Mark's Remarks

I hope everyone had a safe, fun and happy holiday season and a happy new year. I just wish Santa Claus wasn't dyslexic, because I asked for a large bank roll and a slim waist.

As a New Year's resolution, I hope that we can all remember that the range is for all of us to enjoy and be safe.

Reserved Lanes for CCW Instruction

On the pistol range during the week, you may encounter a sign stating that training will be taking place with targets in place. These are there for our sanctioned CCW instructors. Please do not remove the sign or shoot the targets. They have put them in place to save time for both of you. Without this preplanning, if you are on the line shooting when they come out to do their shooting, they would need to have you go cold so they could install their targets. If the range is being heavily used, please go in to the meeting hall and let the instructor know. He will be more than willing to open up the lanes.

Patterning Board

Most of you know that we have a patterning board for checking the pattern on your shotguns. There are certain rules (these can be found in the casual shooting rules) that go along with this patterning board, no shot larger than number 4, no steel shot. This means buckshot and slugs are not allowed. We had an incident where someone was shooting a slug at the paper on our patterning board. Instead, they hit the metal that hides the roll of paper and put a hole through the cover end of the roll of paper.

Blue Lights

We all need to remember that when the blue lights are on at any of the ranges, it means the range is cold, so no handling firearms or equipment. That includes bringing the equipment and firearms onto the range. When you pull up to a range, you should have your eye and ear protection ready because most of the ranges are very loud when the range is in use. If the range is cold, you can get out of your vehicle, sign the green sheet and put up targets. When the range goes hot, then you can retrieve your firearms and other equipment out of your vehicle.

BULLET POINTS

Date Change for January Board Meeting

Since the Monthly Board of Directors Meeting would fall on January 1, the meeting has been changed to Friday, January 2. Members are always welcome to attend the Board Meetings.

December General Meeting and Holiday Party

In the spirit of Christmas, Hanukkah or even just Winter Solstice, many members of the Escondido Fish and Game Association gathered together to enjoy each other's company for the holidays. The activities started earlier in the day when many members arrived to turn the 100 Yard Range into a charming party room. You can follow their progress with a few photos on page 13.

Of course, the party began with the usual monthly business meeting, followed by many cheerful extras. During the meeting the door prize winner was **Bud Smith** who donated the \$25 prize to the Junior Program. No one won the \$500 attendance prize. Potential winners were **Mark A. Smith, Daniel Hannah, Alan (Drew) Barnett, John P. Beemer** and **Emil Olaes**. Since they were not present, a motion was entertained to donate the \$500 to the Joy Drive. The motioned passed. In January the Attendance Prize will start over at \$100.

Linda Linaker headed up the Dessert Extravaganza with many tasty treats brought by the members to share. Linda also announced that the Grand Total for the annual Camp Pendleton Joy Drive was roughly \$13,000. **WooHoo!!** Linda had an "incentive" drawing for those that had contributed to the Joy Drive. **Moose Cleary** won the Jack Daniels Winter Spiced Apple. **Dawn Gormley** and **Robert Walsh** each won a set of red, white and blue Ammo Cans.

Tracie Sheldon presided over a special drawing for all of the valuable volunteer coaches from 2025. The winners were **Kyle Hansen, Breda Walsh, John Linaker, Rand Nelson, Michael Douglas, Bill Sheldon, Jim Little, Ellie Plascencia, Therese Thomas** and **Rhyan Walsh**. They each won a \$50 gift card from either Chick-fil-a, In N Out, Mike's BBQ, Target or Walmart.

The Christmas Raffle is always a bigger and better raffle than the monthly raffles. This year's raffle benefitted from some very interesting and unique donations from many of our members. You can see the complete list of donors and their treasures on Page 13.

Throughout the year members who attend the monthly General Membership Meeting each receive a red ticket. Those tickets are saved for the entire year. At the Christmas meeting we draw from the red tickets for prizes. **Alex Luz-Olson** won a \$100 gift card to Turner's Outdoorsman. **Terry Constantine** won a \$100 gift card to North County Shooting Center. **Therese Thomas** won a \$100 gift certificate to Duncan's Gunworks. **Mike Sykes** won a \$100 gift certificate to Gunther Guns.

