Darrin's Dissertation

Elections

On Thursday, May 9th, we held final nominations as well as elections during the May General Membership Meeting. After over a decade of service, **Geoff Orchin** has decided to let someone else take over the role of Recording Secretary. **Chris Cote** stepped up to take on the responsibility and has some very large shoes to fill. We also have two new Directors coming to the Board in July. **Tracie Sheldon** has been quietly helping and supporting many administrative tasks for the Association and now she will be taking a more public role as a Director. **Carlos Torrez** has been very instrumental in many projects around the Range as well as equipment and electrical installation and maintenance. He has also been helping with 5-Stand and Junior Trap the past few years. I want to take this opportunity to welcome and thank the new Board members. To the outgoing Board members, I want to thank them all for years of service with distinction. **Geoff Orchin**, **Ed Migdal**, and **Scotti Clary** have all made a huge impact on the Association and how we get things done.

Work Party

On Saturday, May 19th, we had 207 EF&GA Members and guests come together and absolutely destroy the list of tasks and projects that **Scotti Clary** kept us working on all day. I was amazed at how frequently people would just jump in and help someone working on a project when more hands would make lighter work. The attitude of camaraderie and teamwork is so refreshing compared to what I see at my day-job. By the end of the day, we were all good and tired and the property was beautiful, clean, and ready for the next day.

Barbecue

On Sunday, May 20th, we had our Annual Barbecue. As usual, the events were outstanding, and the food was excellent. The silent auction had a lot of variety and resulted in some spirited bidding. The raffle was done differently this year with fewer, but higher-valued prizes that each had a bucket for tickets. Participants only put tickets into buckets for prizes that they wanted to win. The winners all won prizes that they actually wanted to win, and we counted the tickets in each bucket so that we know what prizes are most popular for next year. After the festivities were finished, we had a great crew to help tear down and clean up everything. Once again, I was amazed at how much was accomplished in such a short period of time.

Summary

All three of the items listed above have one common thread. Our Association is made up of outstanding people who are willing to step up and contribute to the excellence of our community. Everyone who ran for the Board of Directors is passionate about the excellence of our Association. Rather than complaining about issues, they stepped up and offered to participate in finding solutions. Everyone who helped at the Work Party didn't just show up, they executed the tasks with enthusiasm and got to see the results of their efforts in real time. The Barbecue was run by a team of many Members who cooperated to make it an event to remember. All of this volunteer work is not done for recognition and accolades. It is done to be part of something bigger than yourself. I consider it an honor to be counted among the Members of our wonderful Association.

Be safe, shoot straight, and have fun.

May Membership Meeting

The May Membership Meeting was full of fun, even more than usual. Two new Life Members were recognized, The Mountain Men awarded a special gift and the election of the new Board of Directors all took place in addition to the normal prizes and raffles.

Becky Fieser won the \$25 door prize. The attendance prize was now a whopping \$500. **Robert Burwell, Charles Huettl, Richard Smerud, David Jiminez** or **Bradley Baas** could have walked away \$500 richer, if they had been present. Since none of them attended, we will all have another bite at the big \$500 apple next month.

Bud Smith showed up to set up the raffle. He was so sick that Elvio and I sent him home and did our best to fill just one of his shoes. The raffle table was supplemented with donations from **Bob Leider, Wayne Brunner, Jack Starlin, Elvio Marchi, Michael Douglas, Moose Cleary, Linda Linaker, Bud Smith** and **The San Diego Zoo and Safari Park.**

Ray and his brother **Ron Bucholz** gave away 2 coin sets on behalf of the Black Diamond and Mom’s Creek raffle. **Jack Starlin** and **Mark Baldwin** were the lucky winners.

Mountain Men Presentation

Members of EF&GA and the Manzanita High Mountain Men, **“Lex” (Alex Wright), Ian Eaton** and **“Smitty” (Edward Smith)** came down from the mountain to honor **Ray Bucholz**. Dressed in full period attire, they presented Ray with a personally crafted Buffalo skin coat. Smitty was able to acquire the hide and Lex made the coat. Ray was utterly speechless.

New Life Members

One of the highest distinctions bestowed by EF&GA is Life Membership. Welcome **Elvio Marchi** and **Dan Dorman** as our newest Life Members. Congratulations Gentlemen, on a well deserved honor.

