## Darrin's Dissertation

**Coaches Training Day 10/22/2023** – We are always recruiting for more people to help coach for many types of training. The common response is “I don’t know how, so I don’t think that I would be a good coach”. We can fix that. We have a great opportunity to train you on coaching on October 22nd. This involves classroom as well as hands-on training on how to coach a new shooter for rifle, pistol, and shotgun. When you learn how to coach someone else, you will probably learn how to coach yourself as well. I have done this event multiple times and it is always interesting and fun. Contact **Ren Everett** at [everettju1@cox.net](mailto:everettju1@cox.net) to reserve your seat and enjoy the event.

**Work party 10/28/2023** – We have the premier outdoor range facility in the Southern California region. The reason that it is so great is that we have members who participate in the excellence of the Association. The members who participate have skin-in-the-game. We all take pride in what we have and an important component of that is the work that is performed at the quarterly Work Parties. Some of the tasks are infrastructure improvements and others are regular maintenance items like brush removal and broken clay clean-up. Most of the tasks are not glamorous but they all need to be done.

On the 28<sup>th</sup> of October, we will have another Work Party. No reservations are required. If you want to be part of it, just show up. Some of us are there as early as 7 AM and others start a bit later in the morning. Lunch is always excellent and there is a no-cost raffle after that. Bring your friends and family. All are welcome.

When we have a big crowd at a Work Party, it’s amazing how much work we get done in such a short period of time. When everyone is pitching in to help out instead of complaining about their surroundings, it makes me proud to be a member of this fine Association.

### Interviewing New Members

On the first Thursday of each month from July through November or December, we interview prospective new members to the Association. We like to have a panel of three interviewers for each prospective new member. If you would like to

participate in these interviews contact **Yosi Boubilil** at 760-214-3582 or [rsbiker99@aol.com](mailto:rsbiker99@aol.com).

### Left the Range

We received notification that **John Dufresne** passed away on August 13, 2023 after a lengthy battle with an autoimmune disease, VEXAS. John has been a member of our EF&GA family since September 2017.

### September General Membership Meeting

Well....if you missed the September General Membership Meeting, you missed a lot of fun and camaraderie. As usual there were lots of prizes to win. **Lucy Nelson** won the \$25 door prize and donated it to the Junior Marksmanship Program. Four names were drawn for the attendance prize. **Don Looney, Brandon Gray, Gary DeSpain** and **Edward Ketner**....you all missed your chance to take home the \$400 prize. That means that next month's prize will increase to the maximum of \$500.

**Bud Smith** coordinated another exhilarating raffle with additional prize donations from **Jim Rolfes, Pete Cypher, Wayne Brunner, Elvio Marchi, Moose Cleary, Michael McKinney, Therese Thomas** and **Bud Smith**.

The highlight of the evening was **Garth Warner's** hilarious portrayal of **Ray Bucholz** who was out sick. If you closed your eyes as Garth began, you would swear that Ray was at the mike. Between Garth and **Pamela Tucker** they made sure that The Black Diamond raffle proceeded uninterrupted. The plan was to give away a Colt Sheriff's model revolver that night and a 1858 Remington revolver next week if 30 tickets were sold each night.

The next General Membership Meeting will be Thursday, October 12 at 7:15 pm. We hope to see you then.

### New 50/50 Drawing at Membership Meetings

We are going to start a 50/50 drawing at the monthly meetings. We have spent a lot on range projects and we need to start building our improvement fund up. We have more that needs to be done here. \$5.00 per ticket. The winner takes half. The Range Enhancement Fund gets half. See **Linda Linaker** for details.

### Camp Pendleton - Annual Joy Drive

Okay folks, it's time to start collecting for our "Joy" drive. I'll be passing the hat for the next few months so we can give to Camp Pendleton. I take money, checks, gift cards, toys, and diapers. Please be generous, the military families appreciate all we do. **Linda Linaker** at [momma92082@gmail.com](mailto:momma92082@gmail.com)

### "Suggestion Box" Email Address

Recommendations for a "Suggestion Box" have led to the creation of a new email address for you to use. Suggestions and comments are welcome at [Ideas@escondidofishandgame.com](mailto:Ideas@escondidofishandgame.com).

## Work Party

**Saturday 10/28/2023 7:00 am**

Free Lunch with Friends will be Provided.

A No Charge Raffle Follows Lunch.

Just Show up at whatever time you want.

Work as long as you want or need.

Bring Work Gloves and Yard Tools if you have them.

We will have some if you don't.

**New Members:** Easiest and most fun way to complete your required volunteer hours.

### 100 Yard Range Remodel

Only a few things left to do. We need to paint the Safety and Firing lines. We will be completing the electrical for the flashing blue "Range Safety" lights. The lights are generously being donated by a member, **Cary Fredricks**. Another member, **Kenny Hogue**, is donating his time and equipment to grade the road base for the aprons. Many thanks to all members who have donated their time and energy to this project.

### Life Member Nominations

Each year up to 2 members are granted Life Membership to EF&GA. If you would like to nominate a member for this prestigious honor, please submit your nomination in writing by March 31, 2024.