Ray Bucholz and **Pamela Tucker** also awarded various coin sets in the Magnificent 7 July Gun Raffle. The lucky winners were: **Daniel Ingham, Drake DuPlessis, Michael Douglas, Cathy Bell** and **Chris Warner**.

To all who were present, we enjoyed your company to usher in the Holiday season. We wish you safe and enjoyable shooting in the coming year.

Linda's Lines

December was a busy month for all of us. The Wounded Warrior shotgun event was attended by 20 warriors and lots of coaches. A Poker Shoot is planned for the Wounded Warriors for February 4.

We enjoyed Christmas at the range with **Scotti** doing a bang up job on prizes and great cookies and treats from many others. We delivered approximately \$13,000 in cash, cards, checks and toys to Camp Pendleton for our holiday "Joy" drive. **Jack Starlin** matched the first \$5000 collected.

Thank you to all who took part in everything. We couldn't do it without your help. To every single person who helped, we hope you had a Merry Christmas. Blessings to all of you. **Linda Linaker**

Bullet Points continued from pg. 2

February Work Party - 2/22/2026

Save the Date: Sunday, February 22 is the next Work Party. There is only one more Work Party (in May) before Membership Renewal time. Come and share some quality time with fellow members. Clean up the range and have a nice lunch together. If you have your own garden tools and work gloves, please bring them. We have some available, but we sometimes run low. Extra “weed whackers” are always welcome. Show up any time after 7:00 am and stay only as long as you like. See you on Trap Pad #2.

New Sanctioned Shoot at EF&GA

New shoot chair **Jonathan Seal** will soon be launching a new sanctioned shoot for .22 rifles called the Rimfire Steel Challenge. The maiden voyage of this shoot is expected to be in January or February. The plan is to hold the shoot on the 150 Yard Range the 3rd Friday of each month at 7:00 am to 12:00. The cost will be \$5 for members and \$10 for non-members. Watch the website event page and calendar for the shoot description and schedule.

Life Member Nominations

The deadline to submit nominations for Life Membership is fast approaching. Please submit your nomination in writing to **Patrick Russ** at PatrickRuss71@gmail.com, **Jack Starlin** at engriack@cox.net, **Linda Linaker** at momma92082@gmail.com or **Darrin Eaton** at Deaton@escondidofishandgame.com by March 1, 2026.

by Patrick Russ

Important Dates:

Junior Trap 1/10/2026 & 2/14/2026
 Junior Rifle 1/18/2026
 Junior Archery & Pistol 2/15/2026

Happy New Year!!! Am I the only one that can't believe that it's 2026 already? I'm still partying like we partied in 1999. 2025 was a great year for the Junior Program and I know that 2026 will be even better. I'm looking forward to seeing everyone.

To all of you that missed the Christmas party, you missed a lot. **Scotti** did an outstanding job of getting all the raffle prizes together. We had lots of prizes with great variety. This year the Junior program was represented by **Ella and Eislee Rhinehart**. We introduced the young ladies and asked them to help with some of the drawings. Not only did they show up to represent the Junior Program, but they were also the first to help clean up after the party. Special thanks to everyone that helped set up and tear down the 100 Yard Range for the party. Many hands made quick work.

RULES TO LIVE BY

1. Treat every firearm as if it were loaded
2. Never point your firearm at anything you don't intend to shoot
3. Keep your finger straight and off the trigger until you intend to fire
4. Know your target and the surroundings

TRAP CORNER

by Chris Cote

January 2026

Hello all. Hope you all had a wonderful Christmas. Hard to believe we are in 2026.

We are going to be introducing a new shotgun game on the 2nd and 4th Wednesdays after the first of the year. **Cosmic Trap**. The trap lights will be turned off, and we will be using black lights to light up the birds. Yes, they do glow in the dark. Shoot time will be 6:30 pm until 8 pm. You do not need anything special, just your ammo and a gun.