Election of New Board of Directors

One highlight of the May Membership Meeting was the election of our new Board of Directors. Candidates for Officers were: incumbent **Darrin Eaton** for President, incumbent **Mark Baldwin** for Vice President and **Chris Cote** for Secretary. Since they were all unopposed, they will be your officers for the next year. There were three Directors elected. The final candidates were **Tracie Sheldon, Alonzo Clark, Carlos Torres, Dave Robertson** and incumbent **Leonard Hodges**. You selected **Tracie Sheldon, Carlos Torres** and **Leonard Hodges** to represent you in those three vacant seats. The 2024-2025 Board of Directors will be sworn in at the next Membership Meeting on Thursday, June 13.

JAKES Day at the Range

EF&GA will be hosting J.A.K.E.S. Day at the Range (Juniors Acquiring Knowledge, Ethics, & Safety) on Saturday, June 22. The event is sponsored by Alabama Street Athletic, Escondido Fish and Game Association, San Diego Chapter of National Wild Turkey Federation and the National Wild Turkey Federation. The event is open to youths ages 6 to 15. Registration starts June 1st by text or phone at 760-803-4868 or ilovesprig@yahoo.com. Any RSOs interested in helping with the event should contact **Gary Fukuda** at gfukuda@escondidofishandgame.com.

BBQ Weekend

Clean Up and Set UP

We started our annual BBQ weekend facing two beautiful sunny days. First came the Saturday Work Party with 207 volunteers signing in on the green sheets. As you can imagine with that many eager members, we were able to accomplish a lot. The new landscape committee was present in full force, along with many of our seasoned volunteer leaders, guiding many projects. Work continued after lunch while the BBQ teams began setting up for Sunday's activities.

Let the Games Begin

At 8:00 am on Sunday morning, it was time to "Let the Games Begin". This year's games included: Wrist Rocket Ruckus (Slingshots), Take a Bow (Archery), Muzzle Loadin' Ren (Black Powder Rifle), Carniv-AL (.22 Rifle/Steel Targets), Rifle Rambo (.22 Rifle/Silhouette Targets), Birdbrain Trap (20 ga Shotgun), The Cast of Thousands (Fishing Pole Casting), Egg-Zactly (Pellet Rifle Egg Shoot) and Yee-Ha Shootem-Up (Cowboy Action Shoot). There were cash prizes for the cumulative winners and runner ups in each age category.

BBQ FUN

We Came. We Played. We had a BLAST.
by Patrick Russ

The 2024 Escondido Fish and Game BBQ is now in the history books. If you missed it, you missed a lot. The weather was about as close to perfect as you could get.

The new raffle setup was a huge hit. We cut down on the time that it took to get it done and we were able to increase the value of the prizes.

Our own **Samantha Cary** gave us a great show and her rendition of the National Anthem was amazing.

While I may be a little biased here, I would like to thank **North County Shooting Center** for all of their help in making this year's BBQ (and every year's BBQ for at least the last 7 years) go smoothly. Not only did they donate a Bronze Plus membership, but they also helped with a lot of the last minute firearms needs. They allow me to do much of the FFL work for the EF&GA range as well as constantly supporting our Junior Program. Their support has been unwavering for many years and is vital to the success of many of our events.

Did you see that great banner on the stage? That was provided by **JD Built**. He's been doing banners for us for the past couple years. JD has been an amazing supporter of, not only the BBQ, but also the Junior program.

I would also like to thank the **American Heritage Girls** for running our Kids Zone. This was only the second year, but they have made it a great addition to the BBQ.

I could write a book about everyone that helped make the BBQ a success but I am limited on space. I know I missed a bunch of people but please understand that we couldn't do it without our amazing volunteers and the spirit of teamwork. So...thank you to everyone who helped make this year's BBQ a huge success.

Jamie Dill and her family did a great job running the merchandise sales. I think we even broke some records this year thanks to her hard work.

Lonnie Hix won the Rock Island Armory 1911 .45 caliber Gold Gun with NRA Grips donated by **Darrin Eaton**.

Bob Hoag won the Stars and Stripes Quilt made by **Annette Champion**.

