LANDSCAPE WORK PARTY on October 18 & 19.

This would be a great opportunity for Provisional members to get in their required 6 hour volunteer time

The Presidents' Corner

This is the time of year when we start to process the new members. First, let me say congratulations and welcome to those of you who have or will have completed the process and have become Provisional members of EF&GA. Remember, you must complete your six (6) hours of voluntary service no later than June 30, 2015. PLAN AHEAD!! Get in touch with Secretary Geoff Orchin and get the dates of the work parties in advance. Don't make the mistake of waiting for the last minute, trust me, you will run out of time. The ONLY person(s) authorized to sign off on the Provisional Member yellow volunteer hours card are: Work party event chair (or his designate), Denny Martin, Shoot chairs and any Board of Directors member.

Secondly, let's remember that the new members are unaccustomed to the day to day operations of the range so let's exercise a little patience and give them the benefit and support of our experience.

KUDOS

I would like to take this time to thank Patrick Watson, Juli Everett, Tim Geiser and the entire Membership Committee for expediting the new member process and making it more efficient.

Thanks also to Craig Rogers. Craig has been the shoot chair for our Junior Pistol program for ten years and is stepping down to pursue other interests. Thanks Craig and good luck! Welcome to Patrick Watson and Patrick Russ who have taken on the job.

By the time you read this some of the new landscaping plan will have been implemented. Thanks to Breen Emery, Ed Migdal, Roger Fannin, Dick Cross and Lee Taylor (City of Escondido) for making this a reality.

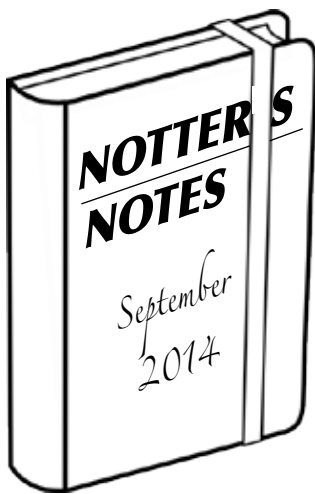

*****Safety Tip- OBI (open bolt indicator) or OCI (open chamber indicator) "flags" are a simple and inexpensive way to assure that your firearms are safe before you venture downrange.**

You can purchase these from Bud Smith at any general membership meeting.

We had an outstanding shoot July 20. Thanks to all the Coaches and parents that helped coach for all their hard work. We also had some Navy personnel and Palomar College police giving a hand as well. The next match will be on September 21st, sign ups start on September 4th.

COACHES COURSE

There will be a Coaches course on Oct 19th. We will be covering rifle, pistol and archery. If you have wanted to come out and give a hand with the Junior program but thought you didn't know how to coach we will be happy to teach you. Mark your calendars now with the date.

DON'T PATTERN YOUR SHOTGUN ON THE WOODEN TARGET FRAMES

There is a pattern board between the pistol range and Trap 1. Please pattern your shotgun there! Utilizing Wooden frames for this purpose ruins the frames!

SEPTEMBER SHOT SPECIAL (MEMBERS ONLY) \$20/BAG

Members may purchase reclaimed shot for \$20/25 lb bag during the month of September only. See Dave Burton or Denny Martin.

AUGUST MEMBER'S MEETING SHORTENED BY POWER OUTAGE

Craig Rogers won the \$25 attendance prize. For the first time in a while, there was a \$100 attendance winner – Norm Porst.

FISHING REPORT

Brad Hall and his 14 year old grandson, Vinny, went fishing for 5 days on the 90' Polaris Supreme. They left San Diego July 11th and traveled south into Mexican waters. They fished offshore catching yellowfin and bluefin tuna. Vinny tried his hand at throwing surface iron for the first time. He landed several fish up to 25 pounds. This was his second trip, and he is looking forward to next year. He is hooked.

THANKS, POT SHOOTERS, FOR DONATING TO THE JUNIOR PROGRAM

The Pot shooters donated \$200 (including Lonnie Fowler's share -\$70- of the 50/50) to this program – Thanks!

RANGEMASTER SOUND OFF

By: Tim Geiser – CRSO • www.crsotim@aol.com

Every month as I struggle to write this column, the question is always the same. What is the membership interested in and how can I best pass on useful information. In truth, most of the folks probably do not realize that the original intent of this page was to be a forum for the membership to sound off. So keep that in mind. My RSOs frequently pass on info that I attempt to incorporate whenever appropriate. Any member, who has an issue to discuss, please send it to me. I will do my best to pass it on to the rest of you in my inimitable award winning style. (OK I haven't won an award yet, but surely it is only a matter of time)

As you may remember, I have been on a fire safety binge lately. It has been for good reason and now the County of San Diego is getting into the action too. Section 33.101.5 has been declared enforceable by the Board of Supervisors which effectively prohibits shooting during "high fire hazard" situations. Look it up or contact me. It primarily applies to casual shooting within the County with specific exceptions. Fortunately, EF&GA falls within the exceptions, but check the County Regulatory Code carefully before doing any casual shooting outside of the specified exceptions.

Camp fires can be a problem. Even in approved fire rings, fires can still be a hazard, especially during "Red Flag" days. The EF&G BOD has decided that during "Red Flag" conditions only charcoal briquettes should be used in our campground fire rings. AND fires should always be attended.

Question of the day: Which ranges allow silhouette targets and where are they prohibited.....Hint: Look carefully at the new target visuals posted at each range.....Time is up. If you say only the short pistol range you are correct! However, remember that the overall target size must still fit within the 24"x24" target backing. This applies to zombie targets also. (Zombies may not bear any resemblance to me or any other recognizable individual)

There is a 1500 member cap on EF&GA membership. Many of the current members such as me are older than dirt. We may also be retired and able to take advantage of the range during the week when range usage is low. Unfortunately midweek usage can be a problem for younger members who work and have families to support. The longer hours in summer help somewhat and the BOD has decided to open the trap range to casual shooters when events such as Bulls Eye Pistol are running. The trap range will be called COLD by the **Event Shoot Chair** when necessary to change targets. An additional limitation is that clay birds can only be launched by the machine. Hand thrown clays will not be permitted. Feel free to check with me or the duty RSO if there are any questions.