Let's talk Patterning Board. We do have one. For those of you who do not know what it is, very quickly, it is used to see how your shotgun patterns the bird shot from the gun (high level). What it is not made for is testing the accuracy of your slug. Reminder: Slugs are only allowed to be shot in the rifle range. Why am I reminding you all of this? Well, someone shot a hole in the patterning stand cover where the paper is stored. That is about 3 feet from where you should be aiming. I doubt that the person who did this even reads the newsletter, but in case they do, please do the right thing and contact me so we can have a discussion.

BLACK POWDER NEWS

by Garth Warner

Muzzle Loading Bullseye: Coming up on **Jan 4th**. This will be a Short Course Rifle event on the 150 yard range. There will be two relays. Each relay will have one B-19 target set at 50 yards. You shoot 13 balls with the best 10 balls to count.

This event is for Replica Muzzle Loading Rifles, Flintlock or Percussion, firing patched round balls only, with fixed iron sights. There will be a mandatory safety briefing at 07:45. The contest starts at 08:00.

Contact **Garth Warner** for more information at gwarner@cox.net. **NOTE:** I am recovering from surgery and I will probably NOT be able to attend. I can't drive yet, and RAY is more mobile than I am at the moment.

This is one of the easiest Bullseye events of the year. If you have a Muzzle Loading Rifle and 26 rounds of ammo, then come on out.

Traditional Archery: Coming up on **Jan 4th**. This will be a Short Plates Course event on the Archery Range. Start time is 10:30 ish, following the Bullseye event. The course of fire will be 12 arrows each at 10, 15, 20 and 25 yards. Archery is a really fun, laid back event that does NOT require a ton of expensive equipment. Contact **David Premetz** for equipment requirements and more information at slixgunr@yahoo.com.

Jan 9th-11th Pechanga Pow Wow. Google it for more details.

Jan 17th: SPAR Winter Camp: 10:00 Primitive Archery on the Archery Range- Short Plates Course. 11:00 Hawk and Knife in the Campground. 12:00 Lunch. 12:30 Primitive Skills courses. Time TBD- Primitive Rifle, 5 shots at 50 yards.

Muzzle Loading Silhouette: Coming up on **Jan 25th**. This is a Super Short Range Silhouette Contest for Pistol, Rifle and Tradegun. Pistol starts at 08:30 with targets at 15, 25 and 35 yards. Pistol categories include, Single Shot muzzle loading pistol, Cap and Ball revolver and Black Powder Cartridge Revolver. (Cast bullets and black powder propellant only.) Following Pistol, the range will be reset for rifle with targets at 25, 50 and 75 yards. Rifle starts at 10:00.

Rifle categories include:

Open Rifle: Any period correct replica muzzle loading rifle firing patched round ball. Any sights. Load from the bench.

Primitive Rifle: Same as above but with fixed Iron Sights only. Load from the pouch.

Master Rifle: You need to have won a Top Gun or shot a Possible to compete in this category.

Back Powder Cartridge Rifle: Replica Cartridge Rifle firing cast lead bullets and Black Powder propellant.

Tradegun: This is a Flintlock smooth bore with a fixed bead or blade front sight only. Note that this is a very challenging category that is only offered for the Super Short Contests a couple of time a year. If you miss this one, the next Tradegun event will be in 4 months in May.

Contact **Ren Everett** at 760-432-2089 or everettju1@cox.net for more information.

Many of you have told me you have a "safe queen", BP Rifle or Pistol you got from Ray over the years. THIS is the contest to bring that BP gun to. This is the easiest course of fire for the year. If you want to have fun with Black Powder, then this is the event for you. We will help you get started. If you have the gear, we will show you how to use it.

November is National Bison month, and this shoot is also the Neil Pisk memorial shoot. We usually change the shoot up from the scheduled Mid-range shoot and have some type of fun shoot. This month we did a super short course at 25, 50 and 75 yards. We did change the order just for fun and put the rams at 25 yards and the pigs at 75 yards.