In the Rifle Raffle, **Jim Preston** won the \$700 Grand Prize. **Chris Cote** won the \$500 1st Place Prize. The \$300 2nd Place Prize went to **J. Harris**. Congratulations to the lucky winners.

This year's clean up went smoothly thanks to the 8 or 10 people that stuck around to help. We also had a core group of people that were there to help whenever and wherever needed. **Tim** and **Dawn Gormley** saved the day many times on both Saturday and Sunday. They were some of the first to get there and the last to leave. There was no job too big or too small, if it needed to be done, they were all over it, instantly. Their hard work and dedication to the Association is very much appreciated.

Mark Ruhm built the Shotgun Keyring Board
Amie DeFrain Painted it.
Joedy & Kathleen Gregory made the key rings.

Thank You BBQ Prize Donors

Handmade Quilt by Annette Champion

Thank you all for the assistance and support in putting on this year's BBQ. We had a few new ideas and some good old favorites. A partial thank you list will be in the next newsletter but I want to send a special thanks to **Patrick Russ** and **Annette Champion**. They worked their tails off. Be sure to say, "Thank You" when you see them. *Linda Linaker*

Our members and friends of the Association are very generous people. The amount of time and energy that was donated to make this BBQ a success is immeasurable. In addition to those who contributed to planning, organizing and working the BBQ, the following members and friends donated prizes for the Raffles and the Silent Auction. Please accept our gratitude.

RANGEMASTER SOUND-OFF

by Gary Fukuda
Hello Everyone

Shotgun (Patterning Stand)

Do not use shotgun slugs when using the patterning stand. No shot larger than #4 shall be used. Follow all the Pattern Stand Rules and Instructions when using it.

100 Yard Range

A sign and a bell have been installed at the end of the fence on the left side of the 100 yard range. It reads "Please use bell to get attention of any trap shooters before proceeding down range". Ring the bell to let anyone on the Trap Range know that you want to go down range for target backer placement or retrieval.

Pistol Range

If target backers are placed on the firing line benches or center tables to staple targets on, make sure that staples do not go through and are left sticking up for someone else to get hurt.

Range is Cold - Blue Lights Blinking

Blue Blinking lights on or off applies to all ranges. If the Blue Blinking lights are on, do not unload firearms or gear from your car. Sign the Green Sheet and wait for the range to go hot and then you can unload your firearms and gear.

Targets and Target Backers

All shooters remove your targets from the target backers and return the target frames back to the designated area. Take your used targets home for disposal. HAZMAT regulation!

Make Sure You Have Everything When You Leave

Take a look around. Make sure that what you bring with you to the range, goes back home with you.

Want to be an RSO?

If you are a member of Escondido Fish & Game Association and you are interested in becoming a Rangemaster/RSO contact me and we can talk about the requirements.

We will be offering an RSO Class and First Aid Class in the near future. The RSO Class will cost \$150 + \$25 for a shirt and \$25 for an RSO hat. The cost will be reimbursed if you serve 5 hours a month for a year. The First Aid Class will include First Aid, Stop the Bleed, AED and CPR. It will cost \$55.

Please use bell to get attention of any trap shooters before proceeding down range.

Guests

Members pay attention to your guests. They are your responsibility.

The Green Sheets

I know this is redundant, but Green Sheets are **STILL** being turned in without the Date and Range information filled in. Please make sure the Date and Range information is filled in on any sheet you sign.

Wildlife

Watch for turkeys, deer and other wildlife on the range. Call a "Cease Fire" if they wander onto the range. There is to be no shooting when wildlife is present.

Comments, Questions, Concerns

If you have any comments, concerns or questions please feel free to contact me at gfukuda@escondidofishandgame.com or 760-420-7488.

Be safe and try to participate when you can.

Thanks,

Gary Fukuda

NRA Metallic Cartridge Reloading Class

6/1/2024 & 8/3/2024 (8 am – 12 noon)

Ammunition is hard enough to find and expensive enough. Now Vista Outdoor, the owners of the largest ammunition manufacturers, Federal, CCI, Speer, Remington Ammo, Hevi-Shot and others, are selling off that division to a Czechoslovakian group, known as CSG. This places our ability to acquire ammunition or components in foreign hands. (National Rifleman, April 4, 2024)

Is there any better reason to learn to reload your own ammunition?