### Need Volunteer Hours??

Our Grounds and Maintenance Director, **Dean Dorman**, would like your help. Dean always has projects that could benefit from some member volunteers. (mowing, weed whacking, repairing target backers, etc.) Dean typically works weekdays 6:00 am – 10:00 am. Contact Dean @ 858-231-8436 if you would like to help him with some projects.

Another opportunity is assisting with Trap. Trap is looking for folks to help with set up, take down and scoring on Wednesdays and Saturdays. The Trap team will show you what you need to know. Contact **Chris Cote** for more information at [Ccote@escondidofishandgame.com](mailto:Ccote@escondidofishandgame.com).

**REMINDER:** Don't wait until June 30th to complete your hours. Life happens and plans change. If you do not have your volunteer commitment completed by June 30th, you will not be renewed.

### Turkey Shoot 11/18/2023

NO...We do not shoot at the live turkeys on our range. The turkeys for the Turkey Shoot are frozen. The frozen turkeys don't fit in the target launchers very well, either, so we use regular Trap birds for the actual shoot.

The shoot consists of 10 people on the firing line and the top score (out of 10 clays) wins a frozen turkey. Ties are resolved by a shoot out. The shoot begins at 8:00 am and continues until all of the frozen turkeys are gone.

Games will include 16 yard trap, 20 yard wobble and 25 yard handicap. Tickets are \$25 for members and \$30 for non-members. Contact **Darrin Eaton** at [Deaton@escondidofishandgame.com](mailto:Deaton@escondidofishandgame.com) for more details.

### Information About Organized Shoots

Besides casual shooting, your range is home to a great variety of organized shooting and other outdoor activities. We span the whole gambit from Tomahawk and Knife throwing, Archery, Black Powder firearms, Cowboy Action Shooting, Military firearms, Trap & Shotgun games up to all modern legal firearms. There is sure to be something that will tickle your interest.

An often under utilized resource for information about our various organized shoots is our website. Most of our sanctioned shoots have additional descriptions on the "Events" page. These descriptions provide information about the dates and times of a shoot, what equipment you will want to bring, the cost of the shoot and sometimes even the expected course of fire. Contact information is also listed on this site.

From the Home screen on the Website, look for the blue bar at the top of the page. Select "Events". This will take you to the "Events" page with a list of most of the events available. Click on the one you're interested in to view the details for that match.

We hope you can enjoy some of what Escondido Fish and Game Association has to offer.

### October Work Party (AKA Range Clean Up)

Come on out to the October Work Party, Saturday, October 28. There will be lots of projects to work on, followed by a free lunch and a no-charge raffle. Work Parties are an excellent way to meet many of your fellow members and accomplish something worthwhile for the Association at the same time. This is also one of the easiest ways for new members (5 years or less) to fulfill their required volunteer hours. Just show up anytime after 7:00 am and work as long as you like. Bring work gloves and landscape tools if you have them. We will have some available if you don't. See you then.

# RANGEMASTER SOUND-OFF

Over the past few months we have had New Member Orientations for a large and eager group of people new to our range. They aren't necessarily new shooters, but new members at this range who need to become accustomed to our rules and regulations. Some have gone blind trying to read all of our signs.

So...We are asking all of you (remember you are all RSOs) to assist our new members and your guests in learning our procedures. If you see them doing something incorrect, please introduce yourself and help them understand how to avoid being in violation.

Let's start with the blinking blue lights. The default state at the range is HOT (lights OFF). It is an exception when the range is COLD (lights ON) and everyone at the range must be cognizant that there is a "Cease Fire". No handling of firearms and equipment. Stand behind the yellow line.

Now let's address unloading your firearms and equipment. When you arrive at the range, ensure that the range is HOT before removing your cased firearms from your vehicle. Nobody likes it when someone is messing with a firearm behind your back. Your firearm should be unloaded from your bag/case on the firing line bench, not the table or benches behind the firing line. Keep the firearm pointed down range. (If you intend to place a rifle on one of the racks, you still need to unload it from its case at the firing line first.) Reverse this process when it is time to load your firearm back into its case. If you are not following these procedures, you are probably "sweeping" other shooters on the range which is a major safety violation.

Finally, remember that we are all RSOs regardless of whether or not you have a Red Hat. If you see another member doing something unsafe, please politely remind them. If that doesn't work, notify the Chief Range Safety Officer or Assistant Chief Range Safety Officer with details at [Gfukuda@escondidofishandgame.com](mailto:Gfukuda@escondidofishandgame.com) or [Mbaldwin@escondidofishandgame.com](mailto:Mbaldwin@escondidofishandgame.com). The Board convenes a special inquisition for those who violate our safety rules.

# TRAP CORNER

by Chris Cote

Well folks, I hope we are beyond the oppressive heat. It is starting to get cooler at night at the range. If you have not been to the range at dawn or dusk, you have been missing our turkey parade. It seems the turkeys make a regular event out of marching up and down the range. I mention this so we are all aware and use caution when shooting around those times.

