retired president **Darrin Eaton** for details.

Ladies Night

Ladies, you need a night out. Come on down and join us for Ladies Night on the Range.

On the 2nd and 4th Wednesday nights of the month we have a down and dirty Trap 101 introduction. If you are interested in learning trap, please RSVP to **Annette Champion** at 760-803-7428. Space is limited to 5 participants per night and members will have priority. You will need, eye and ear protection, 20-gauge ammo and cash for trap rounds. We will provide shotguns and trap pouches for the evening.

Around the Range

The End of an Era The Final Rendezvous by Garth Warner

June 14th and 15th mark the end of a long series of Muzzle Loading Contests that stretch back over 30 years at the Escondido Fish & Game Association. That Saturday and Sunday were the end of a long tradition for what has been one of the longest running competition events in EF&GA history. Before AR contests, before Combat Handgun, before .22 Cracker Shoots, there was a Rendezvous.

During the high point of the Fur Trade in the 1830s, fur trading companies would schedule a Rendezvous to pick up pelts, and to resupply members of the fur trading companies. Essential items like powder, shot, traps and clothing items were all provided for sale or trade. All manner of manufactured items could be found, that were otherwise not available in the Rocky Mountains in 1830s North America. During the "Rendezvous" there could, and would, be competition between the Mountain Man Trappers. Contests could be rifle or pistol shooting, tomahawk or knife throwing, fire starting and/or virtually anything you could imagine. (Often fueled by excessive amounts of spirited beverages)

Past EF&GA presidents, like **Denny Martin** and **Neil Pisk**, along with a whole host of previous muzzle loading Shoot Chairs and dedicated members like **Ray Bucholz**, kept the Rendezvous competition tradition alive over many years. "Rendezvous" camps would boast 15 to 30 people who would shoot the events during the day and camp out overnight in the campground to repeat the next day.

Sadly, there has been very little "new blood" for a number of years. The gun industry that flooded the market with muzzle loading pistols and rifles for the bicentennial in 1976,, are either no longer in business or have moved on to other more profitable firearm lines. The **Jeremiah Johnson** movie that drove many to buy their first "Hawken" rifle, has faded from memory. Older members, who have been dedicated Muzzle Loading shooters are aging out. A number of these extremely experienced Mountain Men have passed on in just the last few years.

We just completed the last Rendezvous. Turnout was poor, as it has been for several years. You will note that I am not providing who won or lost. The reward for this contest was the experience of the event. As a mark in history, **Jerry Strauss** fired the last round of the last Rendezvous on June 15th 2025. It was a clean hit on the target.

Thank you all who participated over the years to make this the memorable event it was.

COWBOY ACTION SHOOTING

by Darrell Brinkmeier
AKA Double Diamond

Lady shooters: Sassy Kitty, DuckNcover, Lantana Lady, and Double A.

The Escondido Bandidos hosted 23 shooters on June 7, 2025. The morning started out very cool and the stages were set up as “fast” stages. The top shooter was **Clint Steele**, and the top Lady was **Lantana Lady**. This month there was only one person, **JB Corn**, that completed the match without missing any shots (clean).

Our next match will be on Saturday, July 5th, 2025, and will be followed by an ice cream social.

It was nice to see so many shooters at the Annual BBQ. We know that at least 162 of you made it through the mini-course that was set up. If you had fun and would like more information regarding equipment, ammo, rules, etc, feel free to send me a message at dbrinkmeier1@cox.net

Relive the simpler days of Old California with us...

Rancho Guejito Vineyard grows its grapes in the fine soils and climates of the last remaining intact Mexican land grant in California. Our 23,000 acre ranch was established in 1845. Nearly 175 years later, we have kept the tradition of cattle ranching, agriculture, and wine making alive.

Visit us every weekend for hayride tours, live music, and wine tasting.