Class Description:

This class will supply you with the knowledge of how to properly and safely reload your used casings into economical, effective and accurate ammunition. As you hone your new found reloading knowledge you will also improve your shooting skills.

The class is structured in two separate sessions:

1st session – This class is strictly academic and is held in the EF&GA Meeting Hall on the above dates from 8am until noon.

TRAP CORNER

by Chris Cote

Hello Trap Shooters

My newsletter deadline is before the BBQ so I hope you all had fun at the BBQ this year. Please thank the 2024 BBQ committee and provide your feedback (both positive and negative) to the committee so they can improve for next year.

InterClub News

For all those who participated in the InterClub shoot, thank you for representing EF&GA. Redlands hosted the last shoot. Lemon Grove took home the trophy for top club. Our own **Rich Davis** was top man shooter. Next InterClub is scheduled for June 8th at Lemon Grove. If you are interested in more information, please reach out to **Darrin Eaton** deaton@escondidofishandgame.com or **Chris Cote** ccote@escondidofishandgame.com. We would love to have a big showing and win at Lemon Grove.

Help Each Other

Now that we have had some drier and warmer weather, we have seen an increase in both new and forgotten shooters. With that, let's please remember our edict as trap shooters and support one another. I always go into a potential conflict thinking the other person has good intent and is not acting with malice.

Sending unnecessary targets while on the line drives up the per round cost. Let's all help with stopping that.

1. No unnecessary talking on an active trap line. The mics will pick up extra sounds and send targets.
2. Please know how your shotgun works and have it in proper working order before shooting on a squad. Do not send extra targets by racking, closing, or expelling a shotshell in front of the microphone.
3. Experienced shooters, let's help make our new shooters feel welcome by explaining how it works and giving them tips to stay in the rhythm of the squad, while maintaining safety.

We have shooters who are repeat offenders, and I think it is because they do not understand. Pullers (AKA score keepers) please turn the pickle off when the squad is rotating or if there are issues on the line that require talking and or excessive noise.

Ladies Night

On the 2nd and 4th Wednesday each month, **Annette Champion** will be hosting Ladies Night with a down and dirty Trap 101 introduction. If you are interested in learning trap, please RSVP to **Annette** at 760-803-7428. We are going to limit the space.

Doubles on Tuesdays

Beginning in June, we will be doing doubles on the third Tuesday of every month.

BLACK POWDER NEWS

by Garth Warner

My oncologist has released me back into the wild as of this weekend. I still need to do some physical therapy to get back into shape and my endurance sucks.

Effective NOW, I will be running the 2024 Guejito Rendezvous. The campground is reserved starting June 14th for those of you so inclined. Target set up will occur in the early AM hours on Saturday.

June 15th. We will start with Muzzle Loading Rifle Saturday morning on the 150 yard range. This will be followed by Muzzle Loading Pistol in the afternoon, also on the 150 yard range. Fire Starting will be in the campground around lunch time.

Sunday the 16th will start with Trade Gun on the 150 yard range. Following breakdown of the range, we will have Knife and Hawk in the campground, followed by Archery.

Period clothing is strongly encouraged.

For those of you who only have black powder cartridge rifles, AND/OR, black powder cap and ball revolvers, you are welcome to shoot, but your scores will NOT count as this is a Muzzle Loading Rendezvous.

The entry fee is \$10 total for everything.

COWBOY ACTION SHOOTING

by Darrell Brinkmeier
AKA Double Diamond

The Escondido Bandidos held the monthly match on May 4th, 2024 following a 3- month hiatus due to rain. **Buck Garrett** was the overall top shooter and **Lantana Lady** was the top lady shooter. There were 7 clean shooters: **Black Raven Bob, Double Diamond, Big Horn Bari, Sunset LaRue, Anchor Clanker, Misty Rose,** and **Tejon Buckaroo**. The SASS (Single Action Shooting Society) California state championship, hosted by the Cajon Cowboys, was held during the third week of April. It was a challenging match but **Buck Garrett** won his category and secured the Champion Buckle!. Our own **Lantana Lady** moved up to 2nd place and shot the match clean (no misses on 288 targets)! Our next match is our "annual" match and is scheduled for June 1st, 2024. It will be celebrated with an ice cream social following the match.