As we move into the upcoming time change, we will not be changing the start or stop times for Tuesday, Wednesday or Saturday Trap/5 stand and POT.

Members who need "voluntold" hours, Trap is looking for folks to help with set up, take down and scoring on Wednesdays and Saturdays. The trap team will show you what you need to know.

Ladies, on Wednesday night we are going to be starting a down and dirty Trap 101 introduction. If you are interested in learning trap please RSVP to **Annette Champion** at 760-803-7428. We are going to limit the space to 5 participants per night and members will have first priority. What you will need: Eye and ear protection, 20-gauge ammo and cash for trap rounds. We will provide shotguns and trap pouches for the evening.

by Patrick Russ

Unfortunately, due to Hurricane Hilary, we decided to cancel the August Junior Pistol event. Luckily, the storm ended up being very minor and we did not sustain much damage. Not knowing how bad it would be we decided to err on the side of caution. Our focus is always safety first so although the storm ended up being pretty weak, I feel that we made the right call.

I would like to publicly thank **Jon Fein** and **Dovetail Marketing** for always supporting EF&GA and the Junior program. Over the years, Jon has donated many pallets of water for the Junior program in addition to giving us a great price on t-shirts. He has rushed t-shirt orders when we needed them for the BBQ or other events. Recently, the Association needed some generic pens to use to sign the green sheets. Jon not only got us a good price, but he also covered half of the cost. Thanks Jon. Your contributions have made a difference and are appreciated.

The weather is getting cooler, and the leaves are starting to change colors. That means that it's time to start collecting for our annual **Dave Randsberger** Memorial Joy Drive & Diaper Dash. Every year before Christmas we collect new toys and gift cards for the children of deployed service personnel at Camp Pendleton. We hope to have a "treasure trove" of gifts for these kids this year. In addition to toys, we collect diapers (unused only, please) for the babies. **Linda Linaker** and her team will deliver the gifts and diapers to Camp Pendleton Family Services, who will distribute them to more than 150 families. As we all know, our military is very underpaid. This Joy Drive helps take the stress off military families that already have a lot to worry about. It allows them to give their children a Merry Christmas. I ran the San Diego Toys For Tots program for many years. I have seen the difference that these programs can make. It could be the difference between a child getting a toy for Christmas or getting nothing for Christmas. I am very proud of many of the things that we do at EF&GA, but nothing makes me more proud than knowing that we give back to our military. Linda has been spearheading this campaign for about 8 years. A special Thank you to Linda and her team. Thank you also to every member and their guests who elect to donate something to the Joy Drive & Diaper Dash.

## RULES TO LIVE BY

2. **Never** point your firearm at anything you don't intend to shoot

## 3-Gun Contest & Muzzle Loading Congress

by Thomas Arendell

The 3-Gun Muzzle Loading Contest was held Sunday, September 3. Rifle was 1 target (B-19) at 50 yards, 13 shots, best 10 for score. Pistol was 1 target (B-19) at 25 yards shot 1 handed, 13 shots, best 10 count for score. Tradegun was 1 target (A-21) at 50 yards, 13 shots best 10 for score.

The 3-Gun event is purposely placed 1 month prior to the Muzzle Loading Congress (on Sunday, October 1) to serve as preparation for that event. It also serves as the final event that counts toward any possible class changes to be used during the Congress. Classifications assigned for the Congress will carry over for all Bullseye events in 2024.

This year's Congress on Sunday, October 1 will be the final one for EF&GA after a 15 year run. If you read your newsletter before October 1, please come out and support the event. To participate, just show up to shoot. No pre-registration will be required. Each aggregate will cost only \$5 and will require 20 shots. Next year we will have a different event to replace the Muzzle Loading Congress.

## A Look Back in History

by Pamela Tucker

Can you identify this black powder club from the 1960s? It's the San Diego Black Powder Association with the DooWop Shooters Team members and the Top Guns in the front row. This picture was taken on the range at the El Cajon Valley Gun Club. Can you identify the five EF&GA members in the photo?

No other shooting offers more challenges and excitement than black powder. Try it. Join us every 4<sup>th</sup> Sunday at 0800 on the 150 yard range. You will be happy you did. **Black Diamond**

## 2022 Top Gun

### 8/27/2023 Contest Results

A record 9 people showed up to shoot the Top Gun contest. We ran two relays to accommodate all the shooters.

Conditions were clear and HOT in the high 90's. This contest was held late this year due to my health issues. Next year we will try to run this a little earlier in the year.

The 2022 Top Gun Trophy was awarded to **Ren Everett**. A huge Black Diamond Resin Buffalo Trophy was also presented from **Ray Bucholz**.

## August Long Range Silhouette

Starting at 10:00 this event ran through the heat of the day and shooters began to wilt in the heat. It seems like EVERYBODY had trouble connecting with the targets.

I had brought a case of Kirkland water in a cooler with ice. It was seriously depleted by the end of the contest.

That was foul humor, but it quacked me up.
